Organized under the laws of the State of Delaware in May 1985 as Jean Philippe Fragrances, Inc., we changed our name to Inter Parfums, Inc. on July 14, 1999, to better reflect our image as a provider of prestige perfumes. We have also retained the brand name, Jean Philippe Fragrances, for our mass-market products.

Our worldwide headquarters and the office of our three (3) wholly-owned subsidiaries, Jean Philippe Fragrances, LLC and Inter Parfums USA, LLC, both New York limited liability companies, and Nickel USA, Inc., a Delaware corporation, are located at 551 Fifth Avenue, New York, New York 10176, and our telephone number is 212.983.2640. Our consolidated wholly-owned subsidiary, Inter Parfums Holdings, S.A., its majority-owned subsidiary, Inter Parfums, S.A., and its two (2) wholly-owned subsidiaries, Inter Parfums Grand Public, S.A., and Inter Parfums Trademark, S.A., and its majority-owned subsidiary, Nickel, S.A., maintain executive offices at 4, Rond Point des Champs Elysees, 75008 Paris, France. Our telephone number in Paris is 331.5377.0000.

Our common stock is listed on The Nasdaq Stock Market (National Market System) under the trading symbol "IPAR" and we are considered a "controlled company" under the applicable rules of The Nasdaq Stock Market. OUR BUSINESS

We operate in the fragrance business, which primarily consists of fragrances (both prestige and mass market), and a relatively small amount of cosmetics (both skin care and color, and both mass and prestige markets), and health and beauty aids. We have two operating segments, one French based, which is predominantly in the prestige market, and one United States based, which is predominantly in the mass market. Our French based operations consist of approximately 99% prestige market sales and 1% mass market sales, and our United States operations consist of approximately 95% mass market sales and 5% prestige market sales.

- Prestige products - For each prestige brand, owned or licensed by us, we develop an original concept for the perfume or cosmetic line consistent with world market trends.
- Mass market products - We design, market and distribute inexpensive fragrances, including alternative designer fragrances, personal care products, mass market cosmetics and health and beauty aids.

2004 IMPORTANT EVENTS

Burberry

Burberry is our leading prestige brand name, as net sales of Burberry products accounted for 62%, 56% and 41% of net sales for the years ended December 31, 2004, 2003 and 2002, respectively.

In October 2004, our Paris-based subsidiary, Inter Parfums, S.A., entered into a 12.5-year, exclusive world-wide fragrance license with Burberry Limited, effective as of July 1, 2004, which replaced the existing 1993 license. This license includes an additional 5-year optional term that requires the consent of both Burberry and Inter Parfums, S.A.

Edgar Filing: INTER PARFUMS INC - Form S-8

In addition, Burberry has the right on December 31, 2009 and December 31, 2011 to buy back the license at its then fair market value. Further, Inter Parfums, S.A. has paid approximately \$3.6 million to Burberry as an inducement to enter into this license.

The new royalty rates, which are approximately double the rates under the prior license, commenced as of July 1, 2004. The new advertising and promotional expenditures, which commenced on January 1, 2005, are substantially higher than under the prior license. In anticipation of these changes and to mitigate the associated expenses, Inter Parfums, S.A. is fine-tuning its operating model. This new model includes increased selling prices to distributors, modification of cost-sharing arrangements with suppliers and distributors, and involves the future formation of joint ventures or company-owned subsidiaries within key markets.

Lanvin

In June 2004, Inter Parfums, S.A. entered into an exclusive, worldwide license agreement with Lanvin S.A. to create, develop and distribute fragrance lines under the Lanvin brand name. The fifteen-year license agreement took effect July 1, 2004 and provided for an upfront non-recoupable license fee of \$19.2 million and the purchase of existing inventory of \$7.6 million.

Nickel

In April 2004 Inter Parfums, S.A. acquired a 67.5% interest in Nickel S.A. for approximately \$8.7 million in cash including a capital infusion of \$2.8 million made in June 2004, aggregating approximately \$4.5 million, net of cash acquired. This marked our official entrée into prestige skin care products. We also own and operate men's spas in Paris and New York, which sell our Nickel products.

RISK FACTORS

You should carefully consider these risk factors, together with all of the other information contained or incorporated by reference in this prospectus, before you decide to purchase shares of our common stock. These factors could cause our future results to differ materially from those expressed or implied in forward-looking statements made by us. The risks and uncertainties described below are not the only ones we face. Additional risks and uncertainties not presently known to us or that we currently deem immaterial may also harm our business. The trading price of our common stock could decline due to any of these risks, and you may lose all or part of your investment.

