ABOUT THE ANNUAL MEETING

General

The annual meeting of shareholders of Casey's General Stores, Inc. ("Casey's", the "Company", "we", "our" or "us") will be held at 9:00 a.m., Central Time, on September 16, 2016, at Casey's Corporate Headquarters, One Convenience Blvd., Ankeny, Iowa (the "Annual Meeting"). The mailing address of the Company's principal executive offices is P.O. Box 3001, One Convenience Blvd., Ankeny, Iowa 50021-8045. This Proxy Statement and the accompanying proxy card are first being given or mailed on or about August 5, 2016 to each holder of record of common stock, no par value per share ("Common Stock"), of Casey's at the close of business on July 25, 2016 (the "Record Date"). On the Record Date, there were 39,195,913 shares of Common Stock outstanding. Each share of Common Stock will be entitled to one vote on all matters.

Casey's Board of Directors (the "Board of Directors" or "Board"), through this Proxy Statement and the accompanying proxy card, is soliciting your vote on matters being submitted for shareholder approval at the Annual Meeting and any adjournments or postponements thereof. At the Annual Meeting, shareholders will vote on the election of three directors, the ratification of KPMG LLP as Casey's independent auditor for 2017, an advisory vote on our named executive officer compensation, and such other business as may properly come before the Annual Meeting.

The Board of Directors is not aware at this date of any matter proposed to be presented at the Annual Meeting other than those described in this Proxy Statement. The persons named on the accompanying proxy card will have discretionary authority to vote on any other matter that is properly presented at the meeting, according to their best judgment.

Securities Entitled to Vote

The only securities eligible to be voted at the Annual Meeting are shares of Common Stock. Only holders of Common Stock at the close of business on the Record Date (July 25, 2016) are entitled to vote. Each share of Common Stock represents one vote, and all shares vote together as a single class. There were 39,195,913 shares of Common Stock issued and outstanding on the Record Date.

Quorum; Vote Required

The presence in person or by proxy of shareholders entitled to cast a majority of all the votes entitled to be cast at the meeting constitutes a quorum. Shareholders are entitled to one vote per share. Shares of Common Stock held by shareholders abstaining from voting but otherwise present at the meeting in person or by proxy ("abstentions") and votes withheld are included in determining whether a quorum is present. Broker shares that are not voted on a particular proposal because the broker does not have discretionary voting power for that proposal and has not received voting instructions from the beneficial owner ("broker non-votes") are included in determining whether a quorum is present. In the election for directors, every shareholder has the right to vote each share of Common Stock owned by such shareholder on the Record Date for as many persons as there are directors to be elected. Cumulative voting is not permitted. To be elected under Iowa corporate law, a director-nominee must receive a plurality of the votes cast at the meeting (meaning that the three directors who receive the highest number of shares voted "for" their election are elected). Our Corporate Governance Guidelines (described on p. 8 of this Proxy Statement) provide that in an uncontested election, any director who receives a greater number of votes "withheld" from his or her election than votes "for" such election (a "Majority Withheld Vote") is expected to tender his or her resignation as a director. All of the current Directors have tendered irrevocable resignations to the Company that will be effective upon the director receiving a Majority Withheld Vote and Board acceptance of such resignation. Only votes cast FOR a nominee or WITHHELD from voting will be counted. Abstentions and broker non-votes will not be counted as votes cast for such purpose and therefore will have no effect on the results of the election. Further information about our "plurality-plus" voting policy is included on page 8 under the heading "Governance of the Company—Key Corporate Governance Principles—Mandatory Resignation Policy."

To be approved, the proposal to ratify the selection of the independent auditors must receive a majority of the votes cast at the Annual Meeting (meaning the number of shares voted "for" the proposal must exceed the number of shares voted "against" such proposal). Abstentions will not be counted as votes cast for such purposes and therefore will have no effect on the results of the vote.

To be approved, the advisory non-binding resolution on our named executive officer compensation must receive a majority of the votes cast at the Annual Meeting (meaning the number of shares voted "for" the proposal must exceed the number of shares voted "against" such proposal). Abstentions and broker non-votes will not be counted as votes cast for such purposes and therefore will have no effect on the results of the vote.

How To Vote; Submitting Your Proxy; Revoking Your Proxy

Your vote is very important to the Company. Whether or not you plan to attend the Annual Meeting, we urge you to vote your shares today.

You may vote your shares either by voting in person at the Annual Meeting or by submitting a completed proxy. By submitting a proxy, you are legally authorizing another person to vote your shares. The enclosed proxy card designates Robert J. Myers and Terry W. Handley to vote your shares in accordance with the voting instructions you indicate on your proxy card.

If you submit your executed proxy card designating Messrs. Myers and Handley as the individuals authorized to vote your shares, but you do not indicate how your shares are to be voted, then your shares will be voted by those individuals in accordance with the Board of Directors' recommendations, which are described in this Proxy Statement. In addition, if any other matters are properly brought up at the Annual Meeting (other than the proposals contained in this Proxy Statement), then each of these individuals will have the authority to vote your shares on those matters in accordance with his discretion and judgment. The Board of Directors currently does not know of any matters to be raised at the Annual Meeting other than the proposals contained in this Proxy Statement.

We urge you to vote by doing one of the following:

- **Vote by Mail:** You can vote your shares by mail by completing, signing, dating and returning your proxy card in the postage-paid envelope provided. In order for your proxy to be validly submitted and for your shares to be voted in accordance with your instructions, please mail your proxy card in sufficient time for it to be received by the morning of September 16, 2016.

Vote by Telephone: You can also vote your shares by calling the number (toll-free) indicated on your proxy card at any time on a touch-tone telephone and following the recorded instructions. If you submit your proxy by telephone, then you may submit your voting instructions up until 11:59 p.m., Eastern Time, on September 15, 2016. If you are a beneficial owner, or you hold your shares in "street name" as described below, please contact your bank, broker or other holder of record to determine whether you will be able to vote by telephone.

Vote by Internet: You can vote your shares via the Internet by going to the Web site address for Internet voting indicated on your proxy card and following the steps outlined on the secure Web site. If you submit your proxy via the Internet, then you may submit your voting instructions up until 11:59 p.m., Eastern Time, on September 15, 2016. If you are a beneficial owner, or you hold your shares in "street name" as described below, please contact your bank, broker or other holder of record to determine whether you will be able to vote via the Internet.

If you hold shares through the Company's 401(k) Plan (the "401K Plan"), such shares are not registered in your name, and your name will not appear in the Company's register of shareholders. Instead, your shares are registered in the name of a trust, which is administered by Principal Trust Company (the "Trustee"). Only the Trustee will be able to vote your shares (even if you personally attend the meeting). You can direct the voting of the shares allocated to your accounts on the Internet, by telephone or by returning the proxy card in the envelope provided, but cannot direct the voting of your 401K Plan shares in person at the meeting. If voting instructions for shares in the 401K Plan are not returned, those shares will be voted by the Trustee in the same proportion as the shares for which voting instructions are returned by the other participants in the 401K Plan. To allow sufficient time for the Trustee to tabulate the vote of the 401K Plan shares, participant instructions must be received before 11:59 p.m., Eastern Time, on September 14, 2016.

If you have previously submitted a proxy card, you may change any vote you may have cast by following the instructions on the proxy card to vote by telephone or via the Internet, or by completing, signing, dating and returning the enclosed proxy card in the postage-paid envelope provided, or by attending the Annual Meeting and voting your shares in person. If your shares are registered in the "street name" of a bank, broker or other holder of record, please contact the applicable bank, broker or record holder for instructions on how to change or revoke your vote.

Your proxy is revocable. If you are a shareholder of record, after you have submitted your proxy card, you may revoke it by mail before the Annual Meeting by sending a written notice to Julia L. Jackowski, Senior Vice President—General Counsel and Corporate Secretary, Casey's General Stores, Inc., P.O. Box 3001, One Convenience Blvd., Ankeny, Iowa 50021-8045. If you wish to revoke your submitted proxy card and submit new voting

instructions by mail, then you must sign, date and mail a new proxy card with your new voting instructions. Please mail any new proxy card in sufficient time for it to be received by the morning of September 16, 2016. If you are a shareholder of record and you voted your proxy card by telephone or via the Internet, you may revoke your submitted proxy and/or submit new voting instructions by that same method, which must be received by 11:59 p.m., Eastern Time, on September 15, 2016. You also may revoke your proxy card by attending the Annual Meeting and voting your shares in person. Attending the Annual Meeting without taking one of the actions above will not revoke your proxy. If you are a beneficial owner, or you hold your shares in "street name" as described below, please contact your bank, broker or other holder of record for instructions on how to change or revoke your vote.

Table of Contents

Your vote is very important to the Company. If you do not plan to attend the Annual Meeting, we encourage you to read this Proxy Statement and submit your completed proxy card prior to the Annual Meeting in accordance with the above instructions so that your shares will be represented and voted in accordance with your instructions. Even if you plan to attend the Annual Meeting in person, we recommend that you vote your shares in advance as described above so that your vote will be counted if you later decide not to attend the Annual Meeting.

