PROXY STATEMENT

Introduction

This proxy statement is furnished in connection with the solicitation of proxies on behalf of the Board of Directors of Systemax Inc., a Delaware corporation (the "Company"), for the 2002 Annual Meeting of Stockholders of the Company on May 14, 2002. The Notice of Annual Meeting, this proxy statement and the accompanying proxy are first being mailed on or about April 21, 2002 to stockholders of record as of the close of business on April 15, 2002. You can ensure that your shares are voted at the meeting by signing, dating and promptly returning the enclosed proxy in the envelope provided. Sending in a signed proxy will not affect your right to attend the meeting and vote in person. You may revoke your proxy at any time before it is voted by notifying the Company's Transfer Agent, American Stock Transfer & Trust Company, 59 Maiden Lane, New York, NY 10038 Attention: Proxy Department, in writing, or by executing a subsequent proxy, which revokes your previously executed proxy.

The Company's principal executive offices are located at 22 Harbor Park Drive, Port Washington, New York 11050.

Voting of Proxies

Proxies will be voted as specified by the stockholders. Where specific choices are not indicated, proxies will be voted for proposals 1 and 2. Under the Delaware General Corporation Law and the Company's Amended and Restated Certificate of Incorporation and the Company's By-Laws, (1) the affirmative vote of a plurality of the outstanding shares of Common Stock entitled to vote and present, in person or by properly executed proxy, at a meeting at which a quorum is present will be required to elect or reelect a nominated director, and (2) the affirmative vote of the holders of at least a majority of the outstanding shares of Common Stock entitled to vote and present, in person or by properly executed proxy, at a meeting at which a quorum is present will be required in order to ratify the appointment of Deloitte & Touche LLP as the Company's independent auditors for fiscal 2002.

A quorum is representation in person or by proxy at the Annual Meeting of at least a majority of the outstanding shares of common stock of the Company. Abstentions will be treated as votes cast on particular matters as well as shares present and represented for purposes of establishing a quorum, with the result that an abstention has the same effect as a negative vote. Where nominee record holders do not vote on specific issues because they did not receive specific instructions on such issues from the beneficial owners, such broker non-votes will not be treated as votes cast on a particular matter, and will therefore have no effect on the vote, but will be treated as shares present or represented for purposes of establishing a quorum.

A list of stockholders of the Company satisfying the requirements of Section 219 of the Delaware General Corporation Law shall be available for inspection for any purpose germane to the meeting during normal business

hours at the offices of the Company at least ten days prior to the Annual Meeting.

On April 15, 2002, the record date for the 2002 Annual Meeting, there were outstanding and entitled to vote 34,104,290 shares of Common Stock of the Company entitled to one vote per share.

Stockholders will not be entitled to appraisal rights in connection with any of the matters to be voted on at the Annual Meeting.

1. Election of Directors

At the meeting, seven directors are to be elected to serve until their successors have been elected and qualified. Information regarding such nominees is set forth below.

The accompanying proxy will be voted for the election of the Board's nominees unless contrary instructions are given. If any Board nominee is unable to serve, which is not anticipated, the persons named as proxies intend to vote for the other Board nominees and, unless the number of nominees is reduced by the Board of Directors, for such other person or persons as the Board of Directors may designate.

Section 16(a) of the Securities Exchange Act of 1934 requires the Company's officers and directors and persons who own more than ten percent of a registered class of the Company's equity securities to file reports of ownership and changes in ownership with the SEC and any exchange on which the Company's securities may be traded. Officers, directors and ten-percent stockholders are required by SEC regulation to furnish the Company with copies of all Section 16(a) forms they file.

Based solely on its review of the copies of such forms received by it, or written representations from certain reporting persons that no Form 5 was required for those persons, the Company believes that all such filing requirements for the year ended December 31, 2001 were complied with.

Certain Relationships and Related Transactions

Leases

The Company currently has leases for facilities in Port Washington, NY, with 2RB Associates Co. ("2RB") and Addwin Realty Associates ("Addwin"), entities owned by Richard Leeds, Bruce Leeds and Robert Leeds, directors of the Company and the Company's three senior executive officers and principal stockholders. Rent expense under all such leases aggregated \$1.3 million for the year ended December 31, 2001.