We are dependent upon Burberry for a significant portion of our sales, and the loss of this license will have a material adverse effect on us.

Burberry is our leading prestige brand name, as sales of Burberry products represented 62%, 56% and 41% of net sales for the years ended December 31, 2004, 2003 and 2002, respectively.

In October 2004 our Paris-based subsidiary, Inter Parfums, S.A., entered into a 12.5-year, exclusive world-wide fragrance license with Burberry Limited, effective as of July 1, 2004, which replaced the existing 1993 license. This license includes an additional 5-year optional term that requires the consent of both Burberry and Inter Parfums, S.A., and must be exercised, if at all, prior to December 31, 2014. In addition, Burberry has the right on December 31, 2009 and December 31, 2011 to buy back the license at its then fair market value. Further, this license provides for a termination on a change in control of either Inter Parfums, S.A., the licensee, or Inter Parfums, Inc., the guarantor.

This license is subject to Inter Parfums, S.A. making certain royalty payments, minimum royalty payments, minimum advertising and promotional expenditures and minimum sales requirements. The new royalty rates, which are approximately double the rates under the prior license, commenced as of July 1, 2004. The new advertising and promotional expenditures, which commenced on January 1, 2005, as well as the minimum sales requirements, are substantially higher than under the prior license. In an attempt to mitigate the associated expenses, Inter Parfums is fine-tuning its model and establishing a dedicated Burberry Fragrances operating division. This new model includes increased selling prices to distributors, modification of cost-sharing arrangements with suppliers and distributors, and

involves the future formation of joint ventures or Company-owned subsidiaries within key markets.

We are dependent upon the continuation and renewal of various licenses for a significant portion of our sales, and the loss of one or more licenses could have a material adverse effect on us.

Substantially all of our prestige fragrance brands are licensed from unaffiliated third parties and our business is dependent upon the continuation and renewal of such licenses on terms favorable to us. Each license is for a specific term and may have additional optional terms. In addition, each license is subject to us making certain royalty payments, minimum royalty payments, minimum advertising and promotional expenditures and minimum sales requirements. Just as the loss of a license may have a material adverse effect on us, a renewal on less favorable terms may also negatively impact us.

The success of our products is dependent on public taste.

Although we believe we have the ability and experience to recognize valuable fragrances and cosmetic products and gauge trends in the cosmetic and fragrance market, our revenues are substantially dependent on the success of our products, which depends upon, among other matters, pronounced and rapidly changing public tastes, factors which are difficult to predict and over which we have little, if any, control. In addition, we have to develop successful marketing, promotional and sales programs in order to sell our fragrances and cosmetics. If we are not able to develop successful marketing, promotional and sales programs, then such failure will have a material adverse effect on our business, financial condition and operating results.

We are dependent upon Messrs. Jean Madar and Philippe Benacin, and the loss of their services could harm our business.

Jean Madar, our Chief Executive Officer, and Philippe Benacin, our President and Chief Executive Officer of Inter Parfums, S.A., are responsible for day-to-day operations as well as major decisions. Termination of their relationships with us, whether through death, incapacity or otherwise, could have a material adverse effect on our operations, and we cannot assure you that qualified replacements can be found. We maintain key man insurance on the lives of both Mr. Madar (\$1 million) and Mr. Benacin (\$2.8 million), however, we cannot assure you that we would be able to retain suitable replacements for either Mr. Madar or Mr. Benacin.

We are subject to extreme competition in both the prestige and mass markets.

The market for fragrances and beauty related products is highly competitive and sensitive to changing market preferences and demands. Many of these companies have substantial financial resources and national marketing campaigns.

The prestige fragrance and cosmetic industry is highly concentrated around certain major players with resources far greater than ours. We compete with an original strategy-- regular and methodical development of quality products for a growing portfolio of internationally renowned brand names.

Mass market fragrances are characterized by competition primarily based upon price. We feel the quality of our fragrance products, competitive pricing, and our ability to quickly and efficiently develop and distribute new products, will enable us to continue to effectively compete with these companies.

The market for name brand and mass market color cosmetics, as well as health and beauty aids, is highly competitive, with several major cosmetic companies marketing similar products. However, we believe that brand recognition of the Aziza and Intimate brand names, together with the quality and competitive pricing of our products, enables us to compete with these companies in the mass market.

We cannot assure you that sufficient demand for our existing fragrances, cosmetics and health and beauty aids will continue or that we will develop future products that will withstand competition.

