Item 11. Executive Compensation.

Compensation Discussion and Analysis

Overview

Our Compensation Committee has responsibility for determining and approving the compensation programs for our Chief Executive Officer, which we refer to as the “CEO”, and our other executive officers named in the Summary Compensation Table, which we refer to as the “Named Executive Officers”. As described below, the principal elements of our compensation programs include base salary, annual bonus, long-term incentives including restricted stock and the ability to defer the receipt of current compensation. Our CEO recommends to the Compensation Committee the base salary, annual bonus and long-term incentive compensation for the other Named Executive Officers.

Objectives of Compensation Program

The primary objectives of our executive compensation programs are to enable us to attract and retain executives with the requisite qualifications and experience to achieve our business objectives. We accomplish this by utilizing compensation programs that encourage, recognize and reward individual performance and tie a portion of compensation to long-term company performance. Our programs were designed to permit flexibility in establishing compensation for each individual based upon job responsibilities, individual performance and our results. Our programs were also designed to provide incentives to improve short term performance, achieve long-term sustainable growth in earnings and align the interests of our executive team with our stockholders.

While the Compensation Committee is primarily responsible for the overall oversight of our executive compensation, the CEO, with the assistance of other members of management, provides recommendations with respect to compensation for the other executive officers.

The Compensation Committee believes that the CEO’s input is valuable in determining the compensation of other executive officers given his day to day role in Carrols Restaurant Group and his responsibility in establishing and implementing our strategic plans. Therefore, while the Compensation Committee has been and will be primarily responsible for determining executive compensation, the CEO will continue to provide his input and recommendations to the Compensation Committee with respect to compensation for the other executive officers.

Elements of Our Compensation Programs

Our executive compensation program has consisted of short-term compensation (salary and annual incentive bonus) and long-term compensation (stock options or, beginning in the 2011 fiscal year, restricted stock) to achieve our goal of improving earnings and achieving long term sustainable growth in revenues and earnings which we believe constitutes alignment with stockholders’ interests.

The Role of Stockholder Say-on-Pay Votes

Our board of directors, Compensation Committee, and management value the opinions of our stockholders. We provide our stockholders with the opportunity to cast an advisory vote to approve Named Executive Officer compensation every three years, or Say-on-Pay. Although the advisory Say-On-Pay vote is non-binding, our Compensation Committee has considered the outcome of the vote when making compensation decisions for Named Executive Officers. At our annual meeting of stockholders held in June 2011, approximately 90.55% of the stockholders who voted on the Say-on-Pay proposal voted in favor of the proposal. Our Compensation Committee believes that this evidenced our stockholders’ support for our approach to executive compensation. Our next Say-on-Pay proposal will be voted at our 2014 annual meeting of stockholders. Our Compensation Committee will continue to consider the outcome of our Say-on-Pay votes when making future compensation decisions for our Named Executive Officers.

Short-Term Compensation

Base Salary. The Compensation Committee annually reviews and approves the base salaries of our executive officers based upon recommendations from our CEO. Increases are not preset and typically take into account the individual’s performance, responsibilities of the position, potential to contribute to our long term objectives, management skills, future potential and periodically from competitive data. Our executive compensation plan in place was designed to compensate our CEO and executive officers, including the Named Executive Officers, with modest annual increases in base salaries combined with the opportunity to earn up to approximately double the amount of base salary in annual

cash incentive bonuses based on Carrols Restaurant Group and individual performance, in order to align the interests of our CEO and the other Named Executive Officers with those of our stockholders.

Factors considered in base salary planning included our performance, budgetary and cost containment issues, competitive market data (from time to time) and current salary levels, as appropriate. At the end of the year, the CEO evaluates each of the other Named Executive Officer's performance and expected future contributions.

For the 2013 fiscal year, the base salary of our CEO and President, Daniel T. Accordino, was determined pursuant to an employment agreement with Mr. Accordino, us and Carrols LLC, which we refer to as the "employment agreement", which became effective on, January 1, 2012 or the "Effective Date". Under such employment agreement, the base salary for Mr. Accordino was \$544,000 for the 2012 fiscal year and Mr. Accordino's base salary may be increased annually at the sole discretion of the Compensation Committee. In January 2013, Mr. Accordino received an increase of 2.9% in his base salary to \$560,000. The terms of Mr. Accordino's employment agreement and the increase in Mr. Accordino's base salary were approved by our Compensation Committee.

In January 2013, our other Named Executive Officers, Paul R. Flanders, Timothy J. LaLonde, William E. Myers and Richard G. Cross, each received an increase of 2.9%, 10.2%, 14.3% and 11.2% in their respective base salary over the levels established for the 2012 fiscal year, as recommended by our CEO and approved by our Compensation Committee.

Annual Incentive Bonus Payments. Annual cash bonuses have been an important component of our compensation program for our executive officers and an executive bonus plan, or "Executive Bonus Plan", has been approved by the Compensation Committee. Our current Executive Bonus Plan was established in 2012, is reviewed annually by the Compensation Committee and measures performance throughout our fiscal year. Under our Executive Bonus Plan, annual incentive bonus payments are typically paid in March based on performance for the prior fiscal year.

For the 2013 fiscal year, each of the Named Executive Officers was eligible to receive a maximum annual incentive bonus ranging from 60% to 100% of base salary, depending on their respective positions. For each Named Executive Officer, the potential bonus payments were tied, in part, to the level of EBITDA achieved for the 2013 fiscal year (as defined and measured under the Executive Bonus Plan) in relation to our budgeted EBITDA for the 2013 fiscal year, and provided for increasing payments to the extent that certain minimum thresholds were exceeded. Each executive was also eligible to receive a bonus based on his individual attainment of specified goals and objectives established for the year, subject to certain minimum thresholds for both EBITDA and each individual's overall attainment of his goals and objectives. For each individual, 50% of his maximum potential bonus payment was tied to the level of EBITDA and 50% was tied to his individual attainment of goals and objectives.

