PROXY STATEMENT

ANNUAL MEETING OF SHAREHOLDERS

This Proxy Statement is furnished to holders of common stock of TierOne Corporation, the parent holding company of TierOne Bank. Our Board of Directors is soliciting proxies to be used at the Annual Meeting of Shareholders to be held in the Regents A Room at the Embassy Suites Hotel located at 1040 P Street, Lincoln, Nebraska, on Wednesday, May 17, 2006, at 10:00 a.m., Central Daylight Time, and at any adjournment or postponement of the Annual Meeting for the purposes set forth in the Notice of Annual Meeting of Shareholders. Our Annual Report on Form 10-K and this Proxy Statement are first being mailed to shareholders on or about March 28, 2006.

ABOUT THE ANNUAL MEETING OF SHAREHOLDERS

What is the purpose of the Annual Meeting?

At our Annual Meeting, shareholders will act upon the matters outlined in the Notice of Meeting on the cover page of this Proxy Statement, including the election of directors and the ratification of the appointment of our independent auditors. In addition, management will report on the performance of TierOne Corporation and respond to questions from shareholders.

Who is entitled to vote?

Only our shareholders of record as of the close of business on the record date for the Annual Meeting, March 20, 2006, are entitled to vote at the meeting. On the record date, we had 18,152,773 shares of common stock issued and outstanding and no other class of equity securities outstanding. For each issued and outstanding share of common stock you own on the record date, you will be entitled to one vote on each matter to be voted on at the meeting, in person or by proxy.

How do I submit my proxy?

After you have carefully read this Proxy Statement, indicate on your proxy card how you want your shares to be voted. Then sign, date and mail your proxy card in the enclosed prepaid return envelope as soon as possible or, if you are the record holder, you may appoint a proxy by utilizing our toll-free telephone voting option by calling 1-800-PROXIES (our telephone voting option is not available if your shares are held in street name, but you may be able to vote by telephone or Internet if provided for by your broker). This will enable your shares to be represented and voted at the Annual Meeting.

If my shares are held in street name by my broker, could my broker automatically vote my shares for me?

Yes. Your broker may vote in his or her discretion on the election of directors and the ratification of the appointment of our independent auditors if you do not furnish instructions.

1

Can I attend the meeting and vote my shares in person?

Yes. All shareholders are invited to attend the Annual Meeting. Shareholders of record can vote in person at the Annual Meeting. If your shares are held in street name, then you are not the shareholder of record and you must ask your broker or other nominee how you can vote in person at the Annual Meeting.

Can I change my vote after I return my proxy card?

Yes. If you have not voted through your broker or other nominee, there are three ways you can change your vote or revoke your proxy after you have sent in your proxy card.

First, you may send a written notice to our Corporate Secretary, Mr. Eugene B. Witkowicz, TierOne Corporation, 1235 N Street, Lincoln, Nebraska 68508, stating that you would like to revoke your proxy.

Second, you may submit a duly executed proxy bearing a later date. Any earlier proxies will be revoked automatically.

Third, you may attend the Annual Meeting and vote in person. Any earlier proxy will be revoked. However, attending the Annual Meeting without voting in person will not revoke your proxy.

Edgar Filing: TIERONE CORP - Form DEF 14A

If you have instructed a broker or other nominee to vote your shares, you must follow directions you receive from your broker or other nominee to change your vote.

What constitutes a quorum?

The presence at the meeting, in person or by proxy, of the holders of a majority of the shares of common stock outstanding on the record date will constitute a quorum. Proxies received but marked as abstentions and shares subject to broker non-votes will be included in the calculation of the number of shares considered to be present at the meeting.

What are the Board of Directors' recommendations?

The recommendations of the Board of Directors are set forth under the description of each proposal in this Proxy Statement. In summary, the Board of Directors recommends that you vote **FOR** the Board's nominees as directors and **FOR** the ratification of the appointment of KPMG LLP as our independent auditors for the fiscal year ending December 31, 2006.

The proxy solicited hereby, if properly submitted to us and not revoked prior to its use, will be voted in accordance with your instructions. If no contrary instructions are given, each properly submitted proxy will be voted in the manner recommended by the Board of Directors and, in the event of the transaction of such other business as may properly come before the Meeting, in accordance with the best judgment of the persons appointed as proxies. Proxies solicited hereby may be exercised only at the Annual Meeting and any adjournment or postponement of the Annual Meeting and will not be used for any other meeting.

What vote is required to approve the proposals?

The election of directors will be determined by a plurality of the votes cast at the Annual Meeting. The two nominees for director receiving the most for votes will be elected. Approval of the ratification of the appointment of our independent auditors will require the affirmative vote of a majority of the votes cast on the proposal.

