PROXY STATEMENT

OF

Saba Capital Management, L.P.

PLEASE SIGN, DATE, AND MAIL THE ENCLOSED GOLD PROXY CARD TODAY

This Proxy Statement and the enclosed **GOLD** proxy card are being furnished by Saba Capital Management, L.P. and certain of its affiliates (as identified on Annex I, collectively, “Saba,” “we,” “us” or the “Participants”) in connection with the solicitation of proxies from the shareholders of Alpine Total Dynamic Dividend Fund, a closed-end Delaware statutory trust (“Alpine” or the “Fund”).

The current Board of Trustees of the Fund (the “Board”) has considered an arrangement pursuant to which: (i) Aberdeen Asset Managers Limited (“Aberdeen”), subject to various other provisions, will serve as the new investment adviser to the Fund and (ii) four new Trustees (the “Post-Transaction Trustees”) will take office in place of the current Fund’s Trustees (the “Transaction”). For the reasons stated below, while Saba believes that the Fund is in need of a new

Edgar Filing: ALPINE TOTAL DYNAMIC DIVIDEND FUND - Form PREC14A

investment adviser, it does not believe shareholders should so readily approve the adoption of a new advisory agreement before the Fund and its current investment advisor allows shareholders to realize a financial benefit, especially given that shareholders have, in Saba's view, suffered poor investment returns over the past ten years. Accordingly, Saba also does not believe that Post-Transaction Trustees should be elected to the Board until and unless the Fund and its current investment advisor provides such a benefit.

We are therefore seeking your support at the upcoming special meeting of shareholders (the "Special Meeting"), to be held on Wednesday, March 14, 2018 at 11:00 A.M. Eastern Time, at 711 Westchester Avenue, White Plains, New York 10604, with respect to the following (each, a "Proposal" and, collectively, the "Proposals"):

Proposal	Our Recommendation
1. Approve a new investment advisory agreement between the Fund and Aberdeen Asset Managers Limited ("Aberdeen").	AGAINST
To elect four (4) Trustees, each to serve for a term from one to three years or until his or her successor has been duly elected and qualifies, and each to take office <u>only if</u> Proposal 1 is approved by shareholders of the Fund and only after resignation of the current trustees of the Board.	WITHHOLD ALL
3. To transact any other business that properly comes before the Special Meeting, including any postponement or adjournment thereof.	

According to the Fund's proxy statement for the Special Meeting, filed on January 4, 2018 (the "Fund's Proxy Statement"), the Transaction will only be completed if shareholders of the Fund: (i) approve the new investment advisory agreement between the Fund and Aberdeen (the "New Advisory Agreement") to be in effect in place of the Fund's current advisory agreement (the "Current Alpine Advisory Agreement") between itself and Alpine Woods Capital Investors, LLC ("Alpine Woods") and (ii) elect the new nominees as Trustees. According to the Fund's Proxy Statement, if the necessary approvals are obtained and certain other conditions are fulfilled, the Fund anticipates that the Transaction will be completed in the second quarter of 2018 (the "Closing"). If approved, the New Advisory Agreement will be effective on or about the Closing, according to the Fund.

The Board is currently comprised of four trustees divided into three classes. The members of each class are elected to serve three-year terms with the term of office of each class ending in successive years. According to the Fund's Proxy Statement, if Proposal 1 is approved, shareholders may elect four Post-Transaction Trustees to the Board. If Proposal 1 is not approved by the shareholders of the Fund, none of the Post-Transaction Trustees in Proposal 2 will serve as a Trustee to the Fund, even if elected by shareholders. In such event, Proposal 2 would not be implemented and each member of the current Board will continue to serve.

The Fund has set the record date for determining shareholders entitled to notice of and to vote at the Special Meeting (the "Record Date") as December 14, 2017. Shareholders of record at the close of business on the Record Date will be entitled to vote at the Special Meeting. As of the Record Date, there were approximately 107,593,338 common shares, no par value ("Common Shares") outstanding according to the Fund's Proxy Statement. As of January [18], 2018, the Participants beneficially owned 9,655,235 Common Shares in the aggregate, as further described in Annex I.

We urge you to sign, date and return the **GOLD** proxy card "**AGAINST**" Proposal 1 and to "**WITHHOLD ALL**" on Proposal 2.

This Proxy Statement and **GOLD** proxy card are first being mailed or given to the Fund's shareholders on or about [], 2018.