Our reliance on third party manufacturers could have a material adverse effect on us.

We rely on outside sources to manufacture our fragrances and cosmetics. The failure of such third party manufacturers to deliver either components or finished goods on a timely basis could have a material adverse effect on our business. Although we believe there are alternate manufactures available to supply our requirements, we cannot assure you that current or alternative sources will be able to supply all of our demands on a timely basis. We do not intend to develop our own manufacturing capacity. As these are third parties over which we have little or no control, the failure of such third parties to provide components or finished goods on a timely basis could have a material adverse effect on our business, financial condition and operating results.

The international character of our business renders us subject to fluctuation in foreign currency exchange rates and international trade tariffs, barriers and other restrictions.

Approximately 30% of our Paris subsidiary's net sales are sold in US dollars. In an effort to reduce our exposure to foreign currency exchange fluctuations, we engage in a program of cautious hedging of foreign currencies to minimize the risk arising from operations. Despite such actions, fluctuations in foreign currency exchange rates for the U.S. dollar, particularly with respect to the Euro, could have a material adverse effect on our operating results. Possible import, export, tariff and other trade barriers, which could be imposed by the United States, France, Canada or other countries might also have a material adverse effect on our business.

Our business is subject to governmental regulation, which could impact our operations.

Fragrances and other cosmetics must comply with the labeling requirements of the Federal Food, Drug and Cosmetics Act as well as the Fair Packaging and Labeling Act and their regulations. Some of our color cosmetic products may also be classified as a "drug". Additional regulatory requirements for products which are "drugs" include additional labeling requirements, registration of the manufacturer and the semi-annual update of a drug list.

Our fragrances are subject to the approval of the Bureau of Alcohol, Tobacco and Firearms as a result of the use of specially denatured alcohol. So far we have not experienced any difficulties in obtaining the required approvals.

Our fragrances and cosmetics that are manufactured in France are subject to certain regulatory requirements of the European Union, but as of the date of this report, we have not experienced any material difficulties in complying with such requirements.

However, we cannot assure you that, should we develop or market fragrances and cosmetics with different ingredients, or should existing regulations or requirements be revised, we would not in the future experience difficulty in complying with such requirements, which could have a material adverse effect on our results of operations.

We may become subject to possible liability for improper comparative advertising or "Trade Dress."

Brand name manufacturers and sellers of brand name products may make claims of improper comparative advertising or trade dress (packaging) with respect to the likelihood of confusion between some of our mass market fragrances, cosmetics and health and beauty aids, and those of brand name manufacturers and sellers. They may seek damages for loss of business or injunctive relief to seek to have the use of the improper comparative advertising or trade dress halted. However, we believe that our displays and packaging constitute fair competitive advertising and are not likely to cause confusion between our products and others. Further, we have not experienced to any material degree, any of such problems to date.

USE OF PROCEEDS

We will not receive any of the proceeds of the sale by the selling security holders of the shares of common stock covered by this prospectus. We will only receive proceeds from the exercise of the options, and we will use such funds for working capital purposes.

SELLING SECURITY HOLDERS

This prospectus relates to periodic offers and sales of up to 79,650 shares of our common stock by the selling security holders listed and described below and their pledgees, donees and other successors in interest. All selling security holders are either our officers, directors or employees and these options were granted to these individuals as compensation. The following table sets forth,

- the name of each selling security holder,
- the number of shares beneficially owned, and
- the number of shares being registered for resale by each selling security holder.

We may amend or supplement this prospectus from time to time to update the disclosure set forth in this prospectus. All of the shares being registered for resale under this prospectus for the selling security holders may be offered hereby. Because the selling security holders may sell some or all of the shares owned by them which are included in this prospectus, and because there are currently no agreements, arrangements or understandings with respect to the sale of any of the shares, no estimate can be given as to the number of shares being offered hereby that will be held by the selling security holders upon termination of any offering made hereby. We have, therefore, for the purposes of the following table assumed that the selling security holders will, if applicable, exercise the options described below, and sell all of the shares owned by them which are being offered hereby, but will not sell any other shares of our common stock that they presently own. Beneficial ownership is determined in accordance with the rules of the Securities and Exchange Commission and generally includes securities over which an individual or entity has voting or investment power and includes any securities which the person or entity has the right to acquire within 60 days through the conversion or exercise of any security or other right. The information as to the number of shares of our common stock owned by each selling security holder is based upon the information contained in a record list of our stockholders and option holders at May 18, 2005.