If your shares are not registered in your name but in the “street name” of a bank, broker or other holder of record (a “Nominee”), then your name will not appear in the Company’s register of shareholders. Your Nominee, as the record holder of your shares, is required to vote those shares in accordance with your instructions. If you do not give instructions to your Nominee, your Nominee will be entitled to vote the shares with respect to “discretionary” items but will not be permitted to vote the shares with respect to “non-discretionary” items (those shares are treated as broker non-votes). The election of directors will be a “non-discretionary” item for any Nominee holding shares on your behalf. In addition, the advisory vote on our named executive officer compensation will be a “non-discretionary” item. As a result, if your shares are held in “street name” and you do not provide instructions as to how your shares are to be voted, your Nominee will not be able to vote your shares in the election of directors or on the advisory proposal. Note that even if you attend the Annual Meeting, you cannot vote the shares that are held by your Nominee unless you have a proxy from your Nominee. If you do not provide instructions to your Nominee and your Nominee does not vote your shares on your behalf with respect to the ratification of the selection of the independent auditors (which is a “discretionary” item), your shares will not be counted in determining whether a quorum is present for the Annual Meeting. If your Nominee exercises its “discretionary” authority to vote your shares on the ratification of the selection of the independent auditors, your shares will be counted in determining whether a quorum is present for all matters presented at the Annual Meeting. We urge you to provide instructions to your Nominee so that your votes may be counted on these important matters. Please contact your Nominee for the deadlines for submission of your vote. Your proxy is revocable. Please contact your Nominee for instructions on how to change or revoke your vote.

PROPOSAL 1

ELECTION OF DIRECTORS

Introduction

The Board of Directors currently consists of nine persons. Under the Restated and Amended Articles of Incorporation, as amended (the “Restated Articles”), the Board of Directors may consist of up to nine persons, and individuals may be elected by the Board to fill any vacancies or to occupy any new directorships. The person filling such vacancy or newly-created directorship would serve out the remainder of the term of the vacated directorship or, in the case of a new directorship, the term designated for the particular director.

In accordance with amendments to the Iowa Business Corporation Act (the “Act”) enacted in 2011, the Company's board of directors consists of three classes of directors with staggered terms referred to as “Class I directors”, “Class II directors”, and “Class III directors.” The Class I directors were elected at the 2014 annual meeting of shareholders, and their terms as Class I directors continue until the 2017 annual meeting of shareholders, and until their successors are elected. The Class II directors were elected at the 2015 annual meeting of shareholders, and their terms as Class II directors continue until the 2018 annual meeting of shareholders, and until their successors are elected. The Class III directors were elected at the 2013 annual meeting of shareholders, and their terms as Class III directors continue until the Annual Meeting, and until their successors are elected. At each annual meeting of shareholders, the successors to the class of directors whose term expires at that meeting shall be elected to hold office for a term of three years following such meeting and until their successors are elected.

All of the Board’s nominees, Mr. Danos, Mr. Lamberti, and Mr. Horak, are currently Class III directors of the Company and have been previously elected by the shareholders as directors of the Company.

The Board believes that all of the director-nominees and incumbent directors are highly qualified to serve on the Board of Directors, and that each has demonstrated outstanding achievement in his or her professional career, wisdom, personal and professional integrity and independent judgment.

Additional information regarding each of the Board’s nominees is set forth below. The number of shares of Common Stock of the Company beneficially owned by each of the Board’s nominees as of the Record Date is set forth on page 17. Except as may be otherwise expressly stated, all of the Board’s nominees for election to the Board of Directors have been employed in the capacities indicated for more than five years.

It is intended that all proxies (in the accompanying form), unless contrary instructions are given thereon, will be voted FOR the election of the three persons designated by the Board of Directors as nominees. In the event of death or disqualification of any of the Board’s nominees, or the refusal or inability of any of the Board’s nominees to serve as a Class III director, the enclosed proxy may be voted with discretionary authority for the election of a substitute nominee approved by the Board of Directors.

GOVERNANCE OF THE COMPANY

Corporate Governance Guidelines

The business and affairs of the Company are overseen by the Board of Directors pursuant to the Iowa Business Corporation Act and the Bylaws. The Board of Directors is committed to maintaining high standards of corporate governance. To help ensure that it meets this commitment, the Board has approved Corporate Governance Guidelines (the “Guidelines”) to address key governance practices and identify the framework for the operations of the Board and its committees. The Nominating and Corporate Governance Committee of the Board continues to monitor developments in corporate governance practices, and periodically expects to recommend to the Board any appropriate changes to the Guidelines. A copy of the current Guidelines is posted on the Company’s website (www.caseys.com) under the “Casey’s Corporate” heading at the bottom of the home page.

Key Corporate Governance Provisions

Independence. Seven of the nine individuals currently serving on the Board of Directors are considered independent under the Nasdaq Listings Standards. As set forth on page 11, the Board reviews all relationships and material transactions between the Company and members of the Board to determine whether they would interfere with the director’s independent judgment in carrying out the responsibilities of a director.

Chairman; Lead Director. Under the Bylaws, the Board elects one of its members to serve as Chairman of the Board, and has elected Mr. Myers, our retired Chief Executive Officer, to serve in that capacity. Based on his extensive experience and knowledge of the Company’s competitive challenges and opportunities, the Board has determined at the present time that Mr. Myers is best qualified to serve in the role of Chairman of the Board. At the same time, in order to maintain an appropriate level of independent checks and balances, the Board also has elected a Lead Director, Mr. Kimball, to provide independent leadership in coordination with the Chairman. As described in the Guidelines, the Lead Director generally will:

- Chair any meeting of the Board if the Chairman is not present;
- Chair executive sessions of the independent directors;
- Establish agendas for the executive sessions;
- Act as liaison with the Chairman in consultation with the other independent directors;
 - Review and discuss proposed Board meeting agendas with the Chairman;
 - and
- Call meetings of the independent directors, as appropriate.

The Board believes that the current leadership structure is the right corporate governance structure for the Company at this time, because it most effectively utilizes Mr. Myers’ experience and knowledge concerning the Company and because the Guidelines provide for an independent Lead Director (Mr. Kimball) and the full involvement of the independent members of the Board in the Board’s regular operations and decision making.

Mandatory Resignation Policy. In March 2014, the Board amended the Guidelines to include a provision providing that any nominee for director in an uncontested election who receives a greater number of votes “withheld” from his or her election than votes “for” such election (a “Majority Withheld Vote”) is expected to tender his or her resignation as a director. The Board shall nominate for election or re-election as director only candidates who agree to tender, promptly following the annual meeting at which they are elected or re-elected as director, irrevocable resignations that will be effective upon (i) the director receiving a Majority Withheld Vote at the next annual meeting at which he or she stands for election or re-election and (ii) Board acceptance of such resignation. In addition, the Board shall fill director vacancies and new directorships only with candidates who agree to tender, promptly following their appointment to the Board, the same form of resignation tendered by other directors in accordance with this Board policy.

If an incumbent director receives a Majority Withheld Vote, the Nominating and Corporate Governance Committee will act on an expedited basis to determine whether to accept the director’s resignation and will submit such recommendation for prompt consideration by the Board. The Board expects the director whose resignation is under consideration to abstain from participating in any decision regarding that resignation. The Nominating and Corporate

Governance Committee and the Board may consider any factors they deem relevant in deciding whether to accept a director's resignation. Thereafter, the Board will promptly disclose its decision-making process and decision regarding whether to accept the director's resignation offer (or the reasons for rejecting the resignation offer, if applicable) in a Form 8-K furnished to the Securities and Exchange Commission.

Executive Sessions. During the 2016 fiscal year, the Board held three executive sessions in which only the independent directors were present. As provided in the Guidelines, these meetings were chaired by Mr. Kimball, as the Lead Director. At least two executive sessions are held each year in conjunction with regularly scheduled meetings of the Board.

No Hedging or Pledging of Company Stock. In June 2014, the Board of Directors amended the Company's stock trading policy to prohibit the "hedging" of Company stock and other short-term or speculative transactions by directors and officers. The revised policy also generally prohibits the pledging of Company stock by directors and officers or holding Company stock in a margin account, unless approved in advance by the compliance officer designated under the policy.

Stock Ownership. The Guidelines provide that directors should acquire at least 5,000 shares of Common Stock within three years of joining the Board, and should employ reasonable, good faith efforts thereafter to maintain share holdings of at least that amount. For this purpose, unvested restricted stock unit awards are included in determining the number of shares held, but shares subject to stock options are not.

The Board also has approved stock ownership requirements for the Chief Executive Officer, executive officers and other Company officers, under which they are required to acquire and maintain direct ownership of shares equal to a multiple of their base salary, as follows:

Position	Value of Shares
CEO	4x base salary
Senior Vice Presidents	3x base salary
Vice Presidents	2x base salary

For this purpose, unvested restricted stock unit awards may be counted towards the share ownership requirement, but stock options may not be included. Vested shares held in the Casey's 401(k) plan may be counted toward the ownership requirement. An officer's stock ownership requirement is measured as of the last business day of each fiscal year, taking into account the fair market value of shares of Common Stock and the officer's base salary as of that date. Officers are required to achieve the applicable ownership requirement within five years from May 1, 2013 or the date of their promotion to the position that is subject to the ownership requirement, whichever comes later.

Limits on Board Service. Members of the Board may not serve on more than two other public company boards. In addition, service on the boards of not-for-profit organizations or other entities that may require a similar time commitment must be disclosed and acceptable to the Board.

Recapture of Incentive Payments. The Board has adopted a policy that enables the Company to seek reimbursement of any annual incentive payment or equity award made to an executive officer whenever (i) the payment was based upon achieving certain financial results that were subsequently the subject of a substantial or material restatement of the Company's financial statements (other than a restatement caused by a change in applicable accounting rules or interpretations), (ii) the Board of Directors determines that the executive officer engaged in intentional misconduct that caused or substantially caused the need for the restatement, and (iii) a lower payment would have been made to the executive officer based on the restated financial results. In each such instance, the Company will, to the extent practicable, seek to recover from the individual executive officer the amount by which the incentive payments for the relative period exceeded the lower payment that would have been made based on the restated financial results.

THE BOARD OF DIRECTORS AND ITS COMMITTEES

Members of the Board are kept informed of the Company's business through discussions with the Chief Executive Officer, by reviewing materials provided to them, and by participating in Board and committee meetings. At intervals between formal meetings, members of the Board are provided with various items of information regarding the Company's operations and are frequently consulted on an informal basis with respect to pending business.

