ALEXANDERS, INC.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

(UNAUDITED)

**1. Organization**

Alexanders, Inc. is a real estate investment trust ( REIT ), incorporated in Delaware, engaged in leasing, managing, developing and redeveloping its properties. All references to we, us, our, or Company refer to Alexanders, Inc. and its consolidated subsidiaries. We are managed by, and our properties are leased and developed by, Vornado Realty Trust ( Vornado ).

**2. Basis of Presentation**

The consolidated balance sheet at March 31, 2007, and the consolidated statements of operations for the three months ended March 31, 2007 and 2006, and the consolidated statements of cash flows for the three months ended March 31, 2007 and 2006 are unaudited. In our opinion, all adjustments (which include only normal recurring adjustments) necessary to present fairly the financial position, results of operations and cash flows have been made. Certain information and footnote disclosures normally included in financial statements prepared in accordance with accounting principles generally accepted in the United States of America have been condensed or omitted in accordance with Article 10 of Regulation S-X and the instructions to Form 10-Q. These condensed consolidated financial statements should be read in conjunction with the consolidated financial statements and notes thereto included in our Annual Report on Form 10-K for the year ended December 31, 2006, as filed with the Securities and Exchange Commission. The results of operations for the three months ended March 31, 2007 are not necessarily indicative of the operating results for the full year.

The accompanying consolidated financial statements include our accounts and that of our consolidated subsidiaries. All significant intercompany amounts have been eliminated. The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires us to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting periods. Actual results could differ from those estimates.

We currently operate in one business segment.

**3. Recently Issued Accounting Literature**

In July 2006, the FASB issued Interpretation No. 48, *Accounting for Uncertainty in Income Taxes, an Interpretation of FASB Statement No. 109* ( FIN 48 ). FIN 48 establishes new evaluation and measurement processes for all income tax positions taken. FIN 48 became effective on January 1, 2007. Upon the adoption of FIN 48 on January 1, 2007, we recognized a \$6,983,000 increase in the liability for unrecognized tax benefits, which was accounted for as a reduction to the January 1, 2007 balance of retained earnings.

## Edgar Filing: ALEXANDERS INC - Form 10-Q

In September 2006, the FASB issued SFAS 157, *Fair Value Measurements*. SFAS 157 does not address what to measure at fair value; instead, it addresses how to measure fair value. SFAS 157 applies (with limited exceptions) to existing standards that require assets or liabilities to be measured at fair value. SFAS 157 establishes a fair value hierarchy, giving the highest priority to quoted prices in active markets and the lowest priority to unobservable data and requires new disclosures for assets and liabilities measured at fair value based on their level in the hierarchy. SFAS 157 is effective for financial statements issued for fiscal years beginning after November 15, 2007. We do not believe that the adoption of SFAS 157 on January 1, 2008, will have a material effect on our consolidated financial statements.

**3. Recently Issued Accounting Literature - continued**

In September 2006, the FASB issued SFAS 158, *Employer's Accounting for Defined Benefit Pension and Other Postretirement Plans, an Amendment of SFAS No. 87, 88, 106 and 132R*. SFAS 158 requires an employer to (i) recognize in its statement of financial position an asset for a plan's overfunded status or a liability for a plan's underfunded status; (ii) measure a plan's assets and its obligations that determine its funded status as of the end of the employer's fiscal year (with limited exceptions); and (iii) recognize changes in the funded status of a defined benefit postretirement plan in the year in which the changes occur. Those changes will be reported in comprehensive income. The adoption of the requirement to recognize the funded status of a benefit plan and the disclosure requirements as of December 31, 2006, did not have any effect on our consolidated financial statements. The requirement to measure plan assets and benefit obligations to determine the funded status as of the end of the fiscal year and to recognize changes in the funded status in the year in which the changes occur is effective for fiscal years ending after December 15, 2008. The adoption of the measurement date provisions of this standard is not expected to have any effect on our consolidated financial statements.

In February 2007, the FASB issued SFAS 159, *The Fair Value Option for Financial Assets and Financial Liabilities*. SFAS 159 expands opportunities to use fair value measurement in financial reporting and permits entities to choose to measure many financial instruments and certain other items at fair value. SFAS 159 is effective for fiscal years beginning after November 15, 2007. We have not decided if we will choose to measure any eligible financial assets and liabilities at fair value when we adopt SFAS 159 as of January 1, 2008.

