PROXY STATEMENT

FOR ANNUAL MEETING

OF SHAREHOLDERS

To Be Held March 22, 2019

General

We are providing these proxy materials in connection with the solicitation by the Board of Directors of The Singing Machine Company, Inc. of proxies to be voted at our Annual Meeting of Shareholders, and at any postponement or adjournment of this meeting. Our Annual Meeting will be held on March 22, 2019 at our executive offices which are located at 6301 NW 5th Way, Suite 2900, Fort Lauderdale, FL 33309. In this proxy statement, The Singing Machine Company, Inc. is referred to as the “Company,” “Singing Machine,” “we,” “our” or “us.”

Our principal executive offices are located at 6301 NW 5th Way, Suite 2900, Fort Lauderdale, FL 33309. Our proxy statement and the accompanying proxy card are first being mailed to our shareholders on or about February 5, 2019.

Purpose of the Annual Meeting

At our Annual Meeting, stockholders will act upon the matters outlined in the Notice of Annual Meeting on the cover page of this Proxy Statement, including the election of directors and ratification of the appointment of our independent registered public accounting firm. In addition, management will report on the performance of the Company during the current fiscal 2019 and respond to questions from stockholders.

Outstanding Securities and Voting Rights

Only holders of record of our common stock at the close of business on January 29, 2019, the record date, will be entitled to notice of, and to vote at the Annual Meeting. On that date, we had 38,384,753 shares of common stock outstanding. Each share of common stock is entitled to one vote at the Annual Meeting.

A majority of the outstanding shares of common stock present in person or represented by proxy constitutes a quorum for the transaction of business at the Annual Meeting. As noted above, as of the record date, 38,384,753 shares of our common stock, representing the same number of votes, were outstanding. Thus, the presence of the holders of common stock representing at least 19,192,377 votes will be required to establish a quorum. Abstentions and broker “non-votes” are counted as present and entitled to vote for purposes of determining whether a quorum exists. A broker “non-vote” occurs when a nominee holding shares for a beneficial owner does not vote on a particular proposal because the nominee does not have discretionary voting power with respect to that item and has not received voting instructions from the beneficial owner.

In tabulating the voting results for any proposal, shares that constitute broker “non-votes” are not considered entitled to vote on that proposal. Thus, broker “non-votes” will not affect the outcome of any matter being voted on at the meeting assuming a quorum is obtained. Abstentions will have the same effect as a vote against a proposal.

Proxy Voting

Shares for which proxy cards are properly executed and returned will be voted at the Annual Meeting in accordance with the directions given or, in the absence of directions, will be voted “FOR” Proposal 1 - the election of each of the nominees to the Board named herein and “FOR” Proposal 2 - the ratification of EisnerAmper, LLP as our independent registered public accounting firm for the fiscal year ending March 31, 2019. If, however, other matters are properly presented, the person named in the proxies in the accompanying proxy card will vote in accordance with their discretion with respect to such matters.

Because many of our stockholders are unable to personally attend the Annual Meeting, the Board of Directors of the Company solicits the enclosed proxy so that each stockholder is given an opportunity to vote. This proxy enables each stockholder to vote on all matters which are scheduled to come before the meeting. When the Proxy Card is returned and properly executed, the stockholder’s shares will be voted according to the stockholder’s directions. Stockholders are urged to specify their choices by marking the appropriate boxes on the enclosed Proxy card.

The manner in which your shares may be voted depends on how your shares are held. If you own shares of record, meaning that your shares of common stock are represented by certificates in your name so that you appear as a stockholder on the records of our transfer agent, Continental Stock Transfer & Trust Company, a proxy card for voting those shares will be included within this Proxy Statement. You may vote those shares by completing, signing and returning the proxy card in the enclosed envelope.

If you own shares in street name, meaning that your shares of common stock are held by a bank or brokerage firm, you may instead receive a voting instruction form with this Proxy Statement that you may use to instruct your bank or brokerage firm how to vote your shares. As with a proxy card, you may vote your shares by completing, signing and returning the voting instruction form in the envelope provided.

