ITEM 5.02 Departure of Directors or Principal Officers; Election of Directors; Appointment of Principal Officers; Compensatory Arrangements of Certain Officers

3Com has leased an apartment near our H3C segment's headquarters in Hangzhou, China for use by 3Com employees traveling to conduct business in the region. Given the increased number of trips by 3Com employees to Hangzhou, we believe this apartment will be cost effective for us. As we now own 100% of H3C, our executives and other employees are expected to continue to spend considerable time in China to manage and integrate the H3C business.

The lease has a six month term with an aggregate cost of approximately USD\$27,000. We believe this cost compares favorably to local hotel expenses based on currently expected travel plans for the next six months. In addition, our Compensation Committee on June 11, 2007 approved the ability for employees traveling to Hangzhou to allow their immediate family members to concurrently use the apartment under certain circumstances. The incremental cost to 3Com, if any, of any stay by family members of named executive officers will be considered in computing their disclosable compensation in our proxy statement for the applicable year.
