industry conditions, its business objectives and other relevant factors, to change its plans and intentions at any time, as it deems appropriate. In particular, any one or more of the Reporting Persons (and their respective affiliates) reserves the right, in each case subject to (a) the restrictions contained in the Stockholders Agreement described in Item 6 of this Schedule 13D, and (b) any applicable limitations imposed on the sale of any of their Company securities by the Securities Act of 1933, as amended, and the rules and regulations promulgated thereunder (the "Securities Act") or other applicable law, to (i) purchase additional shares of Class A-1 Common Stock or other securities of the Company, (ii) sell or transfer shares of Class A-1 Common Stock beneficially owned by them from time to time in public or private transactions, and (iii) cause any of the Blackstone Funds to distribute in kind to their respective investors shares of Class A-1 Common Stock or other securities owned by such Blackstone Funds. herein by reference.

The Company has informed the Reporting Persons that, as of the Closing Date, after giving effect to the transactions contemplated by the Merger Agreement, there were 26,790,979.2016 shares of Class A-1 Common Stock issued and outstanding.

The Blackstone Funds, acting through their sole general partner BMA, have the sole power to vote or to direct the vote, and to dispose or to direct the disposition of, the Class A-1 Common Stock respectively owned by them. As a result, for purposes of section 13(d) of the Exchange Act, BMA may be deemed to beneficially own the shares of Class A-1 Common Stock directly owned by the respective Blackstone Funds of which it is the general partner. The Founding Members have power to vote or to direct the vote of, and to dispose or to direct the disposition of, the shares of Class A-1 Common Stock that may be deemed to be beneficially owned by BMA. As a result, each of the Founding Members may be deemed to beneficially own the shares of Class A-1 Common Stock that BMA may be deemed to beneficially own. Each of BMA and each Founding Member disclaims beneficial ownership of such shares, except (in the case of the Founding Members) to the extent of his pecuniary interest in such shares.

Neither the filing of this Schedule 13D nor any of its contents shall be deemed to constitute an admission that any Reporting Person or any other person described in Item 2 hereof is the beneficial owner of the Issuer Common Stock referred to herein for purposes of Section 13(d) of the Exchange Act or for any other purpose, and such beneficial ownership is expressly disclaimed.

The GS Investors (as defined below) beneficially own 6,756,756.7567 shares of Class A-1 Common Stock, representing approximately 25.2% of the class. The DLJ Investors (as defined below) beneficially own 3,378,378.3784 shares of Class A-1 Common Stock, representing approximately 12.6% of the class. The Blackstone Funds, the GS Investors and the DLJ Investors have entered into certain

Edgar Filing: HealthMarkets, Inc. - Form SC 13D

agreements with the Company, described in Item 6 below. To the extent that, as a result of these agreements or otherwise, the Blackstone Funds, the GS Investors and the DLJ Investors may be deemed to comprise a group within the meaning of Section 13(d)(3) of the Exchange Act, each of the Reporting Persons expressly disclaims membership in such group.

(C) Except as set forth in this Item 5, to the best knowledge of each of the Reporting Persons, none of the Reporting Persons has beneficial ownership of, or has engaged in any transaction during the past 60 days in, any shares of Class A-1 Common Stock.

(D) Not applicable.

(E) Not applicable.

ITEM 6. CONTRACTS, ARRANGEMENTS, UNDERSTANDINGS OR RELATIONSHIPS WITH RESPECT TO SECURITIES OF THE ISSUER

The responses set forth in Items 3 and 4 of this Schedule 13D are incorporated herein by reference in their entirety.

("Merger Co 3", and each of Merger Co 1, Merger Co 2 and Merger Co 3, a "Merger Co") merged with and into the Company, with the Company being the surviving corporation (the "Merger"). Upon consummation of the Merger, (i) each share of common stock

-11-

of the Company, par value \$0.01 per share (except for dissenting shares, shares held by certain senior managers of the Company and shares held in the Company's agent stock accumulation plans), was converted into the right to receive \$37.00 in cash; (ii) each share of common stock of the Company held by certain senior managers of the Company was renamed Class A-1 Common Stock; (iii) each share of common stock of the Company beneficially owned through the Company's agent stock accumulation plans by the Company's independent insurance agents was converted into one share of Class A-2 Common Stock, par value \$.01 per share, of the Company; and (iv) each share of common stock of each Merger Co was converted into one share of Class A-1 Common Stock of the Company. The Blackstone Funds held 16,486,486.4865 shares of common stock of Merger Co 1, which were converted into 16,486,486.4865 shares of Class A-1 Common Stock in the Merger. In connection with the Merger, the Company transferred substantially all of its assets and liabilities to HealthMarkets, LLC, a Delaware limited liability company and wholly-owned subsidiary of the Company.

