PROXY STATEMENT

FOR THE ANNUAL MEETING OF STOCKHOLDERS

TO BE HELD ON WEDNESDAY, DECEMBER 9, 2015

GENERAL INFORMATION

Q: Why am I receiving these materials?

This proxy statement (this "Proxy Statement") is furnished to you by the Board of Directors of Intrawest Resorts Holdings, Inc. (the "Board of Directors") and contains information related to the 2015 Annual Meeting of Stockholders to be held on Wednesday, December 9, 2015, beginning at 10:00 A.M. Mountain Standard Time at The Crawford Hotel, 1600 17th Street, Denver, Colorado 80202, and any postponements or adjournments thereof (the "Annual Meeting"). References in this Proxy Statement to "we," "us," "our," "the Company" or "Intrawest" refer to Intrawest Resorts Holdings, Inc. following the consummation of a series of restructuring transactions in December 2013 and to Intrawest Cayman L.P. ("Cayman L.P.") prior to the consummation of those restructuring transactions. The Board of Directors is furnishing these materials to you to solicit your proxy to vote on two proposals (as described more fully below) at the Annual Meeting. You are invited to attend the Annual Meeting and we request that you vote on the proposals described in this Proxy Statement. However, you do not need to attend the Annual Meeting to vote your shares. Instead, you may simply complete, sign and return the enclosed proxy card or submit your proxy through the Internet or by telephone according to the instructions contained in the enclosed proxy card. This Proxy Statement and the form of proxy are being made available to all stockholders of record entitled to vote at the Annual Meeting on or about October 30, 2015.

Q: What is included in these materials?

These materials include this Proxy Statement and our Annual Report on Form 10-K for the year ended June 30, 2015, as filed with the Securities and Exchange Commission (the "SEC") on September 9, 2015 (the "Annual Report"). Our principal executive offices are located at 1621 18th Street, Suite 300, Denver, Colorado 80202, and our telephone number is (303) 749-8200. We maintain a website at www.intrawest.com. The information on our website is not a part of this Proxy Statement.

Q: What items will be voted on at the Annual Meeting?

A:

Stockholders will vote on the following items at the Annual Meeting:

- the election of Richard Georgi and Thomas Marano as Class II directors to serve until the 2018 annual meeting of stockholders;
- the ratification of the appointment of KPMG LLP as our independent registered public accounting firm for the fiscal year ending June 30, 2016; and
- the transaction of such other business that may properly come before the Annual Meeting or any adjournment or postponement thereof.

Q: How does the Board of Directors recommend I vote on these proposals?

A: The Board of Directors recommends a vote:

FOR the election of Richard Georgi and Thomas Marano as Class II directors to serve until the 2018 annual meeting of stockholders; and

FOR the ratification of the appointment of KPMG LLP as our independent registered public accounting firm for the fiscal year ending June 30, 2016.

Q: Who is making this solicitation?

A: The Board of Directors is soliciting proxies in connection with the Annual Meeting.

1

Q: Who pays for the proxy solicitation process?

A: Intrawest will pay the cost of preparing, assembling, printing, mailing and distributing these proxy materials and soliciting votes. We may, on request, reimburse brokerage firms and other nominees for their expenses in forwarding proxy materials to beneficial owners. In addition to soliciting proxies by mail, we expect that our directors, officers and employees may solicit proxies in person or by telephone or facsimile. None of these individuals will receive any additional or special compensation for doing this, although we may reimburse these individuals for their reasonable out-of-pocket expenses.

Q: Who may vote at the Annual Meeting?

A: Stockholders of record as of the close of trading on October 14, 2015 (the "Record Date") are entitled to receive notice of, to attend, and to vote at the Annual Meeting. As of the Record Date, there were 45,219,380 shares of Intrawest's common stock issued and outstanding, held by five holders of record. Each share of Intrawest's common stock is entitled to one vote on each matter.

Q: What is the difference between a stockholder of record and a beneficial owner of shares held in street name?

A: **Stockholder of Record.** If your shares are registered directly in your name with our transfer agent, American Stock Transfer & Trust Company, LLC, you are considered the stockholder of record with respect to those shares, and these proxy materials were sent directly to you by Intrawest.

Beneficial Owner of Shares Held in Street Name. If your shares are held in an account at a brokerage firm, bank, broker-dealer, or other similar organization, then you are the "beneficial owner" of shares held in "street name," and these proxy materials were forwarded to you by that organization. The organization holding your account is considered the stockholder of record for purposes of voting at the Annual Meeting. As a beneficial owner, you have the right to instruct that organization on how to vote the shares held in your account.

Q: If I am a stockholder of record of Intrawest's shares, how do I vote?

A:

If you are a stockholder of record, there are four ways to vote:

In person. You may vote in person at the Annual Meeting. The Company will give you a ballot when you arrive.

Via the Internet. You may vote by proxy via the Internet by following the instructions found on the proxy card included within these proxy materials.

By Telephone. You may vote by proxy by calling the toll free number found on the proxy card included within these proxy materials.

By Mail. You may vote by proxy by filling out the proxy card included within these proxy materials and returning it in the envelope provided.

Please note that the Internet and telephone voting facilities will close at 11:59 p.m. Eastern Standard Time on the day before the Annual Meeting.

We provide Internet and telephone proxy voting with procedures designed to ensure the authenticity and correctness of your proxy vote instructions. However, please be aware that you must bear any costs associated with your Internet and telephone access, such as usage charges from Internet access providers and telephone companies.

Q: If I am a beneficial owner of shares held in street name, how do I vote?

A: If you are a beneficial owner of shares held in street name, you should have received from your broker, bank, trustee or other nominee instructions on how to vote or instruct the broker, bank, trustee or other nominee to vote your shares, which are generally contained in a "vote instruction form" sent by the broker, bank, trustee or other nominee. Please follow their instructions carefully. Street name stockholders may generally vote by one of the following methods:

In person. If you wish to vote in person at the Annual Meeting, you must obtain a legal proxy from the organization that holds your shares. Please contact that organization for instructions regarding obtaining a legal proxy from your

broker, bank, trustee, or nominee.

Via the Internet. If permitted by your broker, bank, trustee or nominee, you may vote by proxy via the Internet by accessing the website found on the vote instruction form provided to you by your broker, bank, trustee, or nominee.

By Telephone. If permitted by your broker, bank, trustee or nominee, you may vote by proxy by calling the toll free number found on the vote instruction form provided to you by your broker, bank, trustee, or nominee.

By Mail. You may vote by proxy by filling out the vote instruction form and returning it in the envelope provided to you by your broker, bank, trustee, or nominee.

Q: If I submit a proxy, how will it be voted?

When proxies are properly dated, executed and returned, the shares represented by such proxies will be voted at the Annual Meeting in accordance with the instructions of the stockholder. If no specific instructions are given, the shares will be voted in accordance with the recommendations of the Board of Directors as described above. As such, if you return a signed proxy card without indicating your vote, your shares will be voted "FOR" the director nominees listed on the card and "FOR" the ratification of KPMG LLP as our independent registered accounting firm for the fiscal year ending June 30, 2016. If any matters not described in this Proxy Statement are properly presented at the Annual Meeting, the proxy holders will use their own judgment to determine how to vote your shares. If the Annual Meeting is adjourned, the proxy holders can vote your shares on the new meeting date as well, unless you have revoked your proxy instructions, as described below under "Can I change my vote or revoke my proxy?"

