## **ITEM 7.01 REGULATION FD DISCLOSURE**

Global Healthcare REIT, Inc, (the “Company”) completed, effective December 1, 2018, the operations transfer of its Meadowview nursing home facility in OH to an affiliate of Infinity Health Interests, LLC (“Infinity”). The lease is structured with a lower base rent component than the prior operator but also includes occupancy-based escalators that will better align facility operations with future rental payments. As part of the transition, the Company committed a \$250,000 Accounts Receivable Line of Credit (“ARLOC”) to Infinity in order to ensure that no disruptions in management of the facility occur. The ARLOC is secured by a first lien on all the receivables of the facility as well as a personal guarantee from the two principals of Infinity. The Company expects facility level operational performance to quickly improve under Infinity’s stewardship and commitment to the surrounding community.

“We are excited to welcome Infinity to our family of operators and are eager to watch their progress at Meadowview,” stated Zvi Rhine, Global’s President and Chief Financial Officer. “We have engineered a number of successful turnarounds at our facilities over the past few years and are equally confident in Meadowview’s prospects.”
