Item 5.02. Departure of Directors or Certain Officers; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers

On August 25, 2015, the Company entered into amended employment agreements (the “Amended Employment Agreements”) with the following senior executive officers: Lon Stroschein, Brian Meyer, Janet Matthiesen, Stephanie Herseth Sandlin and Steven Brazones. The Amended Employment Agreements eliminate the retiree medical program providing postretirement medical benefits to these individuals if their years of employment and age added together exceeded 80. Under this program, the retired executive was entitled to be reimbursed for health expenditures up to a percentage (which was 3.5% for the executive officers named above) of the executive’s highest salary and bonus over the last five years of employment. Retirement benefits were to continue until the last to die of the executive or spouse. In the event of an executive’s death, the benefits available to the surviving spouse were limited to vested retirement benefits. In consideration of entering into the Amended Employment Agreements, such current senior executive officers have received lump sum payments in amounts ranging from \$7,500 to \$15,000, determined by each officer’s years of service to the Company.

The employment agreements for the Company’s current senior executive officers that either already qualify for retirement or have given twenty or more years of service to the Company will not be amended. However, arrangements with future senior executive officers will be reflected on the Amended Employment Agreement form.

The foregoing summary description of the terms and conditions of the Amended Employment Agreement does not purport to be complete and is qualified in its entirety by reference to the copies of the form of Amended Employment Agreement, copies of which are filed as Exhibits 10.1 and 10.2 to this Current Report on Form 8-K and are incorporated by reference herein.
