**Annual Meeting of Shareholders
to be held April 24, 2007**

INTRODUCTION

This Proxy Statement and accompanying proxy are furnished in connection with the solicitation of proxies by the Board of Directors ("Board") of CTBI for use at the Annual Meeting of Shareholders (the "Annual Meeting") to be held on Tuesday, April 24, 2007, at 10:00 a.m. (EDT), at Community Trust Bank, Inc., 346 North Mayo Trail, Pikeville, Kentucky, and any adjournments thereof. A copy of CTBI's 2006 Annual Report to Shareholders accompanies this Proxy Statement.

The cost of solicitation of proxies will be borne by CTBI. In addition to the use of the mail, proxies may be solicited in person, by telephone and other means of communication by directors, officers, and other employees of CTBI, none of whom will receive additional compensation for such services. CTBI will also request brokerage houses, custodians, and nominees to forward soliciting materials to the beneficial owners of stock held of record by them and will pay the reasonable expenses of such persons for forwarding such materials. This Proxy Statement and the accompanying proxy are first being mailed or given to shareholders of CTBI on or about April 4, 2007.

RECORD DATE AND VOTING SECURITIES

The Common Stock of CTBI ("Common Stock") is the only class of outstanding voting securities. Only holders of Common Stock of record at the close of business on February 28, 2007 (the "Record Date") are entitled to notice of and to vote at the Annual Meeting. At the Record Date, there were 15,203,173 shares of Common Stock outstanding. With respect to the election of directors, shareholders have cumulative voting rights. Accordingly, each shareholder will have the right to cast as many votes in the aggregate as equals the number of shares of Common Stock held by the shareholder multiplied by the number of directors to be elected at the Annual Meeting. Each shareholder may cast all of his or her votes for one candidate or distribute such votes among two or more candidates. Shareholders will be entitled to one vote for each share of Common Stock held of record on the Record Date with regard to all other matters that properly come before the Annual Meeting or any adjournment thereof.

Each proxy, unless the shareholder otherwise specifies, will be voted in favor of the election of the eight nominees for director named herein and the approval of the appointment of BKD, LLP as CTBI's Independent Registered Public Accounting Firm for the fiscal year ending December 31, 2007. Where a shareholder has appropriately specified how the proxy is to be voted, it will be voted accordingly. As to any other matter which may properly be brought before the Annual Meeting or any adjournment thereof, a vote may be cast pursuant to the accompanying proxy in accordance with the judgment of the person or persons voting the proxy. A shareholder may revoke his or her proxy at any time prior to its exercise. Revocation may be effected by written notice to CTBI, by a subsequently dated proxy received by CTBI, by oral revocation in person at the Annual Meeting or any adjournment thereof, or by voting in person at the Annual Meeting or any adjournment thereof.

A majority of the outstanding shares present in person or by proxy is required to constitute a quorum to transact business at the Annual Meeting. Abstentions will be treated as present for purposes of determining a quorum, but as

unvoted shares for purposes of determining the approval of any matter submitted to the shareholders for a vote. If a broker indicates that it does not have discretionary authority as to certain shares to vote on a particular matter, such shares will not be considered as present and entitled to vote with respect to such matter.

McGhee, II, M. Lynn Parrish, Governor Paul E. Patton, Dr. James R. Ramsey, and Gary G. White. Mr. Parrish has been selected by the Board of Directors as the "lead independent director."

During 2006, the Board held four executive sessions, under the guidelines for executive sessions prescribed in the Corporate Governance Guidelines, of those members of the Board who met current standards of independence.

Corporate Governance Guidelines and the Code of Business Conduct and Ethics adopted by the Board may be found on CTBI's website at www.ctbi.com.

Shareholders may communicate directly with the Board of Directors by sending a written communication addressed to the Chairman of the Board of Directors at CTBI's address.

The Board of Directors held eight meetings during the 2006 fiscal year, including the annual organizational meeting. Each director attended at least 75% of the aggregate number of Board meetings and meetings of Board committees on which such director served in 2006, except Nick A. Cooley, who attended 43% of the meetings. It is the Board's policy that directors should attend each annual meeting of shareholders subject to a substantial personal or business conflict. All of CTBI's directors who were serving at the time attended the 2006 annual meeting of shareholders. The Board has the following committees: Audit and Asset Quality Committee, Compensation Committee, Executive Committee, Nominating and Corporate Governance Committee, Risk and Compliance Committee, and Corporate Retirement and Employee Benefit Committee.