All votes will be tabulated by the Inspector of Elections appointed for the Annual Meeting, who will separately tabulate affirmative and negative votes, abstentions and broker non-votes. A list of the stockholders entitled to vote at the Annual Meeting will be available at the Company’s office located at 6301 NW 5th Way, Suite 2900, Fort Lauderdale, FL 33309, for a period of ten (10) days prior to the Annual Meeting for examination by any stockholder.

Attendance and Voting at the Annual Meeting

If you own common stock of record, you may attend the Annual Meeting and vote in person, regardless of whether you have previously voted by proxy card. If you own common stock in street name, you may attend the Annual Meeting but in order to vote your shares at the meeting, you must obtain a “legal proxy” from the bank or brokerage firm that holds your shares. You should contact your bank or brokerage account representative to learn how to obtain a legal proxy. We encourage you to vote your shares in advance of the Annual Meeting by one of the methods described above, even if you plan on attending the Annual Meeting. If you have already voted prior to the meeting, you may nevertheless change or revoke your vote at the Annual Meeting in the manner described below.

Revocation

If you own common stock of record, you may revoke a previously granted proxy at any time before it is voted by delivering to the Secretary of the Company a written notice of revocation or a duly executed proxy bearing a later date or by attending the Annual Meeting and voting in person. Any stockholder owning common stock in street name may change or revoke previously granted voting instructions by contacting the bank or brokerage firm holding the shares or by obtaining a legal proxy from such bank or brokerage firm and voting in person at the Annual Meeting.

Vote Required To Approve Each Proposal

The election of the directors of the Company requires the affirmative vote of a plurality of the votes cast by stockholders at the Annual Meeting. A properly executed Proxy marked “WITHOLD AUTHORITY” with respect to the election of one or more directors will not be voted with respect to the director or directors indicated, although it will be counted for the purposes of determining whether there is a quorum.

Ratification of the appointment of EisnerAmper, LLP as the Company’s independent registered public accounting firm for fiscal year 2019 will require the affirmative vote of the holders of at least a majority of the shares of common stock present in person or represented by proxy and entitled to vote at the Annual Meeting.

CORPORATE GOVERNANCE AND RELATED MATTERS

Board Committees and Meetings

The Board of Directors oversees our business and affairs and monitors the performance of management. In accordance with corporate governance principles, the Board does not involve itself in day-to-day operations. The directors keep themselves informed through discussions with the Chief Executive Officer, other key executives and by reading the reports and other materials that we send them and by participating in Board and committee meetings. Our directors hold office until their successors have been elected and duly qualified; unless the director resigns or by reasons of death or other cause is unable to serve in the capacity of director.

The Board meets regularly during the year to review matters affecting our company and to act on matters requiring Board approval. It also holds special meetings whenever circumstances require and may act by unanimous written consent. During fiscal 2018, there was 5 meetings of the Board. All persons who were serving as directors during fiscal 2018 attended at least 75% of the aggregate of the meetings of the Board and committees of which they were members except for Yat Tung Lau and Peter Hon. During fiscal 2018, the persons serving on our Board of Directors were Philip Lau, Joseph Kling, Harvey Judkowitz, , Yat Tung Lau, and Peter Hon.

BOARD COMMITTEES

We have an audit committee, a compensation committee and a nominating committee.

The audit committee consisted of Messrs. Judkowitz (Chairman) and Kling. The Board has determined that Mr. Judkowitz qualifies as an “audit committee financial expert,” as defined under Item 407 of Regulation S-K of the Exchange Act. The Board has determined that each of Messrs. Judkowitz and Kling were “independent directors” within the meaning of the listing standards of the major stock exchanges. The audit committee recommends the engagement of independent auditors to the board, initiates and oversees investigations into matters relating to audit functions, reviews the plans and results of audits with our independent auditors, reviews our internal accounting controls, and approves services to be performed by our independent auditors.