Directors are expected to attend all Board meetings and meetings of the committees on which they serve and each annual shareholders meeting. The Board of Directors held eight meetings during the fiscal year ended April 30, 2016 (the "2016 fiscal year"). Each incumbent director attended 75% or more of the aggregate number of Board meetings and meetings of committees on which the director served. All of the incumbent members of the Board of Directors attended last year's annual meeting of shareholders, except Mr. Lamberti.

Director Independence

In making independence determinations, the Board of Directors observes the criteria for independence set forth in the Nasdaq Listing Standards. Consistent with these criteria, the Board considers all relationships and material transactions between the Company and the director-nominees (and any affiliated companies), and has affirmatively determined that Ms. Bridgewater, Mr. Danos, Mr. Horak, Mr. Kimball, Mr. Lamberti, Mr. Wilkey and Ms. Renda are independent within the meaning of the Nasdaq Listing Standards. As such, a substantial majority of the Board of Directors is considered "independent" as so defined.

In reaching this conclusion, the Board of Directors considered that Mr. Lamberti's father, Donald F. Lamberti, was a co-founder of the Company and that he receives payments from the Company under the Non-Qualified Supplemental Executive Retirement Plan (which the Board determined to be non-discretionary retirement compensation), and concluded that such interests were not material or would not interfere with the exercise of Mr. Lamberti's independent judgment in carrying out his responsibilities as a director.

Board Committees

The Bylaws establish four standing committees of the Board of Directors: the Executive Committee, the Audit Committee, the Compensation Committee and the Nominating and Corporate Governance Committee. In addition, the Bylaws authorize the Board of Directors to establish other committees for selected purposes.

Executive Committee

The Executive Committee presently consists of Mr. Myers (Chair), Mr. Handley, Mr. Kimball and Mr. Lamberti. The Executive Committee is authorized, within certain limitations set forth in the Bylaws, to exercise the power and authority of the Board of Directors between meetings of the full Board. The Executive Committee met once during the 2016 fiscal year.

Audit Committee

The Audit Committee presently consists of Ms. Bridgewater (Chair), Mr. Danos, Mr. Horak and Ms. Renda, all of whom are "independent" under the criteria established by the SEC and the Nasdaq Listing Standards. The Board of Directors has approved the designation of Ms. Bridgewater as an "audit committee financial expert" as that is defined under Item 407(d)(5) of SEC Regulation S-K.

The Audit Committee performs the duties set forth in its written Charter (which is available on the Company's website—www.caseys.com). Under its Charter, the Audit Committee is directly responsible for the appointment, termination, compensation and oversight of the independent public accounting firm it retains to audit the Company's books and records. The Audit Committee regularly reports to the Board on the audit and the non-audit activities of the auditors, approves all audit engagement fees and pre-approves any non-audit engagement and compensation of the independent auditors.

The Audit Committee meets regularly (typically five times) each year with financial management personnel, internal accounting and auditing staff and the independent auditor. During these meetings, the Audit Committee also meets separately in executive sessions with the internal auditing staff and the independent auditor. The Audit Committee met six times during the 2016 fiscal year. The report of the Audit Committee is included herein on page 42.

Compensation Committee

The Compensation Committee presently consists of Mr. Horak (Chair), Mr. Kimball, and Ms. Renda, all of whom are “independent” under the Nasdaq Listing Standards. The Compensation Committee annually reviews the performance of the

9

Table of Contents

Chief Executive Officer and reviews management's evaluation of the performance of the Company's senior officers and their compensation arrangements, and makes recommendations to the Board of Directors concerning the compensation of the Chief Executive Officer and the Company's senior officers. The Compensation Committee's determination (and its deliberations) of the Chief Executive Officer's compensation are done in executive session, without the presence of management, including the Chief Executive Officer. The Chief Executive Officer may make recommendations regarding the compensation of executive officers and participate in such deliberations but shall not vote to approve or recommend any form of compensation for such executive officers. During the 2016 fiscal year, the Compensation Committee negotiated an employment agreement with Mr. Handley with respect to his service as Chief Executive Officer and recommended its approval by the Board. The Compensation Committee also administers the 2009 Stock Incentive Plan, which was approved by the shareholders at the 2009 annual meeting of shareholders, and authorizes awards of stock options, restricted stock units and restricted stock to the executive officers and other key employees under that Plan. From time to time, the Compensation Committee also makes recommendations to the Board regarding the compensation of directors.

As set forth in its written Charter (which is available on the Company's website—www.caseys.com), the Compensation Committee has authority to retain and terminate executive compensation consulting firms to advise the Compensation Committee and, from time to time, retains compensation consultants to assist with the Compensation Committee's review and development of its compensation recommendations. As described on page 40, the Compensation Committee recently engaged a consultant to assist with a review of current director compensation. The Compensation Committee met nine times and acted three times by unanimous consent during the 2016 fiscal year. The report of the Compensation Committee is included herein on page 26.

No member of the Compensation Committee is or has been an officer or employee of the Company or had any relationship that is required to be disclosed as a transaction with a related party.

Nominating and Corporate Governance Committee

The Nominating and Corporate Governance Committee presently consists of Mr. Wilkey (Chair), Mr. Danos, and Mr. Kimball all of whom are "independent" under the Nasdaq Listing Standards. The Nominating and Corporate Governance Committee generally reviews the qualifications of candidates proposed for nomination to the Board of Directors, recommends to the Board candidates for election at the annual meeting of shareholders, recommends to the Board corporate governance policies or guidelines that should be applicable to the Company, leads the Board in a periodic review of the Board's performance, and performs other duties set forth in its written Charter (which is available on the Company's website—www.caseys.com). The Nominating and Corporate Governance Committee met two times during the 2016 fiscal year.

The Nominating and Corporate Governance Committee will consider nominees recommended by shareholders if they are submitted in accordance with the Bylaws. Briefly, the Bylaws contain specific advance notice procedures relating to shareholder nominations of directors and other business to be brought before an annual or special meeting of shareholders other than by or at the direction of the Board of Directors. Under the Bylaws, in order for a shareholder to nominate a director candidate for election at an annual meeting of shareholders, the shareholder must deliver written notice thereof to the Corporate Secretary not less than 90 days nor more than 120 days prior to the first anniversary date of the date of the immediately preceding annual meeting of shareholders. In the case of shareholder nominations to be considered at the 2017 annual meeting, therefore, such notice must be received by the Corporate Secretary by no earlier than May 19, 2017 and no later than June 18, 2017. The notice must set forth certain information concerning such shareholder and the shareholder's nominee(s), including but not limited to their names and addresses, occupation, share ownership, rights to acquire shares and other derivative securities or short interests held, a representation that the shareholder is entitled to vote at such meeting and intends to appear in person or by proxy at the meeting to nominate the person or persons specified in the notice, a description of all arrangements or understandings between the shareholder and each nominee, such other information as would be required to be included in a proxy statement pursuant to the proxy rules of the SEC had the nominee(s) been nominated by the Board of Directors, and the consent of each nominee to serve as a director of the Company if so elected. The chairman of the meeting may refuse to acknowledge the nomination of any person not made in compliance with the provisions of the

Bylaws. A copy of the Bylaws may be obtained by request addressed to Julia L. Jackowski, Senior Vice President—General Counsel and Corporate Secretary, Casey's General Stores, Inc., P.O. Box 3001, One Convenience Blvd., Ankeny, Iowa 50021-8045.

The Charter sets forth, among other things, the minimum qualifications that the Nominating and Corporate Governance Committee believes must be met by a Committee-recommended nominee, and the specific qualities or skills that the Nominating and Corporate Governance Committee believes are necessary for one or more of the Company's directors to possess. In considering individuals for nomination as directors, the Nominating and Corporate Governance Committee typically solicits recommendations from the current directors and is authorized to engage search firms to assist in the process, although it has not done so to date.

Table of Contents

The Nominating and Corporate Governance Committee considers a number of factors in making its nominee recommendations to the Board, including, among other things, a candidate's employment and other professional experience, past expertise and involvement in areas which are relevant to the Company's business, business ethics and professional reputation, independence, other board experience and the Company's desire to have a Board that represents a diverse mix of backgrounds, perspectives and expertise.

The Company does not have a formal policy for considering diversity in identifying and recommending nominees for election to the Board, but the Nominating and Corporate Governance Committee considers diversity of viewpoint, experience, background and other qualities in its overall consideration of nominees qualified for election to the Board.

Succession Planning Committee
In December 2008, the Board of Directors established a Succession Planning Committee, with Mr. Danos serving as its Chair, to regularly review succession planning for the Chief Executive Officer and other executive officer positions, and to make recommendations to the Board with respect to such matters. Other members of the Succession Planning Committee include Messrs. Kimball, Lamberti, Wilkey and Horak. The Succession Planning Committee met three times during the 2016 fiscal year.

Risk Committee

In June 2016, the Board created a Risk Committee for the purpose of assisting the Board in overseeing management's identification and evaluation of the Company's principal operational and business risks, including the Company's risk management framework and the policies, procedures and practices employed to manage those risks. Mr. Lamberti was appointed as the initial Chair of the Risk Committee, with Ms. Renda and Mr. Wilkey as the other initial members.

The Risk Committee is expected to meet quarterly and at least twice each year with the Audit Committee to discuss areas of common interest and significant matters, including but not limited to the Company's risk assessment and risk management policies and any major regulatory enforcement actions or litigation.