The Audit and Asset Quality Committee (the "Audit Committee") Charter was last approved in January 2007 and is included herein as Appendix A. The Audit Committee Charter may also be found on CTBI's website at www.ctbi.com. The Audit Committee consists of Dr. James R. Ramsey, Nick A. Cooley, James E. McGhee, II, M. Lynn Parrish, and Governor Paul E. Patton, all of whom meet the independence standards of Rule 4200(a)(15) and the audit committee qualifications of Rule 4350(d)(2) of the NASDAQ listing standards. The Board of Directors has determined that none of the Audit Committee members has a relationship to CTBI that may interfere with his independence from the corporation and its management. The Board has determined that Dr. James R. Ramsey is an audit committee financial expert for CTBI and is independent as described above. For further information regarding the Audit Committee, please see the Report of the Audit and Asset Quality Committee below.

The Compensation Committee consists of Nick A. Cooley, M. Lynn Parrish, and Governor Paul E. Patton, all of whom meet the applicable independence standards. The Compensation Committee Charter may be found on CTBI's website at www.ctbi.com. The Compensation Committee: (i) oversees and recommends to the Board executive officer compensation; (ii) evaluates and approves benefit and incentive compensation policies and programs for CTBI, and (iii) reviews and approves related party transactions. This committee met twice during 2006.

The Nominating and Corporate Governance Committee consists of M. Lynn Parrish, Nick A. Cooley, and James E. McGhee, II, all of whom meet the applicable independence standards. The Nominating and Corporate Governance Committee Charter can also be found on CTBI's website at www.ctbi.com. The Nominating and Corporate Governance Committee: (i) evaluates and recommends nominee directors for election to the Board; and (ii) develops and recommends to the Board policies and guidelines relating to corporate governance and the identification and nomination of directors and committee members. This committee did not meet in 2006. See Election of Directors for more information.

Mr. Gary G. White was appointed to the Board on March 8, 2007 for a term expiring at the 2007 Annual Meeting. Mr. White was brought to the attention of the Nominating and Corporate Governance Committee by Mr. Lynn Parrish, a Director of CTBI. The Nominating and Corporate Governance Committee recommended the appointment of Mr. White as a director to the Board.

REPORT OF THE AUDIT AND ASSET QUALITY COMMITTEE

The Audit and Asset Quality Committee (the "Audit Committee") oversees the financial reporting process of CTBI on behalf of the Board of Directors. All directors who serve on the Audit Committee meet the independence standards of Rule 4200(a)(15) and the audit committee qualifications of Rule 4350(d)(2) of the NASDAQ listing standards. The Audit Committee monitors the integrity of CTBI's financial statements, the qualifications and independence of CTBI's independent registered public accounting firm ("independent auditor"), the performance of CTBI's internal audit function, CTBI's system of internal controls, financial reporting, and disclosure controls, and compliance with the Corporate Governance Guidelines and Code of Business Conduct and Ethics. The Audit Committee has established procedures for the confidential, anonymous submission of concerns about accounting matters, internal controls, and auditing matters. Management has the responsibility for the preparation of CTBI's consolidated financial statements and management's assertion on the design and effectiveness of CTBI's internal control over financial reporting. The independent auditor has the responsibility for the examination of those consolidated financial statements.

The Audit Committee reviewed with the independent auditor, which is responsible for expressing an opinion on the conformity of the audited financial statements with accounting principles generally accepted in the United States of America, its judgments as to the quality, not just the acceptability, of CTBI's accounting principles and such other matters as are required to be discussed with the Audit Committee under auditing standards generally accepted in the United States of America. Additionally, the Audit Committee's review included discussion with CTBI's independent auditor of matters required to be discussed pursuant to Statement on Auditing Standards No. 61, *Communication with Audit Committees*, ("SAS 61"). SAS 61 requires CTBI's independent auditor to provide the Audit Committee with additional information regarding the scope and results of its audit of CTBI's financial statements, including with respect to (i) its responsibility under audit standards generally accepted in the United States of America, (ii) significant accounting policies, (iii) management judgments and estimates, (iv) any significant audit adjustments, (v) any disagreements with management, and (vi) any difficulties encountered in performing the audit.

The Audit Committee received from BKD, LLP a letter providing the disclosures required by Independence Standards Board Standard No. 1, *Independence Discussions with Audit Committees*, with respect to any relationships between BKD, LLP and CTBI that, in its professional judgment, may reasonably be thought to bear on independence. BKD has discussed its independence with the Audit Committee and has confirmed in such letter that, in its professional judgment, it is independent of CTBI within the meaning of the federal securities laws.