This proxy solicitation is being made by Saba, and not on behalf of the Board or management of the Fund or any other third party. We are not aware of any other matters to be brought before the Special Meeting other than as described herein. Should other matters be brought before the Special Meeting, the persons named as proxies in the enclosed **GOLD** proxy card will vote on such matters in their discretion.

If you have already voted using the Fund's proxy card, you have every right to change your vote by completing and mailing the enclosed GOLD proxy card in the enclosed pre-paid envelope or by voting via Internet or by telephone by following the instructions on the GOLD proxy card. Importantly, only the latest validly executed proxy that you submit will be counted. In addition, any proxy may be revoked at any time prior to its exercise at the Special Meeting by following the instructions under "Can I change my vote or revoke my proxy?" in the Questions and Answers section.

For instructions on how to vote and other information about the proxy materials, see the Questions and Answers section starting on page [6].

We urge you to promptly sign, date and return your GOLD proxy card.

If you have any questions or require any assistance with voting your shares, please contact our proxy solicitor, InvestorCom, toll free at (877) 972-0090 or collect at (203) 972-9300.

REASONS FOR THIS PROXY SOLICITATION

According to the Fund's Proxy Statement, in connection with the Transaction, Alpine Woods and Aberdeen have entered into an asset purchase agreement (the "Asset Purchase Agreement"), pursuant to which Aberdeen will acquire certain assets related to Alpine Woods's business of providing investment management services to the Fund and other registered investment companies and pursuant to which Alpine Woods has agreed to transfer certain assets and liabilities to Aberdeen, for a cash payment (the "Asset Transfer").

According to the Fund's Proxy Statement, the Asset Transfer is conditioned on the approval of the New Advisory Agreement and, accordingly, it states that the current Board "believes that approval of the New Advisory Agreement would be in the best interest of the Fund." Saba agrees that Alpine Woods should no longer be the manager of the Fund due to what Saba believes has been poor performance by Alpine Woods for the following reasons:

The Fund invested in the midst of one of the biggest bull markets in history: the NASDAQ 100, the Dow Jones Industrial Average and the S&P 500 have generated total returns of 322%, 175% and 147%, respectively since the Trust's IPO in 2007.

Unfortunately, during the roughly ten year period since the Fund's IPO, the Fund's shareholders have received a total return of -5.0% (including all dividends, interest and distributions). This is a tragic loss of value that we believe has resulted from mismanagement by the Fund's investment manager, Alpine Woods.

Most concerning to Saba, during the 10-year period of wealth destruction, Alpine Woods has generated over \$300 million in fees and expenses.

As stated in the Fund's Proxy Statement, Samuel A. Lieber, the Fund's current Interested Trustee and President, will benefit from the cash proceeds that Alpine Woods will receive from Aberdeen under the Asset Purchase Agreement because he is an indirect majority owner of Alpine Woods. Mr. Lieber would benefit financially if the shareholders of the Fund approve the Proposals and the Transaction is completed. Accordingly, Mr. Lieber has a potential conflict of interest in the approval of the Proposals.

Saba believes that, before shareholders allow Alpine Woods to exit the stage and collect a payout by selling the rights to manage shareholder investments to another investment advisor; shareholders must be given the opportunity to demand that Alpine Woods allow shareholders to make back some of the money that long-term shareholders may have lost over the past several years.

For instance, Alpine Woods might allow all investors to sell their shares at net asset value (“NAV”), which would likely provide shareholders an opportunity to realize immediate gains. Saba believes that only after the Fund has allowed shareholders to realize some sort of immediate benefit, should Alpine Woods be able to effectuate the Asset Transfer and receive its cash payment.

Accordingly, Saba recommends that shareholders vote “**AGAINST**” Proposal 1 on the **GOLD** proxy card. Because Proposal 2 is conditioned on Proposal 1, Saba recommends that shareholders “**WITHHOLD ALL**” from voting for any of the Post-Transaction Trustees on the **GOLD** proxy card.

