VOTING SECURITIES

Each of the shares of United Bancshares common stock outstanding on March 3, 2006, the record date of the Annual Meeting, is entitled to one vote on all matters coming before the meeting. As of February 15, 2006, United Bancshares had 3,608,685 shares of Common Stock outstanding. Only shareholders of record on the books of the Company on March 3, 2006, will be entitled to vote at the meeting either in person or by proxy. Pursuant to the Regulations of the Company, the shareholders present in person or by proxy at the Annual Meeting shall constitute a quorum.

If you are the beneficial owner of shares held in street name by a broker, bank or other nominee, your nominee is required to vote those shares in accordance with your instructions. If the nominee does not receive instructions from the beneficial owner, the nominee will be entitled to vote the shares on certain routine items. The nominee is not entitled to vote the shares (absent instructions from the beneficial owner) with respect to non-routine matters. When the nominee does not receive instructions from a beneficial owner concerning a non-routine matter, over which the nominee has no voting discretion, a broker non-vote occurs. Shares treated as broker non-votes are included for purposes of determining whether a quorum exists, however, such shares will not be counted as being in favor of or against any proposal placed before the shareholders at the Annual Meeting.

The following table sets forth, as of February 15, 2006, the ownership of common stock by management of United Bancshares, including (i) the common stock beneficially owned by each director, nominee for director and executive officer of United Bancshares and (ii) the common stock beneficially owned by all officers, directors and nominees for director as a group. PROPOSAL 1 - AMENDMENT TO ARTICLES OF INCORPORATION TO CLASSIFY BOARD OF DIRECTORS

Currently under the Company's Amended and Restated Articles of Incorporation and Regulations, all members of the Board of Directors are elected at each annual meeting of shareholders to serve for a one year term which ends at the following annual meeting of shareholders. On December 20, 2005, the Company's Board of Directors approved the addition of a classified board to the Company's Articles, and approved its submission to the shareholders for their approval at the annual meeting. The full text of the amendment is set forth in Appendix A to this Proxy Statement.

If approved by the shareholders, the amended Articles will provide for a classified (sometimes called "staggered") Board of Directors consisting of three classes of directors each with overlapping three-year terms of office. Each such class is to have an equal, or as close to equal as mathematically possible, number of members. In order to implement the classified board the initial mechanism will provide that Class I will serve an initial one-year term, Class II will serve a full two-year term. Class III will serve a full three-year term. Thereafter, at the first annual meeting of shareholders after amendment of the Articles, the first class of directors will be elected for a three-year term; at the second annual meeting of shareholders the second class will be elected for a three-year term; and at each annual meeting thereafter, one class will be elected to a three-year term.

The Board of Directors believes that structuring the Company's Board into three classes will insure a continuity of experienced Board members. Also, under the classified Board system, a shareholder or group of shareholders possessing a majority of the voting power of the Company will not in any one year be able to replace a majority of the directors since only one-third of the directors will stand for election each year. Rather, at least two annual meeting elections will be required to change a majority of the directors by the requisite vote of the shareholders. By contrast, a shareholder or group of shareholders could obtain control of the Company's Board of Directors in a single year since the Company's entire Board is subject to election each year. The classified Board may therefore have the effect of discouraging or making more difficult an unfriendly attempt to takeover the Company. Although the Board currently has no reason to believe that this issue will arise, it believes that it is in the Company's best interests to protect against the possibility. In addition, classified boards encourage director independence in board dealings because they might be less concerned with yearly elections. It will also make it more difficult for shareholders to change the majority of directors even if the only reason for such a change is the performance of incumbent directors.

If the shareholders of the Company approve the amendment to the Articles to classify the board, the directors will be elected in the following classes:

Class I	Class II	Class III
(initial one year term)	(initial two year term)	
Robert L. Benroth	Joe S. Edwards, Jr.	Robert L. Dillhoff
David P. Roach	H. Edward Rigel	P. Douglas Harter
Daniel W. Schutt	R. Steven Unverferth	James N. Reynolds

If for some reason one or more of these directors is not elected or cannot serve, the Board of Directors will address the vacancy and take action as set forth in the Company's Articles of Incorporation. If the amendment is not approved by the shareholders each Board member will continue to stand for election every year.

