REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

To the Administrative Committee
PS 401(k) Profit Sharing Plan

We have audited the accompanying statements of net assets available for benefits of PS 401(k) Profit Sharing Plan as of December 31, 2006 and 2005, and the related statement of changes in net assets available for benefits for the year ended December 31, 2006. These financial statements are the responsibility of the Plan's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with the standards of the Public Company Accounting Oversight Board (United States). Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. We were not engaged to perform an audit of the Plan's internal control over financial reporting. Our audits included consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control over financial reporting. Accordingly, we express no such opinion. An audit also includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements, assessing the accounting principles used and significant estimates made by management, and evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of the Plan at December 31, 2006 and 2005, and the changes in its net assets available for benefits for the year ended December 31, 2006, in conformity with U.S. generally

Edgar Filing: PS BUSINESS PARKS INC/CA - Form 11-K

accepted accounting principles.

Our audits were performed for the purpose of forming an opinion on the financial statements taken as a whole. The accompanying supplemental schedule of assets (held at end of year) as of December 31, 2006, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. This supplemental schedule is the responsibility of the Plan's management. The supplemental schedule has been subjected to the auditing procedures applied in our audit of the financial statements and, in our opinion, is fairly stated in all material respects in relation to the financial statements taken as a whole.

PS 401(k) PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2006

1. Description of the Plan

General

Edgar Filing: PS BUSINESS PARKS INC/CA - Form 11-K

The PS 401(k) Profit Sharing Plan (the "Plan") encompasses Public Storage, PS Business Parks, Inc. and certain of their majority owned subsidiaries, collectively, (the "Company"). The following description of the Plan provides only general information. Participants should refer to the Plan documentation for a more complete description of the Plan's provisions.

The Plan is a defined contribution plan for the benefit of all permanent employees of the Company who have completed at least 30 days of service and are 21 years of age. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended ("ERISA"). Although it has not expressed the intention to do so, the Company has the right to terminate the Plan subject to ERISA provisions. The Plan allows interim allocations of Company contributions and earnings or losses of trust fund assets among participants.

The Company appoints a committee to administer the Plan. At December 31, 2006, the Plan Administrative Committee is comprised of seven officers of the Company with Union Bank of California acting as Trustee (the "Trustee").

Through December 31, 2006, Union Bank of California served as Trustee (the "Trustee") of the Plan. Effective January 1, 2007, Wells Fargo Bank became the Plan trustee.

On August 22, 2006, Public Storage merged with Shurgard Storage Centers, Inc. ("Shurgard"). Shurgard was the plan sponsor and administrator of the Shurgard Employee Retirement Savings Plan (the "Shurgard Plan"). Effective January 1, 2007, pursuant to an amendment of the Plan, the Shurgard Plan was merged into the Plan and all participants active in the Shurgard Plan as of that date became eligible employees of the Plan on that date.

Other significant provisions of the Plan are as follows:

Contributions

Employee contributions to the Plan (voluntary contributions) are deferrals of the employee's compensation made through a direct reduction of compensation in each payroll period. During 2006, each eligible participant could elect a pretax contribution rate from 1% to 100% of their compensation, as defined in the Plan document, subject to the maximum annual elective deferral amount set by the Internal Revenue Code. Participants may also contribute amounts representing distributions from other qualified benefit or defined contribution plans.

The Company contributes one dollar (\$1.00) for each dollar deferred by a participant up to three percent (3%) of compensation, as defined and subject to certain limitations as described in the Plan document. The Company also contributes an additional fifty cents (\$.50) for each dollar that each participant defers in excess of three percent (3%) of compensation up to five percent (5%) of compensation. The Company's aggregate contributions are limited to four percent (4%) of compensation, as defined and subject to certain limitations as described in the Plan document. The matching contribution is 100% vested. Additional amounts may be contributed at the discretion of the Company. No such additional contributions were made in 2006.

Vesting

Edgar Filing: PS BUSINESS PARKS INC/CA - Form 11-K

Since January 1, 2005 employee deferrals and the Company's matching contribution are 100% vested and non-forfeitable. Prior to January 1, 2005, the Company contributed a guaranteed 3% to all eligible Plan participants; these amounts vested over a seven year period.

4

PS 401(k) PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2006

With respect to Company contributions before January 1, 2005, each participant's account became 10 percent vested (non-forfeitable) after two years of service (as defined), 20 percent after three years of service and an additional 20 percent for each additional year of service thereafter.

Upon death, severance by reason of disability, or the attainment of the participant's sixty-fifth birthday, a participant automatically becomes fully vested to the extent of the balance in their account. In the event the Plan is terminated or contributions are completely discontinued, each participant becomes fully vested.

Investment Options

Since December 19, 2005, upon enrollment in the Plan, a participant may direct their contributions and holdings in any of the following 15 investment options:

1. Dodge & Cox International Stock Fund
2. American Funds EuroPacific Growth Fund/R5
3. American Funds Growth Fund of America/R5
4. Individually Directed Account
5. Oakmark Equity & Income I Fund
6. PIMCO Total Return Institutional Fund
7. Selected American Shares D
8. T. Rowe Price Equity Income Fund
9. T. Rowe Price Real Estate Fund (since October 31, 2006)
10. UBOC Stable Value B Fund
11. Vanguard Explorer Admiral Fund
12. Vanguard Extended Market Index Fund
13. Vanguard 500 Index Admiral Fund
14. Vanguard Short Term Federal Admiral Fund
15. Vanguard Windsor II Admiral Fund

Prior to December 19, 2005, participants had the option to direct contributions to the Company's securities. Effective December 19, 2005, participants no longer have that option. Existing holdings of the Company's securities on December 19, 2005, were either held or transferred to other Plan investment alternatives at the option of each participant (see Note 5).

