(f) AM, SM, LM, MM and CM are citizens of the United States of America.

Item 3. Source and Amount of Funds or Other Consideration.

Effective as of January 4, 2006, CM resigned as a trustee of the HM Trust and LM was appointed to succeed her as a trustee of the HM Trust.

On December 27, 2005, the MM 2005 Intangibles Trust (the "MM Trust") transferred by gift 1,800 shares of common stock to MM, who then transferred all of such shares by gift to Abrams Hebrew Academy. MM is the settlor and beneficiary of the MM Trust and SM is the trustee of the MM Trust.

Item 4. Purpose of Transaction

The purpose of the change in trustees of the HM Trust is for estate planning purposes.

The HM Trust is a party to that certain Voting Agreement, dated as of September 23, 2004 (the "Voting Agreement") by and among Samgray, the HM Trust, SM, AM and LM (collectively, the "Original Members").

The purpose of the Voting Agreement was to provide that the shares of Common Stock of Issuer owned by the Original Members, including voting securities of the Issuer acquired as a result of stock dividends, stock splits, reclassifications of stock or recapitalizations (collectively, the "Subject Shares"), would be voted in a coordinated manner.

The Original Members appointed SM and AM as their representatives (the "Representatives"), and appointed LM as the successor should either of the two initial Representatives die, suffer incapacity or resign, to vote all of the Subject Shares during the term of the Voting Agreement; and the Original Members granted irrevocable proxies to the Representatives with respect to the Subject Shares during such period. All voting decisions will require the unanimous determination of the Representatives. However, if the initial Representatives are unable to agree how to vote on any particular matter, either of them may request a joint consultation with LM following which LM shall resolve the issue by choosing the position advocated by one or the other Representative; and both Representatives thereupon shall vote together in accordance with his said choice. If any deadlock occurs when LM is serving as a Representative, the same procedure to break the deadlock shall be followed, except that the individual who will consult with the Representatives and who will decide how to break the deadlock shall be the individual last designated as such by LM and the other Representative, in writing.

The Voting Agreement also will terminate automatically (a) on September 23, 2014 unless prior to such date its term is renewed unanimously for not more than 10 years by all of the then "Members" (a group which shall consist of the Original Members and transferees of Subject Shares who agree to be bound by the Voting Agreement, but only while any such Original Member or other person owns Subject Shares of record), or (b) at such time as the Subject Shares represent less than a majority of the aggregate voting power of all then outstanding voting securities of the Issuer, or (c) at such time as fewer than two Representatives are serving as such. The Voting Agreement can be terminated at any time by Members holding at least 85% of the Subject Shares.

Each Member may transfer Subject Shares to such Member's "Permitted Transferees," a group consisting of, among others, an individual Member's spouse and certain relatives, said Member's estate, and trusts and other entities created by said Member primarily for the benefit of the Member and/or one or more of the other persons mentioned above; and, with respect to any Member that is not an individual Member, any individual Member, the spouse and certain relatives of any individual Member, the estate of any such person, trusts created primarily for the benefit of any such person and any entity in which one or more of any such person has any ownership interest. However, no such transfer may be made unless the transferee agrees to be bound by the Voting Agreement as a Member, signs a counterpart of the Voting Agreement and delivers a proxy to the Representatives.

Each "Controlling Member Group" (for each Original Member, a group consisting of such Original Member and all direct and indirect transferees of Subject Shares from that Original Member) may transfer up to an aggregate 75,000 Exempt Shares in any 12 month period free from all of the provisions of the Voting Agreement.

If a Member wishes to transfer any Subject Shares to any person other than a Permitted Transferee in excess of that Member's allocation of Exempt Shares, all of the other Members must be notified in advance and shall be given the right to acquire said Subject Shares at the price and on the terms specified in the notice. If the other Members, as a group, fail to exercise their right to acquire all of the Subject Shares being offered, the Member shall have the right to transfer said shares to a third party who is not a Permitted Transferee, but (1) the price per share may not be lower than that set forth, and the terms and conditions may not be more favorable to the transferee than those set forth, in the original notice to the other Members; and (2) the transferee must agree to be bound by the Voting Agreement as a Member by signing a counterpart of the Voting Agreement and delivering a proxy to the Representatives.

The Reporting Persons may acquire additional shares of the Issuer from time to time and may dispose of any or all of the shares held by them at any time.

The Reporting Persons note that on June 27, 2005, the Issuer issued the following Press Release:

"Burlington, NJ - June 27, 2005 - Burlington Coat Factory Warehouse Corporation (NYSE: BCF) announced today that its Board of Directors is exploring possible strategic alternatives for the Company to enhance stockholder value. The Company stated that no decision has been made to engage in a transaction or transactions resulting from the Board's exploration of strategic alternatives, and there can be no assurance that any transaction will occur or, if undertaken, the terms or timing thereof. Burlington Coat Factory has retained Goldman Sachs & Co. as its financial advisor to assist in this process."

Except as set forth above in this Item 4, the Reporting Persons do not have any plans or proposals which relate to, or could result in, any of the matters referred to in paragraphs (a) and (j), inclusive, of Item 4 of Schedule 13D. Such Persons may, at any time, from time to time, review or reconsider their position with respect to the Issuer, and formulate plans or proposals with respect to any of such matters, but have no present intention of doing so.