Under Ohio law, the proposed amendment cannot occur unless the shareholders approve it by two-thirds majority vote. If the proposed amendment is adopted by the required shareholder vote, it will become effective on the date on which the Certificate of Amendment by Shareholders to the Amended and Restated Articles of Incorporation is filed with the Secretary of State of Ohio.

The following resolution regarding Proposal 1 will be presented to the shareholders for adoption at the Annual Meeting :

RESOLVED, that the Amended and Restated Articles of Incorporation of United Bancshares, Inc. be amended by including a new Article XII in the form set forth in Appendix A to the Proxy Statement dated March 22, 2006.

Proxies will be voted in favor of the proposal to amend the Articles to classify the Board of Directors unless otherwise instructed by the shareholders. The Board of Directors recommends a vote **FOR** Proposal 1.

PROPOSAL 2 - ELECTION OF DIRECTORS

The following table sets forth information concerning the nominees for directors of United Bancshares:

Except as otherwise indicated in this Proxy Statement, each nominee has held the occupation identified for at least five years preceding the date of this Proxy Statement.

(2)

Indicates year first elected or appointed to the Board of The Union Bank Company, a subsidiary of United Bancshares, or either of its former affiliate banks, Bank of Leipsic or the Citizens Bank of Delphos.

The nine nominees for director of United Bancshares receiving the most votes will be elected as directors. Those nominees elected will be placed in the respective Classes of directors as set forth in this Proxy Statement, to serve for the terms indicated. If the amendment to the Articles of Incorporation providing for a classified Board is not approved by the shareholders, those nominees elected will serve for a term of one year.

The Board of Directors recommends that shareholders vote **FOR** the election of the nominees. Shares as to which authority to vote is withheld, abstentions and broker non-votes that are present in person or by proxy will not be counted and will have no effect on the outcome of the election.

It is intended that common shares represented by the accompanying form of proxy will be voted **FOR** the election of the nominees and, unless contrary instructions are indicated as provided on the proxy card. (If you do not wish your shares to be voted for particular nominees, please so indicate on the proxy card). If one or more of the nominees should at the time of the Annual Meeting be unavailable or unable to serve as a director, the shares represented by the proxies will be voted to elect the remaining nominees and any substitute nominee or nominees designated by the Board of Directors. The Board of Directors knows of no reason why any of the nominees will be unavailable or unable to serve.

PROPOSAL 3 - AMENDMENT TO ARTICLES OF INCORPORATION TO INCREASE THE AUTHORIZED SHARES

On December 20, 2005, the Company's Board approved an amendment to Article IV of the Amended and Restated Articles of Incorporation of the Company, and approved its submission to the shareholders for their approval at the annual meeting. The proposed amendment to the Articles increases the number of authorized shares from 4,750,000 to 10,000,000 shares. The full text of the proposed amendment to Article IV of the Articles is set forth in Appendix A to this Proxy Statement.

The proposed amendment to the Articles of Incorporation would increase the number of common shares which the Company is authorized to issue from 4,750,000 to 10,000,000. The additional 5,250,000 would be part of the existing class of common shares presently authorized. At February 15, 2006, 3,608,685 common shares were issued and outstanding.

The Board believes it is desirable to increase the number of common shares the Company is authorized to issue for the reasons set forth below and to provide the Company with adequate flexibility in the future. If this proposal is adopted by the shareholders, the increased number of authorized common shares will be available for issuance from time to time for such purposes and consideration as the Board may approve without further shareholder approval, except as such approval is required by applicable law or regulation. Such purposes may include issuing additional common shares or other securities convertible into common shares in connection with public or private financing transactions,

establishing strategic relationships with other companies, acquisitions or other corporate transactions, as well as issuing share dividends, warrants, options and other stock-based incentive or compensation programs.