Distributions from the Trust Fund

Distributions of each participant's vested account balance upon severance or death are made in a single lump sum payment; however, upon severance if the participant's vested account balance exceeds \$5,000,

Edgar Filing: PS BUSINESS PARKS INC/CA - Form 11-K

payment may be deferred at the election of the participant until April 1st of the calendar year in which the participant reaches 70 1/2 years of age.

Additionally, the Plan provides for hardship distributions (as defined) at the discretion of the Plan Administrative Committee.

Generally, distributions are made no later than 60 days after the close of the Plan year in which the participant becomes eligible for such distributions. Under certain circumstances, participants enrolled in the Plan prior to and including December 31, 1983 may elect alternative distribution methods.

Forfeited Accounts -----

Forfeitures of profit sharing contributions will be used (i) as a non-elective allocation to all eligible Plan participants, (ii) to reduce the Company's safe harbor matching contribution or (iii) reduce Plan expenses. During 2006, a total of \$106,000 in non-vested amounts were forfeited and will be allocated to eligible Plan participants in 2007.

5

PS 401(k) PROFIT SHARING PLAN NOTES TO FINANCIAL STATEMENTS December 31, 2006

During 2006, \$948,000 was allocated to eligible Plan participants based upon the extent an individual participant's compensation bears to the total eligible compensation of all such eligible participants in the Plan year the amounts were forfeited. These amounts represent forfeitures during 2005.

2. Summary of Significant Accounting Principles -----

Basis of Accounting -----

The accompanying financial statements of the Plan have been prepared on the accrual basis of accounting and are in conformity with U.S. generally accepted accounting principles.

Estimates -----

The preparation of financial statements in conformity with U.S. generally accepted accounting principles requires the Plan administrator to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from those estimates.

Income Tax Status -----

The Plan has received a determination letter from the Internal Revenue Service dated March 13, 2003, stating that the Plan is qualified under Section 401(a) of the Internal Revenue Code (the "Code") and, therefore, the related trust is exempt from taxation. Subsequent to

Edgar Filing: PS BUSINESS PARKS INC/CA - Form 11-K

this determination by the Internal Revenue Service, the Plan was amended and restated. Once qualified, the Plan is required to operate in conformity with the Code to maintain its qualification. The plan administrator believes the Plan is being operated in compliance with the applicable requirements of the Code and, therefore, believes that the Plan, as amended and restated is qualified and the related trust is tax exempt. The Company has indicated it will take the necessary steps, if any, to maintain the Plan's qualified status.

Recently Issued Accounting Standards

In December 2005, the Financial Accounting Standards Board (FASB) issued FASB Staff Position AAG INV-1 and SOP 94-4-1, Reporting of Fully Benefit-Responsive Investment Contracts Held by Certain Investment Companies Subject to the AICPA Investment Company Guide and Defined-Contribution Health and Welfare and Pension Plans (the FSP). The FSP defines the circumstances in which an investment contract is considered fully benefit responsive and provides certain reporting and disclosure requirements for fully benefit responsive investment contracts in defined contribution health and welfare and pension plans. The financial statement presentation and disclosure provisions of the FSP are effective for financial statements issued for annual periods ending after December 15, 2006 and are required to be applied retroactively to all prior periods presented for comparative purposes. The Plan has adopted the provisions of the FSP at December 31, 2006.

As required by the FSP, investments in the accompanying Statements of Net Assets Available for Benefits include fully benefit responsive investment contracts recognized at fair value. SOP 94-4-1, Reporting of Investment Contracts Held by Health and Welfare Benefit Plans and Defined Contribution Pension Plans, as amended, requires fully benefit responsive investment contracts to be reported at fair value in the Plan's Statement of Net Assets Available for Benefits with a corresponding adjustment to reflect these investments at contract value. The requirements of the FSP have been applied retroactively to the Statement of Net Assets Available for Benefits as of December 31, 2005 presented for comparative purposes. Adoption of the FSP had no effect on the Statement of Changes in Net Assets Available for Benefits for the year ended December 31, 2006.

NOTES TO FINANCIAL STATEMENTS

Investment Valuation and Income Recognition

The Plan's investments are recorded at fair value as determined by the quoted market price on the last business day of the plan year. The investment contracts are presented at fair value on the statement of net assets available for benefits. The fair value of fully benefit-responsive investment contracts is calculated by discounting the related cash flows based on current yields of similar instruments with comparable durations.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are

Edgar Filing: PS BUSINESS PARKS INC/CA - Form 11-K

recorded on the ex-dividend date.

Union Bank has custody of the investments under a non-discretionary trust agreement with the Plan.

6. Risks and Uncertainties

7. Concentrations

Investments in the Company's securities comprised approximately 38% and 36% of the Plan's total investments as of December 31, 2006 and 2005, respectively.

8. Plan Amendments

Effective January 1, 2005, the Plan was amended to incorporate the following changes:

The matching contribution is 100% vested.

Effective December 19, 2005, the Plan was amended to incorporate the following changes:
