Item 1.01 Entry into a Material Definitive Agreement

On July 20, 2005, the Company's Board of Directors approved an increase in compensation payable to non-employee members of the Board. will increase to \$30,000 per year from \$20,000 per year; and (3) the non-Chair members of the Audit Committee will receive a new annual fee of \$10,000 per year. The Chair of the Audit Committee will continue to receive an annual fee of \$20,000 per year. The Chairs of the Compensation, Finance, Corporate Governance and Nominating, and Executive Committees of the Board, and the Chair of the Corporation's Sheltered Employee Retirement Plan Investment Policy Committee will each continue to receive an annual fee of \$10,000 per year. Each of the foregoing annual fees is paid in four quarterly pro-rata installments. Under the Company's Deferral Plan for Outside Directors, directors who are not employees of the Company may elect to defer payment of all or any part of their directors' fees. A summary of the non-employee director compensation arrangements reflecting these amendments is attached as Exhibit 10.1 to this Current Report on Form 8-K.

Also on July 20, 2005, the Company's Board of Directors approved the grant of 15,000 stock options to each non-employee director under the Intel Corporation 2004 Equity Incentive Plan, as amended and restated (the "Plan"). The exercise price of each stock option is \$27.15 per share, which was the average of the high and low sales prices of one share of the Company's common stock on the date of grant. The options shall be fully exercisable on and after one year from the date of grant, subject to termination or acceleration as provided in the form of Intel Corporation Non-Employee Director Non-Qualified Stock Option Agreement under the Intel Corporation 2004 Equity Incentive Plan, which is filed as Exhibit 10.4 to the Company's Form 10-Q for the quarterly period ended June 26, 2004 (the "Agreement") and is incorporated by reference herein. Additional terms and provisions of each option grant are set forth in the Agreement.

Also on July 20, 2005, the Company's Board of Directors approved a change to the annual period for purposes of determining non-employee directors' cash and equity compensation. The annual period for director compensation purposes, which was formerly May to April, is now July to June. In conjunction with this change in the timing of determining director compensation, the Company's Board of Directors approved an additional amount of 4,000 stock options to all non-employee directors serving as of May 18, 2005 reflecting the shift in the directors' compensation year from May to July 2005.