Each selling security holder will own less than 1% of our issued and outstanding common stock after the sale of the shares we are registering. Unless otherwise stated, all beneficially owned shares of common stock are issuable upon exercise of options, with sole voting power and sole power to dispose.

Our committee has the authority under the employee stock option plans to determine the terms of options and/or stock appreciation rights granted under the plans, including, among other things, whether an option shall be an incentive or a nonqualified stock option, the individuals who shall receive them, whether a stock appreciation right shall be granted separately, in tandem with or in addition to options, the number of shares to be subject to each option and/or stock appreciation right, the date or dates each option or stock appreciation right shall become exercisable and the exercise price or base price of each option and stock appreciation right; provided, however, that the exercise price of an incentive stock option may not be less than 100% of the fair market value of the common stock on the date of grant and not less than 110% of the fair market value in the case of an optionee who at the time of grant owns more than 10% of our total combined voting power or of any of our subsidiaries.

Terms and Conditions of Options

The options and stock appreciation rights granted under our employee stock option plans are subject to, among other things, the following terms and conditions:

(a) Options and stock appreciation rights may be granted for terms determined by our committee, provided, however, that the term of an incentive stock option may not exceed ten (10) years, and in the case of an optionee who at the time of grant owns more than ten percent (10%) of our combined voting power or of any of our subsidiaries, the term of an incentive option may not exceed five (5) years.

(b) Options are payable in full upon exercise or, in the discretion of our committee, installments. Payment of the exercise price of an option may be made, in the discretion of our committee, in cash, in shares of common stock or any combination thereof.

(c) Options and stock appreciation rights may not be transferred other than by will or by the laws of descent and distribution, and may be exercised during the employee's lifetime only by him or her.

(d) If the employment of the holder of an incentive option is terminated for any reason other than death or a permanent and total disability, then the incentive option may be exercised, to the extent exercisable by the holder at the time of termination of employment, within three (3) months thereafter, but in no event after expiration of the term of the incentive option. However, if employment was terminated either for cause or without our consent, then such option shall terminate immediately. Any and all nonqualified stock options or stock appreciation rights granted shall terminate simultaneously with the termination of association of the holder of such nonqualified option or stock appreciation right with us for any reason other than the death or permanent and total disability of such holder.

(e) In the case of the death or disability of the holder of an option and/or stock appreciation right while employed (or death within three (3) months after termination of employment), his or her legal representative or beneficiaries may exercise the option, within twelve (12) months after the date of such death or disability, but in no event after the expiration of the term of the option and/or stock appreciation right.

(f) The holder is required to pay us the amount we determine is necessary to meet our obligation to withhold federal, state and local taxes incurred by reason of the exercise of a nonqualified stock option or the disqualifying disposition of shares acquired upon the exercise of an incentive stock option.

Option Contracts

Each option and/or stock appreciation right is evidenced by a written contract between us and the employee receiving the grant. Such contract may provide, among other things, that (a) the holder agrees to remain in our employ, at our election, for the later of (i) the period of time determined by our committee at or before the time of grant or (ii) the date to which he is then contractually obligated to remain associated with us, and (c) the optionee will notify us of any disqualifying disposition of shares acquired pursuant to the exercise of an incentive stock option and pay any required withholding or other tax.

Adjustment in Event of Capital Changes

Appropriate adjustments shall be made in the number and kind of shares available under our employee stock option plans, in the number and kind of shares subject to each outstanding option and stock appreciation right and in the exercise prices and base prices thereof in the event of any change in our common stock by reason of any stock dividend, recapitalization, merger, consolidation, reorganization, split-up, combination or exchange of shares or the like.

Duration and Amendment of the Plans

No option may be granted pursuant to our employee stock option plans more than 10 years after the date of the plan pursuant to which the option was granted. Our full Board of Directors or the committee may at any time terminate or amend our employee stock option plans; provided, however, that without the approval of our stockholders, no amendment may be made which would (a) increase the maximum number of shares available for the grant of options (except the anti-dilution adjustments described above), (b) otherwise materially increase the benefits accruing to participants under our employee stock option plans or (c) change the eligibility requirements for employees who may receive options.

Federal Income Tax Treatment

The following is a general summary of the federal income tax consequences under current tax law of incentive stock options, nonqualified stock options and stock appreciation rights. It does not purport to cover all of the special rules, including special rules relating to optionees subject to Section 16(b) of the Securities Exchange Act of 1934, as amended, and the exercise of an option with previously-acquired shares, or the state or local income or other tax consequences inherent in the ownership and exercise of stock options and the ownership and disposition of the underlying shares.