Abstentions, withholding of authority to vote or broker non-votes are not counted as votes cast. Accordingly, abstentions, withholding of authority to vote or broker non-votes will have no effect on the vote and will not be counted in determining whether the proposals at the Annual Meeting receive the required shareholder vote for approval.

Whom should I call with questions?

You should call our proxy solicitor, Georgeson Shareholder Communications, Inc., toll-free at 1-800-501-4431.

INFORMATION WITH RESPECT TO NOMINEES FOR DIRECTOR, CONTINUING DIRECTORS AND EXECUTIVE OFFICERS

Election of Directors

Our Articles of Incorporation provide that the Board of Directors shall be divided into three classes as nearly equal in number as possible. The directors are elected by our shareholders for staggered three-year terms and until their successors are elected and qualified.

At the Annual Meeting, you will be asked to elect two directors for three-year terms expiring in 2009 and until their successors are elected and qualified. Our Nominating and Corporate Governance Committee has nominated Gilbert G. Lundstrom, Esq. and Ms. Joyce Person Pocras to stand for re-election at the Annual Meeting. No nominee for director is related to any other director or executive officer by blood, marriage or adoption. Shareholders are not permitted to use cumulative voting for the election of directors. Our Board of Directors has determined that a majority of our members are independent directors as defined in the Nasdaq National Market's listing standards. The current independent members are Directors Spence, McConnell, Pocras, and Hoskins.

Unless otherwise directed, each proxy executed and returned by a shareholder will be voted for the election of the nominees for director listed below. If any person named as a nominee should be unable or unwilling to stand for election at the time of the Annual Meeting, the proxies will nominate and vote for any replacement nominee or nominees selected by our Board of Directors. At this time, the Board of Directors knows of no reason why either of the nominees listed below will not be able to serve as a director if elected.

Director Compensation

Directors currently receive a fee of \$2,500 for each regularly scheduled monthly and special board meeting of TierOne Bank, regardless of attendance. Members of the Audit, Compensation and Nominating and Corporate Governance Committees of TierOne Bank and/or TierOne Corporation receive a fee of one-half the regular board meeting fee, only if present at the meeting in person or by telephone. Only one fee is paid for joint Board committee meetings of TierOne Bank and TierOne Corporation. Directors also currently receive life, health and dental insurance benefits through TierOne Bank. Directors currently do not receive additional cash fees for service as directors of TierOne Corporation.

We maintain a deferred compensation program for our directors. Under the deferred compensation program, each director may defer, until retirement, any portion of his or her annual remuneration for serving as a director. Each director has the right, under the program, to direct the investment of his or her deferred fees. A director may change his or her investment direction. Payments commence under the program upon the earlier of death, termination from service, disability, or a change in control of TierOne Bank. Each director may elect to receive benefits in the form of a single lump sum payment, a life annuity, a joint and survivor annuity, or monthly installments (over a period from 2 to 240 months). In the absence of any election, the benefits will be paid over a 240 month period. Our obligation to make or continue to make any payments to a participant in the program terminates if, after the commencement of benefits, the participant directly acts as an officer, director, employee or agent of or performs consulting services for any firm, person, corporation or entity which (a) directly competes with our primary business as then conducted by us and (b) has an office within the boundaries of or within 50 miles from the boundaries of any city in which we have an office.

In addition, under the terms of TierOne Bank's Consultation Plan for Directors, any retiring director with ten or more years of service who agrees to provide consulting or advisory services to the Board of Directors, by entering into an appropriate consulting agreement, will be entitled to receive an annual benefit equal to the average of the annual monthly board fees and yearly retainer, if any, paid to such retiring director for the last three years of service prior to his or her retirement reduced by twenty percent for each subsequent year in which the director provides consulting or advisory services to our Board of Directors. Any retiring director with five or more but less than ten years of service who agrees to provide consulting or advisory services to the Board of Directors, by entering into an appropriate consulting agreement, will be entitled to receive 50% of the annual benefit equal to the average of the annual monthly board fees and yearly retainer, if any, paid to such retiring director for the last three years of service prior to his or her retirement reduced by twenty percent for each subsequent year in which the director provides consulting or advisory services to our Board of Directors. The maximum duration for which benefits can be received is five years. An additional benefit in the same amount as paid to retired directors participating in the plan will be paid to any participant in the plan who served as chairman of the board for at least three years.

6

Directors Attendance at Annual Meetings

Although we do not have a formal policy regarding attendance by members of the Board of Directors at Annual Meetings of Shareholders, we typically schedule a Board meeting in conjunction with our Annual Meeting of Shareholders and expect that our directors will attend, absent a valid reason for not doing so. All of our directors attended our Annual Meeting of Shareholders held on May 2, 2005.