The aggregate amount of cash consideration paid to former stockholders of the Company in the Merger was \$1,611,618,324. This cash consideration was funded by (i) equity contributions of \$610,000,000 by the Blackstone Funds, \$250,000,000 by certain affiliates of Goldman Sachs Capital Partners, and \$125,000,000 by certain affiliates of DLJ Merchant Banking Partners; (ii) borrowings of \$500,000,000 under a senior credit facility of HealthMarkets, LLC; (iii) the issuance by HealthMarkets, LLC, a subsidiary of the Company, of \$103,100,000 aggregate principal amount of junior subordinated notes to HealthMarkets Capital Trust I and HealthMarkets Capital Trust II, which issued to several third party investors preferred stock having an aggregate liquidation value of \$100,000,000; and (iv) available cash of the Company. As a result of the Merger, (i) the Blackstone Funds acquired an aggregate of 16,486,486.4865 shares of Class A-1 Common Stock, representing approximately 61.5% of the total outstanding shares of Class A-1 Common Stock, (ii) Mulberry Holdings I, LLC, and Mulberry Holdings

Edgar Filing: HealthMarkets, Inc. - Form SC 13D

II, LLC (collectively, the "GS Investors") acquired 6,756,756.7567 shares of Class A-1 Common Stock, representing approximately 25.2% of the total outstanding shares of Class A-1 Common Stock, and (iii) DLJ Merchant Banking Partners IV, L.P., DLJ Offshore Partners IV, L.P., MBP IV Plan Investors, L.P., CSFB Strategic Partners Holdings III, L.P. and CSFB Strategic Partners Parallel Holdings III, L.P. (collectively, the "DLJ Investors") acquired an aggregate of 3,378,378.3784 shares of Class A-1 Common Stock, representing approximately 12.6% of the total outstanding shares of Class A-1 Common Stock.

The foregoing summary is qualified in its entirety by reference to the Merger Agreement, which is filed as Exhibit 1 hereto and is incorporated by reference in its entirety into this Item 6.

In connection with the Merger, the Company amended and restated its certificate of incorporation and bylaws, which are filed as Exhibits 2 and 4 hereto and are incorporated by reference in their entirety into this Item 6. On April 17, 2006, the Company amended its certificate of incorporation to change its name from UICI to HealthMarkets, Inc.; the certificate of amendment relating to this amendment is filed as Exhibit 3 hereto. The Company has applied to delist its Class A-1 Common Stock from the New York Stock Exchange.

STOCKHOLDERS AGREEMENT

In connection with the Merger, the Blackstone Funds entered into a Stockholders Agreement, dated as of April 5, 2006 (the "Stockholders Agreement") with the Company, the GS Investors, the DLJ Investors, and the management stockholders named therein (the "Management Stockholders").

COMPOSITION OF THE BOARD OF DIRECTORS

The Stockholders Agreement provides that following the Merger, the initial board of directors of the Company will consist of:

-12-

- o up to up to 6 directors nominated or designated by the Blackstone Funds and any permitted transferee thereof (collectively, the "Blackstone Investor Group");
- o up to 2 directors nominated or designated by the GS Investors and any permitted transferee thereof (collectively, the "GS Investor Group");
- o up to one director nominated or designated by the DLJ Investors and any permitted transferee thereof (collectively, the "DLJ Investor Group" and each of the Blackstone Investor Group, GS Investor Group and DLJ Investor Group, an "Investor Group");
- o one member of management of the Company to be nominated by Investor Groups holding a majority of the Class A-1 Common Stock held by the Investor Groups ("Management Director"); and
- o additional directors, including directors who may be considered independent under various definitions of the Securities and Exchange Commission and stock exchanges to the extent deemed necessary or advisable ("Additional Director").

Pursuant to the Stockholders Agreement, the Blackstone Investor Group designated Messrs. Chinh E. Chu and Matthew S. Kabaker, the GS Investor Group designated Mr. Jones and Mr. Zilka, and the DLJ Investor Group designated Mr. Kamil M. Salame, as members of the board of directors of the Company. In addition, Mr. William J. Gedwed, President and Chief Executive Officer of the Company, and Mr. Mural R. Josephson have been appointed to the board of directors of the Company as Management Director and Additional Director, respectively.