**4. Relationship with Vornado**

Vornado owned 32.8% of our outstanding common stock at March 31, 2007. Steven Roth is the Chairman of our Board of Directors and our Chief Executive Officer, the Managing General Partner of Interstate Properties (Interstate), a New Jersey general partnership, and the Chairman of the Board and Chief Executive Officer of Vornado. At March 31, 2007, Mr. Roth, Interstate and its other two general partners, David Mandelbaum and Russell B. Wight, Jr. (who are also our directors and trustees of Vornado) owned, in the aggregate, 27.2% of our outstanding common stock, in addition to the common stock owned directly by Vornado, and 8.5% of the outstanding common shares of beneficial interest of Vornado.

We are managed by, and our properties are leased and developed by, Vornado, pursuant to the agreements described below, which expire in March of each year and are automatically renewable.

Management and Development Agreements

We pay Vornado an annual management fee equal to the sum of (i) \$3,000,000, (ii) 3% of gross income from the Kings Plaza Regional Shopping Center, (iii) \$0.50 per square foot of the tenant-occupied office and retail space at 731 Lexington Avenue and (iv) \$220,000, escalating at 3% per annum, for managing the common area of 731 Lexington Avenue.

In addition, Vornado is entitled to a development fee of 6% of development costs, as defined, with minimum guaranteed fees of \$750,000 per annum.

Leasing Agreements

Vornado also provides us with leasing services for a fee of 3% of rent for the first ten years of a lease term, 2% of rent for the eleventh through the twentieth year of a lease term, and 1% of rent for the twenty-first through thirtieth year of a lease term, subject to the payment of rents by tenants. In the event of a sale of an asset, the fee is 3% of gross proceeds, as defined. In the event third party real estate brokers are used, the fees to Vornado increase by 1% and Vornado is responsible for the fees to the third party real estate brokers. Such amounts are payable annually in an amount not to exceed \$2,500,000, with interest at 9% per annum on the unpaid balance.

Effective January 1, 2007, we modified our leasing agreement with Vornado. Pursuant to the modification, (i) the existing 3% commission on asset sales was adjusted so that for asset sales greater than \$50,000,000, the fee is 1% of gross proceeds, as defined; (ii) in the event third party real estate brokers are used in connection with asset sales, the fees to Vornado no longer increase by 1% and Vornado continues to be responsible for the fees to such third party real estate brokers; and (iii) the annual amount payable for fees under this agreement was increased to \$4,000,000, and the interest rate on the unpaid balance was adjusted to one-year LIBOR plus 100 bps per annum (6.34 % at March 31, 2007).

**4. Relationship with Vornado - continued**Other Agreements

We have also entered into agreements with Building Maintenance Services, a wholly owned subsidiary of Vornado, to supervise cleaning, engineering and security services at our Lexington Avenue and Kings Plaza properties for an annual fee of the cost for such services plus 6%.

The following table shows the amounts incurred under the agreements described above.

(Amounts in thousands)	Three Months Ended

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS (CONTINUED)

(UNAUDITED)

**6. Income Tax Liability**

We adopted the provisions of FIN 48 on January 1, 2007. Upon adoption, we recognized a \$6,983,000 increase in the liability for unrecognized tax benefits, which was accounted for as a reduction to the January 1, 2007 balance of retained earnings. On the date of adoption and as of March 31, 2007, we had \$43,653,000 and \$44,272,000, respectively, of unrecognized tax benefits that if recognized, would result in non-cash income arising from the reversal of these items, thus reducing our effective tax rate.

We recognize interest related to the unrecognized tax benefits in interest and debt expense in our consolidated statement of operations. In the three months ended March 31, 2007, we accrued \$619,000 of interest related to the unrecognized tax benefits. As of March 31, 2007, we have approximately \$7,602,000 of accrued interest related to the unrecognized tax benefits, which is included as a component of liability for income taxes and other in our consolidated balance sheets.

As of March 31, 2007, our 2003 - 2006 tax years remain open to examination by the major taxing jurisdictions to which we are subject.

**7. Stock Appreciation Rights**

Stock appreciation rights ( SARs ) are granted at 100% of the market price of our common stock on the date of grant. Compensation expense for each SAR is measured by the excess of stock price at the current balance sheet date over the stock price at the previous balance sheet date. If the stock price is lower at the current balance sheet date, previously recognized expense is reversed but not below zero. In the three months ended March 31, 2007, we reversed \$14,311,000 of previously recognized expense, based on our closing stock price of \$411.70 at March 31, 2007 (compared to \$419.65 at December 31, 2006). In the three months ended March 31, 2006, we accrued \$37,561,000 for SARs compensation expense, based on our closing stock price of \$289.00 at March 31, 2006 (compared to \$245.50 at December 31, 2005).

