#### EXPLANATORY NOTE

The Company previously filed the 2011 Form S-8 with the Securities and Exchange Commission (the “SEC” or the “Commission”) to register the offer of 18,413,560 shares of Common Stock pursuant to the 2011 Plan.

On March 7, 2018, the Company’s Board of Directors adopted the 2018 Plan. The Company’s stockholders approved the 2018 Plan at the Company’s annual meeting of stockholders held on May 1, 2018 (the “2018 Annual Meeting”). Upon stockholder approval of the 2018 Plan, the Company’s authority to grant new awards under the 2011 Plan terminated, and a total of 6,271,440 shares of Common Stock that had been available for new award grants under the 2011 Plan immediately prior to the 2018 Annual Meeting became available for award grants under the 2018 Plan. As provided in the 2018 Plan, any shares of the Company’s common stock subject to awards outstanding under the 2011 Plan on May 1, 2018 that expire, are cancelled or otherwise terminate without such shares being issued under the 2011 Plan after such date will be available for award grant purposes under the 2018 Plan. As of the date of the 2018 Annual Meeting, a total of 5,567,644 shares were subject to awards then outstanding under the 2011 Plan. The number of shares available for new award grants under the 2011 Plan immediately prior to the 2018 Annual Meeting and the number of shares subject to awards then outstanding under the 2011 Plan as of the date of the 2018 Annual Meeting that expire, are cancelled or otherwise terminate without such shares being issued under the 2011 Plan are referred to herein as the “Transferred Shares.”

The Company is filing this Post-Effective Amendment No. 1 to Form S-8 pursuant to SEC Compliance and Disclosure Interpretation 126.43 to amend the 2011 Form S-8 to register the offer of the Transferred Shares under the 2018 Plan (as such shares would no longer be issuable under the 2011 Plan). As of the date of filing of this Post-Effective Amendment No. 1 to Form S-8, 60,882 shares of the Company’s common stock that were originally subject to awards granted under the 2011 Plan have expired or were cancelled or terminated after the 2018 Annual Meeting, and have become available for award grant purposes under the 2018 Plan, and 5,506,762 shares of the Company’s common stock are subject to awards that remain outstanding under the 2011 Plan but may become Transferred Shares in the future. Accordingly, the maximum number of shares of Common Stock initially registered for offer pursuant to the 2011 Plan that may become Transferred Shares available for offer under the 2018 Plan is 11,839,084 shares (which is the sum of the (i) 6,271,440 shares, the number of shares available for new award grants under the 2011 Plan immediately prior to the 2018 Annual Meeting, (ii) 60,882 shares, the number of shares that were subject to awards granted under the 2011 Plan that expired or were cancelled or terminated after the 2018 Annual Meeting (with each share subject to restricted stock and restricted stock unit awards being counted as two shares), and (iii) 5,506,762 shares, the number of shares that are subject to awards that remain outstanding under the 2011 Plan but may become Transferred Shares in the future (with outstanding performance awards being counted at maximum performance level and each share subject to restricted stock and restricted stock unit awards being counted as two shares)).

Item 6. Indemnification of Directors and Officers

The Registrant is incorporated under the laws of the State of Delaware. Section 145 of the Delaware General Corporation Law (the "DGCL") provides that a Delaware corporation may indemnify any person against expenses, judgments, fines and settlements actually and reasonably incurred by any such person in connection with a threatened, pending or completed action, suit or proceeding in which such person is involved by reason of the fact that he or she is or was a director, officer, employee or agent of such corporation, provided that (i) such person acted in good faith and in a manner he or she reasonably believed to be in or not opposed to the best interests of the corporation and (ii) with respect to any criminal action or proceeding, such person had no reasonable cause to believe his or her conduct was unlawful. If the action or suit is by or in the name of the corporation, the corporation may indemnify any such person against expenses actually and reasonably incurred by him or her in connection with the defense or settlement of such action or suit if such person acted in good faith and in a manner he or she reasonably believed to be in or not opposed to the best interests of the corporation, except that no indemnification may be made in respect to any claim, issue or matter as to which such person shall have been adjudged to be liable to the corporation unless and only to the extent that the Delaware Court of Chancery or the court in which the action or suit is brought determines upon application that, despite the adjudication of liability but in view of all of the circumstances of the case, such person is fairly and reasonably entitled to indemnity for such expenses as the Delaware Court of Chancery or such other court deems proper.

Article VI, Section 6.1 of the Registrant's Bylaws provides for indemnification of persons to the fullest extent permitted by the DGCL.

In accordance with the DGCL, the Registrant's Amended and Restated Certificate of Incorporation limits the personal liability of its directors for violations of their fiduciary duty. The Amended and Restated Certificate of Incorporation eliminates each director's liability to the Registrant or its stockholders for monetary damages for breach of fiduciary duty as a director except (i) for any breach of the director's duty of loyalty to the Registrant or its stockholders, (ii) for acts or omissions not in good faith or which involve intentional misconduct or a knowing violation of law, (iii) under Section 174 of the DGCL providing for liability of directors for unlawful payment of dividends or unlawful stock purchases or redemptions, or (iv) for any transaction from which a director derived an improper personal benefit. The effect of this provision is to eliminate the personal liability of directors for monetary damages for actions involving a breach of their fiduciary duty of care, including any such actions involving gross negligence. This provision will not, however, limit in any way the liability of directors for violations of the federal securities laws.

The Registrant also has entered into indemnification agreements pursuant to which the Registrant agrees to indemnify its directors and executive officers to the fullest extent authorized by applicable law.

Item 7. Exemption from Registration Claimed

Not applicable.

Item 8. Exhibits

See the attached Exhibit Index at page 8, which is incorporated herein by reference.

Item 9. Undertakings

(a) The undersigned Registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this Registration Statement:

(i) To include any prospectus required by Section 10(a)(3) of the Securities Act;

(ii) To reflect in the prospectus any facts or events arising after the effective date of this Registration Statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in this Registration Statement;

(iii) To include any material information with respect to the plan of distribution not previously disclosed in this Registration Statement or any material change to such information in this Registration Statement;

provided, however, that paragraphs (a)(1)(i) and (a)(1)(ii) do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in reports filed with or furnished to the Commission by the Registrant pursuant to Section 13 or 15(d) of the Exchange Act that are incorporated by reference in this Registration Statement.

(2) That, for the purpose of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(b) The undersigned Registrant hereby undertakes that, for purposes of determining any liability under the Securities Act, each filing of the Registrant's annual report pursuant to Section 13(a) or 15(d) of the Exchange Act (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Exchange Act) that is incorporated

by reference in this Registration Statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(h) Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the Registrant pursuant to the provisions described in Item 6 above, or otherwise, the Registrant has been advised that in the opinion of the Commission such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Registrant of expenses incurred or paid by a director, officer or controlling person of the Registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.
