Explanation of Responses:

(1) Filing individual engaged in cashless exercise of in-the-money stock options, exempt under Rule 16b-6(b). The shares subject to option reported in this Form 4 were all sold on the same day that the options were exercised. The sales took place over the course of the day at two different prices. Although the average sale price is shown in Column 4, the actual prices were: 800 shares at 45.05 and 21,773 shares at 45.00. A portion of the sale price of the shares (Code F) was used to pay the exercise price, commission and the tax withholding. The remaining portion of the sale price of the shares (Code J) was retained by the the filing individual.

(2) Of the 58,500 options granted on January 27, 2000, one-third of the options became exercisable on each of the first three anniversary dates.
