Item 1.01 Entry into a Material Definitive Agreement.

Item 2.03 Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant.

Petroleum Development Corporation (the "Company") previously entered into a Credit Facility with JPMorgan Chase Bank, N.A. and BNP Paribas, dated as of November 4, 2005, as subsequently amended (the "Credit Facility"). On November 21, 2007, the Company entered into a Limited Consent and Waiver, Borrowing Base Increase and Aggregate Revolving Commitment Increase with the banks which are party to the Credit Facility. The primary purpose of such document was to increase the aggregate commitment under the Credit Facility from \$275 million to \$300 million. A limited waiver was also granted, waiving the mortgage requirement until the earlier of a Capital Markets Event (as defined therein) or December 31, 2007; without such waiver the Company would have been out of compliance with the mortgage requirement of the Credit Facility as a result of the increase in the credit commitment.

The above descriptions are qualified entirely by reference the copy of the Limited Consent and Waiver, Borrowing Base Increase and Aggregate Revolving Commitment Increase which is attached as Exhibit 10.1 and incorporated by reference herein.