Director Nominations

In making recommendations to TierOne Corporation's Board of Directors of nominees to serve as directors, the Nominating and Corporate Governance Committee will examine each director nominee on a case-by-case basis regardless of who recommended the nominee and take into account all factors it considers appropriate, which may include strength of character, mature judgment, career specialization, relevant technical skills or financial acumen, diversity of viewpoint and industry knowledge. However, the Board of Directors believes the following minimum qualifications must be met by a director nominee to be recommended by the Nominating and Corporate Governance Committee:

- Each director must display high personal and professional ethics, integrity and values;
- Each director must have the ability to exercise sound business judgment;
- Each director must be accomplished in his or her respective field, with broad experience at the administrative and/or policy-making level in business, government, education, technology or public interest;
- Each director must have relevant expertise and experience, and be able to offer advice and guidance based on that expertise and experience;
- Each director must be independent of any particular constituency, be able to represent all shareholders of TierOne Corporation and be committed to enhancing long-term shareholder value; and
- Each director must have sufficient time available to devote to activities of the Board of Directors and to enhance his or her knowledge of our business.

The Board of Directors also believes the following qualities or skills are necessary for one or more directors to possess:

- One or more directors generally should be an active or former chief executive officer of a public or private company, managing partner of a public accounting firm office, or a leader of a complex organization, including commercial, scientific, government, educational and other similar institution;
- Directors should be selected so that the Board of Directors is a diverse body; and
- One or more directors should possess the necessary qualifications to satisfy the audit committee financial expert requirements as defined in regulations of the Securities and Exchange Commission.

The Committee also may consider the extent to which the candidate would fill a present need on the Board of Directors. The Nominating and Corporate Governance Committee will also consider candidates for director suggested by other directors as well as our management and shareholders. A shareholder who desires to recommend a prospective nominee should notify our Corporate Secretary in writing providing any supporting material the shareholder considers appropriate. Procedures for shareholder nominations are described under Shareholder Proposals, Nominations and Communications with the Board of Directors.

Compensation Committee Interlocks and Insider Participation

Determinations regarding compensation of our Chief Executive Officer, Chief Operating Officer and other executive officers are made by the Compensation Committee of the Board of Directors. Mesdames Pocras and Spence, Mr. Hoskins and Dr. McConnell are members of the Compensation Committee.

No person who served as a member of the Compensation Committee during 2005 was a current or former officer or employee of TierOne Corporation or TierOne Bank, other than Ms. Pocras who served as TierOne Bank's Internal Auditor until 1993. None of the members engaged in certain transactions with TierOne Corporation or TierOne Bank which were required to be disclosed by regulations of the Securities and Exchange Commission. Additionally, there were no compensation committee interlocks during 2005, which generally means that no executive officer of TierOne Corporation served as a director or member of the compensation committee of another entity, one of whose executive officers served as a director or member of our Compensation Committee.

Employment Agreements. TierOne Bank entered into an employment agreement with Mr. Lundstrom, effective January 1, 1994, as amended, which provides for a three-year term which is extended on an annual basis, unless either the Board or Mr. Lundstrom gives written notice of non-renewal. Mr. Lundstrom's employment agreement provides for an annual base salary review by the Board of Directors. In addition to the base salary, Mr. Lundstrom's employment agreement provides for, among other things, participation in retirement and executive benefit plans and other fringe benefits applicable to executive personnel. TierOne Bank's Board of Directors may terminate Mr. Lundstrom's employment agreement at any time, but any termination, other than termination for cause (as defined in the agreement) will not prejudice Mr. Lundstrom's right to compensation or other benefits under his agreement. In the event of termination for cause, Mr. Lundstrom has no right to receive compensation or other benefits, for any period after termination with the exception of vested benefits under TierOne Bank's benefit plans or policies and incentive plans for the benefit of the executive. In the event TierOne Bank chooses to terminate Mr. Lundstrom's employment for reasons other than for cause, or in the event Mr. Lundstrom resigns for good reason (as defined in the agreement), Mr. Lundstrom or, in the event of his death, his beneficiary or estate, would be entitled to receive (i) an amount equal to the remaining base salary payments and bonus due under the agreement in addition to all life, health and disability benefits provided under the agreement for the remaining term of employment; (ii) a lump sum cash payment equal to Mr. Lundstrom's base amount of compensation, as defined under Section 280G(b)(3) of the Internal Revenue Code, times the number of years or fractional portion thereof remaining in the term of the agreement as of the termination date; and (iii) ownership of any split dollar life insurance policy on Mr. Lundstrom's life; provided that such payments and benefits do not constitute an excess parachute payment under Section 280G of the Internal Revenue Code.

