INFORMATION CONCERNING PROXY

The enclosed proxy is solicited on behalf of the Company’s Board of Directors. The giving of a proxy does not preclude the right to vote in person should any shareholder giving the proxy so desire. Shareholders have an unconditional right to revoke their proxy at any time prior to the exercise thereof, either in person at the Annual Meeting or by filing with the Company’s Secretary at the Company’s headquarters a written revocation or duly executed proxy bearing a later date; however, no such revocation will be effective until written notice of the revocation is received by the Company at or prior to the Annual Meeting.

The cost of preparing, assembling, and mailing this Proxy Statement, the Notice of Annual Meeting of Shareholders, and the enclosed proxy is borne by the Company. In addition to the use of mail, employees of the Company may solicit proxies personally and by telephone. The Company’s employees will receive no compensation for soliciting proxies other than their regular salaries. The Company may request banks, brokers and other custodians, nominees, and fiduciaries to forward copies of the proxy material to their principals and to request authority for the execution of proxies. The Company may reimburse such persons for their expenses in so doing.

PURPOSES OF THE MEETING

At the Annual Meeting, the Company's shareholders will consider and vote upon the following matters:

- (1) To elect two (2) members to the Company's Board of Directors;
- (2) To ratify the selection of Deloitte & Touche LLP as the Company's independent registered public accounting firm for the fiscal year ending September 30, 2007;

- (4) To transact such other business as may properly come before the Annual Meeting and any adjournments or postponements thereof.

Unless contrary instructions are indicated on the enclosed proxy, all shares represented by valid proxies received pursuant to this solicitation (and that have not been revoked in accordance with the procedures set forth above) will be voted: (1) FOR the election of the nominees for directors named below; (2) FOR ratification of the Company's independent registered public accounting firm named above; (3) FOR the approval of the Company's 2007 Directors' Stock Award Plan; and (4) by the proxies in their discretion upon any other proposals as may properly come before the Annual Meeting. OUTSTANDING VOTING SECURITIES AND VOTING RIGHTS

As of the close of business on November 12, 2007 (the "Record Date"), the Company had 51,522,975 shares of no par value common stock ("Common Stock") outstanding. Each share of Common Stock is entitled to one vote on all matters presented at the Annual Meeting. The presence, either in person or by properly executed proxy, of the holders of the majority of the shares of Common Stock entitled to vote at the Annual Meeting is necessary to constitute a quorum at the Annual Meeting. Attendance at the Annual Meeting will be limited to shareholders as of the Record Date, their authorized representatives, and guests of the Company.

If the enclosed proxy is signed and returned, it may nevertheless be revoked at any time prior to the voting thereof at the pleasure of the shareholder signing it, either by a written notice of revocation received by the person or persons named therein or by voting the shares covered thereby in person or by another proxy dated subsequent to the date thereof.

Proxies in the accompanying form will be voted in accordance with the instructions indicated thereon, and, if no such instructions are indicated, will be voted in favor of the nominees for election as directors named below and for the other proposals herein.

The vote required for approval of each of the proposals before the shareholders at the Annual Meeting is specified in the description of such proposal below. For the purpose of determining whether a proposal has received the required vote, abstentions and broker non-votes will be included in the vote total, with the result that an abstention or broker non-vote, as the case may be will have the same effect as if no instructions were indicated.

PROPOSAL I: ELECTION OF DIRECTORS

Pursuant to EMCORE's Restated Certificate of Incorporation, the Board of Directors of EMCORE is divided into three classes as set forth in the following table. The directors in each class hold office for staggered terms of three years. The Class B directors, Messrs. Scott and Hou, are being proposed for a three-year term (expiring in 2010) at this Annual Meeting. Mr. Scott was elected in 2004 for a term that expires in 2007. Dr. Hou was elected to the Board of Directors to fill the vacancy resulting from the resignation of Mr. Stall from the Board of Directors. Pursuant to EMCORE's By-Laws, Dr. Hou holds his office until the Annual Meeting.