An optionee will not recognize taxable income for federal income tax purposes upon the grant of an incentive stock option, a nonqualified stock option or a stock appreciation right. In the case of an incentive stock option, no taxable income is recognized upon exercise of the option. If the optionee disposes of the shares acquired pursuant to the exercise of an incentive stock option more than two (2) years after the date of grant and more than one (1) year after the transfer of the shares to him or her, the optionee will recognize long-term capital gain or loss and we will not be entitled to a deduction. However, if the optionee disposes of such shares within the required holding period, a portion of his or her gain will be treated as ordinary income and we will generally be entitled to deduct such amount.

Upon the exercise of a nonqualified stock option, the optionee recognizes ordinary income in an amount equal to the excess, if any, of the fair market value of the shares acquired on the date of exercise over the exercise price thereof, and we are generally entitled to a deduction for such amount on the date of exercise so long as we properly withhold income taxes thereon. If the optionee later sells shares acquired pursuant to the nonqualified stock option, he or she will recognize long-term or short-term capital gain or loss.

In the case of a stock appreciation right, the optionee recognizes ordinary income and we may deduct an amount equal to the excess, if any, of the fair market value of the shares of our common stock on the exercise date over the base price thereof.

In addition to the federal income tax consequences described above, an optionee may be subject to the alternative minimum tax, which is payable to the extent it exceeds the optionee's regular tax. For this purpose, upon the exercise of an incentive stock option, the excess of the fair market value of the shares over the exercise price therefor is a tax preference item. In addition, the optionee's basis in such shares is increased by such amount for purposes of computing the gain or loss on the disposition of the shares for alternative minimum tax purposes. If an optionee is required to pay an alternative minimum tax, the amount of such tax which is attributable to deferral preferences (including the incentive stock option preference) is allowed as a credit against the optionee's regular tax liability in subsequent years. To the extent the credit is not used, it is carried forward.

NONEMPLOYEE DIRECTORS PLAN

The selling security holders who are not our employees serve as our nonemployee directors and were granted stock options under either our 2000 Nonemployee Director Stock Option Plan.

Option Grants and Outstanding Options

Each individual who becomes a nonemployee director, will on the date of his initial election or appointment to our Board be granted a nonqualified stock option to purchase 2,000 shares of our common stock.

Each nonemployee director other than Joseph A. Caccamo, will be granted an option to purchase 1,000 shares of our common stock commencing on the next February 1st, and each succeeding February 1st throughout the term of the applicable nonemployee director plan for so long as he is a nonemployee director. In lieu of grants of options to purchase 1,000 shares, Joseph A. Caccamo will be granted options to purchase 4,000 shares annually hereunder for as long as he is a nonemployee director. No option will be granted on any February 1st grant date to any nonemployee director who first becomes a nonemployee director within six months prior to such February 1st grant date.

Terms and Conditions of Options

Each option granted under our nonemployee director plan have a term of five (5) years, except that such terms may be for a shorter period in certain instances.

If a nonemployee director to whom an option has been granted under our nonemployee director plans ceases to serve on the Board, otherwise than by reason of death or disability, then his option may be exercised (to the extent that the nonemployee director was entitled to do so at the time of cessation of service) at any time within three (3) months after such cessation of service, but in no event after the original expiration date.

If a nonemployee director to whom an option has been granted under the 2000 Plan ceases to serve on our Board by reason of disability, the then remaining unexercised portion of the option may be exercised in whole or in part by the nonemployee director at any time within one (1) year after such disability, but in no event after the original expiration date.

If a nonemployee director to whom an option has been granted under our nonemployee director plans dies while he is serving on the Board or within three (3) months after ceasing to serve as a member of our Board, then such option may be exercised by the legatee or legatees of such option under the nonemployee director's last will, or by his personal representatives or distributed, at any time within one (1) year after his death, but in no event after the date on which, except for such death, the option would otherwise expire.

Amendment of the Nonemployee Director Plans

Our full Board of Directors may amend, suspend or terminate our nonemployee director plans or any portion thereof at any time but may not, without the approval of the our stockholders within twelve (12) months before or after the date of adoption of any such amendment or amendments, make any alteration or amendment thereof which (a) makes any change in the class of eligible participants; (b) increases the total number of shares of our common stock for which options may be granted under the nonemployee director plans except in the event of any change in our common stock by reason of any stock dividend, recapitalization, merger, consolidation, reorganization, split-up, combination or exchange of shares or the like; (c) extend the term of the nonemployee director plans or the maximum option period provided under the plans; (d) decreases the option price; or (e) materially increases the benefits accruing to participants under the nonemployee director stock option plans. The nonemployee director plans cannot be amended more than once every six (6) months, except to comply with changes in the Internal Revenue Code, Employee Retirement Income Security Act or the rules thereunder.