Q: What should I do if I get more than one proxy or voting instruction card?

Stockholders may receive more than one set of voting materials, including multiple copies of these proxy materials and multiple proxy cards or voting instruction cards. For example, stockholders who hold shares in more than one brokerage account may receive separate sets of proxy materials for each brokerage account in which shares are held. Stockholders of record whose shares are registered in more than one name will receive more than one set of proxy materials. You should vote in accordance with all of the proxy cards and voting instruction cards you receive relating to the Annual Meeting to ensure that all of your shares are counted.

Q: Can I change my vote or revoke my proxy?

A: You may change your vote or revoke your proxy prior to the taking of the vote at the Annual Meeting. If you are the stockholder of record, you may change your vote by (1) granting a new proxy bearing a later date (which automatically revokes the earlier proxy) using any of the methods described above (and until the applicable deadline for each method), (2) providing a written notice of revocation to Karen Sanford, Senior Vice President, Chief General Counsel and Corporate Secretary, at Intrawest Resorts Holdings, Inc., 1621 18th Street, Suite 300, Denver, Colorado 80202, prior to your shares being voted, or (3) attending the Annual Meeting and voting in person. Attendance at the Annual Meeting will not cause your previously granted proxy to be revoked unless you specifically so request or vote in person at the Annual Meeting.

For shares you hold beneficially in street name, you may generally change your vote by submitting new voting instructions to your broker, bank, trustee, or nominee following the instructions they provided, or, if you have obtained a legal proxy from your broker, bank, trustee, or nominee giving you the right to vote your shares, by attending the Annual Meeting and voting in person.

Q: Can I attend the Annual Meeting in person?

You are invited to attend the Annual Meeting if you are a registered stockholder or a street name stockholder as of the close of trading on October 14, 2015, the Record Date. In order to enter the Annual Meeting, you must present a form of photo identification acceptable to us, such as a valid driver's license or passport. If you hold your shares beneficially in street name, you will need to provide proof of stock ownership as of the Record Date. Please note that since a street name stockholder is not the stockholder of record, you may not vote your shares in person at the Annual Meeting unless you follow your broker's procedures for obtaining a legal proxy. Please be aware that attendance at the Annual Meeting will not, by itself, revoke a proxy.

Q: How many shares must be present or represented to conduct business at the Annual Meeting?

A: At the Annual Meeting, the presence in person or by proxy of a majority of the Company's capital stock issued and outstanding and entitled to vote at the Annual Meeting is required for the Annual Meeting to proceed. Thus, a total of 45,219,380 shares are entitled to vote at the Annual Meeting and holders of common stock representing at least 22,609,691 votes must be represented at the Annual Meeting or by proxy to have a quorum. If you have returned valid proxy instructions or attend the Annual Meeting in person, your shares of common stock will be counted for the purpose of determining whether there is a quorum, even if you wish to abstain from voting on some or all matters at the Annual Meeting. If there is no quorum, the chairman of the meeting or a majority of the shares present at the Annual Meeting may adjourn the Annual Meeting to another date.

Q: What are broker non-votes?

Broker non-votes are shares held by brokers, banks and other such holders that do not have discretionary authority to vote on the matter and have not received voting instructions from their clients. If your broker holds your shares in its name and you do not instruct your broker how to vote, your broker will nevertheless have discretion to vote A: your shares on our sole “routine” matter—the ratification of the appointment of the Company’s independent registered public accounting firm. Your broker will not have discretion to vote on the election of directors absent direction from you. The broker’s inability to vote with respect to the election of directors where a beneficial owner does not provide voting instructions is referred to as a “broker non-vote.”

3

Q: What is the voting requirement to approve each of the proposals?

In the election of directors contemplated by Proposal 1, you may vote “FOR ALL,” “WITHHOLD ALL” or “FOR ALL EXCEPT” with respect to one or more of the nominees. Each director is elected by a plurality of the votes of the shares of capital stock of the Company present in person or represented by proxy at the Annual Meeting and entitled to vote on the election of directors at the Annual Meeting. Accordingly, the two nominees receiving the highest number of affirmative, or “FOR,” votes will be elected as Class II directors to serve until the 2018 annual meeting of stockholders and until their successors are duly elected and qualified. Under Delaware law, abstentions are treated as shares present and entitled to vote for purposes of such proposal, but they are not counted as shares cast. Additionally, as a result of a change in rules related to discretionary voting and broker non-votes, bankers, brokers and other such record holders are no longer permitted to vote the uninstructed shares of their customers on a discretionary basis in the election of directors. Therefore, abstentions, votes to withhold and broker non-votes will have no effect on the outcome of the vote.

In the ratification of the appointment of KPMG LLP as our independent registered public accounting firm for the fiscal year ending June 30, 2016 contemplated by Proposal 2, you may vote “FOR,” “AGAINST” or “ABSTAIN.” The ratification of the appointment of KPMG LLP as our independent registered public accounting firm for the fiscal year ending June 30, 2016 requires the affirmative vote of the holders of a majority of the total number of votes of the Company’s capital stock present or represented by proxy at the Annual Meeting and entitled to vote on such proposal. Under Delaware law, abstentions are treated as shares present and entitled to vote for purposes of such proposal, but they are not counted as shares cast and therefore will have no effect on the outcome of the vote. As the proposal to ratify the appointment of KPMG LLP as our independent registered public accounting firm for the fiscal year ending June 30, 2016 should be considered a “routine” matter, your broker will be able to vote on this proposal even if it does not receive instructions from you, so long as it holds your shares in its name.

Q: Who will tabulate the votes?

A: A representative of Broadridge Financial Solutions, Inc. will serve as the Inspector of Elections and will tabulate the votes at the Annual Meeting.

Q: How can I find the results of the Annual Meeting?

Preliminary results will be announced at the Annual Meeting. Final results also will be published in a Current Report on Form 8-K to be filed with the SEC within four business days after the Annual Meeting. If the official results are not available at that time, we will provide preliminary voting results in the Current Report on Form 8-K and will provide the final results in an amendment to the Current Report on Form 8-K as soon as they become available.

Q: Will my vote be kept confidential?

A: Proxies, ballots and voting tabulations are handled on a confidential basis to protect your voting privacy. This information will not be disclosed, except as required by law.

Q: How can stockholders submit a proposal for inclusion in our Proxy Statement for the 2016 annual meeting of stockholders?

To be included in our Proxy Statement for the 2016 annual meeting of stockholders, stockholder proposals must comply with the requirements of Rule 14a-8 under the Securities Exchange Act of 1934, as amended (the “Exchange Act”). To be eligible for inclusion in the proxy materials for our 2016 annual meeting of stockholders, a stockholder proposal must be submitted in writing to Karen Sanford, Senior Vice President, Chief General Counsel and Corporate Secretary at Intrawest Resorts Holdings, Inc., 1621 18th Street, Suite 300, Denver, Colorado 80202, by no later than July 3, 2015, unless the 2016 annual meeting of stockholders is called for a date that is not within 30 days of the anniversary date of the Annual Meeting, in which case, in order to be timely, notice by the stockholder must be received by Intrawest a reasonable time before we begin to print and send our proxy materials for the 2016 annual meeting of stockholders.

Q:

How can stockholders submit nominations of persons for election to the Board of Directors or proposals of business to be transacted by the stockholders for the 2016 annual meeting of stockholders?