Under the Executive Bonus Plan, EBITDA is defined as earnings before interest, income taxes, depreciation and amortization, impairment charges and stock compensation expense. The Executive Bonus Plan also provides that EBITDA will be adjusted to exclude extraordinary, unusual or non-recurring gains and losses not deemed to be in the ordinary course of business, at the Compensation Committee's reasonable discretion. The Executive Bonus Plan requires that a minimum of 85% of budgeted EBITDA must be attained before the payment of any bonus and also specifies that the portion of the bonus tied to EBITDA will be capped after the attainment of 105% of budgeted EBITDA. The EBITDA bonus is earned on a pro-rata basis at an established rate for each participant for each 1% increase in attainment of budgeted EBITDA above 85% to a maximum of 105%. For the portion of the bonus tied to goals and objectives, a minimum of 70% achievement of such goals and objectives is also required for the participant to be eligible for this portion of the bonus. Payments of the portion of the bonus tied to individual goals are determined based on the discretion of the Compensation Committee, with input from the CEO, based on evaluating achievement of each participant's goals and objectives. The determination of whether goals and objectives were met by each Named Executive Officer is not a formulaic, objective or quantifiable standard; rather, the individual performance considerations were just factors (among others) that were generally taken into account in the course of making subjective judgments in connection with the compensation decision.

The following table sets forth the maximum bonus and actual bonus earned for each of the Named Executive Officers under the Executive Bonus Plan for the 2013 fiscal year:

Long-Term Compensation		

The long-term incentive compensation utilized by us for our senior management has been an equity based compensation plan designed to create alignment of senior management's interests with those of our long term stockholders. Based upon the recommendation of our Compensation Committee and the approval of our board of directors, beginning in fiscal year 2011 we replaced the use of stock option grants which we previously granted to our CEO and executive officers, including the Named Executive Officers, with restricted stock grants in connection with the long-term incentive component of our overall compensation plan. Our Compensation Committee and our board of directors agreed that the use of restricted stock grants would be a more efficient and effective mechanism to create alignment of senior management's interests with those of our long term stockholders. As a result, in January 2011 we awarded restricted stock grants to our executive officers, including the Named Executive Officers, taking into account job responsibilities, individual performance and the number of shares of our common stock available for grant and issuance under our 2006 Stock Incentive Plan, as amended which we refer to as the "Carrols plan." Restricted stock grants utilized in the Carrols plan have a time-based vesting schedule with a certain percentage of shares vesting over a period of time established by the Compensation Committee under the Carrols plan. During the 2011 fiscal year, our Compensation Committee established a policy with respect to the timing of granting restricted stock under the Carrols plan. This policy provides that restricted stock being granted to employees, including the Named Executive Officers, will be granted on either January 15 or July 15. Accordingly, the measurement of the value of any restricted stock grant would be based upon the price of our common stock at the close of business on those respective grant dates. The Compensation Committee would grant such restricted stock based upon recommendations from our CEO, who would provide such recommendations after evaluating the individual performance of our employees (including the Named Executive Officers, other than the CEO). Such performance evaluations coincide with our normal end of year annual review process for employees and senior management. The granting of stock options and restricted stock have been and are an important component of the total compensation package for the Named Executive Officers and is an important retention tool. Because the Compensation Committee's policy has been to grant stock options or restricted stock on a fixed date, the Compensation Committee may have previously, or may in the future grant stock options or restricted stock at a time when it, as well as the CEO and senior management, may be aware of material non-public information that, once made public, could either have a positive or negative effective on the price of our common stock.

2006 Stock Incentive Plan. The Carrols plan provides for the grant of stock options and stock appreciation rights, stock awards, performance awards, outside director stock options and outside director stock awards. Any officer, employee, associate, director and any consultant or advisor providing services to us are eligible to participate in the Carrols plan.

The Carrols plan is administered by the Compensation Committee which approves awards and may base its considerations on recommendations by our CEO. The Compensation Committee has the authority to (1) approve plan participants, (2) approve whether and to what extent stock options, stock appreciation rights and stock awards are to be granted and the number of shares of stock to be covered by each award (other than an outside director award),

(3) approve forms of agreement for use under the Carrols plan, (4) determine terms and conditions of awards (including, but not limited to, the option price, any vesting restriction or limitation, any vesting acceleration or waiver or forfeiture, and any right of repurchase, right of first refusal or other transfer restriction regarding any award), (5) modify, amend or adjust the terms and conditions of any award, (6) determine the fair market value, and (7) determine the type and amount of consideration to be received by us for any stock award issued.

On July 12, 2013 a restricted stock grant was made to one of our Regional Directors, of 19,000 shares of restricted stock. Other than such award and outside director awards, no other restricted stock grants were made in 2013.

We provide bonus compensation to our executive officers based on an individual's achievement of certain specified objectives and our achievement of specified increases in stockholder value. See "Compensation Discussion and Analysis" above for a discussion of our Executive Bonus Plan. Amounts include cash bonuses paid in fiscal year 2014, 2013 and 2012 with respect to services rendered in fiscal year 2013, 2012 and 2011, respectively.

The amounts shown represent the aggregate grant date fair value of restricted stock granted and approved by the Compensation Committee in each of the fiscal years presented and is consistent with the grant date fair value of the award computed in accordance with FASB ASC Topic 718.