On March 13, 2007, Michael Fascitelli, our President, exercised 350,000 of his existing SARs. These SARs were granted to him on January 10, 2006 and were scheduled to expire on March 14, 2007. He received \$144.18 for each SAR exercised, representing the difference between our stock price of \$388.01 (the average of the high and low market price) on the date of exercise and the exercise price of \$243.83.

**8. Net Gain on Sale of Condominiums**

In the three months ended March 31, 2006, we recognized \$5,008,000 of after-tax net gains from the sale of residential condominium units at our 731 Lexington Avenue property.

**9. Commitments and Contingencies**

Insurance

We carry comprehensive liability and all risk property insurance for (i) fire, (ii) flood, (iii) extended coverage, (iv) acts of terrorism as defined in the Terrorism Risk Insurance Extension Act of 2005, which expires in 2007, and (v) rental loss insurance with respect to our assets, with limits

## Edgar Filing: ALEXANDERS INC - Form 10-Q

of (i) \$965,000,000 per occurrence, including certified terrorist acts and \$350,000,000 for non-certified terrorist acts for our 731 Lexington Avenue property, and (ii) \$500,000,000 per occurrence, including certified terrorist acts and \$350,000,000 for non-certified terrorist acts for our other properties. To the extent that we incur losses in excess of our insurance coverage, these losses would be borne by us and could be material.

Our debt instruments, consisting of mortgage loans secured by our properties (which are generally non-recourse to us), contain customary covenants requiring us to maintain insurance. Although we believe that we have adequate insurance coverage under these agreements, we may not be able to obtain an equivalent amount of coverage at reasonable costs in the future. Further, if lenders insist on greater coverage than we are able to obtain, or if the Terrorism Risk Insurance Extension Act of 2005 is not extended past 2007, it could adversely affect our ability to finance and/or refinance our properties.

ALEXANDER S, INC.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS (CONTINUED)

(UNAUDITED)

**9. Commitments and Contingencies -continued**

Environmental Remediation

In June 1997, the Kings Plaza Regional Shopping Center commissioned an Environmental Study and Contamination Assessment Site Investigation (the Phase II Study) to evaluate and delineate environmental conditions disclosed in a Phase I study. The results of the Phase II Study indicated the presence of petroleum and bis (2-ethylhexyl) phthalate contamination in the soil and groundwater. We delineated the contamination, developed a remediation approach, and in July 2000 entered into a voluntary cleanup agreement with the New York State Department of Environmental Conservation (NYSDEC). We have completed the remediation work required pursuant to the NYSDEC remedial action work plan and have paid \$2,675,000, which was accrued in previous years, for our estimated obligation with respect to the cleanup of the site.

In July 2006, we discovered an oil spill at the above site. Based on a preliminary investigation, the spill may have occurred as a result of the actions of independent contractors. We have notified the NYSDEC about the spill and will be developing a remediation approach to clean up the site. The estimated costs associated with the clean up of the site will aggregate approximately \$2,500,000 and are expected to be covered under our insurance policy, subject to our \$500,000 deductible, which we have accrued. We intend to pursue all available remedies against parties believed to be at fault to the extent it is cost effective.

Flushing Property

In the fourth quarter of 2003, we recognized \$1,289,000 of income representing a non-refundable deposit of \$1,875,000, net of \$586,000 of costs associated with the transaction, from a party that had agreed to purchase this property, as such party had not met its obligations under a May 30, 2002 purchase contract. On September 10, 2002, November 7, 2002, and July 8, 2004, we received letters from the party demanding return of the deposit. On December 28, 2005, the party filed a complaint against us in the Supreme Court of the State of New York alleging that we failed to honor the terms and conditions of the agreement. The complaint seeks specific performance and, if specific performance is denied, it seeks the return of the deposit plus interest and \$50,000 in costs. Pursuant to discussions with our legal counsel, we do not believe the party is entitled to either specific performance or a return of the deposit and are defending against the action.

In our opinion, after consultation with our legal counsel, the outcome of such matters will not have a material effect on our financial condition, results of operations or cash flows.

Rego Park II

We own approximately 6.6 acres of land adjacent to our Rego Park I property in Queens, New York, which comprises the entire square block bounded by the Horace Harding Service Road (of the Long Island Expressway), 97<sup>th</sup> Street, 62<sup>nd</sup> Drive and Junction Boulevard.