The shares represented by proxies returned executed will be voted, unless otherwise specified, in favor of the nominees for the Board of Directors named below. If, as a result of circumstances not known or unforeseen, any of such nominees shall be unavailable to serve as director, proxies will be voted for the election of such other person or persons as the Board of Directors may select. Each nominee for director will be elected by a plurality of votes cast at the Annual Meeting. Proxies will be voted FOR the election of each of the nominees unless instructions to "withhold" votes are set forth on the proxy card. Withholding votes will not influence voting results. Abstentions may not be specified as to the election of directors.

RECOMMENDATION OF THE BOARD OF DIRECTORS

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT SHAREHOLDERS VOTE "FOR" THE ELECTION OF EACH OF NOMINEES LISTED ABOVE UNDER PROPOSAL I.

COMPENSATION OF DIRECTORS

The Board of Directors held 9 regularly scheduled and special telephonic meetings during fiscal 2006, and took other certain actions by unanimous written consent. During fiscal 2006, all directors of the Company, except for Mr. Louis-Dreyfus, attended at least 75% of the aggregate meetings of the Board and committees on which they served, during their tenure on the Board.

Pursuant to its Directors' Stock Award Plan, the Company pays non-employee directors a fee in the amount of \$3,000 per Board meeting attended (\$3,600 for the Chairman of the Board) and \$500 per committee meeting attended (\$600 for the chairman of a committee), as well as reimburses a non-employee director's reasonable out-of-pocket expenses incurred in connection with such Board or committee meeting. From time to time, Board members are invited to attend meetings of Board committees of which they are not members. When this occurs, these non-committee Board members receive a committee meeting fee of \$500. Payment of fees under the Directors' Stock Award Plan has historically been made in Common Stock at the closing price on the NASDAQ National Market for the day prior to the meeting. If the 2007 Directors' Stock Award Plan is approved at the Annual Meeting, payment of fees under the 2007 Directors' Stock Award Plan will be made, beginning with fees paid for fiscal 2007, in Common Stock payable in one issuance annually based on the closing price on the NASDAQ National Market for the date of issuance.

In addition, on October 20, 2005, the Board of Directors instituted an Outside Directors Cash Compensation Plan providing for the payment of cash compensation to outside directors for their participation at Board meetings. Director compensation is established by the Board and periodically reviewed. One of the objectives of the Outside Directors Cash Compensation Plan is to provide the Company with an advantage in attracting and retaining outside directors. Each non-employee director receives a meeting fee for each meeting that he or she attends (including telephonic meetings, but excluding execution of unanimous written consents) of the Board. In addition, each non-employee director receives a committee meeting fee for each meeting that he or she attends (including telephonic meetings, but excluding execution of unanimous written consents) of a Board committee. Until changed by resolution of the Board, the meeting fee is \$4,000 and the committee meeting fee is \$1,500; provided that the meeting fee for special telephonic meetings (i.e., Board meetings that are not regularly scheduled and in which non-employee directors typically participate telephonically) is \$750 and the committee meeting fee for such special telephonic meetings is \$600. Any non-employee director who is the chairman of a committee receives an additional \$750 for each meeting of the committee that he or she chairs, and an additional \$200 for each special telephonic meeting of such committee. Directors may defer cash compensation otherwise payable under the Outside Directors Cash Compensation Plan.

No director who is an employee of the Company receives compensation for services rendered as a director under either the Outside Directors Cash Compensation Plan or the Directors' Stock Award Plan.

NOMINATING COMMITTEE

The Company's Nominating Committee currently consists of Messrs. Russell, Scott, and Gillen, each of whom is an independent director, as that term is defined by the NASDAQ listing standards. The Nominating Committee recommends new members to the Company's Board of Directors. A copy of the Charter of the Nominating Committee is posted on the Company's website, www.emcore.com. The Nominating Committee did not meet in fiscal 2006.

When considering a potential director candidate, the Nominating Committee looks for demonstrated character, judgment, relevant business, functional and industry experience, and a high degree of acumen. There are no differences in the manner in which the Nominating Committee evaluates nominees for director based on whether the nominee is recommended by a shareholder. The Company does not pay any third party to identify or assist in identifying or evaluating potential nominees.