TierOne Bank entered into an employment agreement with Mr. Laphen, effective September 25, 2000, as amended. The employment agreement provides for a three-year term which is extended on an annual basis, unless either the Board or Mr. Laphen gives written notice of termination. Mr. Laphen's employment agreement provides for an annual base salary review by the Board of Directors. In addition to the base salary, Mr. Laphen's employment agreement provides for, among other things, participation in retirement and executive benefit plans and other fringe benefits applicable to executive personnel. TierOne Bank's Board of Directors or Mr. Laphen may terminate Mr. Laphen's employment agreement at any time, upon the occurrence of an event of termination (as defined in the agreement). In the event of termination for cause, Mr. Laphen has no right to receive compensation or other benefits for any period after termination. In the event of termination due to death or disability, Mr. Laphen, or his beneficiary or estate, would be entitled to receive a payment equal to twelve months' base salary (as defined in the agreement). In the event Mr. Laphen's employment is terminated for reasons other than for cause, death, disability or retirement, Mr. Laphen or, in the event of his subsequent death, his beneficiary or estate, would be entitled to receive an amount equal to thirty-six months' base salary; provided that the payments do not exceed three times his average annual compensation for the preceding five years he was employed by TierOne Bank.

In connection with the conversion of TierOne Bank from mutual to stock form, TierOne Corporation entered into an employment agreement with Mr. Lundstrom. Mr. Lundstrom's employment agreement has a term of three years, beginning on the date the conversion was completed, October 1, 2002. The term will be extended daily thereafter unless either we or Mr. Lundstrom give notice that the daily extensions will cease. Extension of the term also will cease automatically if Mr. Lundstrom's employment is terminated for any reason. Mr. Lundstrom's employment agreement provides that he will serve as the Chairman of the Board and Chief Executive Officer of TierOne Corporation during the term of his employment agreement.

Under the terms of the employment agreement, Mr. Lundstrom's salary is reviewed annually by the TierOne Corporation Board of Directors. Mr. Lundstrom is entitled to participate in our benefit plans and programs and receive an automobile allowance. However, under the terms of the employment agreement with TierOne Corporation, to the extent that any of the payments and benefits provided by the agreement are paid to or received by Mr. Lundstrom under his employment agreement with TierOne Bank, such payments and benefits provided by TierOne Bank are subtracted from any amounts due him under similar provisions of the employment agreement with TierOne Corporation (including without limitation, the payments described below).

10

In the event that, during the term of his employment agreement, Mr. Lundstrom's employment is terminated by us without cause or for other than death or disability, or if Mr. Lundstrom resigns for any of the reasons specified below, he will be entitled to receive as liquidated damages continued group life, health and disability benefits and a cash lump sum payment to compensate him for the loss of salary (on a present value basis), cash bonus and incentive compensation and qualified and non-qualified retirement plan benefits (on a present value basis) for the period of the remaining term of his employment agreement, but not more than three years. To the extent that Mr. Lundstrom earns salary, cash bonus or incentive compensation, fees or comparable fringe benefits from another employer during this period, the liquidated damages for loss of this type of compensation will be subject to repayment by Mr. Lundstrom. In addition, if Mr. Lundstrom surrenders his then outstanding options and shares of restricted stock within 30 days of the termination of his employment, we will pay him the value of his outstanding options and his shares of restricted stock.

The reasons specified in Mr. Lundstrom's employment agreement that would justify his resigning and receiving the liquidated damages described above are a material breach of the agreement by us (including a reduction in his salary or a material reduction in his fringe benefits), a failure to elect him to the positions in which he has a right to serve under his employment agreement, a failure to vest in him the authority and responsibilities associated with those positions, a failure to nominate or elect him as a director of TierOne Corporation or TierOne Bank, a change in his principal place of employment to a location more than 25 miles from our corporate headquarters in Lincoln, Nebraska, or the liquidation, dissolution, bankruptcy or insolvency of TierOne Corporation or TierOne Bank, a termination by him of his employment with TierOne Bank for good reason or a termination of his employment by TierOne Bank for other than cause, regulatory action, death or disability.

If a change in control of TierOne Corporation occurs prior to the end of the term of his employment agreement, Mr. Lundstrom will be entitled to receive, in addition to any liquidated damages if his employment is terminated, a lump sum payment equal to the greater of (i) the salary and cash bonus or incentive compensation he would have received if his employment had continued until the expiration of the term of his employment agreement or (ii) three times his average annual gross income from us or our subsidiaries during the past five full calendar years before the change in control. In the event that due to a change in control, any amount paid or payable to Mr. Lundstrom is subject to the 20% excise tax under Section 4999 of the Internal Revenue Code, then he will be entitled to an additional payment such that, on an after-tax basis, he is indemnified for the excise tax.

Mr. Lundstrom's employment agreement contains a covenant not to compete, under which he agrees that if his employment terminates before the expiration of the term of his employment agreement, he will not compete with us in any county in which we maintain an office until the expiration of the earlier of two years from the date on which his employment terminates or the date on which the term of his employment agreement would otherwise expire. In addition, for two years after his employment terminates, he agrees to not solicit our customers or solicit our employees to accept other employment in the counties where we maintain offices.