A stockholder of record may submit nominations of persons for election to the Board of Directors or proposals of business to be transacted by the stockholders only if he or she complies with Article II, Sections 2.18 and 2.19, and any other relevant provisions, of our Amended and Restated Bylaws (our “Bylaws”). Our Bylaws are accessible on A. Intrawest’s website at <http://ir.intrawest.com> by clicking on “Corporate Governance” and then “Corporate Charters.” You may also contact Karen Sanford, Senior Vice President, Chief General Counsel and Corporate Secretary at our principal executive offices for a copy of the relevant Bylaw provisions regarding the requirements for making stockholder proposals and nominating director candidates.

4

If you wish to submit a proposal that is not to be included in the proxy statement for the 2016 annual meeting of stockholders, your proposal generally must be submitted in writing to Karen Sanford, Senior Vice President, Chief General Counsel and Corporate Secretary at Intrawest Resorts Holdings, Inc., 1621 18th Street, Suite 300, Denver, Colorado 80202, no later than September 10, 2016 but no earlier than August 11, 2016, unless the 2016 annual meeting of stockholders is called for a date that is not within 30 days of the anniversary date of the Annual Meeting, in which case, in order to be timely, notice by the stockholder must be received by Intrawest no earlier than 120 days before the date of such annual meeting of stockholders and no later than the close of business on the 10th day following the day on which such notice of the date of the 2016 annual meeting of stockholders is mailed or publicly disclosed, whichever first occurs.

With respect to a stockholder's nomination of a candidate for the Board of Directors, the stockholder notice to our Senior Vice President, Chief General Counsel and Corporate Secretary must contain certain information as set forth in our Bylaws about both the nominee and the stockholder making the nomination.

With respect to any other business that the stockholder proposes, the stockholder notice must contain a brief description of such business, the text of the proposal, the name and address and the class or series and number of all shares of capital stock of the stockholder giving notice and the beneficial owner, if any, on whose behalf the proposal is being made, and certain other information specified in our Bylaws.

If you wish to bring a stockholder proposal or nominate a candidate for director, you are advised to review our Bylaws, which contain additional requirements about advance notice of stockholder proposals and director nominations. If you wish to nominate a candidate for director, see the procedures discussed below in "Criteria and Procedures for Selection of Director Nominees."

Q: I share an address with another stockholder, and we received only one paper copy of the proxy materials. How may I obtain an additional copy of the proxy materials?

A: The SEC has adopted rules that permit companies and intermediaries (e.g., brokers) to satisfy the delivery requirements for proxy statements and annual reports with respect to two or more stockholders sharing the same address by delivering a single proxy statement addressed to those stockholders. This process is commonly referred to as "householding."

Brokers with account holders who are Intrawest stockholders may be householding our proxy materials. A single set of proxy materials may be delivered to multiple stockholders sharing an address unless contrary instructions have been received from the affected stockholders. Once you have received notice from your broker that it will be householding communications to your address, householding will continue until you are notified otherwise or until you notify your broker or Intrawest that you no longer wish to participate in householding.

If, at any time, you no longer wish to participate in householding and would prefer to receive a separate Proxy Statement and Annual Report, you may (1) notify your broker, (2) direct your written request to: Investor Relations, Intrawest Resorts Holdings, Inc., 1621 18th Street, Suite 300, Denver, Colorado 80202, or (3) contact our Investor Relations department by email at InvestorRelations@intrawest.com. Stockholders who currently receive multiple copies of this Proxy Statement or the Annual Report at their address and would like to request householding of their communications should contact their broker. In addition, we will promptly deliver, upon written or oral request to Karen Sanford, Senior Vice President, Chief General Counsel and Corporate Secretary at Intrawest Resorts Holdings, Inc., 1621 18th Street, Suite 300, Denver, Colorado 80202 or (303) 749-8200, a separate copy of the Annual Report and Proxy Statement to a stockholder at a shared address to which a single copy of the documents was delivered. If you are receiving multiple copies of this Proxy Statement and the Annual Report, you can request householding by contacting the Senior Vice President, Chief General Counsel and Corporate Secretary in the same manner described above.

Q: What if I need to change my mailing address?

You may contact our transfer agent, American Stock Transfer & Trust Company, LLC, Shareholder Services, by telephone at (800) 937-5449 (toll free within the U.S.) or (718) 921-8124 (outside the U.S.), or by email at info@amstock.com if you need to change your mailing address.

Q: What are the implications of being an “emerging growth company”?

A: We are an “emerging growth company,” as that term is used in the Jumpstart Our Business Startups Act of 2012 (the “JOBS Act”) and, as such, have elected to comply with certain reduced public company reporting requirements. As an emerging growth company, we are permitted to provide less extensive disclosure about our executive compensation arrangements and are not required to provide our stockholders with the opportunity to vote on executive compensation or golden parachute arrangements on a non-binding advisory basis, and we have elected to take advantage of scaled disclosure requirements for executive compensation and are not soliciting stockholder votes on our executive compensation. We will remain an emerging growth company until the earliest of (1) the last day of the fiscal year (a) following the fifth anniversary of the completion of our initial public offering (“IPO”) or (b) in which we have total annual gross revenues of at least \$1.0 billion, (2) the first day of the fiscal year after which we are deemed to be a large accelerated filer, which means the market value of our common stock that is held by non-affiliates exceeds \$700 million as of the prior June 30th, and (3) the date on which we have issued more than \$1.0 billion in non-convertible debt during the prior three-year period.

CORPORATE GOVERNANCE

Governing Documents

The following primary documents make up Intrawest's corporate governance framework:

- Restated Certificate of Incorporation
- Amended and Restated Bylaws
- Corporate Governance Guidelines (the "Governance Guidelines")
- Code of Ethics for Principal Executive and Senior Financial Officers (the "Principal Officer Code")
- Code of Business Conduct and Ethics (the "Code of Conduct")
- Charter of the Audit Committee of the Board of Directors (the "Audit Committee")
- Charter of the Compensation Committee of the Board of Directors (the "Compensation Committee")
- Charter of the Nominating and Corporate Governance Committee of the Board of Directors (the "NCG Committee")

These documents are accessible on Intrawest's website at <http://ir.intrawest.com> by clicking on "Corporate Governance" and then "Corporate Charters." You also may obtain a free copy of any of these documents by sending a written request to Intrawest Resorts Holdings, Inc., 1621 18th Street, Suite 300, Denver, Colorado 80202, Attention: Karen Sanford, Senior Vice President, Chief General Counsel and Corporate Secretary.

Corporate Governance Guidelines

The Governance Guidelines, which are available on our website as outlined above, set forth the Company's primary principles and policies regarding corporate governance. The Governance Guidelines are reviewed from time to time as deemed appropriate by the Board of Directors. The Governance Guidelines are supplemented by the Code of Conduct and the Principal Officer Code, as well as by policies and procedures addressing specific topics and practices.

Code of Ethics for Principal Executive and Senior Financial Officers

The Board of Directors adopted the Principal Officer Code, applicable to the Company's principal executive officers and senior financial officers, which is designed to deter wrongdoing and promote:

- honest and ethical conduct;
- full, fair, accurate, timely and understandable public disclosure;
- compliance with applicable laws and regulations;
- prompt internal reporting of violations; and
- accountability for adherence to the Principal Officer Code.

