Item 2.02. Results of Operations and Financial Condition.

On April 23, 2015, Unisys Corporation (the "Company") issued a news release to report its financial results for the quarter ended March 31, 2015. The release is furnished as Exhibit 99 to this Current Report.

The information in this Item 2.02 and in Exhibit 99 attached hereto shall not be deemed "filed" for purposes of Section 18 of the Securities Exchange Act of 1934, as amended, or otherwise subject to the liabilities of that section. Item 2.05. Costs Associated with Exit or Disposal Activities.

In connection with organizational initiatives designed to create a more competitive cost structure and rebalance the Company's global skill set to take advantage of growth opportunities, the Company announced today that it expects to recognize a pretax restructuring charge currently estimated at approximately \$300 million over the next several quarters. The charge, which is principally related to headcount reductions, also includes a reduction in the Company's facilities footprint, asset write-downs and other expenses related to the cost reduction efforts. As a result of these actions, the Company expects to reduce its worldwide headcount by approximately 8%. The Company expects these actions to result in annualized savings of approximately \$200 million by the end of 2016.

Item 9.01. Financial Statements and Exhibits.
