PART I

Explanatory Note

This registration statement (the Registration Statement) on Form S-8 of Hershey Foods Corporation (the Company) is being filed pursuant to General Instruction E to Form S-8 under the Securities Act of 1933, as amended (the Securities Act). This Registration Statement is being filed to register 100,000 additional shares of Common Stock, \$1.00 par value (the Common Stock), which are of the same class as the securities of the Company for which the Registration Statement on Form S-8 (333-25853) (the "Initial Registration Statement") was filed, issuable pursuant to the Company's Directors Compensation Plan (the Plan) which was last amended and restated on December 3, 2002. Accordingly, the contents of the Initial Registration Statement are hereby incorporated by reference in their entirety. Upon filing of this Registration Statement, an aggregate of 150,000 shares of Common Stock will have been registered for issuance pursuant to the Plan.

Notice pursuant to Rule 437a of the Securities Act of 1933, regarding consent of Arthur Andersen LLP

The Company dismissed Arthur Andersen LLP (Andersen) as its independent auditors, effective April 30, 2002. For additional information, see the Company's Current Report on Form 8-K dated April 30, 2002. After reasonable efforts, the Company has been unable to obtain Andersen's written consent to the incorporation by reference into this Registration Statement of Andersen's audit report with respect to the Company's consolidated financial statements as of December 31, 2001 and for the two-year period then ended. Under these circumstances, Rule 437a under the Securities Act permits the Company to file this Registration Statement, which incorporates by reference Andersen's audit report referred to above, without a written consent from Andersen. The absence of such consent may limit recovery by investors on certain claims. Specifically, Section 11(a) of the Securities Act of 1933, as amended (the Securities Act), provides that if part of a registration statement at the time it becomes effective contains an untrue statement of a material fact, or omits a material fact required to be stated therein or necessary to make the statements therein not misleading, any person acquiring a security pursuant to such registration statement (unless it is proved that at the time of such acquisition such person knew of such untruth or omission) may assert a claim against, among others, an accountant who has consented to be named as having certified any part of the registration statement or as having prepared any report for use in connection with the registration statement. With respect to this Registration Statement, and without limitation, investors may not be able to assert claims against Andersen under Section 11(a) of the Securities Act for any untrue statement of a material fact contained in the financial statements audited by Andersen or for any omission of a material fact required to be stated therein because Andersen has not consented to the incorporation by reference of its previously issued report in this Registration Statement.
