**Amendment No. 3 to Schedule 13D**

This Amendment No. 3 to Schedule 13D is being filed by Stanton E. Ross, the reporting person. Mr. Ross filed an original Schedule 13D, dated February 13, 2008 (the "Original 13D"), as amended by Amendment No. 1 filed March 20, 2008 and Amendment No. 3 filed February 9, 2009.

**Item 1. Security and Issuer**

Item 1 is hereby amended and restated as follows:

The title of the class of equity security to which this statement relates is common stock, \$0.001 par value. The reporting person beneficially owns 285,688 shares of common stock and options exercisable to acquire 121,875 shares of common stock. Certain of the shares of common stock are subject to vesting provisions.

The issuer of the securities is Digital Ally, Inc. (the "Issuer"). The Issuer's principal executive offices are located at 9705 Loiret Blvd., Lenexa, KS 66219.

**Item 4. Purpose of Transaction**

Item 4 is hereby amended to include the following:

This Amendment No. 3 to Schedule 13D is being filed to update the stock ownership of the reporting person to reflect a grant of 65,000 shares of restricted common stock to the reporting person on May 12, 2016. This grant along with earlier grants of restricted common stock, a portion of which has vested, caused the reporting person's beneficial ownership to exceed 5%. See Item 5(c) below. The information supplied in this Amendment No. 3 to Schedule 13D is provided as of May 27, 2016.

**Item 5. Interest in Securities of the Issuer**

Item 5 is hereby amended and restated as follows:

(a) The reporting person beneficially owns 407,563 shares of common stock, including 285,688 shares of common stock and options exercisable to purchase 121,875 shares of common stock. The beneficial ownership of 407,563 shares would represent 7.5% of the issued and outstanding common stock of the Issuer. As of the date of this Amendment No. 3, a total of 150,000 shares of restricted common stock included in the foregoing totals is subject to vesting restrictions as set forth in paragraph (c) below. The reporting person has the power to vote these shares even though they are not vested. The reporting person has pledged 135,688 shares and options exercisable to purchase 121,875 shares of common stock with exercise prices ranging from \$4.80 to \$54.40 per share to an individual as collateral for personal loans.

(b) The reporting person has the sole power to vote and dispose of 285,688 shares, assuming that the 150,000 shares subject to vesting provisions in fact vest. If the reporting person exercised his vested options, he would have the sole power to vote and dispose of an additional 121,875 shares. The reporting person will be able to vote the shares of common stock underlying the options only if he exercises the options.

(c) On May 12, 2016 the Issuer awarded the reporting person 65,000 shares of restricted common stock. These shares vest one half on May 11, 2017 and one half on May 11, 2018, provided the reporting person remains an officer on each date. An additional 50,000 shares of restricted stock granted in 2015 and 35,000 shares granted in 2016 prior to May 12, 2016 are subject vesting provisions in subsequent periods, provided in all cases that the reporting person remains an officer of the Issuer.

(d) No person is known to the reporting person to have any right to receive, or power to direct the receipt of, dividends from or the proceeds from the sale of any of the securities covered by this statement, except as provided herein.

**SIGNATURE**

After reasonable inquiry and to the best of my knowledge and belief, I certify that the information set forth in this statement is true, complete and correct.