The Company wishes to be in the position to take advantage of any opportunities that might present themselves, which opportunities for additional issuance could arise at any time. The availability of additional common shares for issuance, without the delay and expense of obtaining additional shareholder approval, will afford the Company greater flexibility in acting upon opportunities and transactions, if any, which may arise.

Under Ohio law, the proposed amendment cannot occur unless the shareholders approve the proposed amendment to Article IV of the Company's Articles by two-thirds majority vote. Adoption of the proposed amendment and any issuance of additional shares would not affect the rights of the holders of currently outstanding common shares, except for effects incidental to increasing the number of shares outstanding, such as dilution of ownership percentages, earnings per share amounts and voting percentage of current holders. The holders of common shares do not presently have preemptive rights to subscribe for the additional shares proposed to be authorized. The proposed amendment, if adopted by the required two-thirds majority vote of the shareholders, will become effective on the date on which the Certificate of Amendment by Shareholders to the Amended and Restated Articles of Incorporation of the Company is filed with the Secretary of State of Ohio.

The following resolution regarding Proposal 3 will be presented to the shareholders for adoption at the Annual Meeting :

RESOLVED, that the Amended and Restated Articles of Incorporation of United Bancshares, Inc. be amended by deleting the current Article IV and replacing it with the form of Article IV set forth in Appendix A to the Proxy Statement dated March 22, 2006.

If the amendment is not approved by the shareholders, the Articles, which authorize the issuance of up to 4,750,000 common shares, will continue in effect. Proxies will be voted in favor of the proposal to amend the Articles to increase the maximum number of shares authorized to be issued and outstanding unless otherwise instructed by the shareholders. The Board of Directors recommends the shareholders vote **FOR** Proposal 3.

The Company is not aware of any other shareholder beneficially owning 5% or more of the Company's common stock.

In the ordinary course of conducting its business, United Bancshares, for itself or through its banking subsidiary, may engage in transactions with the employees, directors and managers of United Bancshares and The Union Bank Company which may include, but not be limited to, loans. With the exception of certain discounts available to employees which are administered in accordance with Ohio banking law, all banking transactions with directors,

To the knowledge of United Bancshares, no director, officer or affiliate of the Company, owner of record or beneficially of more than 5% of the Company's common stock, or any associate of any such director, officer, affiliate of the Company or security holder, is an adverse party to the Company or its subsidiary or has a material interest that is adverse to the Company or its subsidiary.

Officers, directors and greater than 10% shareholders are required to furnish United Bancshares with copies of all Section 16(a) forms they file. All such forms were filed in a timely manner as required except three Forms 4 for purchases by Robert L. Dillhoff of 100, 100 and 540 shares respectively, which were not filed in a timely manner but have since been filed. Based solely on the Company's review of the Section 16(a) forms received by it and by statements of officers and directors concerning their compliance with the applicable filing requirements and with the exception of Mr. Dillhoff as described above, the officers, directors and greater than 10% beneficial owners of United Bancshares have complied with all applicable filing requirements.

CORPORATE GOVERNANCE

Board of Director and Shareholders Meetings

The Board of Directors met eleven (11) times during the fiscal year ended December 31, 2005. Each incumbent director attended at least 95% of the total number of Board meetings and six of the directors attended 100% of the total number of meetings. Nine directors attended the 2005 Annual Meeting of Shareholders. Directors receive \$8,000 annual compensation for their service on the Board of Directors of United Bancshares. Additionally, the Chairman of the Board receives \$3,000 and the Chairman of the Audit Committee receives \$1,500 for their service in these positions. Inside directors are not compensated for their services as directors beyond their salaries received from United Bancshares or its subsidiary. All of the directors of United Bancshares also serve as directors of United Bancshares' depository subsidiary, The Union Bank Company. Each of the outside directors may receive additional compensation for their services as a director of a subsidiary.