The Nominating Committee will consider suggestions from shareholders regarding possible director candidates for election in 2008. Such suggestions, together with appropriate biographical information, should be submitted to the Company's Secretary. See the section titled "Shareholder Proposals" below under "General Matters" for details regarding the procedures and timing for the submission of such suggestions. Each director nominated in this Proxy Statement was recommended for election by the Board of Directors. The Board of Directors did not receive any notice of a Board of Directors nominee recommendation in connection with this Proxy Statement from any shareholder.

EXECUTIVE COMPENSATION & RELATED INFORMATION

COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION

The Company's Compensation Committee currently consists of Messrs. Gillen, Bogomolny, and Scott. The Compensation Committee reviews and recommends to the Board of Directors the compensation and benefits of all executive officers of the Company, reviews general policy matters relating to compensation and benefits of executive officers and employees of the Company, and administers the issuance of stock options and stock appreciation rights and awards of restricted stock to the Company's officers and key salaried employees. No member of the Compensation Committee is now or ever was an officer or an employee of the Company. No executive officer of the Company serves as a member of the Compensation Committee of the Board of Directors of any entity one or more of whose executive officers serves as a member of the Company's Board of Directors or Compensation Committee. The Compensation Committee meets at least once annually.

REPORT OF THE COMPENSATION COMMITTEE

The following Report of the Compensation Committee does not constitute soliciting material, and should not be deemed filed or incorporated by reference into any other Company filing under the Securities Act of 1933, as amended (the "Securities Act") or the Securities Exchange Act of 1934, as amended (the "Exchange Act"), except to the extent the Company specifically incorporates this Report of the Compensation Committee by reference therein.

The Committee's Responsibilities

The Compensation Committee of the Board of Directors is composed entirely of independent directors. The Compensation Committee is responsible for setting and administering policies, which govern EMCORE's executive compensation programs. The purpose of this report is to summarize the compensation philosophy and policies that the Compensation Committee applied in making executive compensation decisions in 2006. The Compensation Committee met 7 times in fiscal 2006 (October 2005, February 2006 and May 2006).

Compensation Philosophy

The Compensation Committee has approved compensation programs intended to:

- Attract and retain talented executive officers and key employees by providing total compensation competitive with that of other executives employed by companies of similar size, complexity and lines of business;
- Motivate executives and key employees to achieve strong financial and operational performance;
- Emphasize performance-based compensation, which balances rewards for short-term and long-term results;
- Reward individual performance;
- Link the interests of executives with shareholders by providing a significant portion of total pay in the form of stock-based incentives and requiring target levels of stock ownership; and
- Encourage long-term commitment to EMCORE.

Compensation Methodology

Each year the Compensation Committee reviews data from market surveys, proxy statements, and independent consultants to assess EMCORE's competitive position with respect to the following three components of executive compensation:

- Base salary;
- Annual incentives; and
- Long-term incentives. Long-term incentives.

The Compensation Committee also considers individual performance, level of responsibility, and skills and experience in making compensation decisions for each executive.

Components of Compensation

Base Salary. Base salaries for executives are determined based upon job responsibilities, level of experience, individual performance, comparisons to the salaries of executives in similar positions obtained from market surveys, and competitive data obtained from consultants and staff research. The goal for the base pay component is to compensate executives at a level, which approximates the median salaries of individuals in comparable positions and markets. The Compensation Committee reviews, adjusts, where appropriate, and approves the salary increases for executive officers, as such are recommended to the Committee by the Company's Chief Executive Officer. Any salary increase for the Chief Executive Officer is reviewed by the Committee in executive session. Due to the Company's improved financial performance in fiscal year 2005, the Committee approved base salary increases of four percent for the Company's executive officers, including the Named Executive Officers (as defined below), in October 2005.

Annual Incentives. Pursuant to the Fiscal 2006 Executive Bonus Plan, bonus targets for each executive officer of the Company were established to promote the achievement of performance objectives of the Company. Half of an executive's bonus target was related to the Company meeting revenue targets and half of the bonus target was related to the Company meeting EBIT targets set forth in the Company's fiscal 2006 budget. Based upon the Company's performance in fiscal 2006 and the recommendations of the Chief Executive Officer, the Company's executive officers, including the Named Executive Officers, were awarded bonuses ranging from 38% – 64% of their respective base salaries.

