Item 8.01 Other Events.

Throughout this document, AT&T Inc. is referred to as “AT&T.” On June 27, 2014, New Cingular Wireless PCS, LLC, a subsidiary of AT&T (“New Cingular”), and AT&T Receivables Funding, LLC, a wholly owned subsidiary of New Cingular (“Receivables Funding”) entered into uncommitted agreements (the “Securitization Facility”) pertaining to the sale of equipment installment contracts and related security with Citibank N.A. and various other relationship banks as pool purchasers (the “Pool Purchasers”) with a funded amount not expected to exceed \$2.0 billion outstanding at any given time. In connection with the Securitization Facility, New Cingular and Receivables Funding entered into a Sale Agreement, dated as of June 27, 2014 (the “Sale Agreement”), pursuant to which the New Cingular will from time to time sell and/or convey certain equipment installment contracts and related assets (the “Receivables”) to Receivables Funding. Pursuant to a receivables purchase agreement, dated as of June 27, 2014 (the “Receivables Purchase Agreement”), among Receivables Funding, New Cingular, as servicer, the Pool Purchasers and pool purchaser agents and Citibank N.A. as the administrative agent, Receivables Funding will sell and transfer such Receivables to Citibank N.A. and the other Pool Purchasers.

New Cingular will service the Receivables in exchange for a monthly servicing fee. AT&T will provide a performance guarantee of certain obligations of New Cingular in its capacity as servicer under the Receivables Purchase Agreement and as originator under the Sale Agreement.

Beginning on June 27, 2014, Receivables may be sold from time to time throughout the term of the Securitization Facility. On June 27, 2014, AT&T received approximately \$800 million cash for the sale of \$1.6 billion Receivables of equipment installment contracts to the Pool Purchasers under the Securitization Facility. The remaining balance will be collected over the remaining term of the equipment installment contracts. For the second quarter of 2014, AT&T will report the cash receipt of approximately \$800 million as operating cash. The cash flow impact of this transaction is primarily timing-related within the current year; there is no change to AT&T’s 2014 free cash flow guidance. AT&T does not expect a material impact on the consolidated statements of income or consolidated balance sheet.