In connection with the conversion, TierOne Corporation also entered into a three-year employment agreement with Mr. Laphen as President and Chief Operating Officer. The provisions of Mr. Laphen's contract, including the non-duplication provisions, are substantially identical to Mr. Lundstrom's except that in the event of a change of control of us which occurs prior to the expiration of the term of his employment agreement, he will be entitled to receive the greater of the amount of liquidated damages provided by the employment agreement or the amount due as a result of a change in control. Mr. Laphen will not receive both liquidated damages and change in control benefits.

Change in Control Agreements. We have entered into three-year change in control agreements covering Messrs. Witkowicz, Furnas and Pfeil, none of whom are covered by an employment agreement. The terms of the change in control agreements will be renewed on an annual basis unless written notice of non-renewal is given by our Board of Directors. The change in control agreements provide that in the event of a change in control, as defined, of TierOne Corporation, the officer, upon his voluntary (for good reason as defined in the change in control agreement) or involuntary termination, would be entitled to receive a severance payment equal to either three times the officer's highest level of aggregate base salary and cash incentive compensation paid to him during the calendar year in which the termination occurs (determined on an annualized basis) or either of the two calendar years immediately preceding the calendar year in which the termination occurs. We also maintain and provide, at no cost to the officer, for his continued participation in all group insurance, life insurance, health and accident insurance, disability insurance and other employee benefit plans and arrangements (excluding the employee stock ownership plan and any other stock benefit plans as well as any cash incentive compensation) for the period ending the earlier of the expiration of the remaining term of the change in control agreement or the date of the officer's full-time employment with another party pursuant to which he receives substantially similar benefits.

11

In the event payments and benefits under the change in control agreements, together with other payments and benefits the officers may receive, would constitute an excess parachute payment under Section 280G of the Internal Revenue Code, such payments would be reduced to an amount necessary to avoid such payments constituting parachute payments.

Benefit Plans

Retirement Plan. Through 2003, we maintained the TierOne Retirement Plan, a defined benefit plan intended to satisfy the tax-qualification requirements of Section 401(a) of the Internal Revenue Code. Employees, other than employees paid solely on a retainer or fee basis, became eligible to participate in the retirement plan upon the attainment of age 21 and the completion of one year of eligibility service. Effective December 31, 2002, there was a plan curtailment resulting in a freeze of future accrual of benefits under the plan. Effective January 1, 2004, we merged our defined benefit plan with an unrelated multiple employer plan.

The retirement plan provided for a monthly benefit upon a participant's retirement at the age of 65, or if later, the fifth anniversary of the participant's initial participation in the retirement plan (i.e., the participant's normal retirement date). A participant may also receive a benefit on his early retirement date, which is the date on which he attains age 60 and completes ten years of vesting service. Benefits received prior to a participant's normal retirement date are reduced by certain factors set forth in the retirement plan. All participants are now fully vested in their benefits under the retirement plan upon termination. The participants' benefits under the new multiple employer retirement plan are identical to those under our former plan.

In general, the benefit formula was 1% of the five highest years of compensation (determined as of December 31, 2002) for each year of service (determined as of December 31, 2002). The frozen annual benefits of the named executive officers are as follows, as if they commenced at normal retirement age in the normal form of payment of a ten-year certain and life annuity: Mr. Lundstrom, \$16,000; Mr. Laphen, \$2,500; Mr. Witkowicz \$41,155; Mr. Furnas \$28,621; and Mr. Pfeil \$44,222. The benefits are not subject to reduction for Social Security benefits or other offset.

Supplemental Executive Retirement Plans. We currently maintain a supplemental executive retirement plan for Mr. Lundstrom. Under the plan, in consideration for remaining in our employ until his retirement (upon or after attaining age 65), Mr. Lundstrom will receive a supplemental benefit for a period of 15 years. Mr. Lundstrom's annual supplemental benefit will equal his average annual compensation (excluding bonuses and incentive compensation) during the three years of employment affording the highest average compensation, reduced by amounts paid under the retirement plan or any disability benefits paid by us, multiplied by 50%. Assuming that Mr. Lundstrom retires at age 65 with average annual compensation calculated based on his last three years of compensation, he would be entitled to an annual benefit of \$247,122 for 15 years under the supplemental executive retirement plan. If Mr. Lundstrom dies after he retires but before the supplemental benefits are paid for 15 years, the remaining supplemental benefits will be paid to his beneficiary or estate. In the event he dies before retirement, he will be covered by a split dollar life insurance agreement funded by us. The supplemental executive retirement plan requires Mr. Lundstrom to continue his services with us and not to compete with us in order to receive the benefits thereunder. The unfunded plan represents only a promise on our part to pay the benefits thereunder and is subject to the claims of our creditors.