The Audit Committee pre-approves all audit and non-audit services performed by the independent auditor. The Audit Committee will periodically grant general pre-approval of certain audit and non-audit services. Any other services must be specifically approved by the Audit Committee, and any proposed services exceeding the pre-approved cost levels must be specifically pre-approved by the Audit Committee. In periods between Audit Committee meetings, the Chairman of the Audit Committee has the delegated authority from the Audit Committee to pre-approve additional services, and such pre-approvals are then communicated to the full Audit Committee.

The Audit Committee discussed with CTBI's internal auditor and independent auditor the overall scope and plans for their respective audits. The Audit Committee met with its internal auditor and independent auditor, with and without management present, to discuss the results of their examinations, their evaluations of CTBI's internal controls, and the overall quality of CTBI's financial reporting. The Audit Committee held fourteen meetings during fiscal year 2006.

In fulfilling its oversight responsibilities, the Audit Committee reviewed with management and the independent auditor the audited consolidated financial statements of CTBI as of and for the year ended December 31, 2006 and management's assertion on the design and effectiveness of CTBI's internal control over financial reporting as of December 31, 2006.

In reliance on the reviews and discussions referred to above, the Audit Committee recommended to the Board of Directors that the audited financial statements be included in the Annual Report on Form 10-K for the year ended December 31, 2006 for filing with the Securities and Exchange Commission. The Audit Committee has also recommended, subject to shareholder ratification, the selection of BKD, LLP as CTBI's independent registered public accounting firm.

INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

The Audit Committee of the Board of Directors of CTBI engaged BKD, LLP ("BKD") to serve as its new independent registered certified public accounting firm for the year ended December 31, 2006.

Deloitte & Touche LLP ("Deloitte") audited the financial statements of CTBI for the years ended December 31, 2000 through December 31, 2005. On May 9, 2006, Deloitte resigned as the independent registered public accounting firm of CTBI. The resignation was accepted by the Audit Committee of the Board of Directors of CTBI on the same date.

The audit reports of Deloitte on the consolidated financial statements of CTBI and its subsidiaries as of and for the years ended December 31, 2005 and 2004 did not contain an adverse opinion or a disclaimer of opinion and were not qualified or modified as to uncertainty, audit scope, or accounting principles.

In connection with the audits of CTBI's consolidated financial statements for each of the fiscal years ended December 31, 2005 and 2004 and through the date of this Proxy Statement, there were: (1) no disagreements between CTBI and Deloitte on any matters of accounting principles or practices, financial statement disclosure, or auditing scope or procedure which, if not resolved to the satisfaction of Deloitte, would have caused Deloitte to make reference in connection with their opinion to the subject matter of the disagreement, and (2) no reportable events as defined in Regulation S-K Item 304(a)(1)(v).

Aggregate fees billed to CTBI for the fiscal year ending December 31, 2006 by CTBI's principal accounting firm, BKD, LLP were as follows:

Tax fees		62,082
	Total	\$ 469,043

Aggregate fees billed to CTBI for the fiscal years ending December 31, 2006 and 2005 by CTBI's former principal accounting firm, Deloitte & Touche LLP were as follows:

	2006	2005
Audit fees	\$ 147,050	\$ 420,150
Audit related fees	99,620	26,600
Subtotal	246,670	446,750
Tax fees	27,700	21,800
Total	\$ 274,370	\$ 468,550

Audit related fees included payments for audits of the Community Trust Bancorp, Inc. Voluntary Employees' Beneficiary Plan and Trust and the KSOP Plan and out-of-pocket expenses related to the audit of the consolidated financial statements. Tax fees include payments for preparation of the federal and state corporate income tax returns.

RATIFICATION OF THE SELECTION OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

The Audit Committee will request shareholders to ratify its selection of BKD to examine the consolidated financial statements of CTBI for the fiscal year ending December 31, 2007. Although action by the shareholders on this matter is not required, the Board believes that it is appropriate to seek shareholder ratification of this appointment in light of the critical role played by independent auditors in maintaining the integrity of CTBI's financial controls and reporting. Even if shareholders vote on an advisory basis in favor of the appointment, the Audit Committee may, in its discretion, direct the appointment of different auditors at any time during the year if it determines that such a change would be in the best interest of CTBI and its shareholders. BKD is not expected to have a representative present at the Annual Meeting. ***THE BOARD OF DIRECTORS RECOMMENDS A VOTE "FOR" THE RATIFICATION OF THE SELECTION OF BKD, LLP AS THE INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM OF CTBI.***

INTEREST OF MANAGEMENT IN CERTAIN TRANSACTIONS

In the ordinary course of business, CTBI, through its wholly-owned commercial bank subsidiary, Community Trust Bank, Inc. (the "Bank"), has had in the past and expects to have in the future banking transactions, including lending to its directors, officers, principal shareholders, and their associates. When these banking transactions are credit transactions, they are made in the ordinary course of business, on substantially the same terms, including interest rates and collateral, as those prevailing at the time for comparable transactions with others. In the opinion of CTBI's Board of Directors, such transactions do not involve more than the normal risk of collectability or present any other unfavorable features.