Long-Term Incentives. Long-term equity awards consist of stock options, which are designed to give executive officers and other employees of the Company an opportunity to acquire shares of Common Stock, to provide an incentive for such employees to continue to promote the best interests of the Company and enhance its long-term performance and to provide an incentive for such employees to join or remain with the Company. Generally, stock options vest in equal installments over a period of four or five years and expire ten (10) years from the grant date. In fiscal 2006, no stock options were awarded to any of the Company's executive officers.

Compliance with Section 162(m) of the Internal Revenue Code

Under Section 162(m) of the Internal Revenue Code, EMCORE may not deduct annual compensation in excess of \$1 million paid to certain employees, generally its Chief Executive Officer and its four other most highly compensated executive officers, unless that compensation qualifies as performance-based compensation. While the Compensation Committee intends to structure performance-related awards in a way that will preserve the maximum deductibility of compensation awards, the Compensation Committee may from time to time approve awards that would vest upon the passage of time or other compensation, which would not result in qualification of those awards as performance-based compensation.

Compensation of the Chief Executive Officer

The Compensation Committee reviews annually the compensation of the Chief Executive Officer and recommends any adjustments to the Board of Directors for approval. The Chief Executive Officer participates in the same programs and receives compensation based upon the same criteria as EMCORE's other executive officers. However, the Chief Executive Officer's compensation reflects the greater policy- and decision-making authority that the Chief Executive Officer holds, and the higher level of responsibility that he has with respect to the strategic direction of EMCORE and its financial and operating results.

The components of Mr. Richard's 2006 compensation were:

Base Salary. After considering EMCORE's overall performance and competitive practices, the Compensation Committee recommended, and the Board of Directors approved, a 4% increase in Mr. Richards' base salary, to \$400,400, effective October 1, 2005.

Annual Incentives. Annual incentive compensation for Mr. Richards is based upon achievement of targets set by the Board of Directors. Based on the attainment of certain strategic corporate milestones, including the Company's completion of the sale of its membership interest in GELcore, LLC to General Electric Corporation for \$100 million and the sale of its Electronic Materials & Device division to IQE RF, LLC for \$16 million, in September 2006 Mr. Richards received a payment of \$255,000.

Pursuant to due authorization from EMCORE's Board of Directors, EMCORE loaned \$3.0 million to Mr. Reuben Richards, the Chief Executive Officer in February 2001 ("The Note"). The Note matured on February 22, 2006 and bore interest compounded at a rate of (a) 5.18% per annum through May 23, 2002 and (b) 4.99% from May 24, 2002 through maturity. All interest was payable at maturity. On February 13, 2006, Mr. Richards tendered 139,485 shares of Common Stock in partial payment of the Note. Principal plus accrued interest on the Note totaled approximately \$3.83 million. The Compensation Committee of EMCORE's Board of Directors specifically approved the tender of shares, as permitted by the Note, at the price of \$8.25 per share, which was the closing price of our Common Stock on February 13, 2006. On February 28, 2006, the Compensation Committee resolved to forgive the remaining balance of the Note (approximately \$2.7 million), effective as of March 10, 2006. Mr. Richards' tender of Common Stock on February 13, 2006 was accepted as full payment and satisfaction of the Note, including principal and accrued interest. Additionally, the Compensation Committee resolved to accelerate and vest the final tranche of each of the incentive stock option grants made in fiscal 2004 and 2005 to Mr. Richards, which constitute a combined accelerated vesting of 111,250 shares. In considering this matter, the Compensation Committee carefully considered Mr. Richards' past performance, including the recent appreciation in the stock price and EMCORE's improved financial performance, the facts and circumstances surrounding the loan, Mr. Richards' current compensation, Mr. Richards' willingness to repay a portion of the Note and all resulting taxes totaling \$1.3 million, and the desire to retain Mr. Richards' continued service to EMCORE. EMCORE recorded a one-time charge of approximately \$2.7 million in March 2006 for the partial forgiveness of the Note, plus a charge of approximately \$0.3 million in stock-based compensation expense under SFAS 123(R) relating to the accelerated ISO grants.