The compensation committee consisted of Messrs. Judkowitz, Kling and Philip Lau. The compensation committee considers and authorizes remuneration arrangements for senior management and grants options under, and administers our employee stock option plan.

The nominating committee consisted of Messrs. Philip Lau and Yat Tung Lau. The nominating committee is responsible for reviewing the qualifications of potential nominees for election to the Board of Directors and recommending the nominees to the Board of Directors for such election.

Nomination of Directors

As provided in our nominating committee charter and our Company’s corporate governance principles, the Nominating Committee is responsible for identifying individuals qualified to become directors. The Nominating Committee seeks to identify director candidates based on input provided by a number of sources, including (1) the Nominating Committee members, (2) our other directors, (3) our shareholders, (4) our Chief Executive Officer or Chairman, and (5) third parties such as professional search firms. In evaluating potential candidates for director, the Nominating Committee considers the entirety of each candidate’s credentials.

Qualifications for consideration as a director nominee may vary according to the particular areas of expertise being sought as a complement to the existing composition of the Board of Directors. However, at a minimum, candidates for director must possess:

high personal and professional ethics and integrity;

the ability to exercise sound judgment;

the ability to make independent analytical inquiries;

a willingness and ability to devote adequate time and resources to diligently perform Board and committee duties;
and

the appropriate and relevant business experience and acumen.

In addition to these minimum qualifications, the Nominating Committee also takes into account when considering whether to nominate a potential director candidate the following factors:

whether the person possesses specific industry expertise and familiarity with general issues affecting our business;

whether the person's nomination and election would enable the Board to have a member that qualifies as an "audit committee financial expert" as such term is defined by the Securities and Exchange Commission (the "SEC") in Item 401 of Regulation S-K;

whether the person would qualify as an "independent" director under the listing standards of the OTC;

the importance of continuity of the existing composition of the Board of Directors to provide long term stability and experienced oversight; and

the importance of diversified Board membership, in terms of both the individuals involved and their various experiences and areas of expertise.

There have been no material changes to the procedures by which stockholders may recommend nominees to the Company's board of directors as set forth in the Company's Proxy Statement on Schedule 14A filed with the SEC on December 7, 2017.

DIRECTOR'S COMPENSATION

YEAR 2001 PLAN

On June 1, 2001, our Board of Directors approved the Year 2001 Plan and it was approved by our shareholders at our special meeting held September 6, 2001. The Year 2001 Plan was developed to provide a means whereby directors and selected employees, officers, consultants, and advisors of the Company may be granted incentive or non-qualified stock options to purchase common stock of the Company. The Year 2001 Plan authorized an aggregate of 1,950,000 shares of the Company's common stock with a maximum of 450,000 shares to any one individual in any one fiscal year. The shares of common stock available under the Year 2001 Plan were subject to adjustment for any stock split, declaration of a stock dividend or similar event. At March 31, 2018, we had granted 940,000 options under the Year 2001 Plan 120,000 of which had expired and 820,000 of which remained outstanding and fully vested. As of this date the Year 2001 Plan has expired and no further options can be issued thereunder.

Options granted under the Year 2001 Plan are not transferable except by will or applicable laws of descent and distribution. Except as expressly determined by the Compensation Committee, no option under the Year 2001 Plan is exercisable after thirty (30) days following an individual's termination of employment with the Company or a subsidiary, unless such termination of employment occurs by reason of such individual's disability, retirement or death. The obligations of the Company under the Year 2001 Plan are binding on (1) any successor corporation or organization resulting from the merger, consolidation or other reorganization of the Company or (2) any successor corporation or organization succeeding to all or substantially all of the assets and business of the Company. In the event of any of the foregoing, the Compensation Committee may, at its discretion, prior to the consummation of the transaction, offer to purchase, cancel, exchange, adjust or modify any outstanding options, as such time and in such manner as the Compensation Committee deems appropriate.