The proposed development at Rego Park II consists of a mixed-use building containing 600,000 square feet of retail space on four levels, a parking deck containing approximately 1,400 spaces and may also include up to 450 apartments in one or two towers. The funding required for the proposed development may be in excess of \$500,000,000. We are currently exploring various alternatives for financing this project. As of March 31, 2007, we have leased 404,000 square feet of the retail space, of which, 135,000, 134,000 and 135,000 have been leased to Century 21, Kohl's and Home Depot, respectively. There can be no assurance that this project will be completed, completed on time or completed for the budgeted amount.

Paramus

In 2001 we leased 30.3 acres of land located in Paramus, New Jersey to IKEA Property, Inc. The lease has a 40-year term with a purchase option in 2021 for \$75,000,000. We have a \$68,000,000 interest only, non-recourse mortgage loan on the property from a third party lender. The fixed interest rate on the debt is 5.92% with interest payable monthly until maturity in October 2011. The annual triple-net rent is the sum of \$700,000 plus the amount of debt service on the mortgage loan. If the purchase option is exercised, we will receive net cash proceeds of approximately \$7,000,000 and recognize a gain on sale of land of approximately \$62,000,000. If the purchase option is not exercised, the triple-net rent for the last 20 years must include the debt service sufficient to fully amortize \$68,000,000 over the remaining 20-year lease term.

Letters of Credit

Approximately \$3,900,000 in standby letters of credit were issued and outstanding as of March 31, 2007.

**10. Income Per Share**

The following table sets forth the computation of basic and diluted income per share, including a reconciliation of net income and the number of shares used in computing basic and diluted earning per share. Basic earnings per share is determined using the weighted average shares of common stock outstanding during the period. Diluted earnings per share is determined using the weighted average shares of common stock outstanding during the period and assumes all potentially dilutive securities were converted into common shares at the earliest date possible.

**REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM**

To the Board of Directors and Stockholders of

Alexander s, Inc.

Paramus, New Jersey

We have reviewed the accompanying consolidated balance sheet of Alexander s, Inc. and subsidiaries (the Company ) as of March 31, 2007, and the related consolidated statements of operations and cash flows for the three-month periods ended March 31, 2007 and 2006. These interim financial statements are the responsibility of the Company s management.

We conducted our reviews in accordance with the standards of the Public Company Accounting Oversight Board (United States). A review of interim financial information consists principally of applying analytical procedures and making inquiries of persons responsible for financial and accounting matters. It is substantially less in scope than an audit conducted in accordance with standards of the Public Company Accounting Oversight Board (United States), the objective of which is the expression of an opinion regarding the financial statements taken as a whole. Accordingly, we do not express such an opinion.

Based on our reviews, we are not aware of any material modifications that should be made to such consolidated interim financial statements for them to be in conformity with accounting principles generally accepted in the United States of America.

As discussed in Note 6 to the consolidated financial statements, on January 1, 2007, the Company adopted the provision of FASB Interpretation No. 48. *Accounting for Uncertainty in Income Taxes, an Interpretation of FASB Statement No. 109.*

We have previously audited, in accordance with the standards of the Public Company Accounting Oversight Board (United States), the consolidated balance sheet of Alexander s, Inc. and subsidiaries as of December 31, 2006, and the related consolidated statements of operations, stockholders equity, and cash flows for the year then ended (not presented herein); and in our report dated February 26, 2007, we expressed an unqualified opinion on those consolidated financial statements. In our opinion, the information set forth in the accompanying consolidated balance sheet as of December 31, 2006 is fairly stated, in all material respects, in relation to the consolidated balance sheet from which it has been derived.

**ITEM 2. MANAGEMENT'S DISCUSSION AND ANALYSIS OF FINANCIAL CONDITION AND RESULTS OF OPERATIONS**

Certain statements contained herein constitute forward-looking statements as such term is defined in Section 27A of the Securities Act of 1933, as amended, and Section 21E of the Securities Exchange Act of 1934, as amended. Forward-looking statements are not guarantees of future performance. They involve risks, uncertainties and assumptions. Our future results, financial condition, results of operations and business may differ materially from those expressed in these forward-looking statements. You can find many of these statements by looking for words such as approximates, believes, expects, anticipates, estimates, intends, plans, would, may or other similar expressions in our Annual Report on Form 10-K. These forward-looking statements represent our intentions, plans, expectations and beliefs and are subject to numerous assumptions, risks and uncertainties. Many of the factors that will determine these items are beyond our ability to control or predict. For a further discussion of these factors, see Item 1A - Risk Factors in our Annual Report on Form 10-K.