PROPOSAL 1: APPROVAL OF NEW ADVISORY AGREEMENT

As further described in the Fund's Proxy Statement, the current Trustees of the Fund have proposed that Aberdeen, subject to various other provisions, will serve as the new investment adviser to the Fund upon completion of the Transaction, whereupon shareholders will adopt the New Advisory Agreement in place of the Current Alpine Advisory Agreement in connection with the larger Transaction. As further described in the Fund's Proxy Statement, the Transaction will only be completed if shareholders of the Fund: (i) approve the New Advisory Agreement and (ii) elect the Post-Transaction Trustees as Trustees. The New Advisory Agreement will then be effective upon the completion of the Transaction, which is anticipated to at the Closing, whereupon Alpine will cease to serve as investment adviser to the Fund, and Aberdeen will commence serving as investment adviser to the Fund.

As described in the Fund's Proxy Statement, if the Transaction is not completed for any reason, Alpine will continue as the investment adviser to the Fund.

Why we Believe Shareholders Should Not Approve the New Advisory Agreement

While the current Board of Trustees believes that New Advisory Agreement may provide potential benefits to shareholders, Saba believes that before approving such an agreement, the Fund and Alpine Woods should allow shareholders to realize an immediate benefit from their ownership of shares. Such a benefit may include Alpine Woods allowing all investors to sell their shares at NAV, which Saba believes would likely result in an immediate return on investment for long-term shareholders of the Fund.

For the above reason, Saba intends to vote "**AGAINST**" Proposal 1.

Vote Required.

Pursuant to the Investment Company Act of 1940, as amended (the "1940 Act"), approval of Proposal 1 requires the affirmative vote of a "majority of the outstanding voting securities of the Fund" (as defined under the 1940 Act). This means the lesser of (1) 67% or more of the shares of the Fund present at the Special Meeting if more than 50% of the outstanding shares of the Fund are present in person or represented by proxy or (2) more than 50% of the outstanding shares of the Fund. Broker non-votes and abstentions will have the same effect as a vote against Proposal 1, although they will be considered present for purposes of determining the presence of a quorum at the Special Meeting.

We urge you to sign and return our GOLD proxy card. If you have already voted using the Fund's proxy card, you have every right to change your vote by completing and mailing the enclosed GOLD proxy card in the enclosed pre-paid envelope or by voting via Internet or by telephone by following the instructions on the GOLD proxy card. Only the latest validly executed proxy that you submit will be counted; any proxy may be revoked at any time prior to its exercise at the Special Meeting by following the instructions under "Can I change my vote or revoke my proxy?" If you have any questions or require any assistance with voting your shares, please contact our proxy solicitor, InvestorCom, toll free at (877) 972-0090 or collect at (203) 972-9300.

We Recommend a Vote AGAINST Proposal 1 on the GOLD proxy card.

PROPOSAL 2: ELECTION OF FOUR NEW TRUSTEES

As disclosed in the Fund's Proxy Statement, on December 14, 2017, the current Board and the Nominating and Corporate Governance Committee approved the Post-Transaction Trustees and recommended that shareholders of the Fund elect the Post-Transaction Trustees to the Board at the Special Meeting, conditioned upon shareholder adoption of the New Advisory Agreement (under Proposal 1), and their service conditioned on completion of the Transaction.

Currently, Eleanor T.M. Hoagland, H. Guy Leibler and Jeffrey E. Wacksman serve as Trustees of the Fund and Samuel A. Lieber serves as Chairman of the Board. Pursuant to the Fund's Agreement and Declaration of Trust (the "Declaration of Trust"), Ms. Hoagland, Mr. Leibler, Mr. Wacksman and Mr. Lieber have nominated the four Post-Transaction Trustees as their successors to fill the vacancies created by the resignations of the current Trustees upon approval by shareholder vote. Accordingly, shareholders are being asked at the Special Meeting to elect the Post-Transaction Trustees.

The Fund's Declaration of Trust also provides that the Board shall be divided into three classes. The terms of office of the Post-Transaction Trustees in each class, if elected, will expire at the annual meeting in either 2018, 2019 or 2020, in each case when their respective successor is elected and qualifies. Upon the expiration of the initial term of office of the Trustees, if re-elected by the shareholders at the applicable annual meeting, the Trustees of each class will hold office for a three-year term.

If Proposal 1 is approved by shareholders and all Post-Transaction Trustees described in Proposal 2 are elected, it is anticipated that Ms. Hoagland, Mr. Leibler, Mr. Wacksman and Mr. Lieber, an Interested Trustee, will resign immediately prior to the Closing, and that the newly elected Post-Transaction Trustees will take office as the Fund's Trustees effective upon the Closing.