Edgar Filing: HealthMarkets, Inc. - Form SC 13D

The allocation of board representation to the Investor Groups will be reduced as the ownership interest of Class A-1 Common Stock of such Investor Group is reduced. The Blackstone Investor Group will have the ability to designate a majority of the directors for so long as it holds a majority of the shares of Class A-1 Common Stock issued to the Investor Groups in the Merger. Each Investor Group will lose its right to designate directors entirely when its ownership of shares of Class A-1 Common Stock is less than the greater of (i) five percent of the shares of Class A-1 Common Stock issued to the Investor Groups in the Merger and (ii) three percent of the then-outstanding shares of Class A-1 Common Stock. Generally, each director will have one vote. However, if the Blackstone Investor Group nominates or designates fewer than the maximum number of directors to which they are entitled, then the directors nominated or designated by the Blackstone Investor Group will have aggregate voting power on board matters equal to the maximum number of directors that the Blackstone Investor Group is entitled to nominate or designate divided by the number of directors they have actually nominated or designated.

APPROVAL RIGHTS

The Stockholders Agreement provides that without the approval of directors designated by at least two Investor Groups, in addition to any customary board approval, the Company will not, and will cause its subsidiaries not to, take certain actions, including:

- o certain mergers, consolidations, business combinations, reorganizations or liquidations;
- o certain acquisitions or dispositions of business or assets valued in excess of 20% of the fair market value of the total assets of the Company and its subsidiaries; certain debt and preferred stock issuances that would increase the aggregate debt and preferred stock level by an amount in excess of 20% of the fair market value of the total assets of the Company and its subsidiaries;
- o transactions with affiliates, other than de minimis transactions on arm's length terms; or
- o amendments to the certificate of incorporation or bylaws with the purpose or effect of the transactions described above or that would conflict with other terms of the Stockholders Agreement.

The Stockholders Agreement also provides that, without the approval of the affected Investor Group, if the affected party is an Investor Group, or the approval of a majority (by ownership of

-13-

shares of Class A-1 Common Stock) of the Management Stockholders, if the affected party is a Management Stockholder, neither the Stockholders Agreement nor the Company's certificate of incorporation or bylaws may be amended in a manner that imposes additional transfer restrictions, limits any Investor Group's right to designate directors or further limits "tag-along" rights or the rights of a stockholder to participate in public offerings. The Stockholders Agreement and the Company's certificate of incorporation and bylaws may not be amended without the approval of each affected Investor Group, if such amendment would subject any Investor Group to materially adverse differential treatment as compared to the other Investor Groups.

In addition, as long as any GS Investor Group remains party to the Stockholders Agreement, the Company and its subsidiaries are not permitted to directly or indirectly acquire or otherwise control equity securities of any bank holding company, depository institution or certain other bank entities without the approval of the GS Investor Group and at least one other Investor Group.

TRANSFER RESTRICTIONS

Edgar Filing: HealthMarkets, Inc. - Form SC 13D

Under the Stockholders Agreement, transfers of shares of Class A-1 Common Stock are generally prohibited except:

- o pursuant to "tag-along" sales and "drag-along" sales, as described below in "-- Tag-Along Rights" and "-- Drag-Along Rights", respectively;
- o after an initial public offering of the Company (and subject to the provisions of the Registration Rights and Coordination Committee Agreement described below):
- o in a registered public offering;
- o pursuant to Rule 144 promulgated under the Securities Act; or
- o in a distribution of shares of Class A-1 Common Stock by an Investor Group to its general or limited partners, members, managers or shareholders; or
- o with the approval of the Investor Groups holding a majority of the shares held by the Investor Groups.

In addition, members of each Investor Group are permitted to transfer their shares of Class A-1 Common Stock to investment funds that are directly or indirectly managed or advised by the manager or advisor of such Investor Group.

Finally, Management Stockholders are permitted to transfer their shares of Class A-1 Common Stock:

- o to the Company;
- o upon the death of the holder, pursuant to applicable laws of descent and distribution; or
- o for estate planning purposes, pursuant to a transfer to the holder's immediate family, whether directly or indirectly by means of a trust or partnership or other bona fide estate-planning vehicle the only beneficiaries of which are the holder's immediate family.