401(K) PLAN

Effective January 1, 2001, we adopted a voluntary 401(k) plan. All employees with at least one year of service are eligible to participate in our 401(k) plan. We make a matching contribution of 100% of salary deferral contributions up to 3% of pay, plus 50% of salary deferral contributions from 3% to 5% of pay for each payroll period. The amounts charged to earnings for contributions to this plan and administrative costs during the years ended March 31, 2018 and 2017 totaled approximately \$52,000 and \$46,000, respectively.

REPORT OF THE EXECUTIVE COMPENSATION/STOCK OPTION COMMITTEE ON EXECUTIVE COMPENSATION

The Report of the Executive Compensation/Stock Option Committee on Executive Compensation does not constitute soliciting material and should not be deemed filed or incorporated by reference into any other Company filing under the Securities Act of 1933 or the Securities Exchange Act of 1934, except to the extent the Company specifically incorporates this Report by reference therein.

EXECUTIVE COMPENSATION PHILOSOPHY

PHILOSOPHY

The Executive Compensation Committee believes that the Singing Machine must maintain short and long-term executive compensation plans that enable us to attract and retain well-qualified executives. Furthermore, we believe that our compensation plans must also provide a direct incentive for our executives to create shareholder value. A well

designed executive compensation plan will align the interests between the executives and the shareholders as well as creating a positive environment of goals, performances and rewards.

We believe that the executive compensation should reflect the success of the management team, rather than the individual, in attaining the key operating objectives such as revenues growth, operation cost reduction, fund raising and the appreciation of the stock price. A clear measurement should be established to reward the performance. We will also evaluate our executive compensation package by comparison to similar companies to ensure the competitiveness of our compensation.

In furtherance of this philosophy, the compensation of our executives generally consists of three components: base salary, annual cash incentives and long-term performance-based incentives.

BASE SALARIES

Annual base salaries for executive officers are initially determined by evaluating the responsibility of the position and the experience and the skill sets of the individual. Also taken into consideration is the competitiveness of the market place for executive talent, including a comparison of base annual salaries with comparable positions within similar companies.

INCENTIVE CASH BONUSES

Generally, we award cash bonuses to our management employees and other employees, based on their personal performance in the past year and overall performance of our Company. The overall performance of our Company includes the revenue growth, reduction of the operation expenses, fund raising and the stock price appreciation.

LONG TERM COMPENSATION - STOCK OPTION GRANTS

We have utilized stock options to motivate and retain executive officers and other employees for the long-term. We believe that stock options closely align the interests of our executive officers and other employees with those of our stockholders and provide a major incentive to building stockholder value. Options are typically granted annually, and are subject to vesting provisions to encourage officers and employees to remain employed with the Company. Our stock options are usually granted at a price equal to or above the fair market value of our common stock on the date of grant. As such, our officers only benefit from the grant of stock options if our stock price appreciates. Generally, we try to tie bonus payments to our financial performance. However, if an individual has made significant contributions to our Company, we will provide them with a bonus payment for their efforts even if our Company's financial performance has not been strong.

COMPENSATION OF CHIEF EXECUTIVE OFFICER

The Securities and Exchange Commission adopted a rule requiring annual disclosure of the ratio of the total annual compensation of the chief executive officer to the median employee's total annual compensation. Mr. Atkinson's total compensation as reported in the Executive Summary Compensation Table is compared to the median employee's total compensation as reflected in the ratio table below. The median employee was determined using the quarterly average number of active full-time employees and a subcontractor for the fiscal year ended March 31, 2018 excluding Mr. Atkinson. All wages, cash bonuses, contractor payments, and fair market value of stock option awards granted to each employee (excluding Mr. Atkinson) were included in determining the median employee's total compensation. The table below presents the ratio of Mr. Atkinson's total annual compensation to the median employee's total annual compensation.

Mr. Atkinson's total annual compensation	\$223,555
Median employee's total annual compensation	\$64,342
Ratio of Chief Executive Officer to median employee	3.5 : 1
