Base Salary Increases

On February 27, 2019, the Compensation Committee (“Committee”) of the Board of Directors (“Board”) of the Federal Agricultural Mortgage Corporation (“Farmer Mac”) approved the following changes in annual base salaries of the executive officers named below, to be effective retroactively to January 1, 2019:

• R. Dale Lynch, Executive Vice President – Chief Financial Officer and Treasurer: increase from \$456,000 per year to \$500,000 per year.

• Stephen P. Mullery, Executive Vice President – General Counsel: increase from \$415,000 per year to \$425,000 per year.

• John C. Covington, Executive Vice President – Chief Credit Officer: increase from \$370,000 per year to \$380,000 per year.

Grants of Stock Appreciation Rights

On February 27, 2019 (“Grant Date”), the Committee approved grants of stock appreciation rights (“SARs”), as set forth below, to the following executive officers of Farmer Mac under Farmer Mac’s Amended and Restated 2008 Omnibus Incentive Plan (“2008 Plan”).

Name	Number of SARs Granted
Bradford T. Nordholm	10,290
R. Dale Lynch	5,160
John C. Covington	4,353
Stephen P. Mullery	3,309

Each SAR granted represents the right to receive, upon exercise, an amount equal to the excess, if any, of the fair market value of a share of Farmer Mac’s Class C non-voting common stock (each, a “Share”) over the grant price on the applicable date of exercise. Any amount received upon exercise of SARs is payable in Shares. In accordance with a policy adopted by the Board (“Equity Grant Policy”), the grant price for the SARs listed above is the closing price of a Share on the New York Stock Exchange (“NYSE”) on the Grant Date (\$82.76 per share). These SARs will vest in three equal annual installments on each of March 31, 2020, March 31, 2021, and

March 31, 2022, and their expiration date is February 27, 2029 (“Expiration Date”), which is the tenth anniversary of the Grant Date.

For the SARs awarded on the Grant Date, upon a participant’s termination of employment for death or disability (as defined in the 2008 Plan), all unvested SARs will automatically vest and become exercisable and vested SARs will remain exercisable for one year or until the Expiration Date, whichever is earlier.

Upon a participant’s termination of employment for retirement, all unvested SARs will continue to vest as scheduled and vested SARs will remain exercisable for five years or until the Expiration Date, whichever is earlier. For these purposes, retirement is defined as the termination of employment without Cause (as defined in the 2008 Plan, in Farmer Mac’s Amended and Restated Executive Officer Severance Plan, or in a participant’s employment agreement (if any), as applicable) after attaining age fifty-five (55) and a combined age and years of employment at Farmer Mac of at least sixty-five (65).

Upon a participant’s termination of employment for any reason other than death, disability, retirement, or for Cause, all unvested SARs will be cancelled immediately and vested SARs will remain exercisable for one year or until the Expiration Date, whichever is earlier. Upon a participant’s termination for Cause, any unexercised SARs, whether vested or unvested, will be cancelled immediately.

Under the Equity Grant Policy, the number of SARs awarded as equity-based compensation is based on a target long-term incentive value approved by the Committee for an individual divided by the Black-Scholes value as of the date that is seven calendar days before the date of grant based on assumptions consistent with the assumptions used by Farmer Mac for determining stock-based compensation expense under the Financial Accounting Standards Board’s Accounting Standards Codification (ASC) Topic 718.

The 2008 Plan was previously filed as Exhibit 10.2 to Farmer Mac’s Quarterly Report on Form 10-Q filed on August 9, 2018. The current form of award agreement for SARs awarded under the 2008 Plan on the Grant Date was previously filed as Exhibit 10.1 to Farmer Mac’s Current Report on Form 8-K filed on April 3, 2015. Both of those Exhibits are incorporated in this report by reference.

Grants of Restricted Stock

Also on the Grant Date, the Committee approved grants of restricted shares of Farmer Mac's Class C non-voting common stock ("Restricted Stock") to the following executive officers and directors of Farmer Mac under the 2008 Plan:

Executive Officers

Name	Number of Shares of Restricted Stock Granted	
	Time-Based Vesting	Performance-Based Vesting
Bradford T. Nordholm	4,914	2,458
R. Dale Lynch	2,466	1,232
John C. Covington	2,079	1,040
Stephen P. Mullery	1,581	790

Directors

Name	Number of Shares of Restricted Stock Granted (Time-Based Vesting)
Dennis L. Brack	702
Chester J. Culver	702
Richard H. Davidson	702
James R. Engebretsen	702
Dennis A. Everson	702
Sara L. Faivre	702
Thomas W. Hill	702
Mitchell A. Johnson	702
Lowell L. Junkins	702
Clark B. Maxwell	702
Robert G. Sexton	702
Bruce J. Sherrick	702
Keri L. Votruba	702
Myles J. Watts	702
Douglas E. Wilhelm	702

The Restricted Stock listed above granted to directors will vest in full on March 31, 2020 or proportionately to the date of any director's death, disability, or cessation of service on the Board without cause, including due to removal or replacement as a director by the President of the United States.