Board's Role in Risk Oversight

Risk assessment and risk management are the responsibility of the Chief Executive Officer and the Company's management. The Board retains oversight responsibility over the Company's key strategic risks, information security risks and regulatory compliance risks. The Board meets regularly with the executive officers to discuss strategy and risks facing the Company, and each quarter receives presentations from the executive officers on business operations, financial results and strategic issues, including the identification, assessment and management of critical risks and management's risk mitigation strategies. In addition, the Board and executive officers hold an annual strategic planning retreat to discuss strategies, key challenges and risks and opportunities for the Company. An enterprise risk manager has been appointed (reporting to the General Counsel) and leads a working group (comprised of senior management and other key personnel) to provide recommendations to the Chief Executive Officer for further action, with periodic progress reports on the same being provided to the Board of Directors. Areas of focus include cyber-security, competitive, economic, operational, financial, legal, regulatory, compliance, health, safety and environment, political and reputational risks.

The different Board committees also provide assistance to the Board in fulfilling its oversight responsibilities in certain areas of risk. The Risk Committee's responsibility is to provide oversight and to engage management and the Board with regard to the Company's principal operating and business risks. The Audit Committee assists the Board in fulfilling its oversight responsibilities with respect to financial reporting, internal controls, and financial risks. The Compensation Committee assists the Board in fulfilling its oversight responsibilities with respect to the management of risks arising from the the Company's compensation policies and practices, including overseeing the development of stock ownership guidelines, the annual incentive compensation program and incentive recapture policies. The Nominating and Corporate Governance Committee assists the Board in fulfilling its oversight responsibilities with respect to the management of risks associated with Board and committee membership and structure and the monitoring of corporate governance issues and the development of recommendations to address evolving best practices in those areas. All of these committees report back to the full Board as to the committee's activities and matters discussed and reviewed at the committee meetings. In addition, all Board members are encouraged to

participate in external director education courses to keep apprised of current issues, including evolving areas of risk.
Shareholder Communications

It is the general policy of the Board that management speaks for the Company. To the extent shareholders would like to communicate with a Company representative, they may do so by contacting William J. Walljasper, Senior Vice President and

Any shareholder wishing to communicate with one or more Board members should address a written communication to Diane C. Bridgewater, Chair of the Audit Committee, at Capital Square, 400 Locust Street, Suite 820, Des Moines, Iowa 50309-2334. Ms. Bridgewater will forward such communication on to all of the members of the Board, to the extent such communications are deemed appropriate for consideration by the Board.

COMPENSATION DISCUSSION AND ANALYSIS

The following were our “named executive officers” for the 2016 fiscal year: Robert J. Myers, Chairman and Chief Executive Officer; Terry W. Handley, President and Chief Operating Officer; William J. Walljasper, Senior Vice President and Chief Financial Officer; Sam J. Billmeyer, Senior Vice President—Logistics & Acquisitions; and Julia L. Jackowski, Senior Vice President—Corporate General Counsel and Secretary. As previously described, Mr. Myers retired as Chief Executive Officer on April 30, 2016, and Mr. Handley assumed the office of Chief Executive Officer on May 1, 2016. Mr. Billmeyer also retired on June 30, 2016. In this section, the word “Committee” refers to the Compensation Committee of the Board of Directors.

Executive Compensation Strategy and Objectives

Our executive compensation policies are designed to attract, motivate and retain executives who will contribute to the long-term success of the Company and to reward executives for achieving both short-term and long-term strategic goals of the Company. We also believe it is important to align the interests of the executives with those of our shareholders. In order to achieve these objectives, a significant portion of the compensation of our named executive officers is linked directly to the Company’s financial performance and to the value of the Common Stock. The Board’s goal is to approve compensation that is reasonable and competitive when all elements of potential compensation are considered.

Role of the Board, the Committee and our Chief Executive Officer in Compensation Decisions for our Named Executive Officers

The Board is responsible for approving base salary increases for each of our named executive officers and approving the performance goals under our annual incentive compensation program. With respect to our named executive officers, the Committee is charged with recommending base salary increases for the Board’s consideration, determining the terms of the annual incentive compensation program and approving grants of restricted stock units, restricted stock or stock options. Our Chief Executive Officer is tasked with developing recommendations for the Committee’s consideration for base salary increases and equity grants for our named executive officers (other than increases in his own base salary and equity grants to himself, which are determined solely by the Committee).

Components of Compensation

As in prior years, our compensation program for the 2016 fiscal year had four primary components: base salary; annual incentive compensation; long-term incentive compensation in the form of restricted stock units; and benefits. A significant portion of a named executive officer’s compensation is placed at risk, and the only fixed compensation paid is base salary and benefits. The remaining total compensation (annual and long-term incentive compensation) for our named executive officers is not guaranteed and the value to each executive officer is based on the Company’s and the executive’s performance. We believe that this mix of compensation elements appropriately balances short-term and long-term business goals and aligns the interests of our named executive officers with our shareholders.

Base Salary

Base salaries for executive officers of the Company are determined primarily on the basis of each executive officer’s experience, performance and individual responsibilities. Each fiscal year, our Chief Executive Officer reviews the base salaries of the other senior officers, including our named executive officers, in connection with their performance reviews. The Chief Executive Officer is assisted in this review by the Senior Vice President of Human Resources, which includes consideration of internal pay equity within the Company and comparisons with publicly available information from a variety of sources relating to compensation levels for executives serving in comparable roles at other companies. Based on such reviews, our Chief Executive Officer develops his recommendations for the individual base salaries for all of the senior officers, including our named executive officers, and provides his recommendations to the Committee. The Committee considers our Chief Executive Officer’s recommendations and then recommends the new base salaries for the senior officers, including our named executive officers, to the Board for approval in June of each fiscal year.

Mr. Myers’ base salary for the 2016 fiscal year was \$1,125,000, reflecting just over a 7% increase from the amount of his base salary for the fiscal year ended April 30, 2015. Mr. Handley received a \$70,000 increase in base salary for the

2016 fiscal year. Mr. Walljasper and Mr. Billmeyer received a \$30,000 increase their base salaries for the 2016 fiscal year. Ms. Jackowski received a \$40,000 increase in her base salary for the 2016 fiscal year. These increases, which were all approved in June 2015, were based on the information and surveys provided by the Senior Vice President of Human Resources, and the subjective views of our Chief Executive Officer, the Committee, and the Board, which were primarily influenced by each executive officer's recent performance and contribution to the Company's success, as described above.

Annual Incentive Compensation Program

Overview

The senior officers of the Company, including our named executive officers, participate in an annual incentive compensation program. The purpose of the program is to reward the efforts made by the Company's senior officers during the fiscal year toward the Company's achievement of certain performance goals. The Committee believes that it is important for the senior officers to function as a cohesive team, and therefore establishes the performance goals on the basis of the Company's performance as a whole and not with a focus on individual or divisional areas of responsibility. Accordingly, the program is based on the Company's performance against two financial metrics: diluted earnings per share and return on invested capital ("ROIC"). A minimum, target and maximum goal is set for each financial metric and, based on the actual achievement of each metric, as well as the relative weighting between the two metrics, each senior officer is eligible to receive a bonus calculated as a percentage of base salary at the end of each year.

Financial Metrics

The Company links the annual incentive compensation program to diluted earnings per share and ROIC because each metric is closely tied to the execution of strategic business objectives and together are designed to increase shareholder value.

Earnings per share: The growth of diluted earnings per share is related to the growth of shareholder value and is an important measure used by the investing community to evaluate our financial performance. Long-term sustained growth should positively impact our share price and market capitalization.

Return on invested capital: For purposes of the annual incentive compensation program, ROIC is calculated based on the following formula: operating income after depreciation and tax divided by average invested capital for the current and prior fiscal year.* Since the Company has been striving to enlarge its operating footprint, in particular by constructing new stores and acquiring convenience stores from other operators, the Committee believes that ROIC is a useful measure of management's effectiveness in creating value for our shareholders by gaging the Company's returns on capital expenditures.

* Below is a reconciliation of these measures, which are not measures under United States generally accepted accounting principles ("GAAP"), to the GAAP measures from the Company's audited financial statements.

Setting Goals

At the beginning of each fiscal year, our management team prepares its annual strategic business goals and objectives in an operating plan for the Company that is reviewed by the Committee. The strategic business goals and objectives are designed to ensure that our short-term revenue and unit growth objectives are met or exceeded in a manner that is consistent with long-term shareholder value creation.

The Committee estimates the financial results for the fiscal year that would result from meeting the operating plan in terms of diluted earnings per share and ROIC. These pro forma financial results become the target performance levels for each of these financial metrics under the annual incentive compensation program. The goals for these financial metrics are set in increments, which include a minimum and maximum level, below and above the target performance level set by the Committee. In making the annual determination of the minimum, target and maximum performance levels, the Committee also considers the specific circumstances facing the Company during the year and expectations regarding diluted earnings per share and Company performance. The Committee then submits these goals and objectives to the Board for approval, typically in June.

The relative weighting of each of these financial metrics for the 2016 fiscal year was 75% for diluted earnings per share and 25% for ROIC. This relative weighting is consistent with the Company's past practice and was chosen by the Committee in order to supplement a shorter-term financial metric (diluted earnings per share) with a financial metric that encompasses a longer-term perspective (ROIC).

The chart below summarizes the relative weighting of the financial metrics and performance goals of each metric for the 2016 fiscal year:

2016 Annual Incentive Performance Goals

Metric	Weighting	Goals										
		A (Minimum)	B	C	D	E	F (Target)	G	H	I	J (Maximum)	
Diluted												
Earnings per Share	75 %	\$4.64	\$4.67	\$4.70	\$4.73	\$4.77	\$4.80	\$4.83	\$4.86	\$4.89	\$4.95	
ROIC	25 %	11.6 %	11.7 %	11.7 %	11.8 %	11.9 %	11.9 %	12.0 %	12.0 %	12.1 %	12.3 %	

The Committee seeks to adopt target goals that can be achieved with consistent superior performance throughout the year. The Committee determines a range of goals that will result in the payment of a bonus, with minimum and maximum goals, so that both exceptional results above the target goal and results that are slightly less than the target goal, but which still represent acceptable performance, are rewarded to some extent. During each of the past three fiscal years, the Company achieved performance in excess of the minimum levels necessary for our named executive officers to receive a bonus.

