PROXY STATEMENT

ANNUAL MEETING OF STOCKHOLDERS

October 28, 2003

This Proxy Statement is being furnished on or about September 17, 2003, in connection with the solicitation of proxies by the Board of Directors of Standex International Corporation (the "Company"), for use at

## Edgar Filing: STANDEX INTERNATIONAL CORP/DE/ - Form DEF 14A

the Annual Meeting of Stockholders to be held on Tuesday, October 28, 2003. All proxies will be voted in accordance with the instructions contained therein and, if no choice is specified, will be voted for the election of each of the individuals nominated by the Board of Directors and in favor of the other proposal set forth in the Notice of Meeting.

The election of Directors will require the affirmative vote of a plurality of the shares of Common Stock voting, in person or by proxy, at the Annual Meeting. The ratification of the appointment of Deloitte & Touche LLP as independent auditors will require the affirmative vote of a majority of the shares of Common Stock of the Company voting on the proposal, in person or by proxy, at the Annual Meeting. Stockholders may vote in favor of all nominees for Director, or withhold their votes as to all nominees or withhold their votes as to specific nominees. With respect to the other proposal, stockholders should specify their choice on the enclosed form of proxy.

Shares which abstain from voting as to a particular matter, and shares held in "street name" by brokers or nominees who indicate on their proxies that they do not have discretionary authority to vote such shares as to a particular matter, will not be counted as votes in favor of such matter, and will also not be counted as shares voting on such matter. Accordingly, abstentions and "broker non-votes" will have no effect on the voting on a matter that requires the affirmative vote of a certain percentage of the shares voting on a matter.

Any proxy may be revoked at any time before it is exercised by delivery of written notice to the Secretary of the Company or by executing a subsequent proxy.

The Board of Directors has fixed September 8, 2003 as the record date for the determination of stockholders entitled to vote at the Annual Meeting. At the record date, there were outstanding and entitled to vote 12,262,991 shares of the Common Stock of the Company. Each share is entitled to one vote.

All costs of solicitation of proxies will be borne by the Company. In addition to solicitations by mail, the Company's directors and officers, without additional remuneration, may solicit proxies in person and by telecommunications. Brokers, custodians and fiduciaries will be requested to forward proxy soliciting materials to the owners of stock held in their names, and the Company will reimburse them for their out-of-pocket expenses in this regard.

To assure the presence in person or by proxy of the necessary quorum for holding the meeting, the Company has employed the firm of Morrow & Co., Inc. to assist in soliciting proxies by mail, telephone, facsimile and personal interview for a fee estimated at approximately \$5,000 plus disbursements.

### PROPOSAL 1 - ELECTION OF DIRECTORS

The persons named in the enclosed proxy will vote to fix the number of directors at thirteen and to elect as directors C. Kevin Landry, H. Nicholas Muller, III., Ph.D. and Edward J. Trainor, identified below as nominees, for three-year terms expiring in 2006, unless authority to vote for the election of directors is withheld by marking the proxy to that effect. No proxy can be voted for a greater number of persons than the

Edgar Filing: STANDEX INTERNATIONAL CORP/DE/ - Form DEF 14A

three nominees named below.

There are fewer nominees named below than the number of directors fixed pursuant to this proposal due to vacancies created in prior fiscal years as a result of various director retirements and the death of one director in fiscal 2001. The Corporate Governance/Nominating Committee of the Board of Directors is currently actively considering various potential candidates for nomination to the Board of Directors during the course of the upcoming fiscal year.

In the event that any nominee for election should become unavailable, the person acting under the proxy may vote for the election of a substitute. Management has no reason to believe that any nominee will become unavailable.