Board of Director Independence

Each year the Board of Directors reviews the relationships that each director has with the Company and with other parties. Only those directors who do not have any of the categorical relationships that preclude them from being independent within the meaning of applicable NASD Rules and who the Board of Directors affirmatively determines have no relationships that would interfere with the exercise of independent judgment in carrying out the responsibilities of a director are considered to be independent directors. The Board of Directors has reviewed a number of factors to evaluate the independence of each of its members. These factors include its members' current and historic relationships with the Company and its competitors, suppliers and customers; their relationships with management and other directors; the relationships their current and former employers have with the Company; and the relationships between the Company and other companies of which the Company's board members are directors or executive officers. After evaluating these factors, the Board of Directors has determined that all of the Directors, with the exception of Daniel W. Schutt, are independent directors of the Company within the meaning of applicable NASD Rules.

Independent members of the Board of Directors of the Company meet in executive session without management present, and are scheduled to do so at least two times per year. The Board of Directors has designated James N. Reynolds as the presiding director for these meetings.

Shareholder Communications

Our shareholders may communicate directly with the members of the Board of Directors or the individual chairman of standing committees of the Board of Directors by writing directly to those individuals at the following address: 100 South High Street, Columbus Grove, Ohio 45830. The Company's general policy is to forward, and not to intentionally screen, any mail received at the Company's corporate office that is sent directly to an individual.

The primary functions of the Audit Committee are to oversee: (i) the independent audit of the financial statements of the Company provided to the SEC, the Corporation's shareholders and to the general public; (ii) the Corporation's internal financial and accounting controls and processes; and (iii) the internal audit process. The Audit Committee met a total of five (5) times during the fiscal year ended December 31, 2005. A copy of the Audit Committee Charter is attached hereto as Appendix C.

The Company has a Nominating Committee, the members of which are Robert L. Benroth, P. Douglas Harter and H. Edward Rigel. Each member of the Nominating Committee is independent within the meaning of applicable SEC and NASD Rules. The Nominating Committee was formed in 2003. This Committee is responsible for reviewing the qualifications of potential candidates for the Board of Directors, including those potential candidates submitted by shareholders. In addition, the Nominating Committee recommends to the Board of Directors candidates for election as directors at the Company's annual meetings and candidates to fill vacancies on the Board of Directors. Historically, United Bancshares has not received director candidate nominations from its shareholders and, therefore, does not have a formal policy regarding consideration of such recommendations. However, any recommendations received from shareholders will be evaluated in the same manner that potential nominees suggested by the Board of Directors are evaluated. Shareholders may send director nomination recommendations to the Secretary of the Company at 100 South High Street, Columbus Grove, Ohio 45830. The Nominating Committee met a total of one (1) time during the fiscal year ended December 31, 2005. The Nominating Committee has adopted a written charter. The Nominating Committee Charter is not available on the Company's website, however a copy of the charter is attached hereto as Appendix D.

It is a policy of the Nominating Committee that candidates for director possess the highest personal and professional integrity, have demonstrated exceptional ability and judgment, and have skills and expertise appropriate for the Company and serving the long-term interest of the Company's shareholders. The Nominating Committee's process for identifying and evaluating nominees is as follows: (1) in the case of incumbent directors whose terms of office are set to expire, the Nominating Committee reviews such directors' overall service to the Company during their term, including the number of meetings attended, level of participation, quality of performance, and any related party transactions with the Company during the applicable time period; and (2) in the case of new director candidates, the Nominating Committee first conducts any appropriate and necessary inquiries into the backgrounds and qualifications of possible candidates after considering the function and needs of the Board of Directors. The Nominating Committee meets to discuss and consider such candidates' qualifications, including whether the nominee is independent for purposes of the NASD Rules, and then selects a candidate for recommendation to the Board of Directors by majority vote. In seeking potential nominees, the Nominating Committee uses its network of contacts to compile a list of potential candidates. To date, the Nominating Committee has not paid a fee to any third party to assist in the process of identifying or evaluating director candidates.