For the fiscal year ended December 30, 2012, this amount also includes the incremental compensation cost resulting from the conversion of all of our outstanding vested stock options to shares of our common stock and all of our outstanding non-vested stock options to non-vested shares of our common stock on March 5, 2012 in connection with the spin-off. See "Certain Relationships and Related Transactions — The Spin-Off and Related Transactions — Employee Matters Agreement — Treatment of Carrols Restaurant Group Stock Based Awards." See Notes 1 and 13 to our consolidated financial statements in our Annual Report on Form 10-K for the year ended December 29, 2013, for assumptions used in the calculation of this amount. There were no forfeitures in 2013, 2012 or 2011 by the Named Executive Officers. These amounts reflect the grant date fair value for these awards and do not correspond to the actual value that will be recognized by the Named Executive Officers. The actual value, if any, that a Named

Executive Officer may realize for restricted shares is the stock price at the date of vesting, so there is no assurance that the value realized by a Named Executive Officer will be at or near the value estimated by the Black-Scholes model used in connection with the 2012 conversion of stock options. These grants are included and discussed further in the tables included below under "Outstanding Equity Awards at Fiscal Year-End".

(3) These amounts represent the above-market portion of earnings on compensation deferred by the Named Executive Officers under our nonqualified Deferred Compensation Plan. Earnings on deferred compensation are considered to be above-market to the extent that the rate of interest exceeds 120% of the applicable federal long-term rate. At December 29, 2013, 120% of the federal long-term rate was 3.99% per annum and the interest rate paid to participants was 8% per annum.

Accordino Employment Agreement

On November 1, 2011, we and Mr. Accordino mutually agreed that Mr. Accordino would become our President and Chief Executive Officer effective on January 1, 2012. In December 2011, we and Carrols LLC entered into a new employment agreement with Mr. Accordino. Mr. Accordino's employment agreement which commenced on the Effective Date and is subject to automatic renewals for successive one-year terms unless either Mr. Accordino, we or Carrols LLC elects not to renew Mr. Accordino's employment agreement by giving written notice to the others at least 30 days before a scheduled expiration date. Mr. Accordino's employment agreement provides that Mr. Accordino will receive an annual base salary of \$544,000 and provides that such amount may be increased annually at the sole

discretion of our Compensation Committee. Pursuant to Mr. Accordino's employment agreement, Mr. Accordino will participate in our Executive Bonus Plan, and any stock option or other equity incentive plans applicable to executive employees, as determined by our Compensation Committee. Mr. Accordino's employment agreement also provides that if Mr. Accordino's employment is terminated without "cause" (as defined in Mr. Accordino's employment agreement) or Mr. Accordino terminates his employment for "good reason" (as defined in Mr. Accordino's employment agreement), in each case within twelve months following a "change of control" (as defined in Mr. Accordino's employment agreement), Mr. Accordino will receive a cash lump sum payment equal to 2.99 times his average salary plus his average annual bonus (paid under our Executive Bonus Plan or deferred under our Deferred Compensation Plan) for the prior five years. Mr. Accordino's employment agreement also provides that if Mr. Accordino's employment is terminated by us or Carrols LLC without "cause", as defined in Mr. Accordino's employment agreement (other than following a change of control as described above), or Mr. Accordino terminates his employment for "good reason", as defined in Mr. Accordino's employment agreement (other than following a change of control as described above), Mr. Accordino will receive a lump sum cash payment in an amount equal to 2.00 times his average salary plus average annual bonus (paid under our Executive Bonus Plan or deferred under our Deferred Compensation Plan) for the prior five years. Mr. Accordino's employment agreement includes non-competition and non-solicitation provisions effective during the term of Mr. Accordino's employment agreement and for two years following its termination. Prior to December 2011, Mr. Accordino had an employment agreement with us that provided for substantially similar terms as the existing agreement. On September 6, 2013 we and Carrols LLC entered into an amendment to Mr. Accordino's employment agreement to provide, among other things, that in the event that we or Carrols LLC elect not to renew the term of the employment agreement for any reason other than for "cause" (as defined in the employment agreement), we or Carrols LLC shall (1) pay to Mr. Accordino a lump sum cash payment equal to his annual base salary and vacation pay in effect on the last day of the term of the employment agreement; (2) pay to Mr. Accordino any amounts he is entitled to under the Deferred Compensation Plan; (3) pay to Mr. Accordino the annual bonus for the year in which the term of the employment agreement ended that is payable under the terms of the Executive Bonus Plan; and (4) continue certain health benefits and insurance policies.

On March 5, 2012, we converted all of our outstanding vested stock options to shares of our common stock and all of our outstanding non-vested stock options to non-vested restricted shares of our common stock. The non-vested (1) restricted shares issued in connection with such conversion vest according to the same period and anniversary date as the original stock options, with a pro-rated portion of the shares vesting on the anniversary date of the original option award.

In July 2012, we granted restricted stock awards to each Named Executive Officer pursuant to the Carrols plan. All such restricted stock awards vest over periods of four years with one-fourth of such restricted shares vesting on the first anniversary of the grant date and annually on the anniversary of the grant date thereafter.

(2) The market value of the restricted stock awards was determined based on the closing price of our common stock on the last trading day of the 2013 fiscal year, December 27, 2013, which was \$6.66.

NONQUALIFIED DEFERRED COMPENSATION

We have a Deferred Compensation Plan for employees not eligible to participate in the Carrols Corporation Retirement Savings Plan, which we refer to as the "Retirement Plan", because they have been excluded as "highly compensated" employees (as so defined in the Retirement Plan), to voluntarily defer portions of their base salary and annual bonus. An eligible employee may elect, on a deferral agreement, to defer all or a specified percentage of base salary and, if applicable, all or a specified percentage of cash bonuses. All amounts deferred by the participants earn interest at 8% per annum. We do not match any portion of the funds. All of the Named Executive Officers are eligible to participate in our Deferred Compensation Plan.

