Deregistration of Securities; Termination of Registration Statement

On June 5, 2006, we filed a registration statement on Form S-1 (File No. 333-134734), as amended (the "Registration Statement") with the Securities and Exchange Commission (the "Commission"), which registered for resale from time to time 3,000,000 shares of our common stock, par value \$0.0024 per share (the "Shares"). The Registration Statement was declared effective by the Commission on July 24, 2006.

We are filing this Post-Effective Amendment No. 10 to the Registration Statement to deregister the Shares remaining unsold under the Registration Statement. As of the date of this filing, to the best of our knowledge based on the information available to us, 1,007,010 Shares remain unsold under the Registration Statement. Because these unsold Shares became freely tradable upon expiration of the required holding periods under Rule 144 of the Securities Act of 1933, as amended, and because our obligation to maintain the effectiveness of the Registration Statement pursuant to the Registration Rights Agreement by and among the selling shareholders named in the Registration Statement and us has expired, it is no longer necessary for us to maintain effectiveness of the Registration Statement. Therefore, we are filing this Post-Effective Amendment No. 10 to the Registration Statement to terminate the effectiveness of the Registration Statement and to deregister, as of the effective date of this Post-Effective Amendment No. 10, all of the Shares remaining unsold under the Registration Statement.
