**Item 2.02. Results of Operations and Financial Condition.**

On March 1, 2006, Fluor Corporation announced its financial results for the quarter and year ended December 31, 2005. A copy of the press release (the **Earnings Release** ) making this announcement is attached hereto as Exhibit 99.1 and incorporated herein by reference.

The information in this Current Report on Form 8-K, including the exhibit, shall not be deemed filed for the purposes of Section 18 of the Securities Exchange Act of 1934, as amended, or otherwise subject to liabilities of that section. Furthermore, this Current Report on Form 8-K, including the exhibit, shall not be deemed incorporated by reference in any filing under the Securities Act of 1933, as amended, or the Securities Exchange Act of 1934.

Fluor Corporation includes backlog and new awards data in the Earnings Release. Backlog is a measure of the total dollar value of work to be performed on contracts awarded and in progress. Although backlog reflects business that is considered to be firm, cancellations or scope adjustments may occur. Backlog is adjusted to reflect any known project cancellations, deferrals and revised project scope and costs, both upward and downward. New awards is a measure of the total dollar value of work to be performed on contracts awarded in the period. Backlog and new awards measures are regularly reported in the construction industry.