POTENTIAL PAYMENTS UPON TERMINATION OR CHANGE-OF-CONTROL

Accordino Employment Agreement

On September 6, 2013, we and Carrols LLC entered into an amendment to Mr. Accordino's employment agreement to provide, among other things, that in the event that we or Carrols LLC elect not to renew the term of the employment agreement for any reason other than for "cause" (as defined in the employment agreement), we or Carrols LLC shall (1) pay to Mr. Accordino a lump sum cash payment equal to his annual base salary and vacation pay in effect on the last day of the term of the employment agreement; (2) pay to Mr. Accordino any amounts he is entitled to under the Deferred Compensation Plan; (3) pay to Mr. Accordino the annual bonus for the year in which the term of the employment agreement ended that is payable under the terms of the Executive Bonus Plan; and (4) continue certain health benefits and insurance policies.

Mr. Accordino's employment agreement also provides that if Mr. Accordino's employment is terminated without "cause" (as defined in his employment agreement) or Mr. Accordino terminates his employment for "good reason" (as defined in his employment agreement), (a) in each case within twelve months following a "change of control" (as defined in his employment agreement), or (b) and a binding agreement with respect to a change of control transaction

was entered into during the term of his employment and such change of control

transaction occurs within 12 months after the date of his termination of employment, then in either case, Mr. Accordino will receive a cash lump sum payment equal to 2.99 multiplied by the average of the sum of his base salary and the annual bonus paid under the Executive Bonus Plan or deferred in accordance with the Deferred Compensation Plan in the five calendar years prior to the date of termination.

The employment agreement also provides that if Mr. Accordino's employment is terminated by us or Carrols without cause more than 12 months following a change of control or Mr. Accordino terminates his employment for good reason more than 12 months following a change of control, Mr. Accordino will receive a cash lump sum payment in an amount equal to 2.00 multiplied by the average of the sum of his base salary and the annual bonus paid under the Executive Bonus Plan or deferred in accordance with the Deferred Compensation Plan in the five calendar years prior to the date of termination. The employment agreement includes non-competition and non-solicitation provisions effective during the term of the employment agreement and for two years following the termination of the employment agreement.

Change of Control/Severance Agreement

On June 3, 2013, we, Carrols and Carrols LLC entered into a change of control and severance agreement, which we refer to as the "change of control and severance agreement," with each of Messrs. Flanders, Myers, LaLonde, Cross and one other executive officer. Each change of control and severance agreement provides that if within one year following a "change of control" (as defined in the change of control and severance agreement), such employee's employment is terminated by us, Carrols or Carrols LLC without "cause" (as defined in the change of control and severance agreement) or by such employee for "good reason" (as defined in the change of control and severance agreement), then such employee will be entitled to receive (a) a cash lump sum payment in the amount equal to the product of 18 and the employee's monthly base salary at the then current rate, (b) an amount equal to the aggregate bonus payment for the year in which the employee incurs a termination of employment to which the employee would otherwise have been entitled had his employment not terminated under the Executive Bonus Plan then in effect, and (c) continued coverage under our welfare and benefits plans for such employee and his dependents for a period of up to 18 months. Each change of control and severance agreement also provides that if at any time other than within one year following a change of control, such employee's employment is terminated by us, Carrols or Carrols LLC without cause or by such employee for good reason, then such employee will be entitled to receive (a) a cash lump sum payment in the amount equal to one year's salary at the then current rate, (b) an amount equal to the pro rata portion of the aggregate bonus payment for the year in which the employee incurs a termination of employment to which the employee would otherwise have been entitled had his employment not terminated under our Executive Bonus Plan then in effect, and (c) continued coverage under our welfare and benefits plans for such employee and his dependents for a period of up to 18 months. The payments and benefits due under each change of control and severance agreement cannot be reduced by any compensation earned by the employee as a result of employment by another employer or otherwise. The payments are also not subject to any set-off, counterclaim, recoupment, defense or other right that we, Carrols or Carrols LLC may have against the employee.

The following table summarizes estimated benefits that would have been payable to Mr. Accordino if (1) the term of his employment agreement had not been renewed by us or Carrols LLC without cause; (2) his employment had been terminated on December 29, 2013 by us without cause or by him for good reason within 12 months of a change of control of us or such change of control is a result of (a) a binding agreement with respect to a change of control transaction was entered into during the term of his employment and (b) such change of control transaction occurs within 12 months after the date of termination of his employment; (3) his employment had been terminated on December 29, 2013 by us without cause or by him for good reason; (4) his employment had been terminated by us for cause or by him without good reason on December 29, 2013; (5) his employment had been terminated on December 29, 2013 by us due to disability; and (6) his employment had been terminated on December 29, 2013 due to death.

Unlike other payments in this table, the shares vest in accordance with the Carrols plan even if the Named Executive Officer's employment is not terminated following a change of control (i.e. it is a "single trigger"). The amount is based on the unvested shares held by each Named Executive Officer at December 29, 2013 and the closing price of our common stock on the last trading day of the 2013 fiscal year, December 27, 2013, which was \$6.66.

Item 13. Certain Relationships and Related Transactions, and Director Independence.

Related Party Transaction Procedures

The board of directors has assigned responsibility for reviewing related party transactions to our Audit Committee. The board of directors and the Audit Committee have adopted a written policy pursuant to which certain transactions between us or our subsidiaries and any of our directors or executive officers must be submitted to the Audit Committee for consideration prior to the consummation of the transaction as required by the rules of the SEC. The Audit Committee reports to the board of directors on all related party transactions considered.