Payout Levels

Based upon the Company's achievement of the diluted earnings per share and ROIC goal levels, each participant in the incentive compensation program was eligible to earn a bonus in an amount equal to the applicable percentage of base salary set forth in the table below. In the 2016 fiscal year, the target for the incentive compensation award was 60% of base salary, with a maximum award of 100% of base salary, to be paid in the form of both cash and equity (with the equity being in the form of restricted stock subject to a three-year holding requirement). The Committee chose these levels of bonus payments to ensure that a significant portion of each named executive officer's cash compensation would be tied to the financial performance of the Company.

2016 Fiscal Year Results

For the 2016 fiscal year, the range in diluted earnings per share approved by the Board in June 2015 that would result in the payment of an annual bonus was \$4.64 to \$4.95. In the case of ROIC, the approved range extended from 11.6% to 12.3%. The Company reported actual diluted earnings of \$5.73 per share for the 2016 fiscal year and achieved 13.8% for ROIC for the 2016 fiscal year. As a result, the awards earned under the annual incentive plan for the 2016 fiscal year were equal to 100% of base salary, of which 30% was distributed as cash and 70% in the form of restricted stock (subject to a three-year holding requirement).

Long-term Incentive Compensation

Stock options, restricted stock and restricted stock unit awards may be granted to executive officers and other key employees of the Company under the terms of the 2009 Stock Incentive Plan. Prior to the adoption of the 2009 Stock Incentive Plan, the Company granted stock options under the 2000 Stock Option Plan. The 2009 Stock Incentive Plan and the 2000 Stock Option Plan were designed to assist the Company in attracting, retaining and motivating executive officers and other key employees, and to align the interests of the executive officers and other key employees with those of our shareholders.

The Company historically granted stock options as a long-term incentive, and only every other year (i.e., 2007, 2009 and 2011) because of the Committee's belief that stock options were a long-term incentive and that it was not necessary to grant stock options each year. More recently, beginning in 2013, the Committee has authorized an annual award of restricted stock units (subject to a three-year vesting period) to the executive officers and other key employees as a long-term incentive. As described under "Recent Executive Compensation Decisions" on page 25, the Committee presently intends to continue that practice and award restricted stock units to the executive officers and other key employees in each future year, in lieu of its former practice of making awards of stock option grants every other year.

Benefits and Perquisites

With limited exceptions, the Committee's policy is to provide benefits to executive officers that are the same as those offered to all employees of the Company. We provide comprehensive health benefits, as well as life insurance and a disability program for all benefits-eligible employees, including our named executive officers. In addition, we offer retirement benefits to a broad employee population including our named executive officers.

We generally provide limited perquisites that the Committee believes are important components of each named executive officer's compensation and benefits package. We pay the premiums for long-term disability and group life insurance coverages for all our named executive officers in order to provide financial security to each named executive officer and his or her dependents in the event of disability or death. Under the employment agreement with Mr. Myers, we agreed to maintain a 10-year level premium term life insurance policy with a death benefit of \$1,000,000 that insures the life of Mr. Myers and is payable upon his death to a beneficiary designated by him. We assigned ownership of such policy to Mr. Myers following his retirement on April 30, 2016, as our agreement allowed. Mr. Myers will henceforth be responsible for the payment of the associated premiums.

Table of Contents

Our named executive officers and other members of senior management also are provided with Company-owned automobiles because they are expected to devote some portion of their time to business-related travel. These employees are subject to applicable employment-related taxes for their personal use of these automobiles.

We own two corporate aircraft for the exclusive business use of our employees, including but not limited to our named executive officers. Personal use of the aircraft are not permitted under Company policy.

Employment and Change of Control Severance Agreements

As noted above, we are a party to an employment agreement with Mr. Myers, under which he agreed to serve as Chief Executive Officer through April 30, 2016. The Company has entered into an employment agreement with Mr. Handley with respect to his service as Chief Executive Officer, which took effect on May 1, 2016, but has not entered into employment agreements with any other named executive officer.

We maintain change of control severance agreements with each of our named executive officers and eleven other officers. The purpose of these change of control severance agreements is to encourage such individuals to carry out their duties in the event of a possible change of control of the Company.

For a description of the employment agreement with Mr. Myers and these change of control severance agreements, please see “Executive Compensation—Narrative to the Summary Compensation Table and the Grants of Plan-Based Awards Table”.

Retirement Arrangements

All executives are eligible to participate in the 401K Plan under the same terms and conditions as other salaried employees.

Mr. Myers is entitled to a pension benefit under his employment agreement. For a description of this pension benefit, please see the “Narrative to the Summary Compensation Table and the Grants of Plan-Based Awards Table” on pages 28-32.

The Company also maintains the Executive Nonqualified Excess Plan (the “Deferred Compensation Plan”), a nonqualified deferred compensation plan that is described under “Executive Compensation—Nonqualified Deferred Compensation” on page 33. The purpose of the Deferred Compensation Plan is to enable the participants, including our named executive officers, to defer a portion of their income without the limitations imposed by the Internal Revenue Code on deferrals under the 401K Plan.

Additional Compensation Policies

Deductibility of Compensation for Tax Purposes

We periodically review the terms of the employment arrangements with the executive officers and from time to time consider modifications to the same. We also are aware of the statutory limitations placed on the deductibility of compensation in excess of \$1 million which is earned by an executive officer in any year that is not considered to be “performance-based.” However, shareholder interests are at times best served by not restricting the Committee’s discretion and flexibility in developing compensation programs, even though the programs may result in non-deductible compensation expenses. Accordingly, the Committee may from time to time approve elements of compensation for certain officers that are not fully deductible.

Option Grants

In March 2007, the Board adopted a policy providing that grants of stock options can only be approved by the Committee at an in-person or telephonic meeting and may not be approved by written consent. In addition, stock options can be granted only within a two-week period following the release of the Company’s annual financial results in June and only if directors are not at that time in possession of material non-public information about the Company. Under the policy, the grant date of stock options is the date of the meeting when the grant is approved. All stock options must be granted with an exercise price equal to the closing price of the Common Stock on the Nasdaq Global Select Market on the grant date. Details of every stock option grant must be reflected in Committee minutes, and the Corporate Secretary must verify that grant documents are consistent with the grants authorized by the Committee and memorialized in the minutes.

Committee Consideration of Results of Advisory Shareholder Vote

At the 2015 annual meeting, our executive compensation program received the support of over 98% of the shares voted at that meeting. The Committee has considered the results of this advisory vote and views the outcome as evidence of shareholder

21

support of our executive compensation decisions and policies. Accordingly, the Committee has substantially maintained its executive compensation policies for the 2016 fiscal year. The Committee will continue to review shareholder votes on our executive compensation program and consider whether any changes to the program are warranted in light of the voting results.

Recent Executive Compensation Decisions

Since the close of the 2016 fiscal year, which coincided with the retirement of Mr. Myers, the Board has approved salary increases for the fiscal year ending April 30, 2017 (the “2017 fiscal year”) for the named executive officers. Mr. Handley received a \$130,000 increase in salary, Mr. Walljasper received a \$30,000 increase in salary, and Ms. Jackowski received a \$50,000 increase in salary.

On June 3, 2016, the Compensation Committee awarded 3,250 restricted stock units to certain members of the named executive officers (9,750 in total as none were issued to Mr. Myers or Mr. Billmeyer after retirement), and an aggregate of 101,400 restricted stock units to other officers and key employees. These awards will vest in full on June 3, 2019. As described above, the Committee presently intends to make annual awards of restricted stock units to the named executive officers and other key employees in each future year, in lieu of its former practice of making stock option grant awards every other year.

The Board has approved an annual incentive compensation plan for the 2017 fiscal year, with a similar structure as that used in the fiscal 2016 plan, and the Committee has set the target performance levels for earnings per share and ROIC. The executive officers will be eligible to receive a target amount equal to 60% of base salary, with an opportunity for up to 100% of base salary if the Company exceeds the target performance levels for earnings per share and ROIC. The awards, if made, will be comprised of a mix of cash and equity (restricted stock), with the portion paid in equity increasing from 25% at the minimum payout level up to 70% equity at the maximum payout level.

COMPENSATION PROGRAMS AND RISK MANAGEMENT

The Compensation Committee has considered whether any of its compensation programs and policies are reasonably likely to have a material adverse effect on the Company. The Company's compensation programs and policies mitigate risk by combining performance-based, long-term compensation elements with payouts that are highly correlated to the value delivered to shareholders. The combination of performance measures for annual bonuses and the equity compensation programs, maximum potential bonus payments, as well as the multi-year vesting schedules for restricted stock units, encourage employees to maintain both a short- and a long-term view with respect to Company performance. For these reasons, the Committee has determined that its compensation programs and policies are not reasonably likely to have a material adverse effect on the Company.