The Compensation Committee conducts its annual review of Chief Executive Officer performance and compensation after the close of the fiscal year, to assure thorough consideration of year-end results.

FISCAL 2007 EXECUTIVE BONUS PLAN

On August 28, 2007, the Board of Directors of EMCORE adopted the Fiscal 2007 Executive Bonus Plan. The purpose of the Fiscal 2007 Executive Bonus Plan is to establish and implement a consistent, market-driven, performance-based approach to compensation that is compatible with EMCORE's compensation policy and supports EMCORE's strategic business plan and goals.

Under the Fiscal 2007 Executive Bonus Plan, a bonus target for each executive is created, representing a percentage of that executive's base salary. The following targets have been set based for the indicated officers:

Chief Executive Officer and Chief Operating Officer: 80% of base salary

Chief Financial Officer: 50% of base salary

General Counsel/Chief Legal Officer and Chief Technical Officer: 35% of base salary

The portion of the individual officers' targets to be paid is based on both corporate and individual performance. Corporate performance is evaluated based on the company's attainment of revenue and EBITDA goals, as set forth in EMCORE's Fiscal 2007 Budget (the "Fiscal 2007 Budget"), both of which goals are weighted equally. A threshold level of 75% of revenue goals and 70% of EBITDA goals is set. Achievement of 100% of revenue and EBITDA goals correlates to payment of 100% of the bonus targets, and attainment of lesser percentages of the revenue and EBITDA goals correlates to payment of lesser percentages of the bonus targets. Attainment of 110% of the revenue and EBITDA goals will result in eligibility for 120% of the bonus targets.

The individual performance component acts as a multiplier and can accelerate or decelerate the target bonus percentage based upon individual performance as determined by the Chief Executive Officer and the Compensation Committee. The multiplier ranges from 0% to 140% of the executive's target bonus. The Chief Executive's individual performance is reviewed by the Compensation Committee. The Chief Operating Officer's and other executive officers' individual performance is reviewed by the Chief Executive Officer and approved by the Compensation Committee.

Payment of bonuses (if any) is normally made after the end of the performance period during which the bonuses were earned. Bonuses normally will be paid in cash in a single lump sum, subject to payroll taxes and tax withholdings.

The Compensation Committee and the Chief Executive Officer retain the ability to modify individual executive bonuses based upon individual performance and the successful completion of business projects and other management performance objectives. In addition, the Compensation Committee makes long-term incentive grants to executive officers and employees, which are not covered under the terms of the Fiscal 2007 Executive Bonus Plan.

Agreements with Named Executive Officers

The Company has entered into agreements with certain Named Executive Officers in connection with their departures from the Company, as described more fully below.

- On December 19, 2006, the Company entered into an agreement and release with Mr. Scott Massie specifying his severance benefits and releasing the Company from certain claims. Pursuant to the terms of the agreement, the Company paid Mr. Massie \$310,000 (equal to 62 weeks of his salary), less applicable withholdings and deductions, in a lump-sum payment on August 6, 2007. Additionally, Mr. Massie elected to continue coverage under the Company's health plans pursuant to the Consolidated Omnibus Budget Reconciliation Act of 1985, as amended ("COBRA"), and the Company paid \$6,029 in COBRA premiums.
- On February 8, 2007, the Company entered into a severance agreement with Mr. Thomas Werthan specifying his severance benefits. In accordance with the Company's Severance Policy adopted in 2004 (the "Severance Policy"), under the terms of the severance agreement the Company paid Mr. Werthan \$387,040 (equal to 82 weeks of his salary), less applicable tax withholdings and deductions, in a lump-sum payment on September 14, 2007. Additionally, Mr. Werthan elected COBRA continuation coverage under the Company's health plans and \$7,235 was deducted from Mr. Werthan's lump sum severance payment, which represents the amount of Mr. Werthan's portion of the COBRA premiums. In connection with Mr. Werthan's resignation in February 2007 and pursuant to the terms of the promissory note, the Board of Directors forgave his \$82,000 loan with the Company. Mr. Werthan was responsible for the personal taxes related to the loan forgiveness.