The Spin-Off and Related Transactions

We and Fiesta Restaurant Group have operated separately, each as independent public companies, since the completion of the spin-off on May 7, 2012. At the time of the spin-off, we and Fiesta Restaurant Group entered into agreements which facilitated the spin-off, govern Fiesta Restaurant Group's relationship with us after the spin-off and provide for the allocation of employee benefits, tax and other liabilities and obligations. The following is a summary of some of the terms of the material agreements that were entered into among Fiesta Restaurant Group, Carrols and us prior to the spin-off.

Separation and Distribution Agreement

The separation and distribution agreement, which we refer to as the "separation agreement", dated as of April 24, 2012, among Fiesta Restaurant Group, Carrols and us provides a framework for the relationship between Fiesta Restaurant Group and us following the spin-off, requires cooperation between the parties to fulfill the terms of the spin-off and specifies the terms and conditions of the spin-off. The separation agreement provides that, except as otherwise provided in such agreement, Fiesta Restaurant Group will assume all of the liabilities and perform all of the obligations arising under or relating to the operation of the Pollo Tropical and Taco Cabana businesses whether incurred before or after the spin-off. The separation agreement also contains certain mutual releases of liability and cross indemnification provisions customary for this type of transaction.

Carrols is currently a guarantor under 35 Pollo Tropical and Taco Cabana restaurant property leases and the primary lessee on five Pollo Tropical restaurant property leases. The separation agreement provides that the parties will cooperate and use their commercially reasonable efforts to obtain the release of such guarantees. Unless and until any such guarantees are released, Fiesta Restaurant Group agrees to indemnify Carrols for any losses or liabilities or expenses that it may incur arising from or in connection with any such lease guarantees.

Carrols is currently a primary lessee of five Pollo Tropical restaurants which it subleases to a subsidiary of Fiesta Restaurant Group. The separation agreement provides that the parties will cooperate and use their commercially reasonable efforts to cause Fiesta Restaurant Group or a subsidiary of Fiesta Restaurant Group to enter into a new master lease or individual leases with the lessor with respect to the Pollo Tropical restaurants where Carrols is currently a lessee.

Fiesta Restaurant Group, on the one hand, and Carrols and us, on the other hand, have agreed to release each other and each other's respective directors, officers, members, managing members, agents and employees from all liabilities existing or arising from any acts or events occurring or failing to occur on or before the distribution date. These releases are subject to certain exceptions, including claims arising under the separation agreement and the ancillary agreements; any specified liabilities; any liability assumed by a party pursuant to the separation agreement; and liability for claims of third parties for which indemnification or contribution is available under the separation agreement.

Each of Carrols and us, on the one hand, and Fiesta Restaurant Group, on the other hand, have agreed to indemnify the other party and the other party's respective affiliates, successors and assigns, stockholders, directors, officers, members, managing members, agents and employees against liabilities arising out of or resulting from the failure of the indemnifying party to perform or discharge liabilities for which it is responsible under the separation agreement; the business of such party; any liability contemplated to be assumed or retained by such party; any breach or failure to perform by such party of its obligations under the separation agreement or ancillary agreements; or any untrue

statement or alleged untrue statement of a material fact or omission or alleged omission to state a material fact required to be stated or necessary to make the statements not misleading of such party in SEC filed registration statements or information statements.

Tax Matters Agreement

The tax matters agreement, which we refer to as the "tax matters agreement", dated as of April 24, 2012, among Fiesta Restaurant Group, Carrols and us (1) governs the allocation of the tax assets and liabilities between Fiesta Restaurant Group and Carrols and us, (2) provides for certain restrictions and indemnities in connection with the tax treatment of the spin-off and (3) addresses certain other tax related matters, including, without limitation, those relating to (a) the obligations of Fiesta Restaurant Group, Carrols and us with respect to the preparation or filing of tax returns for all periods, and (b) the control of any income tax audits and any indemnities with respect thereto. The tax matters agreement provides that if Fiesta Restaurant Group takes any actions after our distribution of Fiesta Restaurant Group's shares in the spin-off that result in or cause the distribution to be taxable to itself or us, Fiesta Restaurant Group will be responsible

under the tax matters agreement for any resulting taxes imposed on Fiesta Restaurant Group or on Carrols or us. Similarly, the tax matters agreement provides that if we take any such actions that result in or cause the distribution to be taxable to us or Fiesta Restaurant Group, we will be responsible for such taxes. Further, the tax matters agreement provides that Fiesta Restaurant Group and we will each be responsible for 50% of the losses and taxes of Carrols Restaurant Group and its affiliates and Fiesta Restaurant Group and its affiliates resulting from the spin-off not attributable to any such action of Fiesta Restaurant Group or us.

Employee Matters Agreement

The employee matters agreement, which we refer to as the "employee matters agreement", dated as of April 24, 2012, among Fiesta Restaurant Group, Carrols and us provides for the transition of employee benefits arrangements and allocates responsibility for certain employee benefits matters on and after the spin-off, including, without limitation, the treatment of our existing welfare benefit plans, savings and retirement plans, equity-based plan and deferred compensation plan, and Fiesta Restaurant Group's establishment of new plans.

Treatment of Carrols Restaurant Group Stock Based Awards. Employees of Carrols Restaurant Group, Carrols and its subsidiaries have been eligible to participate in the Carrols plan. Under the Carrols plan, our compensation committee granted certain stock-based awards, including shares of restricted common stock of Carrols Restaurant Group and stock options to purchase our common stock to employees and other eligible participants. The outstanding stock-based awards held by employees and other eligible participants of Carrols, us and our subsidiaries in connection with the spin-off were treated as set forth below. Pursuant to the employee matters agreement we have continued to maintain the Carrols plan after the completion of the spin-off, and Fiesta Restaurant Group has established a separate stock incentive plan.

