Item 1. Security and Issuer.

This Amendment No. 2 amends the statement on Schedule 13D (such schedule as amended being the "Schedule 13D") originally filed on October 4, 2002, and amended by Schedule 13D/A (Amendment No. 1) filed on June 27, 2003, and relating to the ordinary shares, nominal value NOK5 per share (the "Old Shares"), and the American depository shares, each representing one Old Share (the "Old ADSs") and evidenced by American depository receipts, of Petroleum Geo-Services ASA, a Norwegian allmennaksjeselskap (the "Company"). As described more completely in the Plan (as defined below), the Old Shares and Old ADSs were discharged on the Effective Date (as defined below). Pursuant to the Plan, the Company issued ordinary shares, nominal value NOK30 per share (the "New Shares"), and American depository shares, each representing one New Share (the "New ADSs") and evidenced by American depository receipts. The Schedule 13D, as amended through the date hereof, relates to the Old Shares, the Old ADSs, the New Shares and the New ADSs.

The address of the principal executive offices of the Company is Strandveien 4, N-1366 Lysaker, Kingdom of Norway.

References herein to Old Shares or New Shares include references to Old ADSs or New ADSs respectively, unless the context otherwise requires.

Item 2. Identity and Background.

This statement is being filed by Compagnie Generale de Geophysique, a French societe anonyme (the "Reporting Person"). The list of the executive officers and directors of the Reporting Person attached hereto as Schedule I and incorporated herein by reference contains the following information with respect to each such person: (i) name, (ii) business address, (iii) present principal

Edgar Filing: GENERAL GEOPHYSICS CO - Form SC 13D/A

occupation or employment and name, principal business and address of any corporation or other organization in which such employment is conducted and (iv) citizenship.

The Reporting Person is a societe anonyme duly incorporated under the laws of the Republic of France.

The Reporting Person participates in the oilfield services industry by providing seismic data acquisition, processing and geoscience services and equipment to clients in the oil and gas exploration and production business.

The address of the principal business and principal office of the Reporting Person is 1, rue Leon Migaux, 91341 Massy, France.

Neither the Reporting Person nor, to the best of its knowledge, any of the persons named in Schedule I has, during the last five years, been convicted in a criminal proceeding (excluding traffic violations or similar misdemeanors).

Neither the Reporting Person nor, to the best of its knowledge, any of the persons named in Schedule I has, during the last five years, been a party to a civil proceeding of a judicial or administrative body of competent jurisdiction and as a result of such proceeding was or is subject to a judgment, decree or final order enjoining future violations of, or prohibiting or mandating activities subject to, federal or state securities laws or finding any violation with respect to such laws.

Item 3. Source and Amount of Funds or Other Consideration.

No funds were required for the receipt of 60,051 New Shares under the Plan. The total amount of funds required to purchase 337,535 New Shares pursuant to the rights offering was \$4,790,626.15 and the total amount of funds required to purchase 470,167 New Shares pursuant to the Reporting Person's obligations as an

-2-

Equity Investor under the Plan was \$6,662,265.95, for an aggregate purchase price of \$11,452,892.10 furnished from the working capital of the Reporting Person.

Item 4. Purpose of Transaction.

Item 4 is amended to add the following final paragraph:

The Company filed a voluntary petition under Chapter 11 of Title 11 of the United States Code (the "Bankruptcy Code") in the United States Bankruptcy Court for the Southern District of New York (the "Bankruptcy Court"). In connection with the proceedings under Chapter 11 of the Bankruptcy Code, the Company filed with the Bankruptcy Court the Plan of Reorganization, dated July 29, 2003, which the Bankruptcy Court confirmed by the Confirmation Order entered on October 21, 2003 as the Company's Modified First Amended Plan of Reorganization (the "Plan"). As reported on a Report of Foreign Private Issuer on Form 6-K filed by the Company on November 7, 2003, the Company emerged from proceedings under Chapter 11 of the Bankruptcy Code on November 5, 2003 (the "Effective Date").

As reported on this Schedule 13D, prior to the Effective Date, the Reporting Person held 7,757,400 Old Shares.

Edgar Filing: GENERAL GEOPHYSICS CO - Form SC 13D/A

The treatment of the holders of the Company's equity securities existing prior to the Effective Date in the proceedings before the Bankruptcy Court was governed by the terms of the Plan. The Plan provided that in full satisfaction, settlement, release and discharge of, and in exchange for the Old Shares, the holders of Old Shares would receive a pro rata distribution of 4% of the aggregate amount of New Shares issued on the Effective Date. In addition, the Plan provided that holders of the Old Shares would receive a pro rata share of rights to acquire New Shares pursuant to a rights offering and further provided

-3-

that the Reporting Person would receive certain rights to acquire additional New Shares pursuant to its obligations as an Equity Investor under the Plan.

Therefore, upon the Effective Date, the Reporting person's interests in the Old Shares were discharged. In addition, the Reporting Person (i) received 60,051 New Shares under the Plan, (ii) acquired 337,535 New Shares for an aggregate purchase price of \$4,790,626.15 pursuant to the rights offering and (iii) acquired 470,167 New Shares for an aggregate purchase price of \$6,662,265.95 pursuant to its obligations as an Equity Investor under the Plan. The Reporting Person thus owns 867,753 New Shares, representing less than 5% of the outstanding New Shares.

Item 5. Interest in Securities of the Issuer.

(a) As of November 5, 2002, the Reporting Person beneficially owns 867,753 New Shares, including 182,720 in the form of New ADSs, representing approximately 4.3% of the outstanding New Shares, based on the 20,000,000 New Shares reported by the Company to be outstanding as of the Effective Date on the Amendment No.1 to its Application for Qualification of Indentures under the Trust Indenture Act of 1939 filed on Form T-3/A on October 31, 2003. Except as otherwise indicated in Schedule I, no person listed therein beneficially owns any New Shares.

(b) The Reporting Person and, to the best of the Reporting Person's knowledge, each person listed in Schedule I as beneficially owning any New Shares, has the power to vote or to direct the vote and to dispose or to direct the disposition of the New Shares it owns.

(c) Other than the receipt or acquisition of the 867,753 New Shares reported on this Schedule 13D, no transactions in New Shares or in Old Shares were effected during the last sixty days by the Reporting Person or any of the persons set forth in Schedule I.

-4-

(d) No Amendment.

(e) The Reporting Person ceased to be the beneficial owner of more than five percent of the Old Shares on November 5, 2003. The Reporting Person has never been the beneficial owner of more than five percent of the New Shares.

Item 6. Contracts, Arrangements, Understandings or Relationships With Respect to the Securities of the Issuer.

No Amendment.

Edgar Filing: GENERAL GEOPHYSICS CO - Form SC 13D/A

Item 7. Material to be Filed as Exhibits

None.