In the event of disability, we are obligated to pay an annual supplemental benefit for up to ten years or until (i) the discontinuance of such disability and employment is fully restored, (ii) Mr. Lundstrom becomes eligible for benefits provided at retirement under the plan, which

benefits shall be exclusive of and in addition to any disability payments, or (iii) death.

12

We have also implemented two additional supplemental executive retirement plans to provide for supplemental benefits to certain employees (initially Messrs. Lundstrom and Laphen) whose benefits under the employee stock ownership plan and the 401(k) profit sharing plan are reduced by limitations imposed by the Internal Revenue Code. The supplemental benefits will equal the amount of the additional benefits the participants would receive if there were no income limitations imposed by the Internal Revenue Code. From time to time, our Board of Directors will designate which employees may participate in these additional supplemental executive retirement plans.

Deferred Compensation Arrangements. We currently maintain deferred compensation arrangements with approximately 15 individuals, including some former employees who currently receive benefits pursuant to such arrangements. The deferred compensation arrangements were established to reward employees for their valuable services to us. Among the individuals with whom we maintain deferred compensation arrangements are Mr. Witkowicz and Mr. Pfeil.

The arrangements generally provide that the employees will receive a monthly benefit, beginning at their retirement, for a fixed number of years. The agreements require the employees to continue their employment with us until their retirement (other than as a result of death), or they will forfeit any benefit they had under the terms of the arrangement. In addition, the employee agrees that after his retirement, he will not engage nor become associated with any other employer engaged in competition with us, either directly or indirectly. The majority of the arrangements provide for a monthly benefit of approximately \$100 to \$600 for a period of 120 months.

The deferred compensation arrangements are unfunded, represent only promises on our part to pay amounts in the future and are subject to the claims of our creditors. As of December 31, 2005, the approximate present value of the total benefits payable to named executive officers include: Mr. Witkowicz, \$36,122 and Mr. Pfeil, \$48,105.

Transactions With Certain Related Persons

Presently, TierOne Bank offers only educational, checking overdraft and loans on savings accounts to its senior executive officers and directors. In accordance with applicable federal laws and regulations, TierOne Bank offers mortgage loans to its other officers and employees as well as members of their immediate families for the financing of their primary residences and certain other loans. These loans are generally made on substantially the same terms as those prevailing at the time for comparable transactions with non-affiliated persons. It is the belief of management that these loans neither involve more than the normal risk of collectibility nor present other unfavorable features.

Section 22(h) of the Federal Reserve Act generally provides that any credit extended by a savings institution, such as TierOne Bank, to its executive officers, directors and, to the extent otherwise permitted, principal shareholder(s), or any related interest of the foregoing, must be on substantially the same terms, including interest rates and collateral, as those prevailing at the time for comparable transactions by the savings institution with non-affiliated parties; unless the loans are made pursuant to a benefit or compensation program that (a) is widely available to employees of the institution, and (b) does not give preference to any director, executive officer or principal shareholder, or certain affiliated interests of either, over other employees of the savings institution and does not involve more than the normal risk of repayment or present other unfavorable features. TierOne Bank's policy is in compliance with Section 22(h) of the Federal Reserve Act.

REPORT OF THE COMPENSATION COMMITTEE

The Compensation Committee of the Board is responsible for developing executive compensation policies for TierOne Corporation and TierOne Bank. Executive officers of TierOne Corporation who hold identical positions with TierOne Bank do not receive any compensation for service as officers of TierOne Corporation. The Compensation Committee is also responsible for setting compensation for all of the executive officers, including the Chief Executive Officer.

13

The Compensation Committee is comprised entirely of independent outside directors as defined under the Nasdaq National Market listing standards. During the year ended December 31, 2005, the Compensation Committee met five times.

General Compensation Objectives and Policies

The Committee seeks to ensure that:

the interests of TierOne Corporation's employees are aligned with those of its shareholders through potential stock ownership;

rewards are closely linked to company-wide and individual performance;
incentives are provided for executive officers to work toward achieving successful annual results as a step toward fulfilling TierOne Corporation's long-term operating results and strategic objectives;
the structure of executive officers' compensation balances short-term and long-term goals and objectives;
compensation levels are reasonably competitive with comparable financial institutions; and
TierOne Bank and TierOne Corporation are in a position to attract, retain and motivate top performing executive officers in a cost effective manner for the long-term success of TierOne Corporation.

The Compensation Committee applies these objectives through a compensation structure comprised of both base salary and incentive-based compensation, both short and long-term. Since a substantial part of total compensation is incentive based, a direct link is established between executive compensation and the long-term performance of TierOne Bank and TierOne Corporation.