Stock Options. In connection with the spin-off and in accordance with the Carrols plan, all outstanding vested stock options under the Carrols plan were converted on March 5, 2012 into shares of our common stock using a conversion formula to preserve the intrinsic value of each option to the holder. As part of the spin-off, holders who received shares of our common stock upon the conversion of vested stock options under the Carrols plan received a distribution of one share of common stock of Fiesta Restaurant Group for one share of our common stock on the distribution date. On March 5, 2012, we issued 666,090 shares of our common stock upon the conversion of outstanding vested stock options under the Carrols plan, and therefore, an additional 666,090 shares of Fiesta Restaurant Group common stock were issued and distributed on the distribution date.

In connection with the spin-off and in accordance with the Carrols plan, all outstanding unvested stock options under the Carrols plan were converted on March 5, 2012 into restricted shares of our common stock using a conversion formula to preserve the intrinsic value of each option to the holder. The time period of the restrictions on transferability of the restricted shares of our common stock issued upon the conversion of unvested stock options under the Carrols plan equal the remaining vesting period of such unvested stock options, and such restricted shares continue to be governed by the terms of the Carrols plan. As part of the spin-off, holders who received restricted shares of our common stock upon the conversion of unvested stock options under the Carrols plan received a distribution of one restricted share of common stock of Fiesta Restaurant Group for one restricted share of our common stock on the distribution date subject to the same terms and conditions applicable to the restricted shares of our common stock, including, but not limited to, the time period remaining on the restrictions on transfer and forfeiture provisions. Following the distribution date, (a) employees of Fiesta Restaurant Group and other eligible participants under the Carrols plan continue to hold restricted shares of our common stock subject to the terms of the Carrols plan and (b) our employees and other eligible participants under the Carrols plan continue to hold the restricted shares of Fiesta Restaurant Group common stock received on the distribution date subject to the terms of the Carrols plan. On March 5, 2012, we issued 288,435 restricted shares of our common stock upon the conversion of unvested stock options under the Carrols plan, and therefore, 288,435 restricted shares of Fiesta Restaurant Group common stock were issued and distributed on the distribution date.

Restricted Stock. In connection with the spin-off and in accordance with the Carrols plan, on the distribution date persons who held shares of our restricted common stock issued under the Carrols plan received restricted shares of Fiesta Restaurant Group common stock subject to the same terms and conditions applicable to the restricted shares of

our common stock, including, but not limited to, the time period remaining on the restrictions on transfer and forfeiture provisions. The restricted shares of Fiesta Restaurant Group common stock received on the distribution date continue to be governed by the terms of the Carrols plan. Each holder of restricted shares of our common stock received a distribution of one share of restricted common stock of Fiesta Restaurant Group for each one share of our restricted common stock held by such holder on the spin-off record date. Following the distribution date, (a) employees of Fiesta Restaurant Group and other eligible participants under the Carrols plan continue to hold restricted shares of our common stock subject to the terms of the Carrols plan and (b) our employees and other eligible participants under the Carrols plan continue to hold the restricted shares of Fiesta Restaurant Group common stock received on the distribution date subject to the terms of the Carrols plan. On the distribution date, 434,400 restricted shares of our common stock issued under the Carrols plan, which includes the 288,435 restricted shares of our common stock issued upon the conversion of unvested stock options under the Carrols plan, were outstanding, and therefore, 434,400 restricted shares of Fiesta Restaurant Group common stock were issued and distributed on the distribution date.

Transition Services Agreement

Under the transition services agreement, which we refer to as the "transition services agreement", dated as of April 24, 2012, entered into by Fiesta Restaurant Group, Carrols, us and Carrols LLC (solely with respect to indemnification), we and Carrols agreed to provide certain support services (including accounting, tax accounting, treasury management, internal audit, financial reporting and analysis, human resources, and employee benefits management, information systems, restaurant systems support, legal, property management and insurance and risk management services) to Fiesta Restaurant Group, and Fiesta Restaurant Group agreed to provide certain limited management services (including certain legal services) to Carrols and us. In December 2013, Fiesta Restaurant Group terminated all of the services provided by us and Carrols under the transition services agreement.

The Acquisition

On May 30, 2012, we and Carrols LLC closed on the purchase from BKC of 278 acquired BKC restaurants located in Ohio, Indiana, Kentucky, Pennsylvania, North Carolina, South Carolina and Virginia. The acquired BKC restaurants were purchased by us and Carrols LLC for (1) a 28.9% equity ownership interest in us by issuance by us to BKC of 100 shares of Series A Preferred Stock (discussed more fully below), (2) cash payments of approximately \$2.9 million, which were paid at the closing of the 2012 acquisition, for cash on hand and inventory at the acquired BKC restaurants and (3) other cash payments of approximately \$13.3 million, of which approximately \$9.6 million was paid at closing of the 2012 acquisition and the balance to be paid over five years.

