PROSPECTUS SUPPLEMENT

(To Prospectus dated February 6, 2015)

American Assets Trust, Inc.
3,064,573 Shares of Common Stock

This prospectus supplement supplements our prospectus dated February 6, 2015 and relates to the possible issuance of shares of common stock of American Assets Trust, Inc., a Maryland corporation (“we” or “our”) to the holders of common units representing common limited partnership interests in American Assets Trust, L.P., our operating partnership, and the possible resale of shares of common stock by such holders from one or more sellers in the open market. Holders of common limited partnership units identified in this prospectus supplement were issued such units in a private placement transaction and are entitled to tender their common units to our operating partnership for cash redemption. We may elect to exchange such tendered units for shares of our common stock on a one-for-one basis. We will not receive any of the proceeds from the issuance of the common stock to the holder or from the resale of the shares by the holders.

You should read this prospectus supplement in conjunction with the prospectus. This prospectus supplement is not complete without, and may not be delivered or used except in conjunction with, the prospectus, including any amendments or supplements to it. This prospectus supplement is qualified by reference to the prospectus, except to the extent that the information provided by this prospectus supplement supplements information contained in the prospectus.

Investing in our common stock involves risks. See “Risk Factors” beginning on page 5 of the prospectus as well as the risk factors relating to our business that are incorporated by reference in the prospectus.

Neither the Securities and Exchange Commission nor any state securities commission has approved or disapproved of these securities or determined if this prospectus supplement or the accompanying prospectus is truthful or complete. Any representation to the contrary is a criminal offense.

SELLING STOCKHOLDERS

The “selling stockholders” are the people or entities who may sell shares of our common stock registered pursuant to this prospectus supplement, and the accompanying prospectus. Such selling stockholders may currently hold shares of our common stock registered pursuant to this prospectus supplement or may receive shares of our common stock registered pursuant to this prospectus supplement upon exchange of common units. The following table provides the names of the selling stockholders, the number of shares of our common stock currently held by such selling stockholders prior to any exchange by them of common units, the maximum number of shares of our common stock currently issuable to such selling stockholders in such exchange and the aggregate number of shares of our common stock that will be owned by such selling stockholders after the exchange. Since the selling stockholders may sell all, some or none of their shares, we cannot estimate the aggregate number of shares that the selling stockholders will offer pursuant to this prospectus supplement or that the selling stockholders will own upon completion of the offering to which this prospectus supplement relates. The following table does not take into effect any restrictions on ownership or transfer as described in “Restrictions on Ownership and Transfer” in the accompanying prospectus. The selling stockholders named below and their permitted transferees, pledgees, ordererees or other successors may from time to time offer the shares of our common stock offered by this prospectus supplement:
