401(k) RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

1. Description of the Plan

The following description of the MDU Resources Group, Inc. 401(k) Retirement Plan (the Plan) provides only general information. Participants should refer to the plan document for a more complete description of the Plan's provisions.

General --

The Plan, formerly the MDU Resources Group, Inc. Tax Deferred Compensation Savings Plan, was initially adopted by the Board of Directors of MDU Resources Group, Inc. (the Company) on August 4, 1983, to be effective January 1, 1984. The Plan is a defined contribution plan. On January 1, 1999, the name was changed and the Plan was amended to reflect the merger of the MDU Resources Group, Inc. Tax Deferred Compensation Savings Plan for Collective Bargaining Unit Employees (the Bargaining Plan) into the Plan. Each participant in the Bargaining Plan automatically became a participant in the Plan. The merger and the transfer of assets were effectuated in accordance with Sections 401(a)(12),

Edgar Filing: MDU RESOURCES GROUP INC - Form 11-K

411(d)(6) and 414(l) of the Internal Revenue Code of 1986, as amended (the Code), and the regulations thereunder.

The Company and any of its direct or indirect subsidiaries that participate in the Plan are the Employers (the Employers). The fiscal year of the Plan is the calendar year. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended.

The Board of Directors of the Company may, at any time, amend, modify or terminate the Plan, and the Boards of Directors of the Employers may, at any time, terminate participation in the Plan with respect to the respective Employer. The Company has delegated to the Employee Benefits Administrative Committee (the Committee) the authority to amend or modify the Plan; however, certain amendments identified in the plan document are subject to approval by the Board of Directors of the Company.

The Committee is the plan administrator. The Committee consists of those individuals serving from time to time in the position of or related position of the following: Chief Administrative Officer of the Company, Chief Financial Officer of the Company, Vice President - Human Resources of the Company, and any number of other individuals appointed by the Chief Executive Officer of the Company who are employed by the Company or an Affiliate of the Company. The recordkeeper and trustee of the Plan are New York Life Investment Management LLC (the Recordkeeper) and New York Life Trust Company (the Trustee), respectively.

The Plan contains three parts: (1) The Deferred Savings feature, which allows an eligible employee to elect a pre-tax deferral of a portion of current compensation into a tax-exempt trust and allows Employers to provide for employer matching contributions (standard and effective January 1, 2003 prevailing wage law qualified) based on the amount of the eligible employee's pre-tax deferral contribution, (2) The MDU Resources Group, Inc. Employee Stock Ownership Plan (ESOP) feature, which is the part of the Plan related to participation in the ESOP, and (3) The Profit Sharing/Special Contribution feature, which allows the Employers to make discretionary contributions to the individual accounts of eligible employees, based on attainment of pre-determined earnings levels, and nondiscretionary contributions based on compensation of eligible employees.

Deferred Savings

Eligibility --

Generally, employees may participate in the Plan upon hire if they are at least 18 years of age and regular full-time or part-time employees. Effective January 1, 2003, certain employees who perform services for an Employer under a public contract that is subject to the Davis-Bacon Act or similar prevailing state wage law and who otherwise meet the Plan's eligibility requirements may participate in the Plan.

Contributions --

The Plan allows participants who are highly compensated employees to elect pre-tax deferral contributions varying from one percent through 22 percent and participants who are not highly compensated employees to elect pre-tax deferral contributions

Edgar Filing: MDU RESOURCES GROUP INC - Form 11-K

varying from one percent to 50 percent, in one percent increments, of eligible compensation for each pay period, up to a maximum pre-tax deferral contribution of \$12,000 for the 2003 Plan year. The Plan also allows participants who are eligible to make pre-tax deferral contributions and will have attained age 50 before the close of the Plan year to make catch-up elective deferrals of up to \$2,000 for 2003. All participant contributions are credited to the participant's Savings Contribution Account. In addition, the Plan accepts rollover contributions from an eligible retirement plan or an individual retirement account that holds only assets distributed from a qualified plan. Such savings contributions on behalf of a participant are credited to the participant's Rollover Account.

Rollover contributions may not include after-tax employee contributions.

An election is made by each participant to allocate contributions in one percent increments to any or all of the following 13 currently available investment options:

- MDU Resources Group, Inc. Common Stock Fund (MDU Resources Stock Fund)
- New York Life Insurance Anchor Account - Stable Value Option
- American Funds - EuroPacific Growth Fund - International Growth Mutual Fund
- American Funds - The Growth Fund of America - Growth Mutual Fund
- Baron Asset Fund - Growth Mutual Fund
- Davis New York Venture Fund - Growth Mutual Fund
- Dodge & Cox Balanced Fund - Growth and Income Mutual Fund
- MainStay Indexed Bond Fund - Income Mutual Fund
- MainStay S&P 500 Index Fund - Growth and Income Mutual Fund
- MainStay Small Cap Opportunity Fund - Growth Mutual Fund
- Royce Total Return Fund - Small-Cap Value Fund
- RS Emerging Growth Fund - Growth Mutual Fund
- Templeton Foreign Fund - International Equity Mutual Fund

Prior to January 1, 2004, the MainStay Indexed Bond Fund, MainStay S&P 500 Index Fund and the MainStay Small Cap Opportunity Fund were known as the Eclipse Indexed Bond Fund, Eclipse Indexed Equity Fund and the Eclipse Small Cap Value Fund, respectively.

Employer Contributions --

Each participant's Employer may elect to provide a standard matching contribution, equal to a percentage of such participant's monthly pre-tax deferral contributions up to a specified percent of the participant's compensation as provided under the Plan or as adopted by the Employer and approved by the Committee. In addition, the participant's Employer may make an additional discretionary variable matching contribution based on the Employer's attainment of pre-determined earnings levels. Standard matching contributions and variable matching contributions are credited to such participant's Matching Contribution Account. All matching contributions are initially invested in the MDU Resources Stock Fund of the Company but can be transferred, at the participant's discretion, to other investment options.

The Employers remit all authorized contributions made by the

Edgar Filing: MDU RESOURCES GROUP INC - Form 11-K

participants to the Trustee to be held in trust and invested for the respective accounts of the participants, pursuant to the terms of a trust agreement effective January 1, 1998, as amended. Contributions to the MDU Resources Stock Fund, including the Employers' matching contributions, are used by the Trustee to purchase shares of MDU Resources Group, Inc. common stock directly on the open market. All such market purchases may be made at such prices as the Trustee may determine in its sole and absolute discretion. The Trustee may also purchase shares of authorized but unissued common stock directly from the Company if the Company chooses to issue new stock.

Vesting --

A participant's interest in a Savings Contribution Account, Rollover Account or a Matching Contribution Account is at all times fully vested and nonforfeitable. Participant accounts are valued on a daily basis.

Distributions and Withdrawals --

The amount credited to a participant's Savings Contribution Account, Rollover Account and Matching Contribution Account shall become payable to the participant or the participant's beneficiary/beneficiaries, as applicable, upon death, retirement, disability, or other termination of employment with the Employers. The distribution of such amounts will be in accordance with the Plan, based on the method of payment elected by the participant or designated beneficiary/beneficiaries. The Plan only allows single-sum distributions. Distributions with respect to investment options other than the MDU Resources Stock Fund are in the form of cash. Distributions with respect to the MDU Resources Stock Fund are in the form of stock certificates, except for distributions of fractional shares which are in the form of cash.

A participant may make in-service withdrawals (hardship or age 59 1/2) from such participant's Savings Contribution Account or Matching Contribution Account under certain conditions.

Participant Loans --

A participant may be eligible to obtain a loan from the Plan. The maximum amount available for a loan is the lesser of \$50,000 or one-half of the participant's vested account balance, subject to certain limitations. Loans must be repaid over specified periods through payroll deduction and bear interest at a commercially reasonable rate in effect at the time the loan is made, as determined by the Committee.

ESOP

Eligibility --

Participation in the ESOP feature of the Plan is limited to participants in the ESOP as of January 1, 1987 (1987 Effective Date) or the date as of which an ESOP Account was established under the Plan, whichever is later.

Contributions --

As of the 1987 Effective Date, ESOP Accounts have been suspended

Edgar Filing: MDU RESOURCES GROUP INC - Form 11-K

and no additional contributions shall be made by the Company or participants to such accounts, other than to reflect dividends or other earnings.

Vesting --

A participant's interest in an ESOP Account is at all times fully vested and nonforfeitable.

Distributions --

Distributions are consistent with the Deferred Savings feature previously mentioned, except for participant loans, which are not available to ESOP Accounts.

Each participant with an ESOP Account may diversify within the Plan their entire ESOP account balance.

Profit Sharing/Special Contributions

Contributions --

Profit sharing contributions are made based on the discretion of the Board of Directors of the Company or Board of Directors of any of the Employers. Special contributions are nondiscretionary contributions made to certain eligible employees equal to a certain percent of their eligible compensation. Profit sharing/special contributions are credited to such a participant's Profit Sharing Account. Participants may choose to invest profit sharing/special contributions allocated to their individual accounts in any or all of the available investment options.

Vesting --

A participant's interest in a Profit Sharing Account is 100 percent vested after completing three years of service.

Distributions and Withdrawals --

The vested portion of the Profit Sharing Account is distributed in the same manner as the Deferred Savings feature previously mentioned.

Loans --

Loans may be made from the vested portion of the Profit Sharing Account in the same manner as the Deferred Savings feature previously mentioned.

Forfeited Accounts --

At December 31, 2003, forfeited nonvested Profit Sharing Accounts totaled approximately \$132,000. These forfeited nonvested accounts will be used to reinstate the profit sharing contributions of any reemployed participants pursuant to the terms of the Plan, reduce the employer profit sharing contributions to the Plan or reduce administrative expenses incurred by the Plan.

2. Summary of Significant Accounting Policies

Edgar Filing: MDU RESOURCES GROUP INC - Form 11-K

Basis of Accounting --

The financial statements of the Plan are maintained on an accrual basis.

Investment Valuation --

Investments held by the Plan are carried at fair value. Fair value for the New York Life Insurance Anchor Account and MainStay Cash Reserves Fund approximates cost. Prior to January 1, 2004, the MainStay Cash Reserves Fund was known as the Eclipse Money Market Fund. The Plan's other investment valuations are based on published market quotations. Participant loans are valued based upon remaining unpaid principal balance plus any accrued but unpaid interest.

Benefit Payments --

Distributions to Plan participants are recorded when paid.

Contributions --

Employer and participant contributions are recorded by the Plan when received or determined to be receivable. Participant contributions are deposited with the Plan by the Employers through payroll reductions.

Administrative Expenses --

Administrative expenses of the Plan related to Trustee, recordkeeping, legal and audit fees are paid primarily by the Employers. Fees or commissions associated with each of the investment options other than the MDU Resources Stock Fund are paid primarily by participants as a deduction from the amount invested or an offset to investment earnings and were approximately \$488,000 for the year ended December 31, 2003. Administrative expenses of the Plan related to the MDU Resources Stock Fund commissions and loan fees were paid by the Plan and were approximately \$82,000 for the year ended December 31, 2003.

Use of Estimates --

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Other --

Securities transactions are recorded on a trade date basis. Dividend income is recorded on the ex-dividend date. Interest income is recorded as earned.