United Bancshares has a Compensation Committee, the members of which are David P. Roach, R. Steven Unverferth and Robert L. Dillhoff. Each member of the Compensation Committee is independent within the meaning of applicable NASD Rules and non-employee directors within the meaning of Section 162 of the Internal Revenue Code and Rule 16b-3 under the Exchange Act. The Compensation Committee is responsible for reviewing the compensation, performance and retention related issues with respect to the executive officers of United Bancshares. The Compensation Committee met a total of two (2) times during the fiscal year ended December 31, 2005.

Executive Supplemental Income Plan

The Union Bank Company sponsors the Executive Supplemental Income Plan, a non-qualified retirement plan that benefits certain individuals designated by the Board of Directors of the Bank. The supplemental income plan provides eligible individuals with supplemental retirement benefits, the amount of which is based upon the individual's years of service with The Union Bank Company. Currently, Mr. Schutt is among those persons who participate in the plan.

The formula by which benefits are determined is based upon age, years of service, age at retirement and actuarially determined variables. Under this plan, Mr. Schutt's annual retirement benefit, if he retires at age 65, will be \$40,000 per year for fifteen years. Mr. Young's annual retirement benefit, if he retires at age 65, will be \$15,000 per year for fifteen years.

The supplemental income plan also provides benefits to those designated individuals who die prior to reaching normal retirement age or who become disabled. In addition, the supplemental income plan provides that the designated individuals who are covered under the plan will become fully vested in his or her benefit upon a change in control.

Upon a change in control, The Union Bank Company and the designated individual may agree to accelerate the payment of benefits provided under the plan. Upon such an event, the benefit will be distributed in a single payment in an amount equal to the present value of the designated individual's benefit discounted at an 8% interest rate.

Benefits under the supplemental income plan become payable when the designated individual's employment terminates with The Union Bank Company due to normal retirement, early retirement, death or disability.

Report on Executive Compensation

The Board of Directors of the Company is responsible for developing the Company's executive compensation principles, policies and programs for all executive officers of the Company. The Compensation Committee of the Board of Directors is responsible for determining the compensation to be paid to the executive officers and for the performance review of the Chief Executive Officer.

The Company's compensation programs are designed to provide its executive officers with market competitive salaries and the opportunity to earn incentive compensation related to performance expectations identified by the Company's Board of Directors and the board of directors of the subsidiary. The objectives of the Company's executive compensation program are to:

(a)

Support the achievement of the Company's annual and long-term goals and objectives as determined annually by the Company's Board of Directors;

(b)

Establish base salaries targeted at a median level for comparable positions within a comparison group of companies in the banking industry (the Comparison Group), with incentive opportunities designed to pay total compensation that are above average for outstanding bank performance; and

(c)

Provide compensation plans and arrangements that encourage the retention of better-performing executives.

The Company's executive compensation policies seek to provide an opportunity for compensation that varies with performance and which compares favorably to levels provided to executives within the Comparison Group.

The Company seeks to set base salaries for the Company's executive officers at levels which are competitive with median levels for executives with similar roles and responsibilities within the Comparison Group. In setting annual salaries for individuals, the Board of Directors, or the Compensation Committee in the case of the Chief Executive Officer, first considers the compensation paid for similar positions in the banking industry and the executive's experience, level and scope of responsibility as a benchmark reference. The Board of Directors, or the Compensation Committee in the case of the Chief Executive Officer, then considers the individual performance of the executive measured against the Company's expectations in developing its salary increase recommendations.

The compensation of executive officers of the Company and its subsidiary includes (i) base salary and (ii) annual cash bonuses. Executive officers also receive various benefits generally available to all employees of the Company, such as participation in a defined contribution profit-sharing plan and medical plans.

The independent auditor shall report directly to the Committee. The Committee will make regular reports to the Board concerning its activities.

While the Audit Committee has the responsibilities and powers set forth in this Charter, it is not the duty of the Audit Committee to plan or conduct audits or to determine that the Company's financial statements are complete and accurate and are in accordance with generally accepted accounting principles and applicable rules and regulations.

This is the responsibility of management and the independent auditor.