TAG-ALONG RIGHTS

If any Investor Group proposes to transfer shares of Class A-1 Common Stock in a "tag-along sale" (as described below), then that Investor Group will be required to offer to each other Investor Group the right to sell a pro rata portion of its shares on the same terms and conditions as the proposed transfer. This right to tag-along is also provided to Management Stockholders if the shares proposed to be transferred by the Investor Groups initiating the sale represent more than 50% of the outstanding shares of Class A-1 Common Stock.

A "tag-along sale" means:

-14-

- o before an initial public offering of the common stock of the Company, a transfer (1) of at least 1% of the outstanding shares of Class A-1 Common Stock by the Investor Groups holding a majority of the outstanding shares of Class A-1 Common Stock held by the Investor Groups in the aggregate or (2) of at least 5% of the outstanding shares of Class A-1 Common Stock held by any Investor Group; and
- o after an initial public offering of the common stock of the Company, a transfer by an Investor Group of at least 10% of the total amount of shares of Class A-1 Common Stock outstanding.

DRAG-ALONG RIGHTS

If the Investor Groups collectively own at least fifty percent (50%) of the Company's outstanding Class A-1 Common Stock, and Investor Groups owning at least thirty-five percent (35%) of the Company's Class A-1 Common Stock propose to sell shares of the Company's common stock to any third party which, taking

into account all shares to be transferred in this or similar transactions, would result in the transfer of greater than 50% of the outstanding common stock of the Company, then the selling Investor Groups will have the option to obligate each holder of Class A-1 Common Stock to sell the same proportion of the holder's shares as is sold by the selling Investor Groups. Upon the exercise of this drag-along option, each holder of Class A-1 Common Stock that is party to the Stockholders Agreement will be subject to many of the same terms as those applicable to shares held by the selling Investor Groups.

INFORMATION RIGHTS

The Stockholders Agreement requires the Company to prepare and furnish to each Investor Group and Management Stockholder annual and quarterly financial statements, operating and capital expenditure budgets, and to the extent otherwise prepared, other periodic information relating to the operations and cash flows of the Company and its subsidiaries.

PREEMPTIVE RIGHTS

Under the Stockholders Agreement, each Investor Group and Management Stockholder will have preemptive rights to acquire securities to be issued by the Company in order to maintain their then-current proportionate ownership of common stock, subject to certain exceptions.

LINE OF BUSINESS COVENANT

The Stockholders Agreement requires the Company to advise each Investor Group before the Company directly or indirectly enters into any line of business materially different from its existing lines of business and to discuss in good faith and reasonably cooperate with the Investor Groups' efforts toward resolving any regulatory problem that such actions may cause them.

COMPANY REPURCHASE RIGHT

Prior to an initial public offering of the Company's stock, in the event the employment of a Management Stockholder is terminated "for cause," as such term is defined in the manager's employment agreement, the Company will have the right to purchase such holder's Class A-1 Common Stock at a price equal to the lesser of: (x) the weighted average price paid by the Management Stockholder or (y) the fair market value of the shares to be redeemed (as determined in good faith by the board of directors). In the event the employment of a Management Stockholder is terminated other than "for cause" or if the Management Stockholder terminates his or her employment, the Company will have the right to purchase the holder's Class A-1 Common Stock at the fair market value of the shares. In these circumstances, at the discretion of the board of directors, in light of the availability under or limitations imposed by any credit agreement or other debt agreement and the capital and liquidity position of the Company, it may pay the repurchase price in the form of a note.

Investors and the Management Stockholders. Under the Registration Rights and Coordination Committee Agreement, following an initial public offering of the Company's stock, the Blackstone Investor Group will have the right to demand registration under the Securities Act of its shares for public sale on up to five occasions, the GS Investor Group will have the right to demand such registration on up to two occasions, and the DLJ Investor Group will have the right to demand such registration on one occasion. No more than one such demand is permitted to be made in any 180-day period without the consent of the board of directors of the Company. In addition, both the Investor Groups and Management Stockholders have "piggy-back" rights, or rights to request that their shares be included in registrations initiated by the Company or by an Investor Group.

Following an initial public offering of the Company's stock, sales or other transfers of the Company's stock by parties to the Registration Rights and Coordination Committee Agreement will be subject to pre-approval by a Coordination Committee that will consist of representatives from each of the Investor Groups with certain limited exceptions. In addition, the Coordination Committee shall have the right to request that the Company effect a "shelf" registration.

The foregoing description of the Registration Rights and Coordination Committee Agreement is qualified in its entirety by reference to the full text of the Registration Rights and Coordination Committee Agreement, which is filed as Exhibit 6 hereto and is incorporated by reference in its entirety into this Item 6.