Mr. Charles J. Baird, a director of CTBI, is a shareholder in Baird and Baird, P.S.C., a law firm that provided services to CTBI and its subsidiaries during 2006 and will be retained by CTBI and its subsidiaries during the fiscal year 2007. Approximately \$744,381 in legal fees and \$184,584 in expenses paid on behalf of CTBI, \$928,965 in total, were paid to Baird and Baird, P.S.C. during 2006.

The Board of Directors has determined that the Compensation Committee of the Board should review and approve related party transactions. Accordingly, at each calendar year's first regularly scheduled Compensation Committee meeting, management shall recommend related party transactions to be entered into by CTBI for that calendar year, including the proposed aggregate value of such transactions if applicable. After review, the Compensation Committee shall approve or disapprove such transactions and at each subsequently scheduled meeting, management shall update the Compensation Committee as to any material change to those proposed transactions. In the event management recommends any further related party transactions subsequent to the first calendar year meeting, such transactions may be presented to the Compensation Committee for consideration. The Compensation Committee shall provide a report to the Board of Directors at each regularly scheduled meeting of the related party transactions approved by the Compensation Committee since the date of its previous report to the Board.

SECTION 16(A) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Securities Exchange Act of 1934 (the "Act") requires CTBI's executive officers and directors and persons who own more than ten percent (10%) of the Common Stock to file initial reports of ownership and changes in ownership with the Securities and Exchange Commission ("SEC"), as well as to furnish CTBI with a copy of such report. Additionally, SEC regulations require CTBI to identify in its Proxy Statement those individuals for whom one of the referenced reports was not filed on a timely basis during the most recent fiscal year. Based upon a review of Forms 3, 4, and 5 furnished to CTBI, there were six Form 4 filings on behalf of Dr. James R. Ramsey, director of the

Corporation, that were inadvertently filed past the due date, four in regard to transactions which occurred in 2005 and two in regard to transactions which occurred in 2006.

COMPENSATION DISCUSSION & ANALYSIS

Overview

The Compensation Committee and Board of Directors of CTBI desire to offer a competitive, market-driven compensation package for the executive officers of our company via base salary and benefits as well as incentive-based cash and equity compensation.

The overall focus of the Compensation Committee is to offer competitive compensation packages, without being the highest or lowest provider, which will enable CTBI to attract and retain key personnel in order that shareholder value may be increased. The compensation of named executive officers ("NEOs") is based on the same criteria and performance factors used for all other executive officers.

Total compensation packages, including base salaries, are set at levels the Compensation Committee believes are sufficient to attract and retain qualified executives. It is the goal of the Compensation Committee to retain quality executives, which will mutually benefit the executives and CTBI, as well as increase shareholder value. The Compensation Committee has compared its total compensation packages to those offered by other companies within CTBI's peer group of bank holding companies with total consolidated assets of one to four billion dollars and considered other factors such as local market salaries and salary histories and has deemed them market competitive. While peer group comparisons are used as a guideline, other factors are considered which may cause certain executive officers to fall above or below this benchmark. This peer group is not the peer group used to construct the performance graph contained in this Proxy Statement. The Common Stock Performance graph included with this Proxy Statement is also incorporated by reference into our Annual Report to Shareholders.

The Committee selected a representative sample of companies which we believe compete directly with us for executive talent and many of which are of roughly similar size and have roughly similar numbers of employees, product offerings, and geographic scope. For 2006, the peer group consisted of the following companies:

- First Financial Corporation
 - First Indiana Corporation
 - First Source Corporation
 - Heartland Financial USA, Inc.
 - Integra Bank Corp
 - Lakeland Financial Corporation
 - Republic Bancorp, Inc.
 - SY Bancorp, Inc.
-

Executive Compensation Components

Executive compensation consists of the following components:

- Ø Base Salary
- Ø Incentive-Based Compensation
- Ø Long-Term Equity Compensation
- Ø Perquisites and Other Benefits

