CARDINAL HEALTH RESPONDS TO SYNCOR ANNOUNCEMENT

-----  
IMPROPER PAYMENTS BY SYNCOR IDENTIFIED THROUGH ONGOING DUE DILIGENCE  
INTENDS TO CAREFULLY MONITOR THE SITUATION

DUBLIN, OHIO, NOVEMBER 6, 2002 -- Cardinal Health, Inc. (NYSE: CAH), confirmed today that during its ongoing due diligence investigation of Syncor International Corporation, the proposed acquisition of which was announced on June 14, 2002, Cardinal Health recently discovered certain improper payments that had been made in foreign countries by subsidiaries of Syncor. As soon as it made these discoveries, Cardinal Health promptly informed Syncor of its findings and Syncor immediately initiated an investigation.

Cardinal Health has since been informed of the results to date of the investigation undertaken by a special committee formed by the Board of Directors of Syncor to review these improper payments. Cardinal Health supports the actions taken today by the Syncor Board in response to the results of the special committee's ongoing investigation as well as the proactive decision by Syncor to make full disclosure of its findings to the Department of Justice and the Securities and Exchange Commission. Cardinal Health will continue to carefully monitor the Syncor situation and assess the results of the Syncor special committee's ongoing investigation as well as the results of Cardinal Health's continuing due diligence review. Cardinal Health intends to use all appropriate resources and spend the time necessary to complete its ongoing comprehensive due diligence review in a deliberate manner.

Robert D. Walter, chairman and chief executive officer of Cardinal Health stated: "Cardinal Health has an outstanding reputation for integrity in operating our domestic and international businesses in an ethical and honest manner.