Series A Convertible Preferred Stock

Upon the closing of the 2012 acquisition, we issued to BKC 100 shares of Series A Preferred Stock pursuant to the certificate of designation which are convertible into an aggregate of 28.9% of the shares of our common stock outstanding, on a fully diluted basis, on May 30, 2012 after giving effect to the issuance of the Series A Preferred Stock (or 9,414,580 shares of our common stock in the aggregate, which we refer to as the "conversion shares". The Series A Preferred Stock and the conversion shares are subject to a three-year restriction on transfer by BKC from the date of the issuance of the Series A Preferred Stock. So long as the number of shares of our common stock into which the outstanding shares of Series A Preferred Stock held by BKC are then convertible constitutes greater than 10% of the outstanding shares of our common stock (on an as-converted basis) and there is no prohibited transfer of the Series A Preferred Stock or the conversion shares during the holding period, BKC has certain approval rights with regards to, among other things: (a) our annual budget for each of the first two fiscal years following the issuance of the Series A Preferred Stock; (b) changes to the restaurant remodeling plan agreed to at the time of the closing of the acquisition; (c) modifying our organizational documents; (d) amending the size of our board of directors; (e) the authorization or consummation of any liquidation event, except as permitted pursuant to the operating agreement; (f) engaging in any business other than the acquisition and operation of Burger King restaurants, except following a bankruptcy filing, reorganization or insolvency proceeding by or against BKC or its parent company, Burger King Worldwide, Inc., which filing has not been dismissed within 60 days; (g) issuing, in any single transaction or series of related transactions, shares of our common stock in an amount exceeding 35% of the total number of shares of our common stock outstanding immediately prior to the time of such issuance; and (h) entering into certain affiliated transactions. The Series A Preferred Stock votes with our common stock on an as-converted basis and provides for the right of BKC to elect two members our board of directors as Class A members until the date on which the number of shares of our common stock into which the outstanding shares of the Series A Preferred Stock held by BKC are then convertible constitutes less than 14.5% of the total number of outstanding shares of our common stock, which we refer to as the "director step-down date". From the director step-down date to the date on which the number of shares of our common stock into which the outstanding shares of Series A Preferred Stock held by BKC are then convertible constitute less than 10% of the total number of outstanding shares of our common stock or the date on which there is a prohibited transfer of the Series A Preferred Stock or the conversion shares during the holding period, BKC will have the right to elect one member to our board of directors as a Class A member. The Series A Preferred Stock ranks senior to our common stock with respect to rights on liquidation, winding-up and dissolution of Carrols Restaurant Group up to its stated value of \$0.01 per share and thereafter pro rata with our common stock on an as converted basis. The Series A Preferred Stock receives dividends pro rata with our common stock on an as converted basis. The Series A Preferred Stock does not pay interest, is perpetual and has no mandatory prepayment features.

Operating Agreement

Upon the closing of the 2012 acquisition, Carrols LLC and BKC also entered into an operating agreement, which we refer to as the "operating agreement," which has a term commencing on May 30, 2012 and ending (unless earlier terminated in accordance with the provisions thereof) on the earlier to occur of (i) 20 years from May 30, 2012 or (ii) the date that we operate 1,000 Burger King restaurants. Pursuant to the operating agreement, BKC assigned to us its right of first refusal on sales of restaurants by franchisees, which we refer to as the "ROFR", under franchise agreements with its franchisees to purchase all of the assets of a Burger King restaurant or all or substantially all of the voting stock of the franchisee, whether direct or indirect, on the same terms proposed between such franchisee and a third party purchaser, in 20 states as follows: Connecticut (except Hartford county), Delaware, Indiana, Kentucky, Maine, Maryland, Massachusetts (except for Middlesex, Norfolk and Suffolk counties), Michigan, New Hampshire, New Jersey, New York (except for Bronx, Kings, Nassau, New York, Queens, Richmond, Suffolk and Westchester counties), North Carolina, Ohio, Pennsylvania, Rhode Island, South Carolina, Vermont, Virginia, Washington DC, and West Virginia, which we refer to as the "DMAs." The continued assignment of the ROFR is subject to suspension or termination in the event of non-compliance by us with respect to the agreed upon remodeling schedule of our existing restaurants and the acquired BKC restaurants as further described below.

In addition, pursuant to the operating agreement, BKC granted us franchise pre-approval, which we refer to as the “franchise pre-approval,” to build new restaurants or acquire restaurants from franchisees in the DMAs until the date that we operate 1,000 restaurants, which we refer to as “new restaurant growth.” We will pay BKC approximately \$3.8 million for the ROFR and the franchise pre-approval rights in equal quarterly installments of \$190,227 over a five year period, with the first payment made on May 30, 2012, the closing date of the acquisition.

The grant by BKC to us of franchise pre-approval to develop new restaurants in the DMAs is a non-exclusive right, subject to customary BKC franchise, site and construction approval. Beginning on January 1 of the calendar year following the third anniversary of the closing date of the 2012 acquisition, a minimum of 10% of new restaurant growth by us in each calendar year during the term of the operating agreement must come from new development of Burger King restaurants (including offsets). As part of franchise pre-approval, BKC will grant us pre-approval for acquisitions of restaurants from franchisees in the DMAs where we then have an existing restaurant.

Pursuant to the operating agreement, we agreed to remodel 455 existing restaurants and acquired BKC restaurants to BKC’s 20/20 restaurant image, including 57 restaurants in 2012, 154 restaurants in 2013, 154 restaurants in 2014 and 90 restaurants in 2015, which we refer to as the “remodel plan.” We completed a total of 201 restaurant remodels to BKC’s 20/20 restaurant image as of December 29, 2013. If we fail to be in compliance with the remodel plan, BKC’s sole remedy will be the suspension of the ROFR by written notice given by BKC to us on or before January 31 of the calendar year following the year in which we are not in compliance with the remodel plan. The suspension of the ROFR will begin in the calendar year following the calendar year of such non-compliance, and such suspension shall automatically terminate as soon as we are into compliance with the remodel plan. We will be deemed in compliance with the remodel plan in each calendar year so long as we complete at least 90% of the remodel plan for such calendar year. In any calendar year that we complete 90% but less than 100% of the remodel plan for that calendar year, we must complete the shortfall of remodels that were required plus 90% of the remodel plan for the next calendar year in order to remain in compliance with the remodel plan. In any calendar year that the ROFR has been suspended, we will be deemed to be back in compliance with the remodel plan and the ROFR will automatically be restored as soon as we complete 100% of the remodels that were required for the calendar year resulting in the suspension of the ROFR (assuming that all remodels completed in such subsequent year shall first apply to remedying the prior year’s shortfall).