PLAN OF DISTRIBUTION

The shares offered hereby by the selling security holders may be sold from time to time by the selling security holders, or by pledgees, donees, transferees or other successors in interest. These sales may be made on one or more exchanges or in the over-the-counter market including the Nasdaq National Market of The Nasdaq Stock Market, or otherwise at prices and at terms then prevailing or at prices related to the then current market price, or in negotiated transactions. The shares may be sold by one or more of the following methods, including, without limitation:

- a block trade in which the broker-dealer so engaged will attempt to sell the shares as agent, but may position and resell a portion of the block as principal to facilitate the transaction;
- purchases by a broker or dealer as principal and resale by a broker or dealer for its account under this prospectus;
- face-to-face or other direct transactions between the selling security holders and purchasers without a broker-dealer or other intermediary; and
- ordinary brokerage transactions and transactions in which the broker solicits purchasers.

In effecting sales, brokers or dealers engaged by the selling security holders may arrange for other brokers or dealers to participate in the resales. Brokers, dealers or agents may receive compensation in the form of commissions, discounts or concessions from selling security holders in amounts to be negotiated in connection with the sale. These broker-dealers and agents and any other participating broker-dealers, or agents may be deemed to be "underwriters" within the meaning of the Securities Act of 1933, as amended, in connection with the sales. In addition, any securities covered by this prospectus that qualify for sale under Rule 144 promulgated under the Securities Act of 1933 might be sold under Rule 144 rather than under this prospectus.

In connection with distributions of the shares or otherwise, the selling security holders may enter into hedging transactions with broker-dealers. In connection with the transactions, broker-dealers may engage in short sales of the shares registered hereunder in the course of hedging the positions they assume with selling security holders. Certain of the selling security holders may also sell shares short and deliver the shares to close out the positions. The selling security holders may also enter into option or other transactions with broker-dealers which require the delivery to the broker-dealer of the shares registered hereunder, which the broker-dealer may resell under this prospectus. The selling security holders may also pledge the shares registered hereunder to a broker or dealer and upon a default, the broker or dealer may effect sales of the pledged shares under this prospectus.

Information as to whether an underwriter(s) who may be selected by the selling security holders, or any other broker-dealer, is acting as principal or agent for the selling security holders, the compensation to be received by underwriters who may be selected by the selling security holders, or any broker-dealer, acting as principal or agent for the selling security holders and the compensation to be received by other broker-dealers, in the event the compensation of other broker-dealers is in excess of usual and customary commissions, will, to the extent required, be set forth in a supplement to this prospectus. Any dealer or broker participating in any distribution of the shares may be required to deliver a copy of this prospectus, including the supplement, if any, to any person who purchases any of the shares from or through a dealer or broker.

We have advised the selling security holders that during the time as they may be engaged in a distribution of the shares included herein they are required to comply with Regulation M of the Securities Exchange Act of 1934. With certain exceptions, Regulation M precludes any selling security holders, any affiliated purchasers and any broker-dealer or other person who participates in the distribution from bidding for or purchasing, or attempting to induce any person to bid for or purchase any security which is the subject of the distribution until the entire distribution is complete. Regulation M also prohibits any bids or purchase made in order to stabilize the price of a security in connection with the distribution of that security. All of the foregoing may affect the marketability of our common stock.

An investor may purchase the common stock offered under this prospectus only if such shares are qualified for sale or are exempt from registration under the applicable securities laws of the state in which such prospective purchaser resides. We have not registered or qualified the shares under any state securities laws and, unless the sale of such shares to a particular investor is exempt from registration or qualification under applicable state securities laws, the sale of such shares to an investor may not be effected until such shares have been registered or qualified with applicable state securities authorities.

Sales of securities by us and the selling security holders or even the potential of these sales may have a negative effect on the market price for shares of our common stock.

DESCRIPTION OF SECURITIES

Common Stock

As of May 20, 2005, there were 20,179,160 shares of common stock outstanding. All outstanding shares of common stock are, and all shares of common stock to be outstanding upon completion of this offering will be, validly authorized and issued, fully paid, and non-assessable.

