LETTER TO THE BOARD

SOLUS
ALTERNATIVE ASSET MANAGEMENT

January 29, 2009

Howard Cosgrove
Chairman, Board of Directors
NRG Energy, Inc.
211 Carnegie Center
Princeton, New Jersey 08540

Dear Mr. Cosgrove:

As you may know, Solus Alternative Asset Management LP is investment adviser to Sola Ltd and Solus Core Opportunities Master Fund Ltd, two funds that are longstanding stockholders of NRG Energy, Inc. Like all NRG shareholders, we have a vital interest in assuring that NRG's board of directors (the "Board") responds appropriately to the unsolicited exchange offer being made by Exelon Corporation ("Exelon"). After careful consideration, we unconditionally agree with the Board's view that Exelon's offer in its current form is inadequate because it is highly conditional and significantly undervalues NRG.

We are particularly concerned about Exelon's recent press release claiming that the tender of 45.6% of NRG's stock in response to the exchange offer "speaks powerfully to the merits of [its] proposed transaction" We understand that a significant number of NRG stockholders also have substantial holdings of Exelon - a matter not mentioned in Exelon's release. To the extent that NRG holders who have tendered into the current offer have more invested in

Edgar Filing: NRG ENERGY, INC. - Form SC 13D

Exelon, their decision to tender may well represent a judgment that the offer is favorable to EXELON rather than NRG.

The Board should evaluate the exchange offer on its merits and in light of the expected long-term value of NRG's business, rather than on the basis of self-interested arguments concerning the significance of stockholder reaction to the current offer. As I am sure you know, under Delaware law, the NRG Board must act in the interests of ALL NRG stockholders but may take into account the fact that some stockholders have goals that conflict with the interests of other stockholders. SEE UNOCAL v. MESA, 493 A.2d 946, 955 (Del. 1985) (a board of directors in responding to a takeover bid may consider another person's stock ownership; board's duty is to protect "the corporation and its owners from perceived harm whether a threat originates from third parties or other shareholders.")

We urge the Board to continue to seek to maximize stockholder value and protect the interests of all NRG stockholders.

Sincerely yours,

/s/ Christopher Pucillo