For these statements, we claim the protection of the safe harbor for forward-looking statements contained in the Private Securities Litigation Reform Act of 1995. You are cautioned not to place undue reliance on the forward-looking statements, which speak only as of the date of this Quarterly Report on Form 10-Q or the date of any document incorporated by reference. All subsequent written and oral forward-looking statements attributable to us or any person acting on our behalf are expressly qualified in their entirety by the cautionary statements contained or referred to in this section. We do not undertake any obligation to release publicly, any revisions to our forward-looking statements to reflect events or circumstances after the date of this Quarterly Report on Form 10-Q.

Management's Discussion and Analysis of Financial Condition and Results of Operations includes a discussion of our consolidated financial statements for the three months ended March 31, 2007 and 2006. The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires us to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting periods. Actual results could differ from those estimates.

## Overview

Alexander's, Inc. is a real estate investment trust ( REIT ), incorporated in Delaware, engaged in leasing, managing, developing and redeveloping its properties. All references to we, us, our, or Company refer to Alexander's, Inc. and its wholly owned subsidiaries. We are managed by, and our properties are leased and developed by, Vornado Realty Trust ( Vornado ). We have seven properties in the greater New York City metropolitan area including the 731 Lexington Avenue property, a 1.3 million square foot multi-use building in Manhattan, and the Kings Plaza Regional Shopping Center located in Brooklyn.

We compete with a large number of real estate property owners and developers, some of which may be willing to accept lower returns on their investments. Principal factors of competition are rents charged, attractiveness of the location, the quality of the property and breadth and quality of the services provided. Our success depends upon, among other factors, trends of national and local economies, the financial condition and operating results of current and prospective tenants and customers, availability and cost of capital, construction and renovation costs, taxes, governmental regulations, legislation and population trends.

### Stock Appreciation Rights

Stock appreciation rights ( SARs ) are granted at 100% of the market price of our common stock on the date of grant. Compensation expense for each SAR is measured by the excess of stock price at the current balance sheet date over the stock price at the previous balance sheet date. If the stock price is lower at the current balance sheet date, previously recognized expense is reversed but not below zero. In the three months ended March 31, 2007, we reversed \$14,311,000 of previously recognized expense, based on our closing stock price of \$411.70 at March 31, 2007 (compared to \$419.65 at December 31, 2006). In the three months ended March 31, 2006, we accrued \$37,561,000 for SARs compensation expense, based on our closing stock price of \$289.00 at March 31, 2006 (compared to \$245.50 at December 31, 2005).

On March 13, 2007, Michael Fascitelli, our President, exercised 350,000 of his existing SARs. These SARs were granted to him on January 10, 2006 and were scheduled to expire on March 14, 2007. He received \$144.18 for each SAR exercised, representing the difference between our stock price of \$388.01 (the average of the high and low market price) on the date of exercise and the exercise price of \$243.83.

### Kings Plaza

Lowe's Home Improvement Warehouse ( Lowe's ) will construct its own building adjacent to the mall, on land leased from us for a 20-year term with five 5-year renewal options. The ground lease commenced on February 26, 2007 and provides for an initial annual rent of approximately \$2,000,000.

In March 2007, our consolidated joint venture, in which we have a 25% interest, completed the redevelopment of the energy plant that generates all of the electrical power at this property, for a total cost of approximately \$18,350,000.

## Critical Accounting Policies

A summary of our critical accounting policies is included in our Annual Report on Form 10-K for the year ended December 31, 2006 in Item 7. Management's Discussion and Analysis of Financial Condition and Results of Operations and Note 2 Summary of Significant Accounting Policies to the consolidated financial statements included therein. There have been no significant changes to those policies during 2007.

**Significant Tenants**

Bloomberg L.P. accounted for approximately 32% and 34% of our consolidated revenues in the three months ended March 31, 2007 and 2006, respectively. No other tenant accounted for more than 10% of our consolidated revenues.