Any substantive amendment to or grant of a waiver from a provision of the Principal Officer Code requiring disclosure under applicable rules of the SEC or the New York Stock Exchange ("NYSE") will be posted on Intrawest's website at <http://ir.intrawest.com> by clicking on "Corporate Governance" and then "Corporate Charters" and/or in our public filings with the SEC.

Code of Business Conduct and Ethics

The Board of Directors adopted the Code of Conduct to help ensure that the Company abides by applicable corporate governance standards. This Code of Conduct applies to all of the Company's directors, management, officers and employees.

Board Leadership Structure

As set forth in the Corporate Governance Guidelines, the Board of Directors does not require the separation of the offices of the Chairperson of the Board of Directors (“Chairperson”) and the Chief Executive Officer. However, Intrawest currently separates the roles of Chief Executive Officer and Chairperson. The Board of Directors believes that separate roles provide, at present, the best balance between the Chairperson’s role of leading the Board of Directors in its oversight of management, and the Chief Executive Officer’s role of focusing on developing and implementing the strategy approved by the Board of Directors and managing the Company’s day-to-day business.

Board of Directors' Role in Risk Oversight

While management is responsible for day-to-day risk management of the Company's operations, the Board of Directors is responsible for overseeing enterprise-wide risks. The Board of Directors uses its standing committees (more fully discussed below) to monitor and address what may be within the scope of each committee's expertise or charter. For example, the Audit Committee oversees the financial statements, accounting and auditing functions and related risk; the Compensation Committee oversees the Company's compensation programs, including goals, objectives, performance and compensation for our Chief Executive Officer and other executive officers, and, when applicable, the compensation disclosure in the Company's proxy statement; and the NCG Committee oversees director qualifications, Board of Directors' structure, evaluation of the performance of the Board of Directors and the annual self-evaluation process of the Board of Directors and each committee, and corporate governance matters. In addition to getting information from its committees, the Board of Directors also receives updates directly from members of management. In this regard, Mr. Marano, due to his position as both Chief Executive Officer and a director of the Company, is particularly important in communicating with other members of management and keeping the Board of Directors updated on the important aspects of the Company's operations.

Information on Compensation Risk Assessment

Management and the Compensation Committee periodically review material compensation policies and practices for all employees, including executive officers. Management and the Compensation Committee considered whether the current compensation program, including a participation right or other economic interest incentive the Board of Directors may award under Mr. Marano's employment agreement with the Company (as described in greater detail below under "Executive Employment Agreements—Employment Agreement with Thomas F. Marano"), encourages excessive risk taking by employees at the expense of long-term Company value. Based upon their assessment, management and the Compensation Committee believe that the Company's compensation program, which includes a mix of annual incentives, cash and equity awards, including potential equity incentive in respect of a new line of business, and retention incentives, does not present risks that are reasonably likely to have a material adverse effect on the Company.

Independent Directors

Intrawest recognizes the importance of having an independent Board of Directors that is accountable to Intrawest and its stockholders. Accordingly, the Governance Guidelines (a copy of which may be found on Intrawest's website at <http://ir.intrawest.com> by clicking on "Corporate Governance" and then "Corporate Charters") provide that a majority of the Company's directors shall be independent in accordance with the NYSE listing standards. The Board of Directors has affirmatively determined that Messrs. Armstrong, Clifford, Harris and Jay are "independent" under Section 303A.02(b) of the NYSE listing standards. In making these determinations, the Board of Directors considered all relevant facts and circumstances, as required by applicable NYSE listing standards.

Board, Committee and Annual Meeting Attendance

The Board of Directors held six meetings during fiscal 2015 and took action by written consent on two occasions. Each director attended at least 75% of the total number of meetings of the Board of Directors and committees on which he served that were held during the portion of the last fiscal year for which he was a director or committee member, respectively, except for Mr. Georgi. Mr. Georgi was unable to attend two of the Board of Director meetings held in fiscal 2015 due to unforeseen scheduling conflicts, but his views were represented at the meeting by his business partner. Directors are invited and encouraged but are not required to attend the Company's annual meeting of stockholders. One member of the Board of Directors attended the Company's fiscal 2014 annual meeting of stockholders.

Presiding Non-Management Director and Executive Sessions

Intrawest's independent directors met once in executive session in fiscal 2015. Intrawest's non-management and independent directors anticipate meeting in executive session at least once per year. No presiding non-management director has been selected to preside at each executive session, but a presiding director will be appointed to preside at each executive session on an ad hoc basis.

Communications with the Board of Directors

Any Intrawest stockholder or other interested party who wishes to communicate with the Board of Directors or any of its members may do so by writing to: Board of Directors (or one or more named directors), c/o Karen Sanford, Senior Vice President, Chief General Counsel and Corporate Secretary, Intrawest Resorts Holdings, Inc., 1621 18th Street, Suite 300, Denver, Colorado 80202.

Communications with the Audit Committee

Complaints and concerns relating to Intrawest's accounting, financial reporting, internal accounting controls or auditing matters (together, "Accounting Matters") should be communicated to the Audit Committee. Any such communications may be made on an anonymous basis. Employee concerns or complaints may be reported to the Audit Committee through an anonymous hotline hosted by a third-party vendor, Navex Global EthicsPoint ("Navex Global"), that has been retained on behalf of the Audit Committee for this purpose. Navex Global may be contacted toll-free at 1-866-869-9344, or via its website at www.intrawest.ethicspoint.com. Outside parties, including stockholders, may bring issues regarding Accounting Matters to the attention of the Audit Committee by writing to: Audit Committee, c/o Karen Sanford, Senior Vice President, Chief General Counsel and Corporate Secretary, Intrawest Resorts Holdings, Inc., 1621 18th Street, Suite 300, Denver, Colorado 80202.

All complaints and concerns will be reviewed under the direction of the Audit Committee and overseen by the Chief General Counsel and other appropriate persons as determined by the Audit Committee. The Chief General Counsel also prepares a periodic summary report of all such communications for the Audit Committee.

Criteria and Procedures for Selection of Director Nominees

While the Board of Directors retains ultimate responsibility for nominating members for election to the Board of Directors, the NCG Committee conducts the initial screening and evaluation process. Although there are no minimum qualifications, skills or qualities required to be nominated for election, as provided in the Governance Guidelines, director nominees, including those directors eligible to stand for re-election, are selected based on, among other things, the following factors:

- whether the nominee has demonstrated, by significant accomplishment in his or her field, an ability to make meaningful contributions to the Board of Directors' oversight of the business and affairs of the Company;
- the nominee's reputation for honesty and ethical conduct in his or her personal and professional activities;
- experience, skills and expertise;
- diversity;
- personal and professional integrity;
- character;
- business judgment;
- time availability and dedication;
- conflicts of interest;
- composition of the Board of Directors; and
- requirements of applicable laws and NYSE listing standards.

While the NCG Committee has not adopted a formal diversity policy for the selection of director nominees, diversity is one of the factors that the NCG Committee considers in identifying director nominees.