Narrative to the Summary Compensation Table and the Grants of Plan-Based Awards Table
Myers Employment Agreement

Mr. Myers served as Chief Executive Officer of the Company during the 2016 fiscal year under an employment agreement entered into on April 16, 2010, and amended on December 18, 2012. The agreement generally provided for the continued employment of Mr. Myers as President and Chief Executive Officer through April 30, 2017 (the “Term”), unless sooner terminated in accordance with the employment agreement. As noted previously, Mr. Myers retired on April 30, 2016. The agreement provided that during the Term, the Company will pay Mr. Myers a base salary at an annual rate of \$660,000, or such other greater amount as shall be determined by the Committee (during the 2016 fiscal year, Mr. Myers was paid a base salary of \$1,125,000). Mr. Myers also was eligible to participate in all employee benefit plans and programs generally available to the Company’s senior officers and employees. In addition, the Company continued in force a 10-year level premium term life insurance policy with a death benefit of \$1,000,000 that insures the life of Mr. Myers, and that is payable upon his death to a beneficiary designated by him. The Company assigned ownership of such policy to Mr. Myers following his retirement and Mr. Myers is now responsible for the payment of the associated premiums.

Commencing on January 1 of the year following termination of Mr. Myers’ employment and continuing for a period of ten years thereafter or until the death of Mr. Myers and his spouse, if earlier, the Company will pay an annual retirement benefit to Mr. Myers (or his spouse, in the event of his death during said period) equal to one-half of the average of his base salary (not including any bonus payments) for the last three years of his employment by the Company as President and Chief Executive Officer, but such amount will not exceed \$330,000 per year.

The employment agreement also contains provisions requiring Mr. Myers to maintain in confidence any confidential information and trade secrets of the Company obtained by him during the term of the agreement, and also restricts his employment in competition with the Company for a period of ten years following his termination of employment with the Company.

If Mr. Myers' severance subjects him to a golden parachute excise tax, he is not entitled to any "gross-up" to reimburse him for the excise tax. Furthermore, the Company may reduce any payment if it would be non-deductible by the Company for

federal income tax purposes because of Section 280G of the Internal Revenue Code. As a result of Section 409A of the Internal Revenue Code, severance payments may be delayed for six months after termination of employment.

Change of Control Severance Agreements

We maintain change of control severance agreements with all of our named executive officers and eleven other officers. Under the terms of these agreements, upon termination within two years following a “change of control” of the Company for (a) reasons other than “cause”, death or disability or (b) by the executive for “good reason”, the executive would become entitled to receive certain payments and benefits. Upon such a termination of employment, the executive will be entitled to the following: (i) a lump sum cash severance payment in an amount equal to the sum of (w) to the extent not already paid, the executive’s base salary through the date of termination, (x) a pro rata portion of the highest annual bonus received by the executive during the two preceding years, (y) three times the sum of the executive’s annual base salary and the highest annual bonus received by the executive during the two preceding years and (z) in the case of compensation previously deferred by the executive, all amounts previously deferred (together with any accrued interest thereon) and not yet paid by Casey’s, and any accrued vacation pay not yet paid by Casey’s; and (ii) continuation of benefits, including health insurance and life insurance, for the executive and/or the executive’s family for two years (or such longer period as any plan, program, practice or policy may provide). If any of the severance subjects a named executive officer to a golden parachute excise tax, he or she is not entitled to any “gross-up” to reimburse him or her for the excise tax. Furthermore, the Company may reduce any payment if it would be non-deductible by the Company for federal income tax purposes because of Section 280G of the Internal Revenue Code. The Company may defer any termination payments for six months if the amount payable is determined by the Company to be deferred compensation, the payment of which is required to be delayed pursuant to the six month delay rule of Section 409A of the Internal Revenue Code of 1986, as amended.

The change of control severance agreements contain the following definitions:

“cause” means (i) an act or acts of personal dishonesty taken by the employee and intended to result in substantial personal enrichment of the employee at the expense of the Company, (ii) repeated violations by the employee of the employee’s obligations under the agreement which are demonstrably willful and deliberate on the employee’s part and which are not remedied in a reasonable period of time after receipt of written notice from the Company or (iii) the conviction of the employee of a felony.

“change of control” means (i) the acquisition (other than from the Company) by any person, entity or “group”, within the meaning of Section 13(d)(3) or 14(d)(2) of the Exchange Act (excluding, for this purpose, the Company or its subsidiaries, or any employee benefit plan of the Company or its subsidiaries which acquires beneficial ownership of voting securities of the Company), of beneficial ownership (within the meaning of Rule 13d-3 promulgated under the Exchange Act), of 20% or more of either the then outstanding shares of Common Stock or the combined voting power of the Company’s then outstanding voting securities entitled to vote generally in the election of directors, unless such beneficial ownership was acquired as a result of an acquisition of shares of Common Stock by the Company which, by reducing the number of shares outstanding, increases the proportionate number of shares beneficially owned by such person, entity or “group” to 20% or more of the Common Stock then outstanding; provided, however, that if a person, entity or “group” becomes the beneficial owner of 20% or more of the Common Stock then outstanding by reason of share purchases by the Company and, after such share purchases by the Company, becomes the beneficial owner of any additional shares of Common Stock, then such person, entity or “group” will be deemed to have acquired beneficial ownership of 20% or more of the Common Stock; or (ii) individuals who, as of the date of the change of control severance agreement, constitute the Board of Directors (the “Incumbent Board”) cease for any reason to constitute at least a majority of the Board, provided that any person becoming a director subsequent to the date of the change of control severance agreement whose election, or nomination for election by the Company’s shareholders, was approved by a vote of at least a majority of the directors then comprising the Incumbent Board (other than an election or nomination of an individual whose initial assumption of office is in connection with an actual or threatened election contest relating to the election of the directors of the Company, as such terms are used in Rule 14a-11 of Regulation 14A promulgated under the Exchange Act) will be, for purposes of the change of control severance agreement,

considered as though such person were a member of the Incumbent Board; or (iii) consummation of a reorganization, merger or consolidation to which the Company is a party, in each case, with respect to which persons who were the shareholders of the Company immediately prior to such reorganization, merger or consolidation do not, immediately thereafter, own more than 50% of the combined voting power entitled to vote generally in the election of directors of the reorganized, merged or consolidated company's then outstanding voting securities, or a liquidation or dissolution of the Company or of the sale of all or substantially all of the assets of the Company.

"good reason" means (i) the assignment to the employee of any duties inconsistent in any respect with the employee's position (including status, offices, titles and reporting requirements), authority, duties or responsibilities of such employee, which are set forth in the change of control severance agreement, or any other action by the Company which results in a

diminution in such position, authority, duties or responsibilities; (ii) any failure by the Company to comply with any of the compensation provisions of the change of control severance agreement; (iii) the Company's requiring the employee to be based at any office or location other than location where the employee was employed immediately preceding the date of the change of control; (iv) any purported termination by the Company of the employee's employment otherwise than as expressly permitted by the change of control severance agreement; or (v) any failure by the Company to have a successor expressly assume and perform the change of control severance agreement.

Grant of Plan-Based Awards

In recent years, the named executive officers have been eligible to receive an award under the Company's annual incentive compensation program for each fiscal year. The award has been calculated as a percentage of the executive's base salary and based on the achievement of specific goals for two financial metrics chosen by the Committee and approved by the Board. The target for the incentive compensation award for the 2016 fiscal year was 60% of base salary, with a maximum award of 100% of base salary. For a description of the annual incentive compensation program, and the procedures followed in setting goals and compensation levels, please see "Compensation Discussion and Analysis—Components of Compensation—Annual Incentive Compensation Program".

In June 2011, grants of stock options to purchase the Company's common stock were made under the Company's 2009 Stock Option Plan. For a description of the treatment of the stock options granted to the named executive officers in connection with a termination of their employment or a change of control of the Company, please see "Potential Payments Upon Termination or Change of Control".

The stock options granted in June 2011 could not be exercised for three years from the date of grant and expire 10 years from the date of grant. The restricted stock units awarded to the named executive officers and other key employees in more recent years (2013 through 2016) also have a three-year vesting requirement. The exercise price of the stock options cannot be less than the fair market value of the Company's common stock on the date of grant. In addition, holders of the stock options and restricted stock units do not receive dividends or dividend equivalents or have any voting rights with respect to the shares of the Company's common stock underlying the stock options or restricted stock unit awards.

Pension Benefits

As indicated in the Compensation Discussion and Analysis, the employment agreement between the Company and Mr. Myers provides for payments triggered upon retirement under certain circumstances. The table below indicates the present value of the accrued benefit under any applicable plan for Mr. Myers. None of the other named executive officers have any pension arrangements.

Name	Plan Name	Number of Years Of Credited Service (#) ⁽¹⁾	Present Value of Accumulated Benefit (\$) ⁽²⁾	Payments During Last Fiscal Year (\$)
Robert J. Myers	Employment Agreement ⁽³⁾	—	2,806,175	—

(1) "Years of Credited Service" is not applicable to the benefits payable under the employment agreement with Mr. Myers.

"Present Value of Accumulated Benefit" is calculated as of the same pension plan measurement date used for purposes of the Company's audited financial statements. "Present Value of Accumulated Benefit" is the actuarial (2) present value of accumulated benefits under the plan, determined generally using the same assumptions used for financial statement reporting under GAAP, and is reported as a lump sum regardless of the form of payment under the plan.

(3) Mr. Myers' employment agreement contains a benefit triggered upon his retirement that is described on pages 28 and 29. Mr. Myers' employment agreement does not provide for an offset for Social Security benefits.

Nonqualified Deferred Compensation

Under the Deferred Compensation Plan, certain employees, including the named executive officers, may voluntarily defer up to 20% of their base salary and up to 100% of any bonuses awarded under the Company's incentive compensation program. Unlike our tax-qualified 401K Plan, the participant deferrals under our Deferred

Compensation Plan are not matched by the Company.

Elections to defer a portion of base salary and bonus are made by eligible participants in December of each year for amounts to be deferred in the following year. The Deferred Compensation Plan offers certain employees a deferral feature that can be used to supplement the limited deferrals permitted under our 401K Plan.

