Report to Shareowners:

December 31, 2002

For the third consecutive year, the stock market declined as measured by any of the popular averages. It was not a good environment for those investing in equities, including mutual funds. Stocks that appeared to become bargains continued to decline in price through the year with few equity prices ending 2002 with positive results. In hindsight, it was a good year for selling, but not a good one for buying.

Paying attention to fundamentals was still a priority for the fund managers and with that in mind, several additions were made to existing positions in the portfolio. The fund managers bought at what were thought to be favorable valuations, but with the continued drop in stock prices, few were up by the end of the year. Following are the purchases and prices paid, with the closing price of the stock on December 31 shown in parenthesis:

We purchased 4,000 Albertson's at 23.43 (22.26); 2,000 American International Group at 64.48 (57.85); 3,000 Bank One at 39.63 (36.55); 2,000 Colgate-Palmolive at 50.98 (52.43); 2,000 Comerica at 47.87 (43.24); 2,000 Conagra at 24.45 (25.01); 2,000 Emerson at 53.84 (50.85); 4,000 First Industrial Realty at 34.38 (28.00); 2,000 General Electric at 26.68 (24.35); 2,000 H.J. Heinz at 37.55 (32.87); 3,000 Merck at 57.31 (56.61); 5,000 Pfizer at 31.68 (30.57); 4,000 RPM at 15.22 (15.28) and 2,000 Synovus Financial at 27.54 (19.40).

Sales resulted in a capital gain of approximately \$1.2 million. The Fund reduced its position in Citigroup and sold its holdings in ADC Telecommunications, American Power Conversion, Bristol-Myers Squibb, CenturyTel, Clayton Homes, Dana, EMC Corporation, Hon Industries, Household International, McDonald's, Molex, OM Group and Travelers.

We are pleased to welcome Luke Sims, an attorney from Milwaukee who was elected to the Board of Directors at the annual meeting. Retiring from the Board was Cynthia Charles, who has served with distinction since the founding of the NAIC Growth fund. Cynthia was the past President and Chairman of the National Association of Investors and we will miss her counsel and guidance.

The Board of Directors declared one dividend during the year that was paid on January 30, 2003 in the amount of \$0.5412 per share.

NAIC Growth Fund, Inc.

Notes to Financial Statements

(1) ORGANIZATION

The NAIC Growth Fund, Inc. (the "Fund") was organized under Maryland law on April 11, 1989 as a diversified closed-end investment company under the Investment Company Act of 1940. The Fund commenced operations on July 2, 1990.

(2) SIGNIFICANT ACCOUNTING POLICIES

The following is a summary of the significant accounting policies followed by the Fund not otherwise set forth in the notes to financial statements:

Dividends and Distributions - Dividends from the Fund's net investment income and realized net long- and short-term capital gains will be declared and distributed at least annually. Shareowners may elect to participate in the Dividend Reinvestment and Cash Purchase Plan (see Note 4).

Investments - Investments in equity securities are stated at market value, which is determined based on quoted market prices or dealer quotes. Pursuant to Rule 2a-7 of the Investment Company Act of 1940, the Fund utilizes the amortized cost method to determine the carrying value of short-term debt obligations. Under this method, investment securities are valued for both financial reporting and Federal tax purposes at amortized cost, which approximates fair value. Any discount or premium is amortized from the date of acquisition to maturity. Investment security purchases and sales are accounted for on a trade date basis. Interest income is accrued on a daily basis while dividends are included in income on the ex-dividend date.

Use of Estimates - The preparation of financial statements in conformity with accounting principles generally accepted in the United States requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Federal Income Taxes - The Fund intends to comply with the general qualification requirements of the Internal Revenue Code applicable to regulated investment companies. The Fund intends to distribute at least 90% of its taxable income, including net long-term capital gains, to its shareowners. In order to avoid imposition of the excise tax applicable to regulated investment companies, it is also the Fund's intention to declare as dividends in each calendar year at least 98% of its net investment income and 98% of its net realized capital gains plus undistributed amounts from prior years.