In conducting the screening and evaluation of potential director nominees, the NCG Committee considers candidates recommended by directors and the Company's management, as well as recommendations from Company stockholders. In considering candidates recommended by stockholders, the NCG Committee will take into consideration the needs of the Board of Directors and the qualifications of the candidate. The Company is party to a Stockholders Agreement with Intrawest S.à r.l. and Intrawest Europe Holdings, S.à r.l. (the "Initial Stockholders"). The Initial Stockholders are indirectly owned by investment funds managed by Fortress Investment Group, LLC ("Fortress"). The Stockholders Agreement requires, among other things, that the Company include directors designated by Fortress in the slate of director nominees recommended by the Board of Directors. For more information, see "Stockholders Agreement--Designation and Election of Directors" below.

While the NCG Committee's Charter and the Governance Guidelines provide that the NCG Committee may, if it deems appropriate, establish procedures to be followed by stockholders in submitting recommendations for director candidates, the NCG Committee has not, at this time, put in place a formal policy with regard to such procedures. This is because our Bylaws include procedures for stockholders to nominate candidates to serve on the Board of Directors for election at any annual meeting of stockholders or at any special meeting called for the purpose of electing directors. The Board of Directors believes that it is appropriate for Intrawest not to have a specific policy since stockholders may submit recommendations for director candidates by following the procedures set forth in our Bylaws, as summarized below.

Our Bylaws require a stockholder who desires to nominate a candidate for election to the Board of Directors at an annual meeting of stockholders to timely submit certain information to Karen Sanford, Senior Vice President, Chief General Counsel and Corporate Secretary at Intrawest Resorts Holdings, Inc., 1621 18th Street, Suite 300, Denver, Colorado 80202. This information includes, among other things:

Edgar Filing: Intrawest Resorts Holdings, Inc. - Form DEF 14A

- the stockholder's name and address, and the class, series and number of shares that he or she owns; a representation that the stockholder is a holder of record as of the record date and intends to appear in person or by proxy at the annual meeting of stockholders;

- the name, address and certain other information regarding the stockholder's nominee for director;

8

a description of any arrangement or understanding between the stockholder and the director nominee or any other person (naming such person(s)) in connection with the making of such nomination to the Board of Directors; and a completed questionnaire with respect to the prospective nominee's background and the background of any other person on whose behalf the nomination is being made, and certain written representations and agreements from such persons concerning their independence and compliance with applicable laws.

To be timely, a stockholder must submit the information required by the Bylaws not less than 90 days nor more than 120 days in advance of the anniversary date of the immediately preceding annual meeting of stockholders. Our Bylaws include special notice provisions if no annual meeting of stockholders was held in the previous year, or if the annual meeting of stockholders is called for a date that is not within 30 days before or after the anniversary date of the preceding annual meeting of stockholders. While these provisions of our Bylaws permit a stockholder to nominate a candidate for election to the Board of Directors, such nominations will be subject to certain rights of the Initial Stockholders discussed below under the caption "Stockholders Agreement." See our Bylaws for full information regarding requirements for stockholder nominees of directors.

BOARD OF DIRECTORS

The Board of Directors directs and oversees the management of the business and affairs of the Company in a manner consistent with the best interests of the Company and its stockholders. In this oversight role, the Board of Directors serves as the ultimate decision-making body of the Company, except for those matters reserved to or shared with the stockholders. The Board of Directors selects and oversees the members of senior management who are charged by the Board of Directors with conducting the business of the Company.

Intrawest’s Restated Certificate of Incorporation provides that the Board of Directors shall consist of not less than three and not more than 11 directors, as may be determined from time to time by a majority of the entire Board of Directors. As of the date of this Proxy Statement, the Board of Directors consists of seven members, six of whom are non-employee directors.

The Board of Directors is also divided into three classes that are, as nearly as possible, of equal size. Each class of directors is elected for a three-year term of office, but the terms are staggered so that the term of only one class of directors expires at each annual meeting of stockholders. Intrawest’s current Board of Directors is classified as follows:

Class	Term Expiration	Director
Class I	2017	William J. Clifford John W. Harris III
Class II	2015	Richard E. Georgi Thomas F. Marano
Class III	2016	Richard Armstrong Wesley R. Edens Timothy Jay

Our Restated Certificate of Incorporation does not provide for cumulative voting in the election of directors. Our Bylaws provide that directors are elected by a plurality of the votes of the shares of capital stock of the Company present in person or represented by proxy and entitled to vote on the election of directors, which means that the nominees who receive the highest number of votes will be elected as directors. Designation of director nominees is subject to the Stockholders Agreement discussed below under the caption “Stockholders Agreement.”

Committees of the Board of Directors

The Board of Directors has a separately-designated standing Audit Committee, NCG Committee, Compensation Committee, and Executive Committee. Each of the Audit Committee, the NCG Committee and the Compensation Committee consists entirely of non-employee directors, and the Board of Directors has determined that each member of these committees is “independent,” as defined under NYSE listing standards.

Audit Committee

The Audit Committee’s responsibilities and purposes are to:

- assist the Board of Directors in its oversight of:
- the integrity of the Company’s financial statements;
- the Company’s compliance with legal and regulatory requirements;
- the annual independent audit of the Company’s financial statements;
- the engagement of the independent registered public accounting firm and the independent registered public accounting firm’s qualifications and independence; and
- the performance of the Company’s independent registered public accounting firm and internal audit function;

determine whether to recommend to the stockholders the appointment of the Company's independent registered public accounting firm; and

pre-approve all audit, audit-related and other services, if any, to be provided by the independent registered public accounting firm.

The Audit Committee also participates in the certification process relating to the filing with the SEC of certain periodic reports pursuant to the Exchange Act and prepares the Report of the Audit Committee required under the proxy rules of the SEC to be included in the proxy statement for each annual meeting of stockholders. A copy of the Charter of the Audit Committee, which has been approved by the Board of Directors, is available on Intrawest's website at <http://ir.intrawest.com> by clicking on "Corporate Governance" and then "Corporate Charters."

The members of the Audit Committee are Messrs. Clifford (Chairman), Harris, and Jay. The Board of Directors has determined that: (i) each is “independent”; (ii) each is “financially literate”; and (iii) Mr. Clifford is an “audit committee financial expert,” as these terms are defined under the Exchange Act and the NYSE listing standards. For further information regarding Mr. Clifford’s qualifications to be an “audit committee financial expert,” please refer to his biography below, under the heading, “Class I – Term Expiring in 2017.” The Audit Committee met five times in fiscal 2015.

Nominating and Corporate Governance Committee

The NCG Committee’s responsibilities and purposes are to:

- identify and recommend to the Board of Directors individuals qualified to serve as directors of the Company and on committees of the Board of Directors;
- advise the Board of Directors as to the board composition, procedures and committees;
- develop and recommend to the Board of Directors a set of corporate governance guidelines and maintain and update such guidelines, as appropriate;
- review, approve or ratify related-party transactions and other matters that may pose conflicts of interest; and
- oversee the evaluation of the performance of the Board of Directors and the annual self-evaluation process of the Board of Directors and each committee.

A copy of the Charter of the NCG Committee, which has been approved by the Board of Directors, is available on Intrawest’s website at <http://ir.intrawest.com> by clicking on “Corporate Governance” and then “Corporate Charters.” See “Corporate Governance—Criteria and Procedures for Selection of Director Nominees” above for more information about the process for identifying and evaluating nominees for director.

The members of the NCG Committee are Messrs. Armstrong and Jay (Chairman). Messrs. Armstrong and Jay are “independent,” as defined under the NYSE listing standards. The NCG Committee met once in fiscal 2015.

