- ☐ Pre-commencement communications pursuant to Rule 13e-4(c) under the Exchange Act (17 CFR 240.13e-4(c))

Explanatory Note

Radisys Corporation (the “Company”) issued its earnings release for the quarter ended October 25, 2016. Subsequently after issuing its release, the Company discovered that there was a typographical error in its calculation of fourth quarter 2016 GAAP gross margin guidance and the reconciliation of GAAP to non-GAAP gross margin guidance. Specifically, GAAP gross margin should have been 34% rather than 29% included in the original earnings release. Thus the Company is filing this Current Report on Form 8-K/A (this "Amendment Filing") to correct the typographical error in the press release furnished by the Company as Exhibit 99.1 with its Current Report on Form 8-K filed with the Securities and Exchange Commission on October 25, 2016.

Item 2.02 Results of Operations and Financial Condition.

On October 25, 2016, the Company issued a press release announcing its results for the fiscal quarter ended September 30, 2016. A copy of the press release, as corrected, is attached hereto as Exhibit 99.1.

The information in this Item 2.02 and the Exhibit 99.1 attached hereto shall not be deemed “filed” for purposes of Section 18 of the Securities Exchange Act of 1934, nor shall it be deemed incorporated by reference in any filing under the Securities Act of 1933 or any proxy statement or report or other document we may file with the Securities Exchange Commission (“SEC”), regardless of any general incorporation language in any such filing, except as shall be expressly set forth by specific reference in such filing.

Item 9.01 Financial Statements and Exhibits.