The following information is based upon Federal income tax cost of portfolio investments as of December 31, 2002:

Gross unrealized appreciation	\$ 7,679,404
Gross unrealized depreciation	(219,627)

Edgar Filing: NAIC GROWTH FUND INC - Form N-30D

Net unrealized appreciation	\$ 7,459,777
Federal income tax cost	\$ 9,014,884

Expenses -The Fund's service contractors bear all expenses in connection with the performance of their services. The Fund bears all expenses incurred in connection with its operations including, but not limited to, management fees (as discussed in Note 3), legal and audit fees, taxes, insurance, shareowner reporting and other related costs. Such expenses will be charged to expense daily as a percentage of net assets. The Advisory Agreement provides that the Fund may not incur annual aggregate expenses in excess of two percent (2%) of the first Ten Million Dollars of the Fund's average net assets, one and one-half percent (1 1/2%) of the next Twenty Million Dollars of the average net assets, and one percent (1%) of the remaining average net assets for any fiscal year. Any excess expenses shall be the responsibility of the Investment Adviser, and the pro rata portion of the estimated annual excess expenses will be offset against the Investment Adviser's monthly fee.

A director of the Fund provides professional services to the fund. The fees for those services amounted to \$12,000 for the year ended December 31, 2002.

(3) MANAGEMENT ARRANGEMENTS

Investment Adviser - Growth Fund Advisor, Inc., serves as the Fund's Investment Adviser subject to the Investment Advisory Agreement, and is responsible for the management of the Fund's portfolio, subject to review by the board of directors of the Fund.

For the services provided under the Investment Advisory Agreement, the Investment Adviser receives a monthly fee at an annual rate of three-quarters of one percent (0.75%) of the average weekly net asset value of the Fund, during the times when the average weekly net asset value is at least \$3,800,000. The Investment Adviser will not be entitled to any compensation for a week in which the average weekly net asset value falls below \$3,800,000.

Custodian and Plan Agent - Standard Federal Bank, NA (SFB) serves as the Fund's custodian pursuant to the Custodian Agreement. As the Fund's custodian, SFB receives fees and compensation of expenses for services provided including, but not limited to, an annual account charge, annual security fee, security transaction fee and statement of inventory fee. American Stock Transfer and Trust Company serves as the Fund's transfer agent and dividend disbursing agent pursuant to Transfer Agency and Dividend Disbursement Agreements. American Stock Transfer and Trust Company receives fees for services provided including, but not limited to, account maintenance fees, activity and transaction processing fees and reimbursement of out-of-pocket expenses such as forms and mailing costs.

(4) DIVIDEND REINVESTMENT AND CASH PURCHASE PLAN

The Fund has a Dividend Reinvestment and Cash Purchase Plan (the "Plan") which allows shareowners to reinvest dividends paid and make additional contributions. Under the Plan, if on the valuation date the net asset value per share is lower than the market price at the close of trading on that day, then the Plan Agent will elect on behalf of the shareowners who are participants of the Plan to take the dividends in newly issued shares of the Fund's common stock. If net asset value exceeds the market price on the valuation date, the Plan Agent will elect to receive cash dividends, and will promptly buy shares of the Fund's common stock on whatever market is consistent with best price and execution. The number of shares credited to each shareowner participant's account will be based upon the average purchase price for all shares purchased.

Edgar Filing: NAIC GROWTH FUND INC - Form N-30D

(5) DISTRIBUTIONS TO SHAREOWNERS

On December 5, 2002, a distribution of \$0.5412 per share aggregating \$1,225,329 was declared from net investment income and realized gains. The dividend will be paid on January 30, 2003, to shareowners of record December 27, 2002.

The tax character of distributions paid during 2002 and 2001 was as follows:

	2002	2001
Distributions paid from:		
Ordinary income	\$ 43,435	\$ 80,695
Long-term capital gain	1,181,894	1,370,543
	\$1,225,329	\$1,451,238

As of December 31, 2002, the components of distributable earnings on a tax basis were as follows:

Undistributed ordinary income	\$ 590
Unrealized appreciation	\$7,459,777

(6) Investment transactions

Purchases and sales of securities, other than short-term securities for the year ended December 31, 2002, were \$2,091,067 and \$3,164,734, respectively.

(7) FINANCIAL HIGHLIGHTS

The Financial Highlights present a per share analysis of how the Fund's net asset value has changed during the years presented. Additional quantitative measures expressed in ratio form analyze important relationships between certain items presented in the financial statements. The Total Investment Return based on market value assumes that shareowners bought into the Fund at the bid price and sold out of the Fund at the bid price. In reality, shareowners buy into the Fund at the ask price and sell out of the Fund at the bid price. Therefore, actual returns may differ from the amounts stated.