If Proposal 1 is not approved by the shareholders, none of the Post-Transaction Trustees in Proposal 2 will serve as a Trustee to the Fund, even if elected by shareholders. In such event, Proposal 2 would not be implemented and each member of the current Board will continue to serve.

Because Saba recommends that shareholders vote against Proposal 1, Saba intends to "**WITHHOLD ALL**" with respect to the election of Post-Transaction Trustees under Proposal 2.

Vote Required.

According to the Fund's Declaration of Trust, approval of Proposal 2 requires the affirmative vote of a plurality of the shares of the Fund entitled to vote present in person or represented by proxy. Broker non-votes and abstentions will have the same effect as a vote against Proposal 2, although they will be considered present for purposes of determining the presence of a quorum at the Special Meeting.

We urge you to sign and return our GOLD proxy card. If you have already voted using the Fund's proxy card, you have every right to change your vote by completing and mailing the enclosed GOLD proxy card in the enclosed pre-paid envelope or by voting via Internet or by telephone by following the instructions on the GOLD proxy card. Only the latest validly executed proxy that you submit will be counted; any proxy may be revoked at any time prior to its exercise at the Special Meeting by following the instructions under "Can I change my vote or revoke my proxy?" If you have any questions or require any assistance with voting your shares, please contact our proxy solicitor, InvestorCom, toll free at (877) 972-0090 or collect at (203) 972-9300.

We Recommend WITHHOLD ALL with respect to Proposal 2 on the GOLD proxy card.

QUESTIONS AND ANSWERS ABOUT THE PROXY MATERIALS AND THE SPECIAL MEETING

Who is entitled to vote?

Shareholders of record at the close of business on December 14, 2017, are entitled to be present and to vote at the Special Meeting or any adjournment of the Special Meeting. Each Common Share of record is entitled to one vote, and each fractional Common Share is entitled to a proportional share of one vote, on each nominee presented at the Meeting on which such shareholder is entitled to vote. All of the nominees will be voted on by holders of the outstanding Common Shares voting together as a single class. Shareholders of record on the Record Date will retain their voting rights in connection with the Special Meeting even if they sell such Common Shares after the Record Date (unless they also transfer their voting rights).

How many shares must be present to hold the Special Meeting?

According to the Fund's Proxy Statement, a majority of the outstanding Common Shares as of the Record Date must be present at the meeting to hold the Special Meeting. This is called a quorum. Common Shares are counted as present at the Annual Meeting if the stockholder votes over the Internet or telephone, completes and submits a proxy or is present in person at the meeting. Common Shares that are present that vote to abstain or withhold or do not vote on one or more of the matters to be voted upon are counted as present for establishing a quorum. If a quorum is not present, we expect that the meeting will be adjourned until the Fund obtains a quorum. According to the Fund's Proxy Statement, abstentions (shares of the Company's capital stock for which proxies have been received but for which the holders have abstained from voting) and broker non-votes will be included in the calculation of the number of shares of the Fund's capital stock represented at the meeting for purposes of determining whether a quorum has been achieved. Shareholders should expect similar treatment if they withhold from voting on a certain matter. Broker shares that are not voted on any matter will not be included in determining whether a quorum is present. If a quorum is present, a shareholder vote may be taken on one or more of the Proposals properly brought before the meeting prior to any adjournment if sufficient votes have been received and it is otherwise appropriate.

How do I vote my shares?

Common Shares held in record name. If your Common Shares are registered in your own name, please vote today by signing, dating and returning the enclosed **GOLD** proxy card in the postage-paid envelope provided. Execution and delivery of a proxy by a record holder of Common Shares will be presumed to be a proxy with respect to all shares held by such record holder unless the proxy specifies otherwise.

Common Shares beneficially owned or held in “street” name. If you hold your Common Shares in “street” name with a broker, bank, dealer, trust company or other nominee, only that nominee can exercise the right to vote with respect to the Common Shares that you beneficially own through such nominee and only upon receipt of your specific instructions. Accordingly, it is critical that you promptly give instructions to your broker, bank, dealer, trust company or other nominee to vote in favor of the election of the Nominees. Please follow the instructions to vote provided on the enclosed **GOLD** proxy card. If your broker, bank, dealer, trust company or other nominee provides for proxy instructions to be delivered to them by telephone or Internet, instructions will be included on the enclosed **GOLD** proxy card. We urge you to confirm in writing your instructions to the person responsible for your account and provide a copy of those instructions by emailing them to Saba@investor-com.com or mailing them to Saba Capital Management, L.P., c/o InvestorCom, 65 Locust Ave #302, New Canaan, CT 06840, so that we will be aware of all instructions given and can attempt to ensure that such instructions are followed.

Note: Common Shares represented by properly executed **GOLD** proxy cards will be voted at the Special Meeting as marked and, in the absence of specific instructions, “**AGAINST**” Proposal 1 and “**WITHHOLD ALL**” from voting on Proposal 2.

How should I vote on the Proposals?

We recommend that you vote your shares on the **GOLD** proxy card as follows:

“**AGAINST**” approving a new investment advisory agreement between the Fund and Aberdeen (Proposal 1); and

“**WITHHOLD ALL**” from electing four (4) of the Post-Transaction Trustees, each to serve for a term from one to three years or until his or her successor has been duly elected and qualifies, and each to take office only if Proposal 1 is approved by shareholders of the Fund and only after resignation of the current Trustees is effective (Proposal 2).

What vote is needed to approve each of the Proposals?

Proposal 1 – New advisory Agreement for the Fund. Pursuant to 1940 Act, approval of Proposal 1 requires the affirmative vote of a “majority of the outstanding voting securities of the Fund” (as defined under the 1940 Act). This means the lesser of (1) 67% or more of the shares of the Fund present at the Special Meeting if more than 50% of the outstanding shares of the Fund are present in person or represented by proxy or (2) more than 50% of the outstanding shares of the Fund. Broker non-votes and abstentions will have the same effect as a vote against Proposal 1, although they will be considered present for purposes of determining the presence of a quorum at the Special Meeting.

Proposal 2. – Election of New Trustees of the Fund According to the Fund’s Declaration of Trust, approval of Proposal 2 requires the affirmative vote of a plurality of the shares of the Fund entitled to vote present in person or represented by proxy. Broker non-votes and abstentions will have the same effect as a vote against Proposal 2, although they will be considered present for purposes of determining the presence of a quorum at the Special Meeting.

PLEASE DO NOT SIGN OR RETURN A PROXY CARD FROM THE FUND, EVEN IF YOU INSTRUCT TO “ABSTAIN” ON THEIR TRUSTEE NOMINEES. DOING SO WILL REVOKE ANY PREVIOUS VOTING INSTRUCTIONS YOU PROVIDED ON THE GOLD PROXY CARD.

Can I change my vote or revoke my proxy?

Edgar Filing: ALPINE TOTAL DYNAMIC DIVIDEND FUND - Form PREC14A

If you are the shareholder of record, you may change your proxy instructions or revoke your proxy at any time before your proxy is voted at the Special Meeting. Proxies may be revoked by any of the following actions:

signing, dating and returning the enclosed **GOLD** proxy card (the latest dated proxy is the only one that counts);

delivering a written revocation or a later dated proxy for the Special Meeting to Saba Capital Management, L.P., c/o InvestorCom, 65 Locust Ave #302, New Canaan, CT 06840 or to the secretary of the Fund; or

attending the Special Meeting and voting in person (although attendance at the Special Meeting will not, by itself, revoke a proxy).

If your shares are held in a brokerage account by a broker, bank or other nominee, you should follow the instructions provided by your broker, bank or other nominee. If you attend the Special Meeting and you beneficially own Common Shares but are not the record owner, your mere attendance at the Special Meeting WILL NOT be sufficient to revoke your prior given proxy card. You must have written authority from the record owner to vote your shares held in its name at the meeting. Contact InvestorCom toll free at (877) 972-0090 or collect at (203) 972-9300 for assistance or if you have any questions.

IF YOU HAVE ALREADY VOTED USING THE FUND'S PROXY CARD, WE URGE YOU TO REVOKE IT BY FOLLOWING THE INSTRUCTIONS ABOVE. Although a revocation is effective if delivered to the Fund, we request that either the original or a copy of any revocation be mailed to Saba Capital Management, L.P., c/o InvestorCom, 65 Locust Ave #302, New Canaan, CT 06840, so that we will be aware of all revocations.

In the event that Saba decides to seek reimbursement of its expenses, Saba does not intend to submit the matter to a vote of the Fund's shareholders.
