Any statement contained herein or in any document incorporated or deemed to be incorporated by reference herein shall be deemed to be modified or superseded for purposes of this Registration Statement to the extent that a statement contained in any other subsequently filed document which also is or is deemed to be incorporated by reference herein modifies or supersedes such statement. Any such statement so modified or superseded shall not be deemed to constitute a part of this Registration Statement, except as so modified or superseded.

ITEM 4. DESCRIPTION OF SECURITIES.

The common stock is registered pursuant to Section 12 of the Securities Exchange Act of 1934. Therefore, the description of the securities is omitted.

ITEM 5. INTERESTS OF NAMED EXPERTS AND COUNSEL.

The legality of the common stock offered hereby has been passed on for Forest by Vinson & Elkins L.L.P., 666 Fifth Avenue, 26th Floor, New York, New York 10103, special counsel to Forest.

ITEM 6. INDEMNIFICATION OF DIRECTORS AND OFFICERS.

Forest is incorporated in the State of New York. Sections 721 through 725 of the Business Corporation Law of the State of New York (the "BCL") permit New York corporations, acting through their boards of directors, to extend broad protection to their directors, officers and other employees by way of indemnity and advancement of expenses. These sections (1) provide that the statutory indemnification provisions of the BCL are not exclusive, provided that no indemnification may be made to or on behalf of any director or officer if a judgment or other final adjudication adverse to the director or officer establishes that his acts were committed in bad faith or were the result of active and deliberate dishonesty and were material to the cause of action so adjudicated, or that he personally gained in fact a financial profit or other advantage to which he was not entitled, (2) establish procedures for indemnification and advancement of expenses that may be contained in the certificate of incorporation or by-laws

or, when authorized by either of the foregoing, set forth in a resolution of the shareholders or directors or an agreement providing for indemnification and advancement of expenses, (3) apply a single standard for statutory indemnification for third-party and derivative suits by providing that indemnification is available if the director or officer acted, in good faith, for a purpose which he reasonably believed to be in the best interests of the corporation and, in criminal actions, had no reasonable cause to believe that

Edgar Filing: FOREST OIL CORP - Form S-8

his conduct was unlawful, (4) eliminate the requirement for mandatory statutory indemnification that the indemnified party be "wholly" successful and (5) provide for the advancement of litigation expenses upon receipt of an undertaking to repay such advance if the director or officer is ultimately determined not to be entitled to indemnification. Section 726 of the BCL permits the purchase of insurance to indemnify a corporation or its officers and directors to the extent permitted. Essentially, the amended BCL allows corporations to provide for indemnification of directors, officers and employees except in those cases where a judgment or other final adjudication adverse to the indemnified party establishes that the acts were committed in bad faith or were the result of active and deliberate dishonesty or that the indemnified party personally gained a financial profit or other advantage to which he was not legally entitled.

Article IX of the By-laws of Forest contains very broad indemnification provisions which permit Forest to avail itself of the amended BCL to extend broad protection to its directors, officers and employees by way of indemnity and advancement of expenses. It sets out the standard under which Forest will indemnify directors and officers and provides for reimbursement in such instances, for the advancement or reimbursement for expenses reasonably incurred in defending an action, and for the extension of indemnity to persons other than directors and officers. It also establishes the manner of handling indemnification when a lawsuit is settled. It is not intended that this By-law is an exclusive method of indemnification.

ITEM 7. EXEMPTION FROM REGISTRATION CLAIMED.

Not applicable.

(a) The undersigned registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:

after the effective date of the registration statement (or the most recent post-effective amendment thereof) that, individually

II-2

or in the aggregate, represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in the volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20 percent change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in the effective registration statement; and

(iii) To include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement;

PROVIDED, HOWEVER, that the undertakings set forth in clauses (i) and (ii) above do not apply if the information required to be included in a post-effective amendment by those clauses is contained in periodic reports filed with or furnished to the Securities and Exchange Commission by the registrant pursuant to Section 13 or Section 15(d) of the Securities Exchange Act of 1934 that are incorporated by reference in the registration statement.

(2) That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial BONA FIDE offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(b) The undersigned registrant hereby undertakes that, for purposes of determining any liability under the Securities Act of 1933, each filing of the Company's annual report pursuant to Section 13(a) or Section 15 (d) of the Securities Exchange Act of 1934 (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Securities Exchange Act of 1934) that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial BONA FIDE offering thereof.

(c) Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the registrant pursuant to the provisions set forth in Item 15, or otherwise, the registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in

Edgar Filing: FOREST OIL CORP - Form S-8

the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Act and will be governed by the final adjudication of such issue.