Report of Independent Public Accountants

To the Board of Directors and shareowners of
NAIC Growth Fund, Inc.

We have audited the accompanying statement of assets and liabilities of NAIC Growth Fund, Inc., including the portfolio of investments, as of December 31, 2002, and the related statements of operations, changes in net assets, and financial highlights for the year then ended. These financial statements and financial highlights are the responsibility of the Fund's management. Our responsibility is to express an opinion on these financial statements and financial highlights based on our audit. The financial statements of Naic Growth Fund, Inc. as of December 31, 2001 and for the year then ended, and the financial highlights for each of the four years in the period then ended, were audited by other auditors who have ceased operations and whose report dated January 4, 2002 expressed an unqualified opinion on those statements.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the

Edgar Filing: NAIC GROWTH FUND INC - Form N-30D

financial statements and financial highlights are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. Our procedures included confirmation of securities owned as of December 31, 2002, by correspondence with the custodian. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements and financial highlights referred to above present fairly, in all material respects, the financial position of NAIC Growth Fund, Inc. as of December 31, 2002, the results of its operations, changes in its net assets and financial highlights for the year then ended, in conformity with accounting principles generally accepted in the United States of America.

Dividends and Distributions: Dividend Reinvestment and Cash Purchase Plan

We invite you to join the Dividend Reinvestment and Cash Purchase Plan (the "Plan"), which is provided to give you easy and economical ways of increasing your investment in the Fund's shares. THOSE SHAREOWNERS WHO HAVE ELECTED TO PARTICIPATE IN THE PLAN NEED NOT DO ANYTHING FURTHER TO MAINTAIN THEIR ELECTION.

American Stock Transfer and Trust Company will act as the Plan Agent on behalf of shareowners who are participants in the Plan.

All shareowners of the Fund (other than brokers and nominees of financial institutions) who have not previously elected to participate in the Plan or who have terminated their election may elect to become participants in the Plan by filling in and signing the form of authorization obtainable from American Stock Transfer and Trust Company, the transfer agent for the Fund's shares and the shareowners' agent for the Plan, and mailing it to American Stock Transfer and Trust Company P.O. Box 922 Wall Street Station, New York, NY 10038. The authorization must be signed by the registered shareowners of an account. Participation is voluntary and may be terminated or resumed at any time upon written notice from the participant received by the Plan Agent prior to the record date of the next dividend. Additional information regarding the election may be obtained from the Fund.

Dividend payments and other distributions to be made by the Fund to participants in the Plan either will be paid to the Plan Agent in cash (which then must be used to purchase shares in the open market) or, will be represented by the delivery of shares depending upon which of the two options would be the most favorable to participants, as hereafter determined. On each date on which the Fund determines the net asset value of the shares (a Valuation Date), and which occurs not more than five business days prior to a date fixed for payment of a dividend or other distribution from the Fund, the Plan Agent will compare the determined net asset value per share with the market price per share. For all purposes of the

Edgar Filing: NAIC GROWTH FUND INC - Form N-30D

Plan, market price shall be deemed to be the highest price bid at the close of the market by any market maker on the date which coincides with the relevant Valuation Date, or, if no bids were made on such date, the next preceding day on which a bid was made. The market price was \$10.45 on December 31, 2002. If the net asset value in any such comparison is found to be lower than said market price, the Plan Agent will demand that the Fund satisfy its obligation with respect to any such dividend or other distribution by issuing additional shares to the Participants in the Plan at a price per share equal to the greater of the determined net asset value per share or ninety-five percent (95%) of the market price per share determined as of the close of business on the relevant Valuation Date. However, if the net asset value per share (as determined above) is higher than the market price per share, then the Plan Agent will demand that the Fund satisfy its obligation with respect to any such dividend or other distribution by a cash payment to the Plan Agent for the account of Plan participants and the Plan Agent then shall use such cash payment to buy additional shares in the open market for the account of the Plan participants, provided, however, that the Plan Agent shall not purchase shares in the "open market" at a price in excess of the net asset value as of the relevant Valuation Date. In the event the Plan Agent is unable to complete its acquisition of shares to be purchased in the "open market" by the end of the first trading day following receipt of the cash payment from the Fund, any remaining funds shall be used by the Plan Agent to purchase newly issued shares of the Fund's common stock from the Fund at the greater of the determined net asset value per share or ninety-five percent (95%) of the market price per share as of the date coinciding with or next preceding the date of the relevant Valuation Date.