Messrs. Myers, Handley and Walljasper and Ms. Jackowski were participants in the Deferred Compensation Plan in the 2016 fiscal year. Details regarding their participation follows.

(1)The Company makes no contributions to deferrals.

(2)None of the earnings were included as compensation in the Summary Compensation Table.

A variety of mutual fund investment alternatives are available in which plan participants can direct their notional investment. The participant's investment return is based on their investment selections. Deferrals are immediately vested. Distributions from the plan are allowed at various times, including termination of employment, death, specified date, disability, change of control and in the event of unforeseen emergency. The Deferred Compensation Plan is unfunded and is not subject to the fiduciary requirements of ERISA.

Table of Contents**POTENTIAL PAYMENTS UPON TERMINATION OR CHANGE OF CONTROL**

The following tables set out the payments that could be paid to the named executive officers upon a termination of their employment. The amounts shown assume that the termination event occurred on or was effective as of April 30, 2016, and thus include amounts earned through such time and are estimates of the amounts which would be paid out to the officer upon his termination. The actual amounts to be paid out can only be determined at the time of actual separation from the Company.

In addition to the amounts shown below, upon termination of employment for any reason, each officer will receive payment of his (i) vested benefits under the Deferred Compensation Plan, (ii) vested account balance under the 401K Plan and (iii) accrued but unpaid vacation.

Mr. Myers retired as Chief Executive Officer on April 30, 2016. Therefore, only the benefits and payments described under the heading "Voluntary Termination-Retirement" in the table below are now applicable and payable to Mr. Myers.

Upon voluntary termination, the Company was obligated to pay salary up to the date of termination. All previously (1) vested options remain exercisable for three months and all unvested options and unvested restricted stock unit awards are forfeited as of the effective date of the voluntary termination.

Upon retirement, the Company was obligated to pay salary up to the date of retirement. The unvested restricted stock unit awards then held by Mr. Myers (described on pg. 27) will vest on their original vesting dates.

Commencing on January 1 of the year following termination of Mr. Myers' employment (i.e. January 1, 2017) and continuing for a period of ten years thereafter or until the death of Mr. Myers and his spouse, if earlier, the (2) Company will pay an annual retirement benefit to Mr. Myers (or his spouse, in the event of his death during said period) equal to one-half of the average of his base salary (not including any bonus payments) for the last three years of his employment by the Company as President and Chief Executive Officer, but such amount will not exceed \$330,000 per year.

(3) Upon death, Mr. Myers' beneficiaries would have received payment of the proceeds of Company provided life insurance. Any unvested restricted stock unit awards on the date of death would vest as of that date.

(4) If Mr. Myers' had become permanently incapacitated by reasons of sickness, accident or other physical or mental disability, as such incapacitation is defined by the Company's Long-Term Disability carrier for a period exceeding 26 weeks during any 12-month period, Mr. Myers's employment agreement would have terminated and he would have been entitled to disability benefits under the Company's Long-Term Disability Plan. If an executive officer

becomes “disabled” as defined in the Company-provided Long-Term Disability Plan, the officer would receive monthly disability payments equal to \$5,000 per month to age 65. Upon termination of employment due to disability, any unvested restricted stock unit awards would vest as of that date.

Upon termination for cause, the Company was obligated to pay salary up to date of termination. If the termination (5) is for deliberate, willful or gross misconduct, all rights to exercise options expire upon the receipt of such notice of termination.

Upon an involuntary termination other than for cause (as defined in the employment agreement), the Company was obligated to pay Mr. Myers his current base salary for a period of 12 months following the date of such (6) termination, conditioned upon Mr. Myers complying with the non-competition and non-solicitation provisions in his employment

agreement and the execution of a release of claims. All previously vested options remain exercisable for three months and all unvested options and unvested restricted stock unit awards are forfeited as of the effective date of the termination.

Upon termination within two years following a change of control for (a) reasons other than cause (as defined in the change of control severance agreement), death or disability or (b) for good reason by Mr. Myers, the Company was obligated to pay (i) salary through; the date of termination and a prorated portion of a calculated bonus amount, (ii) severance equal to three times the sum of current annual base salary and a calculated bonus amount; (7)(iii) compensation previously deferred, including accrued interest; and (iv) continued benefits during the remainder of the two year employment period, including life insurance. The Company may reduce any payment if it would be non-deductible by the Company for federal income tax purposes because of Section 280G of the Internal Revenue Code. In addition, all unexercised stock options and unvested restricted stock unit awards would have become fully vested.

(8) The amounts reported for long-term incentives represent the in-the-money value of restricted stock units that vest as a result of a termination of employment. The in-the-money value of the restricted stock units is calculated based on the closing stock price on April 30, 2016 (\$112.00), the last trading day of the fiscal year. No amount is reported for restricted stock that vested prior to April 30, 2016.

(9) Includes the estimated cost of continued life insurance benefits.

(10) The amount reported for retirement benefits represents the present value, as of April 30, 2016 using a discount rate of 3.8%, of the ten annual payments described in footnote 2 above, which is the vested portion of the aggregate pension benefit that Mr. Myers will receive under his employment agreement as a result of his retirement and termination of employment on April 30, 2016.

Table of Contents**DIRECTOR COMPENSATION**

During the 2016 fiscal year, each director who was not a Company employee was compensated for services as a director in the amount of \$180,000, with equity in the form of restricted stock comprising not less than \$100,000 of that amount. The specific amount to be taken in the form of equity was determined by each director, with the remainder being paid in cash. The Lead Director, Mr. Kimball, also received an annual retainer of \$16,000 for his services as such. In addition, the chair of the Audit Committee was compensated for services as chair of such committee by an annual retainer of \$12,000, and members of the Audit Committee were compensated for their services on such committee by an annual retainer of \$6,000. The chair of the Compensation Committee and the chair of the Nominating and Corporate Governance Committee were compensated for their services as chairs of such committees by an annual retainer of \$8,000, and the members of such committees were compensated for their services on such committees by an annual retainer of \$4,000. The chair of the Succession Planning Committee was compensated by an annual retainer of \$4,000, and the members of such committee were compensated by a meeting fee of \$1,000 for each committee meeting attended. In addition, as part of her services as Chair of the Audit Committee, Ms. Bridgewater was compensated for serving on the “disclosure committee”, an internal management group that reviews the Company’s public disclosures with the independent auditors and outside counsel, by a meeting fee of \$1,000 for each meeting attended. Company employees serving on the Board do not receive any compensation for services as a director.

The Company reimburses all directors for travel and other necessary business expenses incurred in the performance of their services for the Company and extends coverage to them under the Company’s group life insurance plan, with individual coverages of up to \$50,000 each. Non-employee directors also are reimbursed for costs associated with their attendance at seminars relating to corporate governance matters, generally up to a maximum of \$5,000 per year.

In accordance with its charter, the Compensation Committee recently engaged Aon Hewitt, an independent compensation consulting firm, to assist the Compensation Committee with a review and benchmarking of the Company’s current director compensation program. Following that analysis, the Compensation Committee expects to develop a recommendation to the Board concerning the director compensation to be paid during the 2017 fiscal year. The following table sets out the compensation paid to or on behalf of our directors during the 2016 fiscal year:

Certain Relationships and Related Transactions

The Company has a written policy requiring the disclosure to and approval by the Audit Committee of certain "related party transactions" between the Company and "related parties" that may be required to be disclosed under Item 404 of Regulation S-K. For this purpose, "related parties" include all directors, executive officers and any director nominee (and their

immediate family members), and any holder of more than 5% of the Company's Common Stock (and their immediate family members), and a "related party transaction" generally is any transaction in which (i) the aggregate amount involved will or may be expected to exceed \$75,000 in any fiscal year, (ii) the Company is a participant, and (iii) any "related party" has or will have a direct or indirect interest; subject, however, to certain pre-approved exceptions set forth in the policy.

Under the policy, each director and executive officer shall identify to the Chair of the Audit Committee any related party transaction for which he or she may be a related party, along with any requested supplemental information. The Audit Committee will review the material facts of all related party transactions that require the Committee's approval and either approve or disapprove of the same, or if advance approval is not feasible, consider whether to ratify the same. In determining whether to approve or ratify a related party transaction, the Audit Committee will take into account, among other factors it deems appropriate, whether the transaction is in the best interests of the Company, whether it is on non-preferential terms, and the extent of the related party's interest in the transaction. No director may participate in any discussion or approval of a transaction for which he or she is a related party, except that the director must provide all material information concerning the transaction to the Audit Committee. The Audit Committee will report its action with respect to any related party transaction to the Board of Directors. The Audit Committee did not review or approve any related party transactions during the 2016 fiscal year.

In 1997, the Company established a Non-Qualified Supplemental Executive Retirement Plan ("SERP") for the benefit of two former officers and directors, Ronald M. Lamb and Donald F. Lamberti, a founder of the Company and the father of our director, Jeffrey M. Lamberti. The SERP provides for the payment of an annual retirement benefit to the specified officers for the earlier of a period of 20 years or until their death, after which such benefits are to be paid to the officer's spouse for a period ending on the 20th anniversary of the officer's retirement or the spouse's death, whichever occurs first. Mr. Lamb's spouse and Donald F. Lamberti participate in the SERP and receive annual retirement benefits of \$350,000 and \$275,000, respectively.

REPORT OF THE AUDIT COMMITTEE OF THE BOARD OF DIRECTORS

The Audit Committee operates under a Charter approved by the Board of Directors. All members of the Audit Committee are “independent”, as defined by the SEC as well as the applicable Nasdaq Listing Standards.

