### **DISCLOSURE CONTROLS AND PROCEDURES**

Our disclosure controls and procedures are designed to provide reasonable assurance that information required to be disclosed by us in reports filed or submitted under Canadian or U.S. securities laws is recorded, processed, summarized and reported within the time periods specified under those laws, and include controls and procedures that are designed to ensure that the information is accumulated and communicated to management, including BCE's President and Chief Executive Officer (CEO) and Executive Vice-President and Chief Financial Officer (CFO), to allow timely decisions regarding required disclosure.

As at December 31, 2013, management evaluated, under the supervision of and with the participation of the CEO and the CFO, the effectiveness of our disclosure controls and procedures, as defined in Rule 13a-15(e) under the U.S. *Securities Exchange Act of 1934* and under National Instrument 52-109 *Certification of Disclosure in Issuers' Annual and Interim Filings*. The CEO and CFO have limited the scope of their design and evaluation of our disclosure controls and procedures to exclude the disclosure controls and procedures of Astral Media Inc. (Astral), which we acquired on July 5, 2013. Astral's contribution to our consolidated financial statements for the year ended December 31, 2013 was approximately 2% of consolidated revenues and 3% of consolidated net earnings. Additionally, at December 31, 2013, Astral's current assets and current liabilities were approximately 18% and 3% of consolidated current assets and current liabilities, respectively, and its non-current assets and non-current liabilities were approximately 7% and 1% of consolidated non-current assets and non-current liabilities, respectively. The design and evaluation of Astral's disclosure controls and procedures will be completed for the third quarter of 2014.

Further details related to the acquisition of Astral are disclosed in Note 4 *Acquisition of Astral* of the BCE 2013 Financial Statements.

Based on that evaluation, which excluded Astral's disclosure controls and procedures, the CEO and CFO concluded that our disclosure controls and procedures were effective as at December 31, 2013.

### **STATEMENT REGARDING CONTROLS AND PROCEDURES**

There can be no assurance that our disclosure controls and procedures will detect or uncover all failures to disclose all material information otherwise required to be set forth in our disclosure. Furthermore, a control system, no matter how well designed and operated, can provide only reasonable, not absolute, assurance with respect to the reliability of financial reporting and financial statement preparation. Accordingly, BCE does not expect that BCE's internal control over financial reporting will prevent or detect all errors and all fraud. BCE will continue to periodically review its disclosure controls and procedures and internal control over financial reporting and may make modifications from time to time as considered necessary or desirable.

### **Auditor Independence Policy**

BCE's Auditor Independence Policy is a comprehensive policy governing all aspects of BCE's relationship with the external auditors, including:

- establishing a process for determining whether various audit and other services provided by the external auditors affect their independence;
- identifying the services that the external auditors may and may not provide to BCE and its subsidiaries;
- pre-approving all services to be provided by the external auditors of BCE and its subsidiaries; and
- establishing a process outlining procedures when hiring current or former personnel of the external auditors in a financial oversight role to ensure auditor independence is maintained.

In particular, the policy specifies that:

- the external auditors cannot be hired to provide any services falling within the prohibited services category, such as bookkeeping, financial information systems design and implementation and legal services;
- for all audit or non-audit services falling within the permitted services category (such as prospectus, due diligence and non-statutory audits), a request for approval must be submitted to the Audit Committee prior to engaging the external auditors;
- specific permitted services however are pre-approved annually and quarterly by the Audit Committee and consequently only require approval by the CFO prior to engaging the external auditors; and
- at each regularly scheduled Audit Committee meeting, a summary of all fees billed by the external auditors by type of service is presented. This summary includes the details of fees incurred within the pre-approval amounts.

The Auditor Independence Policy is available in the governance section of BCE's website at BCE.ca.

In 2013 and 2012, BCE's Audit Committee did not approve any audit-related, tax or other services pursuant to paragraph (c)(7) (i) (C) of Rule 2-01 of Regulation S-X.