Stockholders Agreement

Certain members of the Leeds family (including Richard Leeds, Bruce Leeds and Robert Leeds) and Leeds' family trusts entered into a Stockholders Agreement pursuant to which the parties to such agreement agreed to vote in favor of the nominees of the Board of Directors designated by the holders of a majority of the shares of Common Stock held by such stockholders. In addition, such agreement prohibits the sale of shares of Common Stock held by such stockholders without the consent of the holders of a majority of the shares held by all parties to such agreement, subject to certain exceptions, including sales pursuant to an effective registration statement and sales made in accordance with Rule 144. Such agreement also grants certain drag-along rights in the event of the sale of all or a portion of the Common Stock held by holders of a majority of the shares held by such stockholders. As of December 31, 2001, the parties to the Stockholders Agreement beneficially owned 25,272,700 shares of Common Stock subject to such agreement (constituting approximately 74% of the Common Stock outstanding).

Pursuant to the Stockholders Agreement, the Company granted to the then existing stockholders party to such agreement demand and incidental, or "piggy-back," registration rights with respect to the Common Stock. The demand registration rights generally provide that the holders of a majority of the shares held by such stockholders may require, subject to certain restrictions regarding timing and number of shares, that the Company register under the Securities Act all or part of the Common Stock held by such stockholders. Pursuant to the incidental registration rights, the Company is required to notify such stockholders of any proposed registration of the Common Stock under the Securities Act and if requested by any such stockholder to include in such registration any number of shares of Common Stock held by it subject to certain restrictions. The Company has agreed to pay all expenses and indemnify any selling stockholders against certain liabilities, including under the Securities Act, in connection with registrations of Common Stock pursuant to such agreement.

Compensation Committee Report to Stockholders

The report of the Compensation Committee shall not be deemed incorporated by reference by any general statement incorporating by reference this proxy statement into any filing under the Securities Act of 1933 or the Securities Exchange Act of 1934, except to the extent that the Company specifically incorporates this information by reference, and shall not otherwise be deemed filed under such Acts.

The Compensation Committee of the Board of Directors is responsible for administering the executive compensation plans and programs of the Company and for making recommendations to the Board of Directors regarding the compensation of and benefits provided to the Chief Executive Officer and the other executive officers.

In establishing compensation and benefit levels for executive officers, the Committee seeks to (1) attract and retain individuals of superior ability and managerial talent, (2) motivate executive officers to increase Company performance primarily for the benefit of its stockholders but also for the benefit of its customers and other constituencies and (3) reward executives for superior individual contributions to the achievement of the Company's business objectives. To these ends, the Company's executive compensation package may consist of a base salary, annual cash bonus compensation and stock-based long-term incentive awards.

Salary levels generally are determined based on the Committee's subjective assessment of prevailing levels among the Company's competitors. At higher levels, however, individual and Company performance will be given greater weight, along with competitive considerations.

In establishing annual bonuses, the Committee considers such factors relating to the Company's overall performance as it, in its discretion, considers to be appropriate and assigns such weight to each such factor as it considers to be appropriate. The Committee may also consider its assessment of each individual's contribution to the improvement of operating results, growth, profitability and efficient operation of the Company.

Stock-based incentives, at the present time consisting of stock options granted at 100% or more of the stock's fair market value on the grant date, constitute the long-term portion of the Company's executive compensation package. Stock options provide an incentive for executives to increase the Company's stock price and therefore, the return to the Company's stockholders. The vesting of certain executive stock options may be accelerated based upon the achievement of certain financial objectives by certain divisions of the Company. The number and timing of stock option grants are decided by the Committee based on its subjective assessment, with the advice of independent consultants, of prevailing levels of similar compensation among the Company's competitors. Stock option grants to officers and directors must be approved by the Board of Directors.

Audit Fees: Fees billed to the Company by Deloitte & Touche LLP for auditing the Company's annual financial statements for the Company's 2001 fiscal year and reviewing those financial statements included in the Company's quarterly reports on Form 10-Q for such year totaled \$ 651,000.

The Audit Committee of the Board of Directors has reviewed the services provided to the Company by Deloitte & Touche LLP and believes that the non-audit/review services which it has provided are compatible with maintaining the auditor's independence.

Shareholder ratification of the selection of Deloitte & Touche LLP as the Company's independent public accountants is not required by the Company's By-Laws or other applicable legal requirement. However, the Board is submitting the selection of Deloitte & Touche LLP to the stockholders for ratification as a matter of good corporate practice. If the stockholders fail to ratify the selection, the Audit Committee and the Board will reconsider whether or not to retain that firm. Even if the selection is ratified, the Board at its discretion may direct the appointment of a different independent accounting firm at any time during the year if it determines that such a change would be in the best interests of the Company and its stockholders.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE FOR THE RATIFICATION OF THE APPOINTMENT OF DELOITTE & TOUCHE LLP AS THE COMPANY'S INDEPENDENT AUDITORS FOR FISCAL 2002, WHICH IS DESIGNATED AS PROPOSAL NO. 2 ON THE ENCLOSED PROXY CARD.
