Item 5.03. Amendments to Articles of Incorporation or Bylaws; Change in Fiscal Year

On August 15, 2012, the Board of Directors of American Financial Group, Inc. (the “Company”) adopted an amendment to the Code of Regulations of the Company (as amended, the “Code of Regulations”) to implement majority voting in uncontested elections of directors. The Code of Regulations was effective immediately upon its adoption.

Specifically, Article II, Section 2.4 of the Code of Regulations now provides that each director in an uncontested election shall be elected by the vote of a majority of votes cast at any meeting for the election of directors at which a quorum is present. Director nominees in contested elections will continue to be elected by the vote of a plurality of the votes cast. Votes cast includes direction to withhold authority in each case and excludes “abstentions” and “broker non-votes” with respect to that director’s election.

The Code of Regulations includes a director resignation procedure consistent with the majority vote standard. If an incumbent director is not elected at such meeting for the election of directors and no successor has been elected at such meeting, the director must tender his or her resignation to the Company’s Board of Directors. The Nominating and Corporate Governance Committee will make a recommendation to the Board of Directors on whether to accept or reject the resignation, or whether other action should be taken. The Board of Directors will act on the Nominating and Corporate Governance Committee’s recommendation and publicly disclose its decision and the rationale behind it within 90 days from the date of the certification of the election results. The director who tenders his or her resignation will not participate in the Nominating and Corporate Governance Committee’s or Board of Director’s decision.