Participants in the Plan will also have the option of making additional cash payments to the Plan Agent, on a monthly basis, for investment in the Fund's shares. Such payments may be made in any amount from a minimum of \$50.00 to a maximum of \$1,000.00 per month. The Fund may, in its discretion, waive the maximum monthly limit with respect to any participant. At the end of each calendar month, the Plan Agent will determine the amount of funds accumulated. Purchases made from the accumulation of payments during any one calendar month will be made on or about the first business day of the following month (Investment Date). The funds will be used to purchase shares of the Fund's common stock from the Fund if the net asset value of the shares is lower than the market price as of the Valuation Date which occurs not more than five business days prior to the relevant Investment Date. In such case, such shares will be newly issued shares and will be issued at a price per share equal to the greater of the determined net asset value per share or ninety-five percent (95%) of the market price per share. If the net asset value per share is higher than the market price per share, then the Plan Agent shall use such cash payments to buy additional shares in the open market for the account of the Plan participants, provided, however, that the Plan Agent shall not purchase shares in the "open market" at a price in excess of the net asset value as of the relevant Valuation Date. In the event the Plan Agent is unable to complete its acquisition of shares to be purchased in the "open market" by the end of the Investment Date, any remaining cash payments shall be used by the Plan Agent to purchase newly issued shares of the Fund's common stock from the Fund at the greater of the determined net asset value per share or ninety-five (95%) percent of the market price per share as of the relevant Valuation Date. All cash payments received by the Plan Agent in connection with the Plan will be held without earning interest. To avoid unnecessary cash accumulations, and also to allow ample time of receipt and processing by the Plan Agent, participants that wish to make voluntary cash payments should send such payments to the Plan Agent in such a manner that assures that the Plan Agent will receive and collect Federal Funds by the end of the month. This procedure will avoid unnecessary accumulations of cash and will enable participants to realize

lower brokerage commissions and to avoid additional transaction charges. If a voluntary cash payment is not received in time to purchase shares in any calendar month, such payment shall be invested on the next Investment Date. A participant may withdraw a voluntary cash payment by written notice to the Plan Agent if the notice is received by the Plan Agent at least forty-eight hours before such payment is to be invested by the Plan Agent.

American Stock Transfer and Trust Company as the Plan Agent will perform bookkeeping and other administrative functions, such as maintaining all shareowner accounts in the Plan and furnishing written confirmation of all transactions in the account, including information needed by shareowners for personal and tax records. Shares in the account of each Plan participant will be held by the Plan Agent in noncertificated form in the name of the participant, and each shareowner's proxy will include those shares purchased pursuant to the Plan and of record as of the record date for determining those shareowners who are entitled to vote on any matter involving the Fund. In case of shareowners such as banks, brokers or nominees, which hold shares for others who are the beneficial owners, the Plan Agent will administer the Plan on the basis of the number of shares certified from time to time by such shareowners as representing and limited to the total number of shares registered in the shareowner's name and held for the account of beneficial owners who have elected to participate in the Plan.

There are no special fees or charges to participants other than reasonable transaction fees and a termination fee of \$15.00 plus 10 cents per share.

With respect to purchases from voluntary cash payments, the Plan Agent will charge a pro rata share of the brokerage commissions, if any. Brokerage charges for purchasing small blocks of stock for individual accounts through the Plan are expected to be less than the usual brokerage charges for such transactions, as the Plan Agent will be purchasing shares for all participants in larger blocks and prorating the lower commission rate thus applied.

The automatic reinvestment of dividends and distributions will not relieve participants of any income tax liability associated therewith.

Experience under the Plan may indicate that changes are desirable. Accordingly, the Fund reserves the right to amend or terminate the Plan as applied to any voluntary cash payment received and any dividend or distribution to be paid subsequent to a date specified in a notice of the change sent to all shareowners at least ninety days before such specified date. The Plan may also be terminated on at least ninety days written notice to all shareowners in the Plan. All correspondence concerning the Plan should be directed to American Stock Transfer and Trust Company, P.O. Box 922 Wall Street Station, New York, NY 10038.