2.

Approve the selection, retention or termination of the Company's independent auditor.

3.

Pre-approve all audit and permitted non-audit services to be performed by the independent auditor and establish policies and procedures for the engagement of the independent auditor to provide the permitted non-audit services, with exceptions provided for de minimis amounts under certain circumstances in accordance with the rules and

Discuss with the independent auditor their judgments about the quality, not just the acceptability, of the Company's accounting principles used in financial reporting.

6.

Review the scope and general extent of the independent auditor's annual audit. The Committee's review should include an explanation from the independent auditor of the factors considered by the auditor in determining the audit scope, including the major risk factors. The independent auditor should confirm to the Committee that no limitations have been placed on the scope or nature of their audit procedures. The Committee will determine and approve the fee arrangement with the independent auditor.

Inquire as to the independence of the independent auditor, including whether the provision by the independent auditor of permitted non-audit services is compatible with independence, and obtain from the independent auditor, at least annually, a formal written statement delineating all relationships between the independent auditor and the Company.

8.

Have a predetermined arrangement with the independent auditor that they will advise the Committee through its Chair and management of the Company of any matters identified through procedures followed for interim quarterly financial statements, and that such notification is to be made prior to filing Forms 10-Q.

9.

Consider and approve, if appropriate, major changes to the Company's accounting principles and practices proposed by management.

10.

At the completion of the annual audit, review with management and the independent auditor the following:

-

The annual financial statements and related footnotes and financial information to be included in the Company's annual report to shareholders and on Form 10-K, including the Company's disclosures under Management's Discussion and Analysis of Financial Condition and Results of Operations.

•

Results of the audit of the financial statements and the related report thereon and, if applicable, a report on changes during the year in accounting principles and their application.

•

Significant changes to the audit plan, if any, and any serious disputes or difficulties with management encountered during the audit. Inquire about the cooperation received by the independent auditor during their audit, including access to all requested records, data and information. Inquire of the independent auditor whether there have been any disagreements with management which, if not satisfactorily resolved, would have caused them to issue a nonstandard report on the Company's financial statements.

•

Other communications as required to be communicated by the independent auditor by Statement of Auditing Standards (SAS) 61, as amended, relating to the conduct of the audit.

If deemed appropriate after such review and discussion, recommend to the Board that the financial statements be included in the Company's annual report on Form 10-K.

11.

After preparation by management and review by the independent auditor, approve the report required under SEC rules to be included in the Company's annual proxy statement. The charter is to be published as an appendix to the proxy statement every three years.

12.

Discuss with the independent auditor the quality of the Company's financial and accounting personnel. Also, elicit the comments of management regarding the responsiveness of the independent auditor to the Company's needs.

13.

Meet with management and the independent auditor to discuss any recommendations that the independent auditor may have, particularly those characterized as material or serious. Typically, such recommendations will be presented by the independent auditor in the form of a Letter of Comments and Recommendations to the Committee. The Committee should review responses of management to the Letter of Comments and Recommendations from the independent auditor and receive follow-up reports on action taken concerning the aforementioned recommendations.

14.

Review and pre-approve related-party transactions in accordance the rules and regulations of the NASD.

15.

Establish procedures for receipt, retention and treatment of complaints received by the Company regarding the Company's accounting, internal controls or auditing matters and the confidential, anonymous submission by employees of concerns regarding questionable accounting or auditing matters.

16.

Obtain from the independent auditor assurance that they will inform Company management concerning any information indicating that an illegal act has or may have occurred that could have a material effect on the Company's financial statements, and assure that such information has been conveyed to the Committee.

17.

Generally as part of the review of the annual financial statements, receive an oral report(s), at least annually, from the Company's general counsel concerning legal and regulatory matters that may have a material impact on the financial statements or on the Company's contingent liabilities and risks.

18.

As the Committee may deem appropriate, obtain, weigh and consider expert advice as to Audit Committee related rules of the NASD, Statements on Auditing Standards and other accounting, legal and regulatory provisions.
