ITEM 8.01

Other Events

Edgar Filing: INTEGRAMED AMERICA INC - Form 8-K

We, IntegraMed America, Inc., (the "Company") recently became aware of the expected outcome of a contractual dispute with an important third-party payer and one of our top fertility clinics in the mid-west. Our clinic has been in a dialogue with this third-party payer over the last several months but the net result of those interactions is that our clinic expects to lose the contract effective February 26, 2009. Accordingly, the clinic's patient volume is expected to be directed to various other centers that are not affiliated with us.

The net result of this action to us is that we expect to have a reduction in after-tax income of approximately \$350,000. This estimate is prior to any cost mitigation at the clinic. The unmitigated loss of this base of patients could impact our 2009 reported EPS by approximately \$0.03-\$0.04 per share. We are making appropriate staffing and overhead adjustments at the clinic in response to this loss of patient volume. We also continue to work with our clinic toward some sort of resolution with the third-party payer, though we view the likelihood of a favorable outcome as very remote.

The foregoing was disclosed in our 4th Quarter Earnings Release call which took place today at 10:00 a.m. EDT. A replay of the call can be found on our website (www.integrated.com) under the heading "Investors".

This Current Report on Form 8-K may contain forward-looking statements that are not based on historical fact, including statements concerning future results, performance, and expectations regarding the contract between our clinic and the third-party payer. These statements involve a number of risks and uncertainties. Actual results may differ materially from the statements made as a result of various factors, including, but not limited to, the impact of the loss of the contract on the Company and other risks, including those identified in the company's most recent Form 10-K and in other documents filed by us with the U.S. Securities and Exchange Commission.
