EXPLANATORY STATEMENT

In February 2018, our board of directors approved, subject to stockholder approval, the Tyler Technologies, Inc. 2018 Stock Incentive Plan (the “2018 Plan”) as an amendment and restatement of the Tyler Technologies, Inc. 2010 Stock Option Plan, as amended (the “2010 Plan”), which was originally effective as of May 13, 2010. At our 2018 Annual Meeting of Stockholders held on May 9, 2018, our stockholders approved the 2018 Plan, which, among other things, increased the aggregate number of shares of our Common Stock authorized for issuance to 9,500,000 shares, which represents an increase of 2,942,093 shares as described below.

The number of shares of Common Stock subject to the 2018 Plan includes (i) 2,942,093 newly authorized shares of Common Stock, (ii) 1,868,976 shares of Common Stock remaining available for grant of awards under the 2010 Plan immediately prior to the effectiveness of the 2018 Plan, and (iii) 4,688,931 shares of Common Stock subject to outstanding awards under the 2010 Plan immediately prior to the effectiveness of the 2018 Plan.

We previously filed (i) the Registration Statement on Form S-8 (File No. 333-168499) with the Securities and Exchange Commission on August 3, 2010 with respect to the registration of 5,000,000 shares of Common Stock under the original 2010 Plan and (ii) the Registration Statement on Form S-8 (File No. 333-205983) with the Commission on July 31, 2015 with respect to the registration of an additional 4,000,000 shares of Common Stock under the amended 2010 Plan (collectively, the “Prior Registration Statements”). With respect to such total of 9,000,000 registered shares, 2,442,093 shares have been issued upon exercise of stock options under the 2010 Plan, leaving a total of 6,557,907 registered shares remaining available for grant or subject to outstanding awards under the 2010 Plan immediately prior to the effectiveness of the 2018 Plan.

Any statement contained in a document incorporated or deemed to be incorporated by reference herein shall be deemed to be modified or superseded for purposes of this Registration Statement to the extent that a statement contained herein or in any subsequently filed document which also is deemed to be incorporated by reference herein modifies or supersedes such statement. The right to indemnification includes the right to be paid by the registrant for expenses incurred in defending any such proceeding in advance of its final disposition. The registrant has also entered into indemnification agreements with its officers and directors by which the registrant has agreed to indemnify such persons if they are named or threatened to be named as a party to certain proceedings by reason of acting as officers and directors of the registrant. Item 9. Undertakings.

(a) The undersigned registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made of the securities registered hereby, a post-effective amendment to this Registration Statement:

i. To include any prospectus required by Section 10(a)(3) of the Securities Act;

To reflect in the prospectus any facts or events arising after the effective date of this Registration Statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in this Registration Statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20% change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in this Registration Statement; and

iii.

To include any material information with respect to the plan of distribution not previously disclosed in this Registration Statement or any material change to such information in this Registration Statement; provided, however, that the undertakings set forth in paragraphs (a)(1)(i) and (a)(1)(ii) do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in reports filed by the registrant pursuant to Section 13 or Section 15(d) of the Exchange Act that are incorporated by reference in this Registration Statement.

That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective (2) amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

The undersigned registrant hereby undertakes that, for purposes of determining any liability under the Securities Act, each filing of the registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Exchange Act (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Exchange Act) that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers, and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the registrant has been advised that in the opinion of the Commission such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer, or controlling person of the registrant in the successful defense of any action, suit, or proceeding) is asserted by such director, officer, or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.

Pursuant to the requirements of the Securities Act, the registrant certifies that it has reasonable grounds to believe that it meets all of the requirements for filing on Form S-8 and has duly caused this Registration Statement to be signed on its behalf by the undersigned, thereunto duly authorized, in the City of Plano, the State of Texas, on May 17, 2018.