In determining the broad general salary and benefit policies, and to establish base salary and incentive compensation levels, the Compensation Committee utilizes outside consultants and labor market studies. The compensation survey information is drawn from both national and regional financial research organizations that report compensation practices and salary levels for executive positions at comparably-sized financial institutions, specifically banks and thrifts. The Compensation Committee's objective is to provide base salaries as well as the appropriate mix of total compensation that is reasonably competitive with total compensation paid by TierOne Corporation's peers as identified in such surveys. TierOne Bank adopted updated compensation guidelines recommended by an outside national professional consulting firm for the Chief Executive Officer and Chief Operating Officer and the other executive officers in 2005.

Components of Executive Compensation

The three primary components of executive compensation of our executive officers are base salary, annual cash incentive compensation and long-term equity-based incentive compensation.

Base Salary. The Compensation Committee reviews market data compiled by outside consultants with respect to TierOne Corporation's peer group, supplemented by general industry information, to assess the competitiveness of the base salary of the Chief Executive Officer, the Chief Operating Officer and the other executive officers. The Compensation Committee considers the job performance and contribution to the successful operation of TierOne Corporation and TierOne Bank by the Chief Executive Officer, the Chief Operating Officer and the other executive officers (and, in the case of executive officers other than the Chief Executive Officer, the Compensation Committee also considers the job performance evaluation and recommendation of the Chief Executive Officer before approving a salary adjustment for such executive officer) in determining any adjustment to the officer's salary. Executive base salaries are intended to be at levels reasonably comparable to the peer group with the opportunity for compensation at above market levels resulting from the incentive compensation portion of the compensation program.

14

Annual Incentive Compensation. The Company's annual incentive compensation program, referred to as the Management Incentive Compensation Plan, is designed to provide performance-based annual compensation based on the achievement of performance targets approved by the Compensation Committee. For 2005, five criteria were used: earnings per share of TierOne Corporation and TierOne Bank's return on average assets, net interest margin, non-performing assets to tangible capital ratio and efficiency ratio. Other than the earnings per share criteria, each of the other criteria were measured against a peer group set forth in the Plan consisting of ten comparably-sized financial institutions. The amount of a participant's award was a function of the performance of TierOne Corporation and/or TierOne Bank compared to the organizational criteria as well as the participant's performance compared to a series of individual goals.

The incentive compensation awards approved in February 2006 for 2005 by the Compensation Committee for the Chief Executive Officer and Chief Operating Officer were \$330,991 and \$196,876, respectively.

Long-Term Incentives. In the past, executive officers have been granted awards in the form of restricted stock or stock options pursuant to the 2003 Stock Option Plan and the 2003 Recognition and Retention Plan and Trust. Stock option awards made to date have had an exercise price equal to the fair market value of a share of stock on the date of the award. Stock option awards and restricted stock awards vest pro rata over a five year period at the rate of 20% per year. No stock option or restricted stock awards were made to executive officers in 2005.

Compensation of the Chief Executive Officer

The compensation paid for the year ended December 31, 2005 to Gilbert G. Lundstrom, Chief Executive Officer of the TierOne Corporation and TierOne Bank, reflected the considered judgment of the Compensation Committee embracing the policies and processes described above.

Edgar Filing: TIERONE CORP - Form DEF 14A

Mr. Lundstrom's base salary was \$529,586 for 2005, an increase of 3.9% over 2004. In determining the Chief Executive Officer's fiscal 2005 salary, the Compensation Committee considered salaries offered by stock savings institutions and banks and their holding companies nationwide as provided by the consultant study discussed above. The Compensation Committee took into consideration prior equity awards which were not yet vested. The Compensation Committee also took into account the 41.7% increase in diluted earnings per share for 2005 as compared to 2004 as well as continued improvements in net interest margin and operating efficiency.

The Company's Compensation Committee consists of the following Directors, each of whom is an independent outside director.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Securities Exchange Act of 1934, as amended, requires the officers and directors, and persons who own more than 10% of our common stock to file reports of ownership and changes in ownership with the Securities and Exchange Commission. Officers, directors and greater than 10% shareholders are required by regulation to furnish us with copies of all Section 16(a) forms they file. We know of no person who owns 10% or more of common stock.

Based solely on our review of the copies of such forms furnished to us, or written representations from our officers and directors, we believe that during, and with respect to, the fiscal year ended December 31, 2005, our officers and directors complied in all respects with the reporting requirements promulgated under Section 16(a) of the Securities Exchange Act of 1934.

RATIFICATION OF APPOINTMENT OF AUDITORS

The Audit Committee of the Board of Directors of TierOne Corporation has appointed KPMG LLP, independent certified public accountants, to perform the audit of our financial statements for the year ending December 31, 2006, and further directed that the selection of auditors be submitted for ratification by the shareholders at the Annual Meeting.