The Audit Committee reviews the Company’s financial reporting process, including internal control over financial reporting, on behalf of the Board of Directors. Management has the primary responsibility for the financial statements and the reporting process, including the system of internal controls. The independent auditors are responsible for expressing an opinion as to the fairness of the financial statements and the conformity of those audited financial statements with U.S. generally accepted accounting principles. Additionally, the independent auditors express an opinion on whether the Company maintained, in all material respects, effective internal control over financial reporting.

In this context, the Audit Committee has met and held discussions with management, internal audit, and the independent auditors. Management represented to the Committee that the Company’s consolidated financial statements were prepared in accordance with U.S. generally accepted accounting principles, and the Committee has reviewed and discussed the consolidated financial statements with management and the independent auditors. The Committee also discussed with the independent auditors matters required to be discussed by the Public Company Accounting Oversight Board (PCAOB) Auditing Standard No. 16, Communication With Audit Committees. The Committee also has received and reviewed the written disclosures and the letter from the independent auditors required by the applicable requirements of the PCAOB regarding the independent auditor’s communications with the Committee concerning independence, and has discussed with the independent auditor the firm’s independence.

In reliance on the reviews and discussions referred to above, the Committee recommended to the Board of Directors, and the Board has approved, that the audited financial statements be included in the Company’s Annual Report on Form 10-K for the year ended April 30, 2016.

PROPOSAL 2

RATIFICATION OF APPOINTMENT OF INDEPENDENT AUDITORS

Subject to shareholder ratification, the Audit Committee has appointed the firm of KPMG LLP to audit the consolidated financial statements of the Company for the 2017 fiscal year. The Company has used KPMG LLP as its independent auditor for a number of years. Ratification of the appointment of auditors requires the affirmative vote of a majority of the votes cast on the matter at the Annual Meeting. Abstentions will not be counted as votes cast for such purposes and therefore will have no effect on the results of the vote. If the shareholders do not ratify this appointment, the Audit Committee will consider the matter of the appointment of independent auditors.

The Board of Directors recommends that shareholders vote FOR such ratification.

Representatives of KPMG LLP will be present at the Annual Meeting, will be given an opportunity to make a statement if they so desire and will be available to respond to appropriate questions relating to the audit of the Company's 2016 Fiscal Year consolidated financial statements.

Independent Auditor Fees

The following table sets forth the aggregate fees billed to the Company and subsidiaries for the last two fiscal years ended April 30, 2016 and April 30, 2015 by the Company's independent auditor, KPMG LLP:

	2016	2015
Audit Fees(a)	\$557,000	\$608,400
Audit-Related(b)	15,500	15,000
Tax Fees(c)	261,110	47,300
All Other Fees (d)	1,500	1,500
	\$835,110	\$672,200

Audit fees primarily relate to (i) the audit of our consolidated financial statements for the indicated fiscal years, (ii) the audit of the effectiveness of internal control over financial reporting in accordance with Section 404 of the Sarbanes-Oxley Act of 2002, and (iii) the reviews of our unaudited consolidated condensed interim financial (a) statements during the indicated fiscal years. The audit fees paid in the 2015 fiscal year also included amounts relating to the evaluation, review and remediation of the material weakness identified during the second fiscal quarter and the revision of certain of our financial statements as reflected in our Form 10-K/A for the fiscal year ended April 30, 2014 and the Form 10-Q/A for the fiscal quarter ended July 31, 2014.

(b) Fees for audits of employee benefit plans.

(c) Fees for tax consulting.

(d) Fees for subscription for online research services.

The chair of the Audit Committee has advised the Board of Directors that the Audit Committee has determined the non-audit services rendered by KPMG LLP during the Company's most recent year are compatible with maintaining the independence of the auditors.

Prior to the issuance of its audit report, KPMG LLP communicated (i) its responsibility under existing auditing standards generally accepted in the United States of America; (ii) all critical accounting policies and practices used by the Company; and (iii) other significant written communication between KPMG LLP and management of the Company.

Pre-Approval Procedures

Under its charter, the Audit Committee shall pre-approve all audit and any permitted non-audit services provided to the Company by the independent auditors and the fees to be paid for those services. The Audit Committee may delegate authority to subcommittees (consisting of one or more members) to grant pre-approvals of certain audit and permitted non-audit services, provided that decisions of such subcommittee to grant pre-approvals are presented to the full Audit Committee at its next scheduled meeting. All of the services provided by the independent auditor to the Company during the 2016 fiscal year were pre-approved by the Audit Committee or its chair pursuant to delegated authority.

PROPOSAL 3

ADVISORY VOTE ON OUR NAMED EXECUTIVE OFFICER COMPENSATION

As provided by the federal Dodd-Frank Act and recent SEC rules, we are asking our shareholders to approve an advisory, non-binding resolution concerning the compensation paid to the named executive officers described in the “Compensation Discussion and Analysis” (“CD&A”) section of this Proxy Statement. This “say-on-pay” proposal is intended to provide shareholders with the opportunity to express their views on our compensation decisions and policies regarding our named executive officers.

As described in the CD&A, our executive compensation program is designed to closely align the interests of our named executive officers with the interests of shareholders, and to balance long-term performance with shorter-term goals. We also strive to ensure that all executives are motivated as a team to pursue strong Company performance across its different operations. The Compensation Committee believes its compensation decisions for the 2016 fiscal year appropriately compensates the executive officers for the Company’s performance and are closely aligned with the long-term interests of our shareholders.

In view of the foregoing, shareholders will be asked to vote on the following resolution:

RESOLVED, that the shareholders approve, on an advisory basis, the compensation of the Company’s named executive officers described in the Proxy Statement for the 2016 annual shareholders meeting, including the compensation discussion and analysis, the compensation tables, and the narrative executive compensation disclosures contained in the Proxy Statement.

Shareholders may vote FOR, AGAINST or ABSTAIN on this item. Because your vote is advisory, it will not be binding on the Company, and will not overrule any decision by the Board or require the Board to take any particular action. However, the Board values the views of shareholders on executive compensation matters, and will consider the outcome of this vote when considering future executive compensation arrangements for the named executive officers. At the 2011 annual meeting of shareholders, shareholders voted overwhelmingly to approve the recommendation of the Board to vote on the say-on-pay proposal every year at the annual meeting. As a result, we will continue to submit our say-on-pay proposal to shareholders at each annual meeting. We expect to ask our shareholders in 2017 to again vote on a proposal concerning the frequency of the vote on the say-on-pay proposal, as required by the Dodd-Frank Act.

The Board recommends that shareholders vote FOR this advisory resolution on our named executive officer compensation.

ANNUAL REPORTS

The Company's 2016 Annual Report, including consolidated financial statements, is being mailed to shareholders with this Proxy Statement, but does not form a part of the material for the solicitation of proxies. The Company will provide without charge to each shareholder, on written request, a copy of the Company's Annual Report on Form 10-K for the year ended April 30, 2016, including the consolidated financial statements and schedules thereto, filed with the SEC. If a shareholder requests copies of any exhibits to such Form 10-K, the Company may require the payment of a fee covering its reasonable expenses. A written request should be addressed to Julia L. Jackowski, Senior Vice President—General Counsel and Corporate Secretary, Casey's General Stores, Inc., P.O. Box 3001, One Convenience Blvd., Ankeny, Iowa 50021-0845.

SUBMISSION OF SHAREHOLDER PROPOSALS

Any proposal which a shareholder intends to present at the annual meeting of shareholders in September 2017 must be received by the Company by April 7, 2017 in order to be eligible for inclusion in the Company's proxy statement and proxy card relating to such meeting, unless the date of the 2017 annual meeting is changed by more than 30 days from September 16, 2017, in which case the proposal must be received a reasonable time before the Company begins to print and send its proxy materials for the 2017 annual meeting. Upon timely receipt of any such proposal, the Company will determine whether or not to include such proposal in the proxy statement and proxy in accordance with applicable SEC regulations governing the solicitation of proxies.

Separate and apart from, and in addition to, the above SEC requirements governing notice of shareholder proposals to be included in the Company's proxy statement are the Company's advance notice requirements, as set forth in the Bylaws. Under the Bylaws, a shareholder may bring other business before the 2017 annual meeting of shareholders only by delivering written notice to the Corporate Secretary not earlier than May 19, 2017, and not later than June 18, 2017. However, if the date of the 2017 annual meeting is more than 30 days before September 16, 2017, or more than 60 days after September 16, 2017, written notice must be provided not less than 90 days nor more than 120 days prior to the date of the 2017 annual meeting or, if the first public announcement of the date of such advanced or delayed annual meeting is less than 100 days prior to the date of such annual meeting, the 10th day following the day on which public announcement of the date of the annual meeting is first made. Among other requirements, the notice must set forth certain information concerning such shareholder and all persons or entities acting in concert with the shareholder, including their names, addresses and number of shares owned of record, rights to acquire shares and other derivative securities or short interests held, a brief description of the business desired to be brought before the annual meeting and the reasons for conducting such business at the annual meeting, a description of all arrangements or understandings between such shareholder and any other persons in connection with the proposal of such business, a representation that such shareholder is entitled to vote at such meeting and intends to appear in person or by proxy at the meeting to bring such business before the meeting and such other information regarding the proposal as would be required to be included in a proxy statement filed with the SEC. The chairman of the meeting may determine that particular items of business were not properly brought before the annual meeting in accordance with the Bylaws, in which case any such business shall not be transacted.

A shareholder proposing business to be conducted at an annual meeting or nominees for election to the Board of Directors at an annual meeting must be a shareholder of the Company both at the time of giving of notice and at the time of the meeting and who is entitled to vote at the meeting. Any shareholder desiring a copy of the Bylaws will be furnished a copy without charge upon written request addressed to Julia L. Jackowski, Senior Vice President—General Counsel and Corporate Secretary, Casey's General Stores, Inc., P.O. Box 3001, One Convenience Blvd., Ankeny, Iowa 50021-0845.