Base Salary - Base salaries for CTBI's executives are established based upon the scope of their responsibilities, taking into account competitive market compensation paid by other similarly situated companies for similar positions. Compensation of the Chief Executive Officer ("CEO") is set by the Compensation Committee. Compensation of the other executive officers is recommended by the CEO and approved, after making any adjustments considered appropriate, by the Compensation Committee. Salary increases are approved based upon performance for 2006, planned performance for 2007, and peer group data. The objective is to allow salary increases to retain and motivate successful performance while maintaining affordability within CTBI's business plan. The CEO's compensation is set by the Compensation Committee and presented to the full Board of Directors for approval. The salary of the CEO is set based on the Compensation Committee's review of performance objectives for CTBI which include asset and revenue growth, asset quality, identification of strategic opportunities, development and maturation of the core earnings performance, and execution of CTBI's growth strategy, as well as the comparison of peer group data.

The compensation of Jean R. Hale, CTBI's CEO, was not tied to stock performance in 2006. After consideration of CTBI's peer group of bank holding companies with total consolidated assets of one to four billion dollars and other factors such as local market salaries and salary histories, the Compensation Committee believes the compensation of the CEO is market competitive. Ms. Hale's incentives and number of stock options are determined based on the criteria applicable to all other executive officers as described below.

Crowe Chizek LLP was retained as a consultant during the past twelve months to benchmark positions, including executive positions, throughout CTBI, using local, state, and national information, within the one to four billion dollar asset range. This information was used to assist in determining beginning, mid-point, and maximum pay ranges for the various positions throughout our organization.

Incentive-Based Compensation - Annual cash incentive bonuses are awarded under the Senior Management Incentive Compensation Plan, which is open to all senior executives. The bonuses for the executive officers are based on achieving the targets set for earnings per share and return on assets of CTBI. This plan is designed to reward senior management for meeting or exceeding industry standards for profitability and adopted to achieve the following objectives:

- Ø Increase the profitability and growth of CTBI in a manner which is consistent with other goals of the company,
 - Ø Provide executive compensation which is competitive with other financial institutions in the peer group,
- Ø Attract and retain personnel of outstanding ability and encourage excellence in the performance of individual responsibilities,
 - Ø Motivate and reward those members of management who contribute to the success of the CTBI,
 - Ø Distinguish among the performance contributions of some individuals by providing financial recognition for individual performance, as well as group performance.

The actual amounts of the Senior Management Incentive Compensation Plan awards are calculated according to a schedule comparing earnings per share ("EPS") and return on average assets ("ROAA") for the award period to a pre-determined performance standard. For 2006, 100% of the target ROAA of 1.26% and \$2.43 EPS was required for an incentive to be earned. The Company achieved an ROAA of 1.33% and an EPS of \$2.59 which earned the second

tier of the Senior Management Incentive Compensation Plan, which was 20% of 2006 base salary. For 2007, actual amounts of the Senior Management Incentive Compensation Plan awards will also be calculated according to a schedule comparing EPS and ROAA for the award period to a pre-determined performance standard. The maximum cash incentive bonus which can be earned in 2007 under this plan is 60% of base salary.

The number of senior management incentive stock options granted annually is also determined under the terms of the Senior Management Incentive Compensation Plan and based on earnings per share and return on assets of CTBI. Options were granted in 2006 under the 1998 Stock Option Plan. Beginning in 2007, options are granted under the 2006 Stock Ownership Incentive Plan.

Long-Term Equity Compensation - CTBI's philosophy is that long-term performance is achieved through aligning the interests of its executives with its shareholders through the use of stock-based awards. Stock options align employee incentives with shareholders because options have value only if CTBI's common stock price increases over time.

The Community Trust Bancorp, Inc. 2006 Stock Ownership Incentive Plan (the "2006 Option Plan") was approved by CTBI's shareholders at the 2006 Annual Meeting of Shareholders. The purpose of the 2006 Option Plan is to enhance the ability of CTBI to secure and retain the services of persons eligible to participate and to provide incentives for such persons to exert maximum efforts for the success of CTBI. The 2006 Option Plan is administered by the Compensation Committee.

In addition to the senior management incentive options that are awarded under the senior management incentive compensation plan, stock options may also be issued to senior executives for management retention purposes upon approval by the Compensation Committee. Management retention incentive options are granted in connection with the hiring of new executives and the retaining of key executives. Stock options are granted at the closing market price on the date of the grant. CTBI does not reprice stock options. All options granted to NEOs during 2006 were senior management incentive options.