Edgar Filing: TIERONE CORP - Form DEF 14A

We have been advised by KPMG LLP that neither the firm nor any of its associates has any relationship with TierOne Corporation or its subsidiaries other than the usual relationship that exists between independent certified public accountants and clients. KPMG LLP will have one or more representatives at the Annual Meeting who will have an opportunity to make a statement, if they so desire, and will be available to respond to appropriate questions.

In determining whether to appoint KPMG LLP as our auditors, the Audit Committee considered whether the provision of services, other than auditing services, by KPMG LLP is compatible with maintaining the auditors' independence. In addition to performing auditing services as well as reviewing our public filings, our auditors performed tax-related services, including the completion of our corporate tax returns, in fiscal 2005. The Audit Committee believes that KPMG LLP's performance of these other services is compatible with maintaining the auditors' independence.

**The Board of Directors recommends that you vote FOR the ratification of the appointment of
KPMG LLP as independent auditors for the fiscal year ending December 31, 2006.**

Audit Fees

The following table sets forth the aggregate fees paid by us to KPMG LLP for professional services rendered by KPMG LLP in connection with the audit of TierOne Corporation's consolidated financial statements for 2005 and 2004, as well as the fees paid by us to KPMG LLP for audit-related services, tax services and all other services rendered by KPMG LLP to us during 2005 and 2004.

	Year Ended December 31,	
	2005	2004
Audit fees (1)	\$306,250	\$478,250
Audit-related fees (2)	19,832	68,613
Tax fees (3)	30,586	52,907
All other fees	--	--
<hr/> Total	<hr/> \$356,668	<hr/> \$599,770

(Footnotes on following page.)

- (1) Audit fees consist of fees incurred in connection with the audit of our annual financial statements and the review of the interim financial statements included in our quarterly reports filed with the Securities and Exchange Commission, as well as work generally only the independent auditor can reasonably be expected to provide, such as statutory audits, consents and assistance with and review of documents filed with the Securities and Exchange Commission and fees related to certification reports required under the Sarbanes-Oxley Act and FDICIA. Additional fees were incurred in 2004 relating to auditing activities associated with the United Nebraska Financial Co. acquisition.
- (2) Audit-related fees consist of fees incurred in connection with audits of the financial statements of our employee benefit plans, and services provided in relation to the Sarbanes-Oxley Act and other internal control and due diligence services.
- (3) Tax fees consist primarily of fees paid in connection with preparing federal and state income tax returns and other tax related services.

The Audit Committee pre-approves all audit services to be provided by the independent auditors to TierOne Corporation. The Audit Committee also reviews and pre-approves all audit-related and non-audit related services rendered by our independent auditors in accordance with the Audit Committee's charter. In its review of these services and related fees and terms, the Audit Committee considers, among other things, the possible effect of the performance of such services on the independence of our independent auditors. The Audit Committee pre-approves certain audit-related services and certain non-audit related tax services which are specifically described by the Audit Committee on an annual basis and separately approves other individual engagements as necessary. The Chair of the Audit Committee has been delegated the authority to approve non-audit related services in lieu of the full Audit Committee. On a quarterly basis, the Chair of the Audit Committee presents any previously-approved engagements to the full Audit Committee.

Edgar Filing: TIERONE CORP - Form DEF 14A

Each new engagement of KPMG LLP was approved in advance by the Audit Committee or its Chair, and none of those engagements made use of the *de minimis* exception to pre-approval contained in the Securities and Exchange Commission's rules.

6. All auditing services and all non-audit services, which are not prohibited by law, shall be pre-approved by the Audit Committee pursuant to such processes as are determined to be advisable. Exception The pre-approval requirement set forth in the first sentence above, shall not be applicable with respect to the provision of non-audit services, if:

Delegation The Committee may delegate to one or more designated members of the Committee the authority to grant required pre-approvals. 11. Require independent auditor partner (including both the audit partner having primary responsibility for the audit and the audit partner responsible for reviewing the audit) rotation for a period of no less than five years after each such partner serves in this capacity for five years.
12. Ensure no former upper level employees of the independent auditor who could influence the independent auditor serve in an accounting role or financial reporting oversight role of the Company, as such terms are defined by the regulation (i.e., one-year cooling-off period for hiring members of the audit engagement team of the independent auditor).

Edgar Filing: TIERONE CORP - Form DEF 14A

13. Inquire of the independent auditors whether any member of the audit engagement team received bonuses or incentive compensation based on the sale of non-audit products or services to the Company, which is prohibited by the Act and the provisions of the Securities and Exchange Act of 1934, as amended (the Exchange Act) and the regulations promulgated there under.
14. Review the audit engagement team to determine appropriate qualifications as well as to determine whether any members would be disqualified under the independence provisions of the Exchange Act and the regulations promulgated there under, including, but not limited to, Regulation S-X.
15. Ensure that the Company provides the required proxy statement and annual report disclosure of the fees paid to the independent auditors.
