Explanation of Responses:

* If the form is filed by more than one reporting person, see Instruction 4(b)(v).

** Intentional misstatements or omissions of facts constitute Federal Criminal Violations. See 18 U.S.C. 1001 and 15 U.S.C. 78ff(a).

The cancelled Performance Stock Units were subject to three one-year performance periods: 1/1/2016 through 12/31/2016, 1/1/2017 through 12/31/2017, and 1/1/2018 through 12/31/2018, in each case, subject to earlier expiration of the relevant performance period upon a change in control of the issuer (each, a "One Year Performance Period"). The actual number of shares distributed was to have been

(1) based on the issuer's total stockholder return (TSR) performance during the relevant One Year Performance Period. Subject generally to the reporting person's continued service with the issuer, the cancelled Performance Stock Units represented a contingent right for the reporting person to receive, within 30 days after the end of the relevant One Year Performance Period, a distribution of common shares of the issuer equal to 0% to 200% of the target number of Performance Stock Units.

(2) The reported transactions involved an amendment to the outstanding Performance Stock Units, resulting in the deemed cancellation of the "old" Performance Stock Units that were granted effective January 4, 2016, and the grant of replacement Performance Stock Units.

The replacement Performance Stock Units ("PSUs") are subject to a three-year performance period of 1/1/2016 through 12/31/2018, subject to earlier expiration upon a change in control of the issuer ("Performance Period"). Subject generally to the reporting person's continued service with the issuer, each replacement PSU represents a contingent right for such person to receive, within 30 days after the end of the Performance Period, a distribution of common shares of the issuer equal to 0% to 200% of the reported target number of PSUs.

(3) The actual number of shares distributed will be based on the issuer's TSR performance during the Performance Period. Vesting for 50% of the target PSUs is based upon the issuer's absolute TSR for the Performance Period as compared to a matrix of fixed numeric values and the vesting for the other 50% of the target PSUs is based upon a relative comparison of the issuer's TSR to the Vanguard Russell 2000 exchange traded fund TSR for such period.

Edgar Filing: Lifevantage Corp - Form 4

Note: File three copies of this Form, one of which must be manually signed. If space is insufficient, *see* Instruction 6 for procedure.

Potential persons who are to respond to the collection of information contained in this form are not required to respond unless the form displays a currently valid OMB number.