**Results of Operations for the Three Months Ended March 31, 2007 and 2006**

Net income for the quarter ended March 31, 2007 was \$32,176,000, or \$6.32 per diluted share, compared to a net loss of \$18,857,000, or \$3.75 per diluted share, for the quarter ended March 31, 2006. Net income for the quarter ended March 31, 2007 includes \$14,311,000, or \$2.81 per diluted share, for the reversal of a portion of the accrual for SARs compensation expense. Net loss for the quarter ended March 31, 2006 includes \$37,561,000 for an accrual of SARs compensation expense, partially offset by, \$5,008,000 for an after-tax net gain from the sale of residential condominium units at 731 Lexington Avenue. These items, in the aggregate, decreased net income by \$32,553,000, or \$6.48 per diluted share.

Property Rentals

Property rentals were \$34,874,000 in the quarter ended March 31, 2007, compared to \$33,832,000 in the prior year's quarter, an increase of \$1,042,000. This increase was primarily attributable to rents from tenants at 731 Lexington Avenue whose space was placed into service subsequent to the first quarter of 2006.

Expense Reimbursements

Tenant expense reimbursements were \$17,322,000 in the quarter ended March 31, 2007, compared to \$14,544,000 in the prior year's quarter, an increase of \$2,778,000. This increase was primarily due to real estate tax reimbursements in excess of expense recognized, from tenants at 731 Lexington Avenue, under leases that do not participate in a tax credit program.

Operating Expenses

Operating expenses were \$17,925,000 in the quarter ended March 31, 2007, compared to \$17,233,000 in the prior year's quarter, an increase of \$692,000. This increase was primarily from our Kings Plaza energy plant joint venture, which became operational in March 2007.

General and Administrative Expenses

General and administrative expenses in the quarter ended March 31, 2007, includes \$14,311,000 for the reversal of a portion of the accrual for SARs compensation expense, compared to \$37,561,000 for an accrual of SARs compensation expense in the quarter ended March 31, 2006. Excluding SARs, general and administrative expenses were \$372,000 higher than the prior year's quarter.

Interest and Other Income

Interest and other income was \$7,062,000 in the quarter ended March 31, 2007, compared to \$6,178,000 in the prior year's quarter, an increase of \$884,000. This increase resulted primarily from higher average yields on investments.

Interest and Debt Expense

Interest and debt expense was \$16,638,000 in the quarter ended March 31, 2007, compared to \$17,052,000 in the prior year's quarter, a decrease of \$414,000. This decrease was primarily due to (i) \$671,000 of interest capitalized in the current quarter (no interest was capitalized in the prior year's quarter), and (ii) a \$195,000 decrease in interest on leasing commissions due to Vornado, as a result of amending the leasing agreement with Vornado, which became effective on January 1, 2007, partially offset by, (iii) \$619,000 of accrued interest on the income tax liability in connection with the adoption of FASB Interpretation No. 48.

Minority Interest of Partially Owned Entity

Minority interest of partially owned entity represents our venture partner's 75% prorata share of loss in our consolidated partially owned entity, the Kings Plaza energy plant joint venture, which became operational in March 2007.

## Liquidity and Capital Resources

### *Development Projects*

#### Rego Park II

We own approximately 6.6 acres of land adjacent to our Rego Park I property in Queens, New York, which comprises the entire square block bounded by the Horace Harding Service Road (off the Long Island Expressway), 97<sup>th</sup> Street, 62<sup>nd</sup> Drive and Junction Boulevard.

The proposed development at Rego Park II consists of a mixed-use building containing 600,000 square feet of retail space on four levels, a parking deck containing approximately 1,400 spaces and may also include up to 450 apartments in one or two towers. The funding required for the proposed development may be in excess of \$500,000,000. We are currently exploring various alternatives for financing this project. As of March 31, 2007, we have leased 404,000 square feet of the retail space, of which, 135,000, 134,000 and 135,000 have been leased to Century 21, Kohl's and Home Depot, respectively. There can be no assurance that this project will be completed, completed on time or completed for the budgeted amount.

### *Insurance*

We carry comprehensive liability and all risk property insurance for (i) fire, (ii) flood, (iii) extended coverage, (iv) acts of terrorism as defined in the Terrorism Risk Insurance Extension Act of 2005, which expires in 2007, and (v) rental loss insurance with respect to our assets, with limits of (i) \$965,000,000 per occurrence, including certified terrorist acts and \$350,000,000 for non-certified terrorist acts for our 731 Lexington Avenue property, and (ii) \$500,000,000 per occurrence, including certified terrorist acts and \$350,000,000 for non-certified terrorist acts for our other properties. To the extent that we incur losses in excess of our insurance coverage, these losses would be borne by us and could be material.