The Restricted Stock listed above granted to the executive officers as time-based vesting awards will vest in three equal annual installments on each of March 31, 2020, March 31, 2021, and March 31, 2022. The Restricted Stock listed above granted to the executive officers as performance-based vesting awards will vest on March 31, 2022, subject to attainment of the following performance targets:

Fifty percent (50%) of the performance-based vesting Restricted Stock shall vest on March 31, 2022 if the Committee determines that Farmer Mac maintained compliance with all applicable regulatory capital requirements between January 1, 2019 and December 31, 2021, with the Committee retaining discretion to vest 0% to 100% of this portion of the award based on the Committee's subjective evaluation of the efficiency of Farmer Mac's use of capital over that three-year period; and

Fifty percent (50%) of the performance-based vesting Restricted Stock shall vest on March 31, 2022 if the Committee determines that Farmer Mac achieved (1) an annual rate of net charge-offs in the Farm & Ranch line of business to the average balance of outstanding guarantees, loans, and commitments in the Farm & Ranch line of business less than or equal to 20 basis points for the period starting on January 1, 2019 and ending on December 31, 2021; and (2) an average percentage of total 90-day delinquencies in the Farm & Ranch line of business to the average balance of outstanding guarantees, loans, and commitments in the Farm & Ranch line of business of not greater than 2.5% for the period starting on January 1, 2019 and ending on December 31, 2021. For purposes of performing these calculations, "net charge-offs" is defined as charge-offs to Farmer Mac's allowance for losses net of actual recoveries plus any writedowns on real estate owned (REO) properties and any gains or losses realized upon disposition of REO properties. Average balances are determined by calculating a simple average of reported balances as of the end of each calendar quarter.

Upon an executive officer's termination of employment for any reason other than death, disability, or retirement, unvested Restricted Stock will be cancelled immediately. Upon an executive officer's death or disability, unvested Restricted Stock will vest immediately. Upon retirement, unvested Restricted Stock will continue to vest as scheduled. For these purposes, retirement has the same meaning used in the SARs award agreements described above.

Under the Equity Grant Policy, the number of shares of Restricted Stock awarded as equity-based compensation is based on a target long-term incentive value approved by the Committee for an individual divided by the average closing price of Farmer Mac's Class C non-voting common

stock on NYSE over the previous 30 calendar days ending seven calendar days before the date of grant.

The forms of award agreements for Restricted Stock awarded to executive officers under the 2008 Plan on the Grant Date were previously filed as Exhibits 10.2 and 10.3 to Farmer Mac's Current Report on Form 8-K filed on April 3, 2015. The form of award agreement for Restricted Stock awarded to directors under the 2008 Plan on the Grant Date was previously filed as Exhibit 10.3 to Farmer Mac's Current Report on Form 8-K filed on April 6, 2012. All of those Exhibits are incorporated in this report by reference.

Awards of Performance-Based Cash Bonuses

On February 27, 2019, the Committee approved the payment of the following performance-based cash bonuses to Farmer Mac's executive officers. These bonuses were calculated based on targets for Farmer Mac's core earnings, outstanding business volume, and asset quality, as well as the Committee's evaluation of the achievement of Farmer Mac's strategic objectives and the leadership demonstrated by each individual and as a group for the period from January 1, 2018 through December 31, 2018. Mr. Nordholm was appointed as Farmer Mac's President and Chief Executive Officer effective October 15, 2018. His cash bonus for performance in 2018 was prorated based on the number of days he was employed at Farmer Mac during the year.

Name	Cash Bonus Awarded
Bradford T. Nordholm	\$120,642.81
R. Dale Lynch	\$237,263.64
Stephen P. Mullery	\$187,269.58
John C. Covington	\$158,696.15

All of the equity and cash compensation awards to executive officers described above are subject to Farmer Mac's clawback policy, which was last amended by the Board in November 2018. That policy will also be amended to reflect any final rules or regulations that may be issued in the future under the Dodd-Frank Wall Street Reform and Consumer Protection Act.