Also, until the lump sum severance payment is made, the Company will pay Mr. Stall's portion of the COBRA premiums, which total amount of premiums will then be deducted from Mr. Stall's lump sum severance payment.

Agreements with Other Executive Officers

In connection with Dr. Hong Hou's appointment as President and Chief Operating Officer of the Company in December 2006, Dr. Hou's annual base salary was increased from \$227,000 to \$400,000. He also became eligible for the Company's 2007 Executive Bonus Plan providing him the opportunity to earn a bonus equal to 80% of his base salary based on both Company-wide performance and individual performance as determined by the Compensation Committee. Additionally, the Compensation Committee granted Dr. Hou options to purchase 245,000 shares of Common Stock under the Company's 2000 Stock Option Plan (the "2000 Plan") at an exercise price of \$5.76 per share, which was the fair market value (as defined in the 2000 Plan) of a share of Common Stock on December 14, 2006, the date of the option grant to Dr. Hou. The Compensation Committee also approved an additional grant of options to purchase 255,000 shares Common Stock to be made in calendar year 2007 subject to compliance with the provisions of the 2000 Plan. The exercise price of the options to be granted in 2007 will be the fair market value of a share of Common Stock on the grant date in 2007. The initial option grant for 245,000 shares vested on the date of grant, December 14, 2006. The options to be granted in 2007 will vest in four equal installments over four years with the first 25 percent vesting in 2008 on the one-year anniversary of the date of grant, and are subject to the terms and conditions of the 2000 Plan.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

From time to time, prior to July 2002, EMCORE loaned money to certain of its executive officers and directors. Pursuant to due authorization from EMCORE's Board of Directors, EMCORE loaned \$3.0 million to Mr. Reuben Richards, the Chief Executive Officer in February 2001 ("The Note"). The Note matured on February 22, 2006 and bore interest compounded at a rate of (a) 5.18% per annum through May 23, 2002 and (b) 4.99% from May 24, 2002 through maturity. All interest was payable at maturity. On February 13, 2006, Mr. Richards tendered 139,485 shares of Common Stock in partial payment of the Note. Principal plus accrued interest on the Note totaled approximately \$3.83 million. The Compensation Committee of EMCORE's Board of Directors specifically approved the tender of shares, as permitted by the Note, at the price of \$8.25 per share, which was the closing price of Common Stock on February 13, 2006. On February 28, 2006, the Compensation Committee resolved to forgive the remaining balance of the Note (approximately \$2.7 million), effective as of March 10, 2006. Mr. Richards' tender of Common Stock on February 13, 2006 was accepted as full payment and satisfaction of the Note, including principal and accrued interest. Additionally, the Compensation Committee resolved to accelerate and vest the final tranche of each of the incentive stock option grants made in fiscal 2004 and 2005 to Mr. Richards, which constitute a combined accelerated vesting of 111,250 shares. In considering this matter, the Compensation Committee carefully considered Mr. Richards' past performance, including the recent appreciation in the stock price and EMCORE's improved financial performance, the facts and circumstances surrounding the loan, Mr. Richards' current compensation, Mr. Richards' willingness to repay a portion of the Note and all resulting taxes totaling \$1.3 million, and the desire to retain Mr. Richards' continued service to EMCORE. EMCORE recorded a one-time charge of approximately \$2.7 million in March 2006 for the partial forgiveness of the Note, plus a charge of approximately \$0.3 million in stock-based compensation expense under SFAS 123(R) relating to the accelerated ISO grants.

In addition, pursuant to due authorization of EMCORE's Board of Directors, EMCORE also loaned \$85,000 to Mr. Werthan, the former Chief Financial Officer, in December 1995. This loan did not bear interest and provided for offset of the loan via bonuses payable to Mr. Werthan over a period of up to 25 years. In connection with Mr. Werthan's resignation in February 2007 and pursuant to the terms of the promissory note, the Board of Directors forgave the remaining portion of his outstanding loan that totaled \$82,000. Mr. Werthan was responsible for the personal taxes related to the loan forgiveness.