Our debt instruments, consisting of mortgage loans secured by our properties (which are generally non-recourse to us), contain customary covenants requiring us to maintain insurance. Although we believe that we have adequate insurance coverage under these agreements, we may not be able to obtain an equivalent amount of coverage at reasonable costs in the future. Further, if lenders insist on greater coverage than we are able to obtain, or if the Terrorism Risk Insurance Extension Act of 2005 is not extended past 2007, it could adversely affect our ability to finance and/or refinance our properties.

### *Stock Appreciation Rights*

As of March 31, 2007, 500,000 SARs were outstanding and exercisable. These SARs have a weighted average exercise price of \$70.38 and are scheduled to expire on March 4, 2009. Since the SARs agreements require that they be settled in cash, we would have had to pay \$170,662,000 if the holders of these SARs had exercised their SARs on March 31, 2007. Any change in our stock price from the closing price of \$411.70 on March 31, 2007, will increase or decrease the amount we will have to pay upon exercise.

## Cash Flows

### *Three Months Ended March 31, 2007*

Cash and cash equivalents were \$557,926,000 at March 31, 2007, compared to \$615,516,000 at December 31, 2006, a decrease of \$57,590,000. This decrease resulted primarily from \$24,560,000 of net cash used operating activities, \$29,655,000 of net cash used in investing activities and \$3,375,000 of net cash used in financing activities.

Rental income from our properties is our principal source of operating cash flow. Our property rental income is dependent on a number of factors including the occupancy level and rental rates of our properties, as well as our tenants' ability to pay their rents. Our properties provide us with a relatively consistent stream of cash flow that enables us to pay our operating expenses, non-development capital improvements and interest expense. Other sources of liquidity to fund our cash requirements include our existing cash, proceeds from debt financings, including mortgage or construction loans secured by our properties and proceeds from asset sales.

Net cash used in operating activities of \$24,560,000 was primarily comprised of (i) the net change in operating assets and liabilities of \$43,806,000 and (ii) adjustments for non-cash items of \$12,930,000, partially offset by, (iii) net income of \$32,176,000. The net change in operating assets and liabilities was primarily comprised of a \$50,465,000 payment for a portion of the liability for stock appreciation rights. The adjustments for non-cash items were primarily comprised of (a) liability for stock appreciation rights of \$15,049,000, (b) straight-lining of rental income of \$3,721,000 and (c) minority interest of \$331,000, partially offset by, (d) depreciation and amortization of \$6,171,000.

Net cash used in investing activities of \$29,655,000 was primarily comprised of capital expenditures of \$26,112,000 and restricted cash of \$3,543,000.

Net cash used in financing activities of \$3,375,000 was primarily comprised of repayments of borrowings of \$3,586,000, partially offset by, \$211,000 for the exercise of share options.

### *Three Months Ended March 31, 2006*

Cash and cash equivalents were \$577,733,000 at March 31, 2006, compared to \$578,406,000 at December 31, 2005, a decrease of \$673,000. This decrease resulted primarily from \$13,690,000 and \$1,024,000 of net cash used in investing activities and financing activities, respectively, partially offset by, \$14,041,000 of net cash provided by operating activities.

Net cash provided by operating activities of \$14,041,000 was primarily comprised of (i) the net change in operating assets and liabilities of \$40,370,000, partially offset by, (ii) a net loss of \$18,857,000 and (iii) adjustments for non-cash items of \$7,472,000. The adjustments for non-cash items were primarily comprised of (i) a pre-tax net gain of \$9,268,000 from the sale of residential condominiums at 731 Lexington Avenue, and (ii) straight-lining of rental income of \$4,158,000, partially offset by (iii) depreciation and amortization of \$5,954,000.

## Edgar Filing: ALEXANDERS INC - Form 10-Q

Net cash used in investing activities of \$13,690,000 was primarily comprised of (i) capital expenditures of \$17,241,000 and (ii) restricted cash of \$7,050,000, partially offset by, (iii) net proceeds from the sale of residential condominiums at 731 Lexington Avenue of \$10,601,000.

Net cash used in financing activities of \$1,024,000 was primarily comprised of (i) repayments of borrowings of \$1,094,000 partially offset by, \$70,000 for the exercise of share options.

**Funds from Operations ( FFO )**

FFO is computed in accordance with the definition adopted by the Board of Governors of the National Association of Real Estate Investment Trusts ( NAREIT ). NAREIT defines FFO as net income or loss determined in accordance with Generally Accepted Accounting Principles ( GAAP ), excluding extraordinary items as defined under GAAP and gains or losses from sales of previously depreciated operating real estate assets, plus specified non-cash items, such as real estate asset depreciation and amortization, and after adjustments for unconsolidated partnerships and joint ventures.

