Item 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

(e) Compensatory Arrangements of Certain Officers.

The Board of Directors (the “Board”) of EMCORE Corporation (the “Company”) previously approved, subject to stockholder approval, amendments to the EMCORE Corporation 2012 Equity Incentive Plan (the “2012 Plan”) that would, among other changes, (1) increase the limit on the aggregate number of shares of common stock that may be delivered pursuant to awards granted under the 2012 Plan by 500,000 shares to a new aggregate share limit of 2,500,000 shares; (2) make shares exchanged or withheld by the Company to satisfy any purchase price and tax withholding obligations related to options or “full value awards” (such as restricted stock or stock unit awards), and the total number of shares subject to stock appreciation rights (whether or not issued) count against the 2012 Plan’s share limit and no longer available for new grants under the 2012 Plan; (3) implement a maximum grant date fair value limit for awards granted to non-employee directors under the 2012 Plan during any one calendar year of \$250,000 (or \$350,000 in the case of awards to a non-employee director serving as Chairman of the Board or Lead Independent Director at the time of grant, or to a newly elected or appointed non-employee director during the first calendar year of service), (4) expressly allow the administrator to permit or require participants to defer awards granted under the 2012 Plan, (5) extend the term of the 2012 Plan until March 11, 2026; and (6) extend the performance-based award feature of the 2012 Plan through the first annual meeting of stockholders that occurs in 2021. The Company’s stockholders approved the amendments to the 2012 Plan on March 11, 2016.

The following summary of the 2012 Plan is qualified in its entirety by reference to the text of the 2012 Plan, which is attached as Exhibit 10.1 and is incorporated herein by this reference.

The Compensation Committee of the Board, or, in certain instances, its designee, administers the 2012 Plan. The administrator of the 2012 Plan has broad authority under the 2012 Plan to, among other things, select participants and determine the type(s) of award(s) that they are to receive, and determine the number of shares that are to be subject to awards and the terms and conditions of awards, including the price (if any) to be paid for the shares or the award.

Persons eligible to receive awards under the 2012 Plan include officers or employees of the Company or any of its subsidiaries, directors of the Company, and certain consultants and advisors to the Company or any of its subsidiaries.

The types of awards that may be granted under the 2012 Plan include stock options, stock appreciation rights, stock purchase rights, restricted stock, restricted stock units, performance units, and share awards.

The maximum number of shares of the Company’s common stock that may be delivered pursuant to awards granted under the 2012 Plan is equal to 2,500,000 (all of which may be issued with respect to incentive stock options). Shares subject to outstanding awards that are settled in cash will be available for issuance under the 2012 Plan; however any shares exchanged or withheld by the Company to satisfy any purchase price and tax withholding obligations related to options or “full value awards,” as well as the total number of shares subject to any stock appreciation rights will count against the share limit and will not be available for issuance under the 2012 Plan.