Pursuant to the operating agreement, we entered into franchise agreements with BKC for the acquired BKC restaurants with terms of varying durations up to 20 years, depending upon the term of the underlying leases or subleases. Each franchise agreement provides for a royalty rate of 4.5% of sales, an advertising contribution payment of 4% of sales and a commitment to spend on local advertising during the term of no less than a 0.75% of sales in each of the DMAs, which we refer to as “investment spending” (provided that if any investment spending contract approved by 66.7% of the franchisees in a DMA calls for investment spending of less than 0.75% of sales, we will only be obligated to investment spending to such lesser amount.) Effective on the date of the closing of the 2012 acquisition, the franchise agreements for our restaurants were amended to add an investment spending commitment consistent with the terms set forth in the franchise agreements for the acquired BKC restaurants.

Pursuant to the operating agreement, we agreed to operate our restaurants at or above the U.S. Burger King system’s national average (measured on a quarterly basis) for the following operational metrics: (i) Speed of Service; (ii) Operational BKC Visits (OER or its current equivalent); (iii) Food Safety Scores; and (iv) Guest Trac (or the then current guest recovery program), which we refer to as the “operations metrics.” Subject to a six month grace period with respect to the acquired BKC restaurants, if more than 10% of our restaurants are rated below the national average for any of the individual operations metrics for more than two consecutive quarters, we and BKC will meet and develop a cure period for and a cure plan that details how we will address the operational issues and by what date we will bring our performance up to and exceed the national average. If at least 90% of our restaurants do not meet or exceed the national average for any of the operations metrics after the cure period, franchise pre-approval for franchisee to franchisee transfers of restaurants or rights with respect to new restaurant growth will be suspended until such time as at least 90% of our restaurants meet or exceed the national average for each of the operations metrics.

The operating agreement also provides that we and BKC will indemnify the other for all losses, damages and/or contractual liabilities to third parties arising out of or relating to any of the obligations, undertakings, promises and representations of BKC and us, as the case may be, under the operating agreement, and for all claims or demands for

damages to property or for injury, illness or death of persons directly or indirectly resulting therefrom.

Registration Rights Agreement

Upon the closing of the 2012 acquisition, we and BKC entered into a registration rights agreement, which we refer to as the “BKC registration rights agreement,” pursuant to which we agreed to file one shelf registration statement on Form S-3 covering the resale of at least 30% of the conversion shares as promptly as possible upon written request of BKC at any time after the 36-month anniversary of the closing of the 2012 acquisition. The BKC registration rights agreement also provides that BKC may make up to three demands to register for the resale of at least 33.3% of the conversion shares held by BKC under the Securities Act on the date of the closing of the 2012 acquisition upon the written request by BKC at any time following the 30-month anniversary of the closing of the 2012 acquisition. The BKC registration rights agreement also provides that whenever we register shares of our common stock under the Securities Act (other than on a Form S-4 or Form S-8), BKC has the right as specified therein to register its conversion shares as part of that registration, provided, however, that such registration rights are subject to the rights of the managing underwriters, if any, to reduce or exclude certain conversion shares owned by BKC from an underwritten registration (and subject to certain rights of certain persons, including members

of our management that have piggyback registration rights). Except as otherwise provided in the BKC registration rights agreement, the BKC registration rights agreement requires us to pay for all costs and expenses, other than underwriting discounts, commissions and underwriters' counsel fees, incurred in connection with the registration of our common stock, stock transfer taxes and the expenses of BKC's legal counsel in connection with the sale of the conversion shares, provided that we will pay the reasonable fees and expenses of one counsel for BKC up to \$50,000 in the aggregate for any registration thereunder, subject to the limitations set forth therein. We will also agree to indemnify BKC against certain liabilities, including liabilities under the Securities Act. We have also agreed, to the extent a shelf registration is effective, to file up to two prospectus supplements in connection with a block sale or non-marketed underwritten offering by BKC of Carrols Restaurant Group common stock held by BKC and pay one half of the accounting and printing fees related thereto to the extent such sale or offering is for a sales price of no less than 90% of the average closing price of our common stock for the five trading days ending immediately prior to such sale or offering and is not less than 300,000 shares of common stock.

Franchise Agreements and Leases

We operate all of our restaurants (including the acquired BKC restaurants) pursuant to franchise agreements entered into with BKC. In addition, we have entered into real property leases with BKC for a number of our restaurants (excluding the acquired BKC restaurants) and real property leases or subleases with respect to all of the acquired BKC restaurants.

Other

Pursuant to a registration agreement, which we refer to as the "registration agreement" dated March 27, 1997 and amended December 14, 2006, Daniel T. Accordino, CEO of Carrols Restaurant Group, and two former executive officers of Carrols Restaurant Group have the right, whenever we register shares of our common stock under the Securities Act (other than on a Form S-4 or Form S-8) to register their shares subject to the registration agreement as part of that registration. Such registration rights are subject to the rights of the managing underwriters, if any, to reduce or exclude certain shares owned by such stockholders from the registration. The registration agreement requires us to pay for all costs and expenses, other than underwriting discounts and commissions for these stockholders, incurred in connection with the registration of their shares under the registration agreement. Under the registration agreement, we have agreed to indemnify these stockholders against certain liabilities, including liabilities under the Securities Act.

Independence of Directors

As required by the listing standards of NASDAQ, a majority of the members of our board of directors must qualify as "independent," as affirmatively determined by our board of directors. Our board of directors determines director independence based on an analysis of such listing standards and all relevant securities and other laws and regulations regarding the definition of "independent."

Consistent with these considerations, after review of all relevant transactions and relationships between each director, any of his or her family members, and us, our executive officers and our independent registered public accounting firm, the board of directors has affirmatively determined that a majority of our board of directors is comprised of independent directors. Our independent directors pursuant to NASDAQ are Messrs. Handel, Wilhite, Harris and Garcia.
