Item 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

Stryker Corporation announced on January 26, 2016 that William R. Jellison has decided to retire from his role as Vice President, Chief Financial Officer effective April 1, 2016 and that Glenn Boehnlein, who currently serves as Group Vice President, Chief Financial Officer for Med Surg & Neurotechnology, has been promoted to Vice President, Chief Financial Officer effective April 1.

Mr. Jellison has entered into a Transition Agreement with the Company pursuant to which he will continue to be employed as an Advisor to the Chief Financial Officer from April 1, 2016 through March 31, 2017 to ensure a smooth transition. During the advisory period, Mr. Jellison will continue to receive base salary at his current annual rate of \$554,000 and will be entitled to receive an advisory period incentive bonus in the amount of \$387,800 provided he remains employed in the advisory capacity through December 31, 2016 and an additional \$150,000 if he continues through the conclusion of the advisory period on March 31, 2017. Pursuant to the terms of the plans and award agreements under which he has been granted stock options, restricted stock units and performance stock units, any unvested grants will lapse when his employment terminates and stock options that are vested on that date will lapse unless exercised within 30 days thereafter.

Pursuant to the letter agreement establishing Mr. Boehnlein's compensation in his new role, Mr. Boehnlein will receive a base salary at the annual rate of \$550,000. Mr. Boehnlein's bonus potential will be 80% of his annual salary. His actual bonus will be prorated based on the portion of the year that he serves as Vice President, Chief Financial Officer and will be determined based on performance against objectives to be developed with the Company's Chairman and Chief Executive Officer. The letter agreement also provides that the Company's Chairman and Chief Executive Officer will recommend that
