Item 5.02. Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

Election and Appointment of Directors

The 2017 Annual Meeting of Stockholders (the “2017 Annual Meeting”) of Marrone Bio Innovations, Inc. (the “Company,” “we” or “our”) was held on January 31, 2018. The disclosure set forth in Section (i) of Item 5.07 regarding the election of Pamela G. Marrone, Ph.D. to serve as a Class I director is incorporated herein by reference.

On January 31, 2018, following our 2017 Annual Meeting, our board of directors (the “Board”) approved an increase in the size of the Board to seven people, with the two additional vacancies on the Board being in Class I, effective immediately before the consummation of the transactions contemplated by that certain Securities Purchase Agreement, dated as of December 15, 2017 (the “Securities Purchase Agreement”), among the Company and the investors listed in the Schedule of Buyers attached thereto (the “Transactions”), as such agreement was previously described in the Company’s Current Report on Form 8-K on December 18, 2017 and filed therewith. In addition, effective immediately before the consummation of the Transactions, the Board appointed Robert A. Woods and Yogesh Mago to fill the two vacancies as Class I directors of the Company, with Messrs. Woods and Mago’s terms to each expire as of our 2020 Annual Meeting of Stockholders.

Mr. Woods will join the Board as Chairman, and will serve on the Audit Committee of the Board, the Nominating and Corporate Governance Committee of the Board and the Compensation Committee of the Board, which he will also chair. Mr. Woods has more than fifty years of experience in agribusiness and agriculture products. Since 2012, Mr. Woods has served as the Chairman and Chief Executive Officer of Targeted Growth Inc., a biotechnology firm focused on improving yield in agronomic crops. Prior to that, he served as Chief Executive Officer of Athena Biotechnologies, Inc., Chairman of Syngenta Corporation, Group President for Zeneca Ag Products and CEO of Garst Seed Company. He has been a consultant and advisor with Gowan Company since 2004 and currently serves on the board of directors as a member of the audit and compensation committees. From 2007 to 2016, Mr. Woods was a consultant and board member with Vertellus Specialties Inc. Mr. Woods has a Bachelor’s degree in Agriculture and Horticulture from the University of Manitoba in Winnipeg, Manitoba.

Mr. Mago will serve on the Nominating and Corporate Governance Committee of the Board, which he will chair. Mr. Mago, a consultant for Ospraie Management LLC (“Ospraie”), has over a decade of experience in investing across a variety of industries globally, including agriculture, travel, consumer, transportation, industrials and real estate. Previously, Mr. Mago worked as a Senior Investment Analyst at hedge funds Ospraie and Merchants’ Gate Capital LP. He is also the portfolio manager, founder and Managing Partner of Eunonia Management LLC and Eunoia Investment Fund LP, a value-oriented investment company, and the President and Co-Founder of Operation Water Inc., a nonprofit organization that aims to deliver sustainable access to clean water in impoverished countries through the

development of scalable infrastructure projects. Mr. Mago has a Bachelor's degree in Finance and International Business from New York University.

Messrs. Woods and Mago were appointed to the Board and certain committees of the Board pursuant to the Securities Purchase Agreement, which provides that, as closing conditions to the consummation of the Transactions, Ospraie Ag Science LLC, an affiliate of Ospraie, is entitled, subject to certain limitations, to designate two Class I directors to the Board to serve until our 2020 Annual Meeting of Stockholders (the "Ospraie Directors"). Of the two Ospraie Directors, one director was to be appointed as the Chairman of the Board, one director was to be appointed as the chair of the Compensation Committee of the Board, and both Ospraie Directors were to be appointed to the Nominating and Corporate Governance Committee of the Board, of which one director would chair. Following their appointment to the Board, Mr. Mago will continue to provide, and Mr. Woods will provide, services to Ospraie on a consulting basis.

No “family relationship,” as that term is defined in Item 401(d) of Regulation S-K, exists among each of Messrs. Woods and Mago, on the one hand, and any of the Company’s directors or executive officers, on the other hand.

On February 1, 2018, the Company issued a press release announcing the appointment of Messrs. Woods and Mago to the Board. A copy of the press release is furnished as Exhibit 99.1 to this Current Report on Form 8-K.

Director Compensation

In consideration of the additional service performed by our directors beyond their anticipated terms as a result of the delay in our holding the 2017 Annual Meeting, in addition to deferment of payment of cash retainers to such directors until closing of the Transactions, on January 30, 2018, the Compensation Committee of the Board approved of restricted stock unit awards to each of our non-employee directors. Directors Timothy Fogarty, Richard Rominger, George H. Kerckhove and Zachary S. Wochock, Ph.D. were each awarded 21,301 restricted stock units (based on \$25,000 of equity compensation generally awardable to our non-employee directors at each annual meeting under our previously disclosed director compensation policy), of which 8/12ths of the shares, or 14,201 shares, were fully vested, and the remainder vest in monthly in four equal increments, subject to the applicable director’s continued service on our Board and acceleration immediately prior to a change in control event. In addition, Michael H. Benoff and Kathleen A. Merrigan, each of whose terms expired upon the 2017 Annual Meeting, were awarded 14,201 fully vested restricted stock units.

On January 31, 2018, the Board determined to suspend our previously disclosed director compensation policy with respect to awards that would otherwise have been granted to our continuing directors effective as of the 2017 Annual Meeting and to Messrs. Woods and Mago as newly appointed directors, with compensation decisions for Board members deferred at the present time.

Director Resignation

On January 31, 2018, Timothy Fogarty delivered a letter tendering his resignation from the Board, effective immediately after the consummation of the Transactions. Mr. Fogarty’s decision to resign did not involve any disagreement with the Company on any matter relating to the Company’s operations, policies or practices. The unvested restricted stock units granted to Mr. Fogarty on January 30, 2018 will cease vesting effective upon his resignation.

As previously disclosed, on January 2, 2018, the Company received written notice from the Listing Qualifications Department of Nasdaq indicating that the Company was not in compliance with the rules for continued listing set forth in Nasdaq Listing Rule 5620(a) because the Company has not yet held an annual meeting of shareholders within twelve months of the end of the Company's 2016 fiscal year end.
