Item 1.01. Entry into a Material Definitive Agreement.

On January 24, 2017, Sprague Operating Resources LLC ("Sprague"), a wholly owned subsidiary of Sprague Resources LP, entered into an Asset Purchase Agreement (the "Agreement") with Capital Properties, Inc., Dunellen, LLC and Capital Terminal Company (collectively, "Capital") to acquire Capital's East Providence, Rhode Island refined product terminal assets (the "Purchased Assets"). Terms used but not otherwise defined herein are used as defined in the Asset Purchase Agreement.

The aggregate purchase price for the Purchased Assets will be Twenty-Three Million Dollars (\$23,000,000.00) plus the assumption of the Assumed Liabilities. The purchase price shall be subject to adjustment pursuant to the terms of the Agreement.

Each of the parties has agreed to certain customary representations, warranties and covenants in the Agreement. The consummation of the transaction is subject to the satisfaction or waiver of customary conditions, as set forth in the Agreement, including, among other things, receipt of third party and any applicable regulatory approvals.

The Agreement may be terminated at any time prior to the Closing under a number of conditions that include, but are not limited to, the following: (i) by mutual written agreement of the parties; (ii) by Sprague if there is an event or condition that results in a Material Adverse Effect, Capital's representations and warranties, subject to certain materiality qualifiers, were not true and correct when made, Capital has not performed or complied with the covenants or agreements to be performed or complied with by Capital, or certain bankruptcy-type events occur with respect to Capital; (iii) by Capital if Sprague's representations and warranties, subject to certain materiality qualifiers, were not true and correct when made, Sprague has not performed or complied with the covenants or agreements to be performed or complied with by Sprague, or certain bankruptcy-type events occur with respect to Sprague; (iv) by either party if the Closing has not occurred before January 31, 2017, provided however, this termination right is not available to any party whose failure to comply with the Agreement was the cause of, or resulted in, the failure of the Closing to occur on or before such date; (v) by either party if the transactions contemplated by the Agreement become illegal or are prohibited by law; (vi) assuming certain conditions to Closing have been satisfied, by either Buyer or Seller if the other party fails to consummate the transactions contemplated by the Agreement in accordance with Section 2.05; or (vii) by Buyer pursuant to the terms of Section 5.04(b).

A copy of the Agreement is attached hereto as Exhibit 2.1 and a copy of the press release of Sprague Resources LP regarding the Agreement is attached hereto as Exhibit 99.1. Each of the foregoing exhibits is incorporated herein by reference. The description of the Agreement contained in this Current Report on Form 8-K is qualified in its entirety by reference to the full text of the Agreement.

The Agreement has been included to provide security holders with information regarding its terms. These Agreement is not intended to provide any other factual information about the parties thereto. The representations,

warranties and covenants contained in the Agreement were made solely for purposes of the Agreement and as of specific dates, are solely for the benefit of the parties to the Agreement, and may be subject to limitations agreed upon by the contracting parties, including being qualified by confidential disclosures made for the purposes of allocating contractual risk between the parties to the Agreement instead of establishing these matters as facts, and may be subject to standards of materiality applicable to the contracting parties that differ from those applicable to security holders. Security holders are not third-party beneficiaries under the Agreement and should not rely on the representations, warranties and covenants or any descriptions thereof as characterizations of the actual state of facts or condition of the parties thereto. Moreover, information concerning the subject matter of the representations and warranties may change after the date of the Agreement which subsequent information may or may not be fully reflected in Sprague Resources LP's public disclosures.

Item 7.01 Regulation FD Disclosure.

Beginning on January 25, 2017, Sprague Resources LP will be sharing a presentation with its investors highlighting key points associated with Capital's East Providence, Rhode Island refined product terminal assets. The presentation will be posted to the Investor Relations section of Sprague Resources LP's website, www.spragueenergy.com. A copy of the presentation is furnished herewith as Exhibit 99.2 and incorporated herein by reference in its entirety.

The information in this Item 7.01 and in Exhibit 99.2 attached to this Current Report on Form 8-K shall not be deemed "filed" for purposes of Section 18 of the Securities Exchange Act of 1934, as amended (the "Exchange Act"), nor shall this Item 7.01, such Exhibit 99.2 or any of the information contained herein or therein be deemed incorporated by reference in any filing under the Exchange Act or the Securities Act of 1933, as amended, except as shall be expressly set forth by specific reference in such filing.

Cautionary Note Regarding Forward-Looking Statements

Any statements in this Current Report on Form 8-K or press release about future expectations, plans and prospects for Sprague Resources LP, including statements about the expected timetable for consummation of the proposed transaction, and any other statements about Sprague Resources LP, or about Sprague Resources LP's future expectations, beliefs, goals, plans or prospects, constitute forward-looking statements within the meaning of Section 21E of the Securities Exchange Act of 1934. Any statements that are not statements of historical fact (including statements containing the words "believes," "plans," "anticipates," "expects," "estimates" and similar expressions) should also be considered forward-looking statements. A number of important factors could cause actual results or events to differ materially from those indicated by such forward-looking statements, including the parties' ability to consummate the transaction; the conditions to the completion of the transaction, including the receipt of certain consents required in connection with the transaction which may not be obtained on the terms expected or on the anticipated schedule; the parties' ability to meet expectations regarding the timing, completion and accounting and tax treatments of the transaction; the possibility that the parties may be unable to achieve expected synergies and operating efficiencies within the expected time-frames or at all or be unable to successfully integrate Capital's operations into those of Sprague;

the possibility that the integration of Capital into Sprague may be more difficult, time consuming or costly than expected; resulting increases in operating costs, customer loss and business disruption (including, without limitation, difficulties in maintaining relationships with employees, customers or suppliers); and, the ability of Sprague Resources GP LLC to retain certain key employees of Capital. Other applicable risks and uncertainties related to our business have been described more fully in Sprague Resources LP's most recent Annual Report on Form 10-K filed with the U.S. Securities and Exchange Commission ("SEC") on March 10, 2016, and in subsequent Form 10-Q and Form 8-K filings, and other documents filed with the SEC. Sprague undertakes no obligation and does not intend to update any forward-looking statements to reflect new information or future events. You are cautioned not to place undue reliance on these forward-looking statements, which speak only as of the date of this press release.

Non-GAAP Measures

To supplement the financial information presented in accordance with United States generally accepted accounting principles ("GAAP"), Sprague Resources LP's management uses certain non-GAAP financial measurements. You can find disclosures on our use of these non-GAAP measures, as well as reconciliations between GAAP and these non-GAAP measures, in Sprague Resources LP's "Non-GAAP Measures Quarterly Supplement" located in the Investor Relations section of our website, www.spragueenergy.com.