The remaining related party receivable balance of approximately \$121,000 as of September 30, 2006 relates to multiple interest bearing loans from EMCORE to an officer (who is not an executive officer) that were made during 1997 through 2000 and are payable on demand. These loans, including accrued interest, were paid back to the Company in December 2006.

During the first quarter of fiscal 2005, pursuant to due authorization of the Company's Compensation Committee, EMCORE wrote-off \$34,000 of notes receivable that were issued in 1994 to certain EMCORE employees.

**PROPOSAL II: APPOINTMENT OF INDEPENDENT
REGISTERED PUBLIC ACCOUNTING FIRM**

Deloitte & Touche LLP, an independent registered public accounting firm, audited the financial statements of EMCORE Corporation for the fiscal year ending September 30, 2006. The Audit Committee and the Board of Directors have selected Deloitte & Touche LLP as the Company's independent registered public accounting firm for the fiscal year ending September 30, 2007. The ratification of the appointment of Deloitte & Touche LLP will be determined by the vote of the holders of a majority of the shares present in person or represented by proxy at the Annual Meeting. If this appointment of Deloitte & Touche LLP is not ratified by shareholders, the Board of Directors will appoint another independent registered public accounting firm whose appointment for any period subsequent to the Annual Meeting will be subject to the approval of shareholders at that meeting.

Representatives of Deloitte & Touche LLP are expected to attend the Annual Meeting. They will have the opportunity to make a statement if they desire to do so, and are expected to be available to answer appropriate questions.

FISCAL 2006 & 2005 AUDITOR FEES AND SERVICES

Deloitte & Touche LLP was the independent registered public accounting firm that audited EMCORE's financial statements for fiscal 2006 and 2005. REPORT OF THE AUDIT COMMITTEE

The following Report of the Audit Committee does not constitute soliciting material, and should not be deemed filed or incorporated by reference into any other Company filing under the Securities Act or the Exchange Act, except to the extent the Company specifically incorporates this Report of the Audit Committee by reference therein.

The Company has a separately-designated standing audit committee (the “Audit Committee”) established in accordance with Section 3(a)(58)(A) of the Exchange Act. The Audit Committee currently consists of Messrs. Scott, Gillen, and Bogomolny. Each member of the audit committee is currently an independent director within the meaning of NASD Rule 4200(a)(15). The Board of Directors has determined that Messrs. Scott and Gillen are each audit committee financial experts. The Audit Committee met 8 times in fiscal 2006. The Audit Committee performs the functions set forth in the EMCORE Corporation Audit Committee Charter, which has been adopted by the Board of Directors. The Audit Committee Charter is available on our website at www.emcore.com.

The Audit Committee has reviewed and discussed the Company’s audited financial statements for fiscal 2006 with management of the Company. The Audit Committee has discussed with the Company’s independent registered public accounting firm the matters required to be discussed by SAS 61 (Codification of Statements of Auditing Standards). Furthermore, the Audit Committee has reviewed management’s assessment of the effectiveness of the Company’s internal controls over financial reporting, and has reviewed the opinion of the Company’s independent registered public accounting firm regarding such assessment and the effectiveness of the Company’s internal controls over financial reporting.

The Audit Committee has received the written disclosures and letter from the Company’s independent registered public accounting firm required by Independence Standards Board Standard No. 1, and has discussed with such accounting firm the independence of such accounting firm. Based on the foregoing review and discussions, the Audit Committee recommended to the Board of Directors that the Company’s audited financial statements be included in the Company’s Annual Report on Form 10-K for fiscal 2006, which was filed on November 1, 2007.

