Summarized Financial Information

Company or group of companies for which report is filed:

CHAMPIONS Sports, Inc. and Subsidiaries

The consolidated balance sheet as of January 31, 2002, the consolidated statements of operations and the consolidated statements of cash flows for the three months and nine months ended January 31, 2002 and January 31, 2001 have been prepared by the company, without audit. In the opinion of management, all adjustments (which include only normal recurring adjustments) necessary to present fairly the financial position, results of operations and changes in cash flow at January 31, 2002 and for all periods presented have been made. Certain information and footnote disclosures normally included in financial statements prepared in accordance with generally accepted accounting principles have been omitted. It is suggested that these consolidated financial statements be read in conjunction with the financial statements and notes thereto included in the Company's 10-KSB as of April 30, 2001. The results of operations for the period ended January 31, 2002 are not necessarily indicative of the operating results for the full year.

This document contains "forward-looking statements" (within the meaning of the Private Securities Litigation Act of 1995) that inherently involve risk and uncertainties. The Company's actual results could differ materially from those anticipated in the forward-looking statements as a result of unforeseen external factors. These factors may include, but are not limited to, changes in general economic conditions, the ongoing threat of terrorism, customer acceptance of products offered and other general competitive factors, and the ability to have access to financing sources on reasonable terms. Readers are cautioned not to place undue reliance on these forward-looking statements, which reflect management's analysis, judgment, belief or expectation only as of the date hereof.