The holders of common stock are entitled to one vote for each share held of record on all matters submitted to a vote of stockholders. Holders of common stock are entitled to receive ratably such dividends as may be declared by the board of directors out of funds legally available therefor. In the event of our liquidation, dissolution, or winding up, holders of our common stock are entitled to share ratably in all of our assets remaining after payment of liabilities and liquidation preferences of any outstanding shares of preferred stock. Holders of common stock have no preemptive rights or other subscription rights to convert their shares into any other securities.

Dividends

Commencing in March 2002, our Board of Directors authorized our first cash dividend of \$.06 per share per annum, payable \$.015 per share quarterly. The first cash dividend of \$.015 per share was paid on April 15, 2002 to shareholders of record on March 31, 2002. In March 2003, our board of directors increased the cash dividend to \$.08 per share per annum, payable \$.02 per share on a quarterly basis. In March 2004, our board of directors again increased the cash dividend to \$.12 per share per annum, payable \$.03 per share on a quarterly basis.

Commencing March 31, 2005 our board of directors increased the cash dividend from \$.12 to \$.16 per share per annum, payable on a quarterly basis. The first cash dividend of \$.04 per share was paid on April 15, 2005 to shareholders of record on March 31, 2005.

Our Certificate of Incorporation provides for the requirement of unanimous approval of the members of our board of directors for the declaration or payment of dividends, if the aggregate amount of dividends to be paid by us and our subsidiaries in any fiscal year is more than thirty percent (30%) of our annual net income for the last completed fiscal year, as indicated by our consolidated financial statements.

Preferred Stock

Our Board of Directors has the authority, without further action by our stockholders, to issue 1,000,000 shares of preferred stock, in one or more series and to fix the privileges and rights of each series. These privileges and rights may be greater than those of the common stock. As of the date of this Prospectus, we do not have any shares of preferred stock outstanding. Our Board of Directors, without further shareholder approval, can issue preferred stock with voting, conversion or other rights that could adversely affect the voting power and other rights of the holders of common stock. This type of "blank check preferred stock" makes it possible for us to issue preferred stock quickly with terms calculated to delay or prevent a change in our control or make removal of our management more difficult.

TRANSFER AGENT

The transfer agent and registrar for our common stock is American Stock Transfer & Trust Company, located at 59 Maiden Lane, New York, New York 10038.

Item 6. Indemnification of Directors and Officers.

Section 145 of the Delaware General Corporation Law authorizes a court to award, or a corporation's board of directors to grant, indemnity to directors and officers in terms sufficiently broad to permit such indemnification under certain circumstances for liabilities (including reimbursement for expenses incurred) arising under the Securities Act of 1933, as amended (the "Securities Act").

As permitted by Section 145 of the Delaware General Corporation Law, Registrant's Certificate of Incorporation includes a provision that eliminates the personal liability of its directors for monetary damages for breach of fiduciary duty as a director, except for liability:

- for any breach of the director's duty of loyalty to Registrant or its stockholders;
- for acts or omissions not in good faith or that involve intentional misconduct or a knowing violation of the law;

- for any transaction from which the director derived an improper personal benefit.

As permitted by the Delaware General Corporation Law, Registrant's bylaws provide that:

- Registrant is required to indemnify its directors and officers to the fullest extent permitted by the Delaware General Corporation Law, subject to limited exceptions;
- Registrant may indemnify its other employees and agents to the extent that it indemnifies its officers and directors, unless otherwise required by law, its certificate of incorporation, its bylaws or agreements to which it is a party;

- the rights conferred in the Bylaws are not exclusive.

Item 9. Undertakings.

A. The undersigned registrant hereby undertakes:

- (1) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement;
- (i) To include any prospectus required by Section 10(a)(3) of the Securities Act;
- (ii) To reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement; and
- (iii) To include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement;

provided, however, that paragraphs (A)(1)(i) and (A)(1)(ii) do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in periodic reports filed with or furnished to the Securities and Exchange Commission by the registrant pursuant to Section 13 or Section 15(d) of the Exchange Act of 1934 that are incorporated by reference in the registration statement.

- (2) That, for the purpose of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.
- (3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

B. The undersigned registrant hereby undertakes that, for purposes of determining liability under the Securities Act, each filing of the registrant's annual report pursuant to Section 13(a) or 15(d) of the Exchange Act that is incorporated

Edgar Filing: INTER PARFUMS INC - Form S-8

by reference in the registration statement shall be deemed a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

C. Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.

SIGNATURES

Pursuant to the requirements of the Securities Act of 1933, the registrant certifies that it has reasonable grounds to believe that it meets all of the requirements for filing on Form S-8 and has duly caused this registration statement to be signed on its behalf by the undersigned, thereunto duly authorized, in the City of New York, State of New York, on this 20th day of May, 2005.