Audit Committee Pre-Approval and Procedures

The Audit Committee has determined that the provision of non-audit services by Deloitte & Touche LLP is compatible with maintaining the independence of Deloitte & Touche LLP. In accordance with its charter, the Audit Committee approves in advance all audit and non-audit services to be rendered by Deloitte & Touche LLP. In considering whether to approve such services, the Audit Committee will consider the following:

- Whether the services are performed principally for the Audit Committee
- The effect of the service, if any, on audit effectiveness or on the quality and timeliness of the Company's financial reporting process
- Whether the service would be performed by a specialist (e.g. technology specialist) and who also provide audit support and whether that would hinder independence
- Whether the service would be performed by audit personnel and, if so, whether it will enhance the knowledge of the Company's business
- Whether the role of those performing the service would be inconsistent with the auditor's role (e.g., a role where neutrality, impartiality and auditor skepticism are likely to be subverted)
- Whether the audit firm's personnel would be assuming a management role or creating a mutuality of interest with management
- Whether the auditors would be in effect auditing their own numbers
- Whether the project must be started and completed very quickly
- Whether the audit firm has unique expertise in the service, and
- The size of the fee(s) for the non-audit service(s).

During fiscal 2006, all professional services provided Deloitte & Touche LLP were pre-approved by the Audit Committee in accordance with this policy.

RECOMMENDATION OF THE BOARD OF DIRECTORS

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE “FOR” THE RATIFICATION OF THE APPOINTMENT OF DELOITTE & TOUCHE LLP AS THE COMPANY’S INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM UNDER PROPOSAL II.

**PROPOSAL III: TO APPROVE EMCORE'S
2007 DIRECTORS' STOCK AWARD PLAN**

We are asking shareholders to approve the Company's 2007 Directors' Stock Award Plan (the "2007 Plan"). The 2007 Plan has been approved by the Company's Board of Directors, but will not become effective unless also approved by the shareholders.

The purposes of the 2007 Plan are (a) to attract and retain highly qualified individuals to serve as directors of the Company, (b) to increase non-employee directors' stock ownership in the Company and (c) to relate non-employee directors' compensation more closely to the Company's performance and its shareholders' interests.

The 2007 Plan will replace the Company's Directors' Stock Award Plan that was approved by shareholders on March 6, 1997 (the "1997 Plan"). No new awards may be granted under the 1997 Plan.

The following is brief summary of the 2007 Plan. The full text of the 2007 Plan is included as Appendix A to this Proxy Statement.

Under the 2007 Plan, the Company will pay each non-employee director an annual stock award amount equal to the sum of (a) \$3,500 for each meeting of the Board of Directors attended by such non-employee director during the year, (b) \$500 for each meeting of a committee of the Board of Directors attended by such non-employee director during the year and (c) an additional \$500 for each meeting of a committee of the Board of Directors at which such non-employee director served as chairman.

Each non-employee director will receive, one month after the beginning of each year, the number of shares of Common Stock determined by dividing his or her annual stock award amount by the closing price of the Common Stock on such date. The number of shares distributed to each non-employee director will be rounded down to the nearest whole number and any fractional shares that would otherwise have been paid in Common Stock will be paid in cash based upon the closing price of the Common Stock on the grant date. A non-employee director may forego the portion of his or her annual stock award amount that relates to any one or more meetings of the Board of Directors or committee thereof by giving irrevocable written notice to such effect to the Secretary of the Company 30 days prior to the date of such meeting.

The 2007 Plan may be amended or terminated at any time by action of the Board of Directors. However, the Company will seek shareholder approval for any change to the extent required by applicable law. NASDAQ Marketplace Rule 4350(i) requires the Board of Directors to obtain shareholder approval when, among other things, a stock purchase plan is to be materially amended.

No director who is an employee of the Company receives compensation for services rendered as a director, and only the Company's five non-employee directors will be eligible to participate in the 2007 Plan. The amount of Common Stock payable under the 2007 Plan has not yet been determined, but it is anticipated that all of our non-employee directors will receive Common Stock under the 2007 Plan.

RECOMMENDATION OF THE BOARD OF DIRECTORS

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT SHAREHOLDERS VOTE “FOR” THE APPROVAL OF THE 2007 DIRECTORS’ STOCK AWARD PLAN IN ACCORDANCE WITH PROPOSAL III.