Perquisites and Other Benefits - CTBI does not provide significant perquisites or personal benefits to its executive officers; however, the NEOs, as well as other executive officers, are provided with perquisites with an aggregate value of less than \$10,000, including country club memberships.

Long-term incentives to align the interests of CTBI's employees with the shareholders have been implemented through the development of a company-sponsored ESOP. The ESOP provides awards of CTBI stock subject to vesting requirements. Participation in the ESOP is available to any employee of CTBI or its subsidiaries who has been employed for one year, completed 1,000 hours of service, and attained the age of 21. CTBI currently contributes 4% of covered employees' gross wages to the ESOP. The ESOP uses the contribution to acquire shares of CTBI's common stock.

CTBI has established a 401(k) plan within which employees can contribute 1% to 15% of their annual salary and CTBI will contribute 50% of the first 8% of contributions. CTBI also provides health insurance, life insurance, and other programs that are usual and customary to encourage retention of employees. CTBI does not maintain a defined benefit pension plan and does not have any non-qualified deferred compensation plans.

OBRA Deductibility Limitation

The Omnibus Budget Reconciliation Act of 1994 ("OBRA") prohibits the tax deduction by public companies of compensation of certain executive officers in excess of \$1 million, unless certain criteria are met. CTBI has no executive officers that exceed this amount and, therefore, has determined not to take any action at this time with respect to its compensation plans to seek to meet these criteria.

Employment Contracts, Termination of Employment and Change-in-Control Arrangements

As of December 31, 2006, CTBI had in effect certain termination of employment and change-in-control agreements ("Severance Agreements") with each of its NEOs, as well as its other executive officers. Severance Agreements are offered in order to attract and retain key executives by protecting them in case of a change-in-control of the company. The Severance Agreements are effective for a term equal to the longer of three years or the covered period should a change-in-control of CTBI occur during such three-year period. These agreements are automatically renewable for additional one-year periods, and the covered period during which the terms and conditions of the Severance Agreements are effective is the period of time following a change-in-control equal to (i) two years following the occurrence of the change-in-control in the event of an involuntary termination or a voluntary termination following a change in duties, or (ii) the thirteenth month following the change-in-control in the event of a voluntary termination not preceded by a change in duties.

The Severance Agreements require the payment to the applicable named executive officer of a severance amount in the event of an involuntary or voluntary termination of employment after a change-in-control of CTBI during the covered period. The severance amount payable under the Severance Agreements is equal to (i) 2.99 times the named executive officer's base annual salary in the event of involuntary termination or in the event of a voluntary termination of employment preceded by a change in duties subsequent to a change-in-control of CTBI, or (ii) 2.00 times the named executive officer's annual base salary in the event of a voluntary termination of employment not preceded by a change in duties subsequent to a change-in-control of CTBI.

A change-in-control occurs, for purposes of the Severance Agreements, when (i) any person, including a group under Section 13(d)(3) of the Securities Exchange Act of 1934, is or becomes the owner of 30% or more of the combined voting power of CTBI's outstanding securities; (ii) as a result of, or in connection with, any tender offer, exchange offer, merger or other combination, sale of assets or contested election, the persons who were directors of CTBI before such transaction(s) cease to constitute a majority of the Board of Directors of CTBI or successor of CTBI; (iii) a tender or exchange offer is made and consummated for the ownership of 30% or more of the combined voting power of CTBI's outstanding voting securities; or (iv) CTBI transfers substantially all of its assets to another corporation that is not a wholly-owned subsidiary of CTBI.

No termination of employment or change-in-control payments were made in 2006.

Role of the Compensation Committee

All directors who serve on the Compensation Committee are independent in accordance with the NASDAQ listing standards. During 2006, there were no interlocking relationships between any executive officers of CTBI and any entity whose directors or executive officers serve on the Board of Directors' Compensation Committee.

The principal duties of the Compensation Committee are to set the compensation of the CEO, review the compensation of the other executive officers of CTBI, and make recommendations to the Board for approval. The Compensation Committee has responsibility for establishing, implementing, and continually monitoring adherence with CTBI's compensation philosophy. The Compensation Committee ensures that the total compensation paid to executive officers of CTBI is fair, reasonable, and competitive.

The Compensation Committee periodically reviews the compensation levels of the Board. In its review, the Compensation Committee looks to ensure that the compensation is fair and reasonable commensurate to the amount of work required from the individual directors as well as from the Board in aggregate. The Compensation Committee also periodically reviews Board committee compensation levels and practices and recommends to the Board changes in such compensation levels and practices.