Nonqualified Stock Option Contract

THIS NONQUALIFIED STOCK OPTION CONTRACT is entered into effective as of the ___day of ____, ____, by and between INTER PARFUMS, INC., a Delaware corporation (the "Company") and _____ ("Optionee").

W I T N E S S E T H:

1. The Company, in accordance with the resolutions adopted by the Stock Option Committee effective as of _____, and the terms and subject to the conditions of the Company's ____ Stock Option Plan (the "1999 Plan"), hereby grants to the Optionee as of the date hereinabove set forth, a nonqualified option to purchase an aggregate of _____ shares (the "Shares") of the common stock, \$.001 par value per share, of the Company (the "Common Stock"), at \$_____ per share.

2. The term of this option shall be five (5) years from the date hereof, subject to earlier termination as provided in the 1999 Plan. This option may be exercised in whole or in part and from time to time as to the Shares but prior to the end of the term of the option, by giving written notice to the Company at its principal office, presently 551 Fifth Avenue, New York, New York 10176, stating that the Optionee is exercising this nonqualified stock option, specifying the number of shares purchased and accompanied by payment in full of the aggregate purchase price therefor (i) in cash or certified check, or (ii) with previously acquired shares of Common Stock or a combination of the foregoing if permitted in the discretion of the Committee. This option shall not be exercisable at any time in an amount less than 100 Shares (or the remaining Shares then covered and purchasable under this option if fewer than 100 Shares). In no event may this option be exercised with respect to a fractional Share. In addition, upon the exercise of this option, the Company may withhold cash and/or Shares to be issued with respect thereto, having an aggregate fair market value equal to the amount which it determines is necessary to satisfy its obligation to withhold federal, state and local income taxes or other taxes incurred by reason of such exercise. Alternatively, the Company may require the holder to pay to the Company such amount, in cash, promptly upon demand. The Company shall not be required to issue any Shares pursuant to this option until all required payments have been made.

3. Nothing in the 1999 Plan or herein shall confer upon the Optionee any right to continue in the employ of, or be associated with, the Company, its Parent or any of its Subsidiaries, or interfere in any way with the right to employment or association of the Optionee with the Company, its Parent or any of its Subsidiaries.

4. The Optionee represents and agrees that in the event of any exercise of this option, unless the Shares received upon such exercise shall have been registered under an effective registration statement under the Securities Act of

1933, as amended (the "Act"), or there is an exemption from registration, the Shares will be acquired for investment and not with a view towards distribution thereof, and agrees that the Shares shall not be sold except in compliance with the applicable provisions of the Act.

5. Notwithstanding anything to the contrary, if at any time the Board of Directors or the Committee shall determine it its discretion that the listing or qualification of the Shares on any securities exchange, with national securities association or under any applicable law, or the consent or approval of any governmental regulatory body, is necessary or desirable as a condition of, or in connection with, the granting of an option, or the issue of Shares thereunder, this option may not be exercised in whole or in part unless such listing, qualification, consent or approval shall have been effected or obtained free of any conditions not acceptable to the Board of Directors or the Committee.

6. The Company and the Optionee further agree that they will both be subject to and bound by all of the terms and conditions of the 1999 Plan, which is incorporated by reference herein and made a part hereof as if fully set forth herein. In the event the Optionee's employment by, or association with, the Company, its Parent or any of its Subsidiaries terminates, or in the event of the death or disability of the Optionee, the rights hereunder shall be governed by, and made subject to, the provisions of the 1999 Plan. In the event of a conflict between the terms of this Contract and the terms of the 1999 Plan, then in such event, the terms of 1999 Plan shall govern. Except as otherwise provided herein, all capitalized terms used herein shall have the same meaning ascribed to them in the 1999 Plan.

7. This option is not transferable otherwise than by will or the laws of descent and distribution and may be exercised, during the lifetime of the Optionee, only by the Optionee or his legal representatives.

8. The Optionee agrees that the Company may amend the 1999 Plan and the options granted to the Optionee under the 1999 Plan, subject to the limitations contained in the 1999 Plan.

9. This Contract shall be binding upon and inure to the benefit of any successor or assign of the Company and to any executor, administrator or legal representative entitled by law to the Optionee's right hereunder.

10. This Contract shall be governed by and construed in accordance with the laws of the State of New York, without regard to the principles of conflicts of laws.

IN WITNESS WHEREOF, the parties hereto have entered into this Contract effective as of the date first above written.