FFO and FFO per diluted share are used by management, investors and industry analysts as supplemental measures of operating performance of equity REITs. FFO and FFO per diluted share should be evaluated along with GAAP net income and income per diluted share (the most directly comparable GAAP measures), as well as cash flow from operating activities, investing activities and financing activities, in evaluating the operating performance of equity REITs. Management believes that FFO and FFO per diluted share are helpful to investors as supplemental performance measures because these measures exclude the effect of depreciation, amortization and gains or losses from sales of real estate, all of which are based on historical costs which implicitly assumes that the value of real estate diminishes predictably over time. Since real estate values instead have historically risen or fallen with market conditions, these non-GAAP measures can facilitate comparisons of operating performance between periods and among other equity REITs.

FFO does not represent cash generated from operating activities in accordance with GAAP and is not necessarily indicative of cash available to fund cash needs as disclosed in our Statements of Cash Flows. FFO should not be considered as an alternative to net income as an indicator of the Company's operating performance or as an alternative to cash flows as a measure of liquidity.

*FFO for the Quarters Ended March 31, 2007 and 2006*

FFO for the quarter ended March 31, 2007 was \$37,667,000, or \$7.39 per diluted share, compared to Negative FFO of \$13,582,000, or \$2.70 per diluted share, for the quarter ended March 31, 2006. FFO for the quarter ended March 31, 2007 includes \$14,311,000, or \$2.81 per diluted share, for the reversal of a portion of the accrual for SARs compensation expense. Negative FFO for the quarter ended March 31, 2006 includes \$37,561,000 for an accrual of SARs compensation expense, partially offset by, \$5,008,000 for an after-tax net gain from the sale of residential condominium units at 731 Lexington Avenue. These items, in the aggregate, decreased FFO by \$32,550,000, or \$6.48 per diluted share.

The following table reconciles net income (loss) to FFO (Negative FFO):

(Amounts in thousands, except share and per share amounts)	<b>Three Months Ended March 31,</b>	
	<b>2007</b>	<b>2006</b>
Net income (loss)	\$ 32,176	\$ (18,857 )
Depreciation and amortization of real property	5,491	5,275
FFO (Negative FFO)	\$ 37,667	\$ (13,582 )
FFO (Negative FFO) per diluted share	\$ 7.39	\$ (2.70 )
Weighted average shares used in computing diluted FFO per share	5,094,612	5,024,967

**Item 3. Quantitative and Qualitative Disclosures About Market Risk**

At March 31, 2007, we had \$1,064,912 of fixed rate debt at a weighted average interest rate of 5.80% and as such, we have no exposure to changes in interest rates for the remaining terms of our existing debt.

The fair value of our debt, estimated by discounting future contractual cash flows of our existing debt using the current rates available to borrowers with similar credit ratings for the remaining terms of such debt, is less than the aggregate carrying amount by approximately \$43,363,000 at March 31, 2007.

**Item 4. Controls and Procedures**

(a) Disclosure Controls and Procedures Our management, with the participation of our Chief Executive Officer and Chief Financial Officer, has evaluated the effectiveness of our disclosure controls and procedures (as such term is defined in Rules 13a-15(e) and 15d-15(e) under the Securities Exchange Act of 1934, as amended) as of the end of the period covered by this Quarterly Report on Form 10-Q. Based on such evaluation, our Chief Executive Officer and Chief Financial Officer have concluded that, as of the end of such period, our disclosure controls and procedures are effective.

(b) Internal Control Over Financial Reporting There have not been any changes in our internal control over financial reporting during the fiscal quarter to which this Quarterly Report on Form 10-Q relates that have materially affected, or are reasonably likely to materially affect, our internal control over financial reporting.

**PART II. OTHER INFORMATION**

**Item 1. Legal Proceedings**

We are from time to time involved in legal actions arising in the ordinary course of business. In our opinion, after consultation with our legal counsel, the outcome of such matters will not have a material effect on our financial condition, results of operations or cash flows.

**Item 1A. Risk Factors**

There have been no material changes in our Risk Factors as previously disclosed in our Annual Report on Form 10-K for the year ended December 31, 2006.

**Item 2. Unregistered Sales of Equity Securities and Use of Proceeds**

None.

**Item 3. Defaults Upon Senior Securities**