The Compensation Committee is responsible for the review and approval of corporate goals and objectives relevant to the compensation of CTBI's CEO to evaluate the performance of the CEO in light of the goals and objectives. The Compensation Committee determines and approves the CEO's compensation levels based on this evaluation. Additionally, the Compensation Committee reviews compensation levels of CTBI's other executive officers. To achieve these goals and objectives, the Compensation Committee expects to maintain compensation plans that create an executive compensation program that is set at competitive levels within our peer group. The Compensation Committee makes recommendations to the Board with respect to compensation plans, incentive plans, and stock option plans and oversees the administration of these plans.

The Compensation Committee has followed certain fundamental objectives to ensure the effectiveness of CTBI's compensation strategy. The Compensation Committee recognizes the importance of perceived fairness both internally and externally of compensation practices. The Compensation Committee believes that the long-term success of CTBI and its ability to consistently increase shareholder value is dependent on its ability to attract and retain skilled executives. CTBI's compensation strategy encourages alignment with the interests of management and shareholders. The Compensation Committee seeks to provide full disclosure to the independent members of the Board of Directors of CTBI's compensation practices and issues to ensure that all directors understand the implications of committee decisions.

The Compensation Committee has reviewed the compensation practices of peers and considered management's individual efforts for the benefit of CTBI, as well as reviewed various subjective measures in determining the adequacy and appropriateness of the compensation of executives at CTBI. The Compensation Committee takes into account the performance of the executives as well as their longevity with CTBI. The Compensation Committee recognizes that the competition among financial institutions for attracting and retaining senior management executives has become more intense in the past few years. The Compensation Committee takes such market considerations into account to ensure that CTBI is providing appropriate long-term incentives to enable it to continue to attract new senior management executives and to retain the ones it already employs.

The Compensation Committee has established various processes to assist it in ensuring CTBI's compensation program is achieving its objectives. Among these are:

- Ø *Assessment of Company Performance* - The committee uses company performance measures in two ways. In establishing total compensation ranges, the committee considers various measures of company and industry performance, asset growth, earnings per share, return on assets, return on equity, total shareholder return, and the effective execution of CTBI's growth strategy. The committee does not apply a formula or assign these performance measures relative weights. Instead, it makes a subjective determination after considering such measures collectively.
- Ø *Assessment of Individual Performance* - Individual performance has a strong impact on the compensation of all employees, including the CEO and the other executive officers. The CEO's compensation is determined by the Compensation Committee. For the other NEOs, the committee receives a performance assessment and compensation recommendation from the CEO and also exercises its judgment based on the Board's interactions with the executive officer. As with the CEO, the performance evaluation of these executives is based on their contributions to the company's performance, and other leadership accomplishments.
- Ø *Total Compensation Review* - The committee reviews each executive's base pay, bonus, and equity incentives annually. In addition to these primary compensation elements, the committee reviews other compensation and payments that would be required under various severance and change-in-control scenarios. Following the 2006 review, the Compensation Committee determined that these elements of compensation were reasonable in the aggregate.

REPORT OF THE COMPENSATION COMMITTEE

The principal duties of the Compensation Committee are to review the compensation of executive officers of CTBI and make recommendations to the Board for approval. During 2006, there were no interlocking relationships between any executive officers of CTBI and any entity whose directors or executive officers serve on the Board of Directors' Compensation Committee.

The Compensation Committee of CTBI has reviewed and discussed the Compensation Discussion and Analysis required by Item 402(b) of Regulation S-K with management and, based on such review and discussions, the Compensation Committee recommended to the Board that the Compensation Discussion and Analysis be included in this Proxy Statement.

Options expire if not exercised ten years after the date of the grant.

**CHARTER OF THE
AUDIT AND ASSET QUALITY COMMITTEE
OF THE BOARD OF DIRECTORS OF COMMUNITY TRUST BANCORP, INC.**

**As Approved by the Boards of Directors of Community Trust Bancorp, Inc. and Community Trust Bank, Inc.
on January 23, 2007**

I. AUTHORITY AND MEMBERSHIP

Membership. The members of the Audit and Asset Quality Committee (the "Committee") are appointed annually by the Board of Directors of Community Trust Bancorp, Inc. (the "Board") on the recommendation of the Nominating and Corporate Governance Committee. The members will serve until their successors are duly elected and qualified by the Board. The qualifications of each member of the Committee will be reviewed annually.

The Board determines the number of members in the Committee from time to time, but the number will not be less than the minimum number prescribed by applicable law, the Community Trust Bancorp, Inc. (the "Corporation") Bylaws, or by requirements of the NASDAQ National Market System or such other exchange or system on which the Corporation's securities are listed, quoted, and/or traded ("Listing Requirements"). In no event will the number of members be less than three (3).