Compensation Committee

The Compensation Committee acts pursuant to its Charter and is authorized and directed, among other things, to:

- evaluate the performance of the Chief Executive Officer in light of the goals and objectives of the Company and, either as a committee or together with the other independent directors (as directed by the Board of Directors), determine and approve the Chief Executive Officer’s compensation level based on this evaluation;
- evaluate the performance of the other executive officers of the Company in light of the goals and objectives of the Company and make recommendations to the Board of Directors with respect to the compensation of such other executive officers;
- review and approve any severance or termination arrangements to be made with any executive officer;
- review the compensation arrangements for the Company’s employees and evaluate whether incentive and other forms of pay encourage unnecessary or excessive risk taking;
- review the Company’s goals and objectives of the Company’s general compensation plans and other employee benefit plans, including incentive-compensation and equity-based plans and amend, or recommend that the Board amend, these goals and objectives, if the Compensation Committee deems it appropriate;
- review the Company’s general compensation plans and other employee benefit plans, including incentive-compensation and equity-based plans, in light of the goals and objectives and recommend that the Board amend the plans if the Compensation Committee deems it appropriate;
- review all equity-compensation plans to be submitted for stockholder approval under the NYSE listing standards, and to review, and in the Compensation Committee’s sole discretion, approve all equity-compensation plans that are exempt from such stockholder approval requirement;

as and when required by the rules of the SEC, review and discuss with management the Company's compensation discussion and analysis (CD&A) and recommend to the Board of Directors that the CD&A be included in the Company's annual proxy statement or annual report on Form 10-K.

The Compensation Committee is also responsible for determining the compensation of our executive officers, including our named executive officers. In appropriate circumstances, such as when new market data supports a market adjustment, the Compensation Committee, in its sole discretion, considers the recommendations of our Chief Executive Officer and advice of the external compensation consultant in setting executive compensation, including the compensation of the other named executive officers. The Compensation Committee, however, makes all final determinations regarding executive officer compensation and no executive officer is involved in the deliberations or the determination with respect to his or her own compensation.

The Compensation Committee also has the authority to retain and terminate compensation consultants, including approval of the terms and fees of any such arrangement. The Compensation Committee may also form subcommittees for any purpose that it deems appropriate and delegate to such subcommittees power and authority as the Compensation Committee deems appropriate; provided, however, that the Compensation Committee may not delegate any power or authority required by any law or listing standard to be exercised by the Compensation Committee as a whole. A copy of the Charter of the Compensation Committee, which has been approved by the Board of Directors, is available at Intrawest's website at <http://ir.intrawest.com> by clicking on "Corporate Governance" and then "Corporate Charters."

The members of the Compensation Committee are Messrs. Armstrong (Chairman) and Harris. Each member of Intrawest's Compensation Committee is "independent," as defined under the NYSE listing standards. The directors who are appointed to the Compensation Committee are also "non-employee" directors, as defined in Rule 16b-3(b)(3) under the Exchange Act, and "outside" directors within the meaning of Section 162(m)(4)(c)(i) of the Internal Revenue Code of 1986, as amended. The Compensation Committee met 12 times in fiscal 2015.

Compensation Committee Interlocks and Insider Participation

During fiscal 2015, the members of the Compensation Committee were Messrs. Armstrong and Harris, neither of whom was, at any time during fiscal 2015, an officer or employee of the Company and neither of whom has ever been an officer of the Company or had any relationship with the Company requiring disclosure under SEC rules requiring disclosure of certain transactions with related persons. During fiscal 2015, no Compensation Committee interlocks existed between the Company and any other entity, meaning none of our executive officers currently serves, or has served during the last completed fiscal year, on the compensation committee or board of directors of any other entity that has one or more executive officers serving as a member of the Board of Directors or the Compensation Committee.

Executive Committee

The Executive Committee has all powers and rights to exercise the full authority of the Board of Directors during the intervals between meetings of the Board of Directors in the management of the business and affairs of the Company, subject to certain limitations set forth in the Charter of the Executive Committee.

A copy of the Charter of the Executive Committee, which has been approved by the Board of Directors, is available on Intrawest's website at <http://ir.intrawest.com> by clicking on "Corporate Governance" and then "Corporate Charters."

The members of the Executive Committee are Messrs. Edens (Chairman) and Marano. Prior to November 20, 2014, the members of the Executive Committee were Messrs. Edens (Chairman) and Jensen. In fiscal 2015, the Executive Committee held numerous discussions and took action by written consent on two occasions.

PROPOSAL 1. ELECTION OF DIRECTORS

The terms of the Class II directors, consisting of Messrs. Richard Georgi and Thomas Marano, will expire at the Annual Meeting. Each has been nominated by the Board of Directors to serve as a continuing director for a new three-year term expiring at the 2018 annual meeting of stockholders. Each nominee selected will continue in office until his successor has been elected and qualified, or until his earlier death, resignation or retirement.

In determining whether to nominate each of the Class II directors for another term, the Board of Directors considered not only the designation of Messrs. Georgi and Marano by the NCG Committee, but also the factors discussed above under “Corporate Governance—Criteria and Procedures for Selection of Director Nominees,” and concluded that each possesses those talents, backgrounds, perspectives, attributes and skills that will enable him to continue to provide valuable insights to Company management and play an important role in helping the Company achieve its goals and objectives. The age, principal occupation and certain other information for each director nominee and the continuing directors serving unexpired terms are set forth below. It is the general policy of the Company that no director having attained the age of 70 years will stand for re-election.

The Board of Directors believes that each director nominee will be able to stand for election. If you do not wish your shares to be voted for one or both of the nominees, you may so indicate when you vote.

With the exception of Mr. Edens, none of the individuals listed below served as a director of Intrawest or any predecessor company prior to our IPO.

The Board of Directors, acting upon the unanimous recommendation of the NCG Committee, has unanimously nominated Richard Georgi and Thomas Marano for election as Class II directors to serve until the 2018 annual meeting of stockholders. Each nominee has consented to being named as a nominee and to serve if elected. While it is not expected that any of the nominees will be unable or unwilling to serve, if for any reason one or more is/are unable or unwilling to do so, the proxies will be voted for substitute nominees selected by the Board of Directors or the Board of Directors may reduce the authorized number of directors.

Vote Required for Election

Each director is elected by a plurality of the votes of the shares of capital stock of the Company present in person or represented by proxy at the Annual Meeting and entitled to vote on the election of directors at the Annual Meeting, which means that the two nominees who receive the highest number of votes at the Annual Meeting will be elected as directors. Abstentions, votes to withhold and broker non-votes will not have any effect on the election of a director.

EXECUTIVE COMPENSATION**Introduction**

Our compensation philosophy is to pay for performance, rewarding employees when performance targets are met. Merit increases, annual incentive compensation and equity-based awards are all tied to performance and results. Our compensation programs are designed to attract, retain, motivate and reward employees. Pay is commensurate with the scope and influence of the employee's role and the extent to which an employee contributes to the achievement of key initiatives and financial targets and demonstrates our values. All of our compensation programs are designed to align and reward actions that we believe contribute to our competitiveness and encourage superior performance.

Pursuant to its Charter, the Compensation Committee has the authority, in its sole discretion, to retain compensation consultants. During fiscal year 2015, the Compensation Committee engaged Mercer LLC ("Mercer") to assist the Compensation Committee with its responsibilities. The Compensation Committee sought Mercer's advice and recommendations on matters that came before the Compensation Committee, including but not limited to

- form and amount of executive compensation and director compensation for 2015;
- composition of a competitive peer group; and
- compensation governance and compliance.

