ITEM 7.01 REGULATION FD DISCLOSURE

The Procter & Gamble Company (the "Company") changed its segment reporting structure during the quarter ended December 31, 2011. This Form 8-K provides pro forma historical segment results for the three months ended September 30, 2011, December 31, 2010, and September 30, 2010, as well as for the six months ended December 31, 2010 reflecting the change in the reporting structure of the Company. This information in no way revises or restates the Consolidated Statement of Earnings, Consolidated Balance

Sheet, Consolidated Statement of Shareholders' Equity or Consolidated Statements of Cash Flows for the Company and consolidated subsidiaries for any period.

Fiscal Year 2012 Changes to Global Business Unit (GBU) Structure Effective during the quarter ended December 31, 2011, we implemented a number of changes to our organization structure within the Beauty & Grooming GBU, which resulted in changes to the components of the Beauty reportable segment and the Grooming reportable segment. These two segments transitioned from consumer-oriented to product-oriented segment breakouts. As a result, female blades and razors transitioned from Beauty to Grooming, while Old Spice and Gillette male personal care products moved from Grooming to Beauty.

The above changes will be reflected in the consolidated financial statements and segment reporting beginning in fiscal year 2012, starting with the Form 10-Q for the three months ended December 31, 2011. In advance of the Form 10-Q filing, this document provides pro forma consolidated earnings information and quarterly sales and profit information for the affected segments for the three months ended September 30, 2011, December 31, 2010, and September 30, 2010, as well as for the six months ended December 31, 2010.