Committee members must fully satisfy independence and experience requirements as prescribed in Listing Requirements, Section 10A of the Securities Exchange Act of 1934 (the "Exchange Act"), the rules and regulations of the Securities and Exchange Commission ("SEC"), and the Federal Deposit Insurance Corporation Improvement Act of 1991 ("FDICIA") and applicable rules and regulations thereunder.

At least one member of the Committee must be a "financial expert" as defined by the rules of the SEC and meet the "financial sophistication" experience or background standards contained in the Listing Requirements. All members of the Committee must be able to read and understand fundamental financial statements at the time of their appointment to the Committee. Committee members are encouraged to participate in continuing training and education programs and sessions in order to improve oversight skills and financial literacy, with such participation being considered in the annual assessment of the Committee's performance.

No member of the Committee may be an "affiliated person" of the Corporation or any of its subsidiaries (as defined under federal securities laws) nor may any member of the Committee simultaneously serve on the audit committee of more than two other public companies. Fees for service as a director (and as a committee member or committee chair) are the only compensation that a Committee member may receive directly or indirectly from or on behalf of the Corporation.

Committee Chair and Secretary. The Board will appoint one of the members of the Committee to serve as Committee Chair. The Committee may also appoint a secretary, who need not be a director.

Legal, Accounting and Other Advisors. The Committee has the authority, as it deems necessary or appropriate, to retain independent legal, accounting, or other advisors. The Committee also has the authority, as it deems necessary or appropriate, to ask the Corporation to provide the Committee with the support of one or more Corporation employees

to assist it in carrying out its duties. The Corporation will provide for appropriate funding, as determined solely by the Committee, for payment of compensation to the independent auditors for the purpose of rendering or issuing an audit report and to any other advisors employed by the Committee. The Committee may request any officer or employee of the Corporation or the Corporation's outside counsel, independent auditors, or other advisors to attend a meeting of the Committee or to meet with any members of, or advisor to, the Committee.

The Committee is directly and solely responsible for the appointment, compensation, and oversight of the work of the independent auditor (including resolution of disagreements between management and the auditors regarding financial reporting) for the purpose of preparing or issuing an audit report or related work. The independent auditors will report directly to the Committee.

II. PURPOSE OF THE COMMITTEE

The Committee's primary purpose is to:

- Provide assistance to the Board by monitoring:
 - (a) the integrity of the financial statements of the Corporation;
 - (b) the independent auditors' qualifications and independence;
 - (c) the performance of the Corporation's and its subsidiaries' internal audit function and independent auditors;
 - (d) the Corporation's system of internal controls;
 - (e) the Corporation's financial reporting and system of disclosure controls;
 - (f) the compliance by the Corporation with legal and regulatory requirements and with the Corporation's Corporate Governance Guidelines and Code of Business Conduct and Ethics; and
- Prepare the Committee report required by the rules of the SEC to be included in the Corporation's annual proxy statement.

The Committee will also perform the duties required by law to be performed by an audit committee for any subsidiary bank of the Corporation that does not have its own audit committee and by a fiduciary audit committee for any subsidiary of the Corporation exercising fiduciary powers that does not have its own audit committee, in each case to the extent permitted, and in the manner required, by applicable laws and regulations.

With respect to joint sessions of the Committee:

- (a) The Committee may meet simultaneously as a committee of the Corporation and any subsidiary of the Corporation that does not have its own audit committee, though it should hold separate sessions, if necessary, to address issues that are relevant to one entity but not the other(s) or to consider transactions between the entities or other matters where the Corporation and one or more subsidiaries may have different interests; and
- (b) The Committee should consult with internal or outside counsel if, in the opinion of the Committee, any matter under consideration by the Committee has the potential for any conflict between the interests of the Corporation and those of the Corporation's subsidiaries in order to ensure that appropriate procedures are established for addressing any such potential conflict and for ensuring compliance with the Corporation's policies regarding Sections 23A and 23B of the Federal Reserve Act.

The Committee's role is one of oversight as set forth in this charter. It is not the duty of the Committee to prepare the Corporation's financial statements, to plan or conduct audits, or to determine that the Corporation's financial statements are complete and accurate and are in accordance with generally accepted accounting principles ("GAAP"). The Corporation's management is responsible for preparing the Corporation's financial statements and for maintaining internal controls. The independent auditors are responsible for auditing the financial statements.