Mercer does not provide any other services to Intrawest. Based on the Compensation Committee's review of the standards promulgated by the SEC and the NYSE to assess compensation advisor independence, which are identified in its Charter, the Compensation Committee concluded that the advice it received from Mercer represented an independent perspective without any conflict of interest.

Our market for executive recruiting is generally other ski resort, leisure and hospitality businesses. For non-operations executives, we look outside of the ski and leisure industries to identify the best available candidates. In evaluating the competitiveness of our executive compensation program, we target compensation against companies in the Denver marketplace of similar size, scope and complexity of operations. Executive pay in fiscal 2015 was tied to both the Company's performance and the individual's annual performance. Annual incentive compensation is typically awarded in September or October when our results are available for the fiscal year to which such compensation relates. We also anticipate making annual long-term incentive compensation awards to certain employees in the future, subject to the approval of our Compensation Committee. Merit increases are typically awarded in January of each year, subject to the approval of the Compensation Committee. The employment agreements of our named executive officers specify each executive's annual incentive bonus target under our current bonus program.

Bonus Arrangements

Fiscal 2014 Bonus Arrangements

Messrs. Jensen and Mayer participated in our Fiscal Year 2014 Incentive Plan (“Fiscal 2014 Incentive Plan”) in fiscal 2014, pursuant to which each named executive officer was eligible to receive a cash incentive bonus upon the achievement of certain performance goals and subject to his continued employment through the applicable payment date. The Fiscal 2014 Incentive Plan provided that a total of 80% of the bonus was based on our achievement of an Adjusted EBITDA goal, and the remaining 20% was based on pre-determined quantifiable individual goals and objectives.

Mr. Jensen was eligible to receive a target cash bonus payment under the Fiscal 2014 Incentive Plan equal to 100% of his annual base salary, and Mr. Mayer was eligible to receive a target cash bonus payment under the Fiscal 2014 Incentive Plan equal to 75% of his annual base salary. We achieved 74% of the Adjusted EBITDA target level, and each of Messrs. Jensen and Mayer achieved his respective individual goals and objectives in respect of fiscal 2014. As a result, we made payment of the bonus amounts to Messrs. Jensen and Mayer in October 2014 in the amounts listed for fiscal 2014 in the “Summary Compensation Table for Fiscal 2015” above, under the heading “Non-Equity Incentive Plan Compensation.”

Fiscal 2015 Bonus Arrangements

Each of the named executive officers participated in our Fiscal Year 2015 Incentive Plan (“Fiscal 2015 Incentive Plan”) in fiscal 2015, pursuant to which each named executive officer was eligible to receive a cash incentive bonus upon the achievement of certain performance goals. For each named executive officer, the Fiscal 2015 Incentive Plan provides that a total of 80% of a bonus be based on our achievement of Adjusted EBITDA goals, and the remaining 20% be based on pre-determined quantifiable goals and objectives and, with the exception of Mr. Jensen, subject to the named executive officer’s continued employment through the applicable payment date.

Each of Messrs. Marano and Foulkes was eligible to receive a target cash bonus payment under the Fiscal 2015 Incentive Plan equal to 100% of his respective annual base salary upon the achievement of the applicable objectives; Mr. Mayer was eligible to receive a target bonus equal to 75% of his annual base salary; and Mr. Jensen was eligible to receive a fraction (based on the number of days Mr. Jensen was employed by the Company in fiscal 2015) of the target cash bonus equal to 100% of his annual base salary. Intrawest as a whole achieved 103% of the Adjusted EBITDA target level. As a result, we made payment of the applicable bonus amounts to Messrs. Marano, Mayer, Foulkes and Jensen in October 2015 in the amounts listed for fiscal 2015 in the “Summary Compensation Table for Fiscal 2015” above, under the heading “Non-Equity Incentive Plan Compensation.”

Mr. Foulkes was also eligible to receive additional compensation as part of a long-term incentive plan by achieving certain EBITDA targets at Stratton Mountain Resort. For fiscal 2015, Stratton Mountain Resort exceeded its EBITDA targets which resulted in a payout of 60% of base pay for Mr. Foulkes, prorated to the period of time during fiscal 2015 that Mr. Foulkes was employed by Stratton Mountain Resort. This payment was also made in October 2015 and is included in the totals for “Non-Equity Incentive Plan Compensation” in the “Summary Compensation Table for Fiscal 2015” above.

Executive Employment Agreements

The Company has employment agreements with Messrs. Marano, Mayer and Foulkes, all of which were approved by the Compensation Committee. The Company also had an employment agreement with Mr. Jensen, the Company’s former Chief Executive Officer, which was approved by the Compensation Committee.

For purposes of each of the employment agreements described below, “good reason” means, in summary, (i) a reduction in base salary (other than an across-the-board reduction affecting all senior executives), (ii) a relocation of principal place of employment to another country or a location more than fifty miles from the respective employee’s current principal place of employment, (iii) a material and adverse alteration in responsibilities or title, or (iv) an intentional material breach by the Company of the employment agreement.

Employment Agreement with William A. Jensen

The Company entered into an amended and restated employment agreement with Mr. Jensen on January 20, 2014, and a first amendment to employment agreement on September 11, 2014, pursuant to which Mr. Jensen served as the Company’s Chief Executive Officer. Pursuant to his employment agreement, Mr. Jensen received a base salary of \$700,000 and was eligible to receive a target annual bonus of 100% of his base salary under the terms of the Company’s annual performance-based cash bonus plan. The agreement also provided that Mr. Jensen was eligible to participate in all of the Company’s benefits, retirement and perquisite plans generally available to the Company’s similarly-situated executives.

The agreement further provided for payment, within 40 days following the date of closing of our IPO, of a cash transaction bonus in connection with our IPO equal to the lesser of (i) \$2,000,000 and (ii) 1% of the net proceeds received by the Initial Stockholders in our IPO. In accordance with this provision, Mr. Jensen received a cash transaction bonus in the amount of \$1,665,468.75.

Pursuant to the terms of his employment agreement, upon completion of our IPO, Mr. Jensen received a grant of 250,000 restricted stock units (“RSUs”) under the terms of the Intrawest Resorts Holdings, Inc. 2014 Omnibus Incentive Plan with an aggregate value at the time of grant equal to \$3,000,000. The RSUs were scheduled to vest in three equal annual installments on each of the first three anniversaries of the date of the grant, subject to Mr. Jensen’s continued service through the specified vesting date, provided that if Mr. Jensen’s employment was terminated by the Company other than for cause, by Mr. Jensen for “good reason” (as defined in the agreement and summarized above) or due to Mr. Jensen’s death or disability, the portions of the RSUs that were scheduled to vest on the next applicable vesting date

would automatically vest. Each RSU represented the right to receive, in the Company's sole discretion, either one share of the Company's common stock or cash equal to the fair market value of one share of the Company's common stock. In January 2015, the Company delivered 83,333 shares of common stock to Mr. Jensen in settlement of the 83,333 RSUs that were scheduled to vest on January 30, 2015.

