AIRGAS, INC. 2001 EMPLOYEE STOCK PURCHASE PLAN

NOTES TO FINANCIAL STATEMENTS

(1) Description of the Plan

The following description of the Airgas, Inc. 2001 Employee Stock Purchase Plan (the "Plan") provides general information only. Participants should refer to the Plan prospectus for more complete information.

General

The purpose of the Plan is to encourage and assist employees of Airgas, Inc. and its subsidiaries (the "Company"), by giving them the opportunity to acquire an equity interest in the Company through the purchase of shares of the Company's Common Stock at a discount. Generally, employees may elect to have up to 15 percent of their annual gross compensation (including base salary, commissions and overtime) withheld to purchase the Company's Common Stock at 85 percent of its market value. The maximum market value of shares purchased by a Plan participant in any calendar year is limited to \$25,000. Market value under the Plan is the lesser of the closing market price of the Common Stock as of an employee's enrollment date in the Plan or the closing market price on the quarterly purchase date. Employees lock in a purchase price under the Plan for up to 27 months. If the closing market price of the Common Stock on the first trading day of a calendar quarter is less than an employee's existing 27 month purchase price, the employee is considered to re-enroll in the Plan and is granted a new 27 month purchase price.

The Plan was adopted by the Board of Directors in May 2001 and was approved by the stockholders of the Company in August 2001. A maximum of 1,500,000 shares of Common Stock may be purchased under the Plan. From the Plan's inception (August 2, 2001) through December 31, 2001, 121,104 shares were issued under the Plan. The initial purchase of shares under the Plan occurred on December 31, 2001 with participant payroll deductions of \$1,338,616 transferred from the Company's previous 1998 Employee Stock Purchase Plan.

The Plan is accounted for on the accrual basis of accounting. Purchases and sales of shares of Company Common Stock are recorded on a trade date basis.

(2) Purchase and Distribution of Shares

Purchases are made by the Plan quarterly. The Common Stock is purchased as described in note (1). Shares purchased are deposited into individual brokerage firm accounts maintained for the participants. The Bank of New York serves as the custodian of the participant brokerage accounts.

(3) Participants' Payroll Deductions

At December 31, 2001, participants' payroll deductions receivable from Airgas, Inc. represents deductions which were individually less than the cost of one share of Common Stock and were carried forward for use in purchasing shares on the next quarterly purchase date.

(5) Federal Income Tax

The Plan is intended to qualify as an "employee stock purchase plan" under Section 421 and Section 423 of the Internal Revenue Code of 1986, as amended. Under existing federal income tax laws, the Plan is not subject to federal income tax.