Mr. Jensen's employment agreement provided that if his employment was terminated by the Company without cause or by Mr. Jensen for good reason, he would receive, subject to certain conditions, (i) continued base salary payments for 12 months following the termination date, less any income received from alternate employment during such 12-month period, (ii) any unpaid annual bonus with respect to the prior year, plus a pro-rated annual bonus for the year of termination, and (iii) continuation of health benefits for 12 months.

Mr. Jensen's employment agreement further provided that if his employment was terminated by the Company without cause or by Mr. Jensen for good reason within 12 months following a "change in control" (as defined in the Intrawest Resorts Holdings, Inc. 2014 Omnibus Incentive Plan), he would receive the benefits described in the preceding paragraph, except that he would receive base salary payments for 18 months and in full, regardless of any income received from alternate employment during such 18-month period.

Mr. Jensen's employment agreement contained standard provisions for non-competition and non-solicitation of the Company's employees that became effective upon the date of Mr. Jensen's termination of employment and that will continue for one year thereafter. The agreement also contains standard perpetual provisions relating to confidentiality, intellectual property and non-disparagement.

In connection with Mr. Jensen's departure from the Company effective as of November 20, 2014, the Company entered into a separation agreement and general release of claims with Mr. Jensen, pursuant to which Mr. Jensen is eligible to receive the severance payments and benefits to the same extent as if he were terminated without cause as provided under his employment agreement.

Employment Agreement with Thomas F. Marano

On November 20, 2014, the Company entered into an employment agreement with Mr. Marano, which was amended and restated in its entirety effective as of January 1, 2015, pursuant to which Mr. Marano serves as the Company's Chief Executive Officer and President. Mr. Marano's employment agreement provides that he receives a base salary of \$700,000, which may be increased annually by the Compensation Committee but may not be decreased without Mr. Marano's consent, subject to certain exceptions. Additionally, Mr. Marano's employment agreement provides that he is eligible to receive an annual bonus of 100% of his base salary under the terms of the Company's annual performance-based cash bonus plan. The employment agreement also provides that Mr. Marano is eligible to participate in all of the Company's benefits, group insurance, retirement and perquisite plans generally available to the Company's similarly-situated executives. In accordance with the terms of the employment agreement, subject to prior approval by the Board of Directors, Mr. Marano (along with any other members of management or other employees of the Company as determined by the Board of Directors and Mr. Marano) is entitled to receive a new business venture incentive in the form of a participation right or other economic interest, as determined by the Board of Directors, up to a maximum of 25% of the value created as a direct result of any new business created by the Company that is outside the scope of the Company's then-existing business and for which Mr. Marano was primarily responsible for the creative inspiration, business planning and execution, all as determined by the Board of Directors in good faith. Any such new business incentive will be subject in all respects to definitive documentation reasonably approved by the Board of Directors, including such terms and conditions, including with respect to vesting of such new business incentive, as are reasonably determined by the Board of Directors in consultation with Mr. Marano.

Pursuant to the terms of his employment agreement, Mr. Marano received a grant of an option to purchase 2,700,000 shares of the Company's common stock (the "Option") under the terms of the Intrawest Resorts Holdings, Inc. 2014 Omnibus Incentive Plan (the "Equity Incentive Plan") and a stock option award agreement between the Company and Mr. Marano. The Option will become vested and exercisable with respect to 1,350,000 shares on the second anniversary of the date of grant and will become vested and exercisable with respect to the remaining 1,350,000 shares on the third anniversary of the date of grant, subject to Mr. Marano's continued service through the specified vesting date, provided that if Mr. Marano's employment is terminated by the Company other than for cause (as defined in the employment agreement), by Mr. Marano for "good reason" (as defined in the employment agreement) or due to Mr. Marano's death or disability, the portions of the Option that are scheduled to vest on the next applicable vesting date will automatically vest.

Pursuant to the terms of Mr. Marano's employment agreement, in the event of the termination of Mr. Marano's employment by the Company without cause (not including due to Mr. Marano's death or disability) or by Mr. Marano for good reason, the employment agreement provides that he will receive, subject to certain conditions, (i) continued base salary payments for 12 months following the termination date, (ii) any unpaid annual bonus with respect to the prior year, plus a pro-rated annual bonus for the year of termination, and (iii) continuation of health benefits for 12 months. Additionally, if Mr. Marano's employment is terminated as a result of his disability, he will be entitled to receive all of the foregoing payments, except that he will be entitled to receive base salary payments in full for 12 months, regardless of any income received from alternate employment during such 12-month period.

Mr. Marano's employment agreement further provides that if his employment is terminated by the Company without cause or by Mr. Marano for good reason within 12 months following a "change in control" (as defined in the Equity Incentive Plan), he will receive the benefits described in the preceding two paragraphs, except that he will receive base salary payments for 18 months and in full, regardless of any income received from alternate employment during such

18-month period.

Pursuant to the terms of Mr. Marano's employment agreement, if the Company terminates Mr. Marano's employment for cause, or if Mr. Marano's employment is terminated as a result of his death, Mr. Marano (or his heirs) will be entitled to receive a lump-sum payment of his base salary, to the extent accrued and unpaid up through the date of termination of employment.

Mr. Marano's employment agreement contains, among other things, standard provisions for non-competition and non-solicitation of the Company's employees that become effective as of the date of Mr. Marano's termination of employment and that continue for one year thereafter. The employment agreement also contains standard perpetual provisions relating to confidentiality, intellectual property and non-disparagement.

Mr. Marano's employment agreement also provides that the Company will pay his reasonable travel expenses for up to 30 days from the effective date of his employment agreement until the date on which he enters into a lease for temporary housing and thereafter the Company will pay the rental cost, not to exceed \$4,000 per month, of temporary housing for one year following the effective date of Mr. Marano's employment agreement. In addition, the employment agreement provides that the Company will pay the cost of up to eight round-trip, business class airfare tickets for Mr. Marano and/or his spouse to travel between Denver, Colorado and the New York City, New York, metropolitan area. The employment agreement further provides that the Company will pay relocation expenses, including the movement of Mr. Marano and his family, their household goods, vehicles and other personal effects, in an amount not to exceed \$100,000. In addition, the employment agreement provides that the Company will pay any reasonable broker commissions

incurred in connection with the sale of Mr. Marano's residence in New Jersey, provided that (i) if, within one year of the effective date, Mr. Marano's employment with the Company terminates for cause (as described above) or Mr. Marano voluntarily resigns, then Mr. Marano will be required to repay the entire broker commission payment, and (ii) if, after the first anniversary date and prior to the second anniversary date, Mr. Marano's employment with the Company terminates for cause or Mr. Marano voluntarily resigns, then Mr. Marano will be required to repay one-half of the broker commission payment.

Employment Agreement with Travis Mayer

The Company entered into an employment agreement with Mr. Mayer on May 13, 2014, a first amendment to employment agreement on September 11, 2014, and a second amendment to employment agreement on January 12, 2015 (and as modified by a Flexible Time-Off Policy effective as of January 1, 2015), pursuant to which Mr. Mayer serves as the Company's Executive Vice President, Chief Financial Officer and Treasurer. Mr. Mayer's employment agreement further provides that if his employment is terminated by the Company without cause or by Mr. Mayer for good reason within 12 months following a "change in control" (as defined in the Equity Incentive Plan), he will receive the benefits described in the preceding paragraph, except that he will receive base salary payments for the 12-month period in full, regardless of any income received from alternate employment during such 12-month period.
